

ID Card

Obtain your HGTC Student ID Card in TECH Central on the Conway Campus, in TECH Central on the Grand Strand Campus, or in the Front Office on the Georgetown Campus. Student IDs will be issued only when a current picture ID and copy of the current semester schedule are presented. A Student ID is required for certain services. Students should replace lost Student ID cards immediately at the appropriate office on each campus. There is a \$5.00 fee for replacement cards. You may pay the replacement card fee at Student Accounts and bring your receipt to the office on campus where you are having the replacement Student ID card made.
