

Associate in Applied Science Degree

EARLY CARE & EDUCATION - TRANSFER PATH

Students interested in becoming lead teachers in a public school 4-K through third grade should choose Early Care and Education transfer emphasis. After completing the associate degree, students can transfer credits to Coastal Carolina University, University of South Carolina or other four year institutions with articulation agreements to obtain a bachelor's degree in Early Childhood Education. To be accepted in the Professional Program at SC universities, in addition to the associate degree, students must have a 2.75 GPA and have passed all three parts of PRAXIS. Please see your advisor for guidance.

The Early Care and Education program is accredited by NAEYC (National Association for Education of Young Children). For more information about HGTC's accreditations, click [here](#).

PROGRAM INFORMATION

Specific Admission Requirements for Program

- Criminal Background Check is a prerequisite to labs and licensed child care centers (not required for ECD 101)
- Certification in Pediatric CPR and First Aid prior to graduation

Course Sequence and Progression Requirements

A minimum grade of "C" or better is required for all ECD-prefixed courses for progression and graduation. Most Early Care and Education (CRJ) courses are offered only once each year, so following the recommended course sequence is extremely important.

CURRICULUM SEQUENCE

First Semester - Fall

ECD 101	Introduction to Early Childhood	3
ECD 102	Growth and Development I	3
