

## Associate in Applied Science Degree TEACHER EDUCATION

Make a difference as an educator. If your career goal is teaching in a K-12 setting, HGTC's Teacher Education degree is a great first step. You'll gain the tools needed to help students of all ages learn, grow, and succeed in school. After completing this A.A.S. degree, you can either start working in the education sector as a paraprofessional or pursue a bachelor's degree.

HGTC has 2+2 transfer agreements in place with Coastal Carolina University for the following teacher preparation programs: Early Childhood, Elementary Ed, Middle Level Education, Special Education, and Physical Education. HGTC also has transfer agreements with the University of South Carolina (Columbia) and Francis Marion University. Students interested in transferring to another senior institution should contact their Academic Advisor for assistance in course selection. It is also important for you to contact the Transfer Admissions Office of the transfer institution early in order to determine appropriate courses for transfer.

Admission to the Professional College of Education at senior institutions requires passing scores on the PRAXIS I; HGTC offers PRAXIS preparation opportunities (EDU 102).

The HGTC/CCU partnership has been designated a SC CREATE Center. SC CREATE allows full-time employees in SC public and charter schools to receive cost-free course work to complete add-on, alternative, or initial licensure in special education and various related services personnel areas. The HGTC/CCU Center allows qualified recipients to earn their AAS in Teacher Education and their Bachelor of Arts in Special Education fully distanced and online. To apply, students can visit <https://ed.sc.gov/districts-schools/special-education-services/projects-and-supports/create/>.

Teachers are in high demand in South Carolina, and qualifying teachers can have their student loans forgiven through the South Carolina Teachers Loan Program. Teacher Education students may also qualify for the SC WINS scholarship.
