

# Horry Georgetown Technical College MASTER PLAN / Conway Campus 2017

## Phase Of Upgrades

1. Renovate and/or expand 5 academic buildings at a projected cost of \$23,000,000.
2. Construct 1-2 academic buildings totaling 60,000 square feet on the 12-acre lot. One of the two potential buildings is to include 35,000 square feet and projected to cost \$35,000,000.
3. Maintain lot of 2.2 acres for future development.
4. Maintain and renovate the former Fire Department facility for future needs. The existing Victory Lane may be closed at some point depending on future growth and pedestrian/vehicular mobility needs.
5. Relocate existing maintenance facility and re-purpose the existing space to meet future needs.
6. Acquire land/buildings to accommodate future growth.

## Future Upgrades
