

Associate in Applied Science Degree

ACCOUNTING

If you are good with numbers and enjoy mathematical challenges, check out HGTC's Associate in Applied Science (A.A.S.) in Accounting degree. This program is designed to prepare students for a career in both the public and private sectors of this important field. An Accounting degree will give you the knowledge, skills, and abilities you need to qualify for entry-level accounting positions in many sectors of the business world. The accounting degree program prepares you for direct employment.
