

**Certificate****ELECTRICAL LINEMAN TECHNICIAN**

Horry-Georgetown Technical College has partnered with utility companies in South Carolina to offer a comprehensive training program that will prepare candidates for entry-level line work positions. The Electrical Lineman Technician Program prepares the student to enter the electric utility industry as an apprentice with a broad understanding of the skills, knowledge, safe work practices and physical ability required to perform line work.

Students receive classroom and field training in math, electrical circuit analysis, power systems, and transformer theory, as well as safety and climbing techniques. Student must be 18 years of age and hold a valid driver's license. Industries will require employees to pass a background check as well as alcohol and drug screening. Students will be required to purchase appropriate safety items and tools.

**PROGRAM INFORMATION****Specific Admission Requirements for Program**

- Submit a completed Technical Standards of the Electrical Lineman Technician program student survey prior to enrollment in ELW courses.
- Successful completion of high school diploma or GED.
- Valid Driver's license.
