

Testing Center

Testing Centers are operated on all campuses and offer proctored testing services for students in a controlled, secure testing environment during operational hours. Students are required to present a photo ID and applicable fee receipts prior to testing. Children are not allowed to accompany students into the Testing Center. Testing candidates needing to schedule appointments for any testing service can process their request online by going to the Testing Center web page at www.hgtc.edu/testing. Scheduling needs to be done at least twenty-four (24) hours in advance of your desired appointment. Once you complete the process and pay necessary fees, if applicable, you will receive a confirmation of your appointment. Please bring your confirmation with you on appointment day. We subscribe to the National College Testing Association Professional Standards and Guidelines for Post-Secondary Testing Centers. The College Testing Center is a member of the NCTA Consortium of College Testing Centers.

Students requesting testing accommodations must contact accessibility and disability services prior to test.

TEAS dates, fees, appointment and registration procedures are announced in program information sessions and in department web page information. Testing appointments are required.
