

## Certificate

# BASIC BUSINESS

This certificate is designed to prepare students for entry into the Associate in Applied Science in Business Administration program. It is also ideal for students who are not interested in pursuing an associate degree but who desire to have some basic skills in the field of business, so they can qualify for an entry-level position in a business career. Students may apply some of the credit hours earned with this certificate toward completion of the Associate in Applied Science in Business Administration degree.
