

## The Career Resource Center

The Career Resource Center (CRC) provides students and alumni with the resources, advice and knowledge necessary to optimize their success and attain employment.

The CRC also cultivates relationships with employers to help maximize awareness of the college and its graduates - awareness that leads to employment opportunities of all types.

Whether you are a student or an alumnus who's looking for the resources and tools to prepare for entry into the job market or an employer who needs to fill positions with a business or organization, the Career Resource Center at HGTC will provide the career and professional development assistance you need to move to the next level. The CRC is located on the Conway Campus; For more information contact the CRC at (843) 349-7899.
