

Your 2013–2014 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you do not comply with verification, you forfeit student aid eligibility. Submit all documents within 14 days of receipt of the verification notice. The deadline to submit verification is 30 days after your last date of enrollment. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

## C. Student's Income Information to Be Verified (and spouse, if married)

### TAX RETURN FILERS

**Instructions:** Complete this section if you, the student (and, if married, your spouse), filed or will file a 2012 income tax return with the IRS.

*The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to [FAFSA.gov](http://FAFSA.gov), log in to your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2012 IRS income tax information into your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.*

**Important Note:** If you (or your spouse, if married) filed, or will file, an amended 2012 IRS tax return, you must contact your financial aid administrator before completing this section.

**Check the box that applies:**

- ☐ I, the student, have used the IRS Data Retrieval Tool in FAFSA on the Web to transfer my (and, if married, my spouse's) 2012 IRS income information into my FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. HGTC will use the IRS information that was transferred in the verification process.
- ☐ I, the student, am unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and I will submit to the school **2012 IRS tax return transcript(s)**—not photocopies of the income tax return.  
*To obtain an IRS tax return transcript, go to [www.irs.gov](http://www.irs.gov) and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when your 2012 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you are married and you and your spouse filed separate 2012 tax returns, you must submit tax return transcripts for both you and your spouse.*
