Student Success and Tutoring Center

The Student Success and Tutoring Center (SSTC) is a FREE resource center for HGTC students who need academic coaching/tutoring, Math Center support, Writing Center assistance, college skills training, and/or online academic study tools and support. Please visit the SSTC for more information and access your Student Services tab in WaveNet for direct links to the scheduler, 24/7 Online Resource Center, and 24/7 Brainfuse online tutoring resources.

Academic Assistance/Coaching

The SSTC provides peer and professional academic coaches who are recommended by faculty to provide tutoring/academic assistance and coaching in most of the major academic subjects at HGTC. We highly recommend that you schedule appointments 1-3 days in advance through our scheduling system (TutorTrac) to ensure assistance. TutorTrac is located in WaveNet on the Student Services tab. Please feel free to drop into any Center to check availabilities if you were unable to schedule an appointment. Oftentimes, we may have someone available to assist you!

Math Centers

Math Center hours are provided at the Conway and Grand Strand campuses where you can drop in to the SSTC during the hours posted to receive assistance - no appointment necessary! The Math Center is located in the SSTC and staffed with math faculty volunteers. Hours vary from semester to semester based on availability of faculty. Please refer to TutorTrac to view Math Center Hours.

Writing Center

The Writing Center provides professional academic coaches and faculty volunteers who offer guidance for any kind of writing assignment.

College Skills Training and Support

The SSTC provides academic coaches who offer guidance for college skills, such as note-taking, time-management, test-taking anxiety, study skills, and more.

Personalized Academic Coaching (PAC) Program

The PAC Program provides HGTC students with regularly scheduled academic/Writing Center support, mentoring, and/or college skills coaching in the Student Success and Tutoring Center. Each participant is paired with an experienced coach for one-on-one weekly appointments for the duration of the semester.
