Lottery Tuition Assistance Available for PACE Dual Enrollment Students

The school district's dual enrollment policy determines if the course's tuition and textbook costs are the responsibility of the student as outlined in the district's dual enrollment guidelines.

• Lottery Tuition Assistance (LTA) is available for PACE Dual Enrollment High School Students and can be applied towards tuition at HGTC paying over half of tuition costs. To qualify, high school students must be a SC resident for at least a year, enrolled in two PACE classes (6 credit hours) in a semester, and a FAFSA Waiver Form is submitted with the PACE Application. LTA is NOT based on financial need.

• Parents/Guardians will receive a bill and must pay the balance of the tuition upon receipt of the bill after the first week of classes for each semester the student is enrolled in PACE college courses.
