

## ASSOCIATE IN ARTS - BUSINESS TRANSFER PATH

If you're looking for a career in the business world, HGTC's Associate in Arts (A.A.) degree will provide you with a solid foundation for transfer to a senior institution's bachelor degree program in business. The Business Transfer path prepares students for majors in fields such as business, accounting, and management. The transfer path helps students identify which course options are most applicable to their field of interest.

Students interested in this degree program should contact their Academic Advisors for assistance in course selection. Please note selecting a transfer path is for advising purposes only and students will graduate HGTC with an Associate in Arts degree.
