

Transcripts

Transcripts may be ordered on-line through a student's WaveNet Account. Transcripts can be mailed, picked up, or sent electronically. If a student no longer has access to WaveNet, then a paper transcript request form can be processed for an additional charge. Transcript request forms are available in the Registrar's Office. Transcript requests made by telephone, e-mail, or family/friends will not be accepted. Fees are required for each official transcript requested. Unofficial transcripts will not be printed, and if needed can be obtained from a student's WaveNet account.
