

Horry Georgetown Technical College

Dental Hygiene Clinic

Availability and Short Notice List

Thank you for entrusting our clinic with your dental hygiene needs. The American Dental Association recommends professional dental cleanings at least once every six months. Unfortunately, due to the nature of HGTC's student services we are unable to ensure that our patients will be seen twice annually. We do suggest that you alternate your dental cleanings between our clinic and a local dentist. If your work/home/ or school schedule allows for us to contact you on short notice, to fill in for an appointment cancelation, please complete this form.

Because of the volume of people we serve, it is encouraged to periodically check on the status of our waiting list. We do provide our students with return patients' contact information however students are limited to the amount of patients they will see in a given semester.

NAME: _____ Today's Date: _____

City: _____ Date of Birth: _____

Cell Phone: _____ Home Phone: _____

Email: _____ Do you check your email often: _____

We do attempt to give patients as much notice as possible, however, often times, we do not have much notice of a cancelation. Please indicate below your personal flexibility so we may contact you when it is generally most convenient for you to come in on short notice. REMINDER: TYPICALLY, APPOINTMENTS ARE 3 1/2 HOURS LONG.

Days/Times Most Likely available (please check all that apply to your availability -scheduled days subject to change)
SUMMER DAYS (rising senior students) FALL and SPRING DAYS (senior students)
___ Mon. am ___ Mon. pm ___ Tues. am ___ Tues. pm
___ Wed. am ___ Wed. pm ___ Thurs. am ___ Thurs. pm

Table with 4 columns: Good To Go, 1-2 hours, Few hours, Day Before. Each column contains a checkbox and a description of the notice preference.

Other considerations

- Early Bird. I am generally awake before 8 am. Please feel free to contact me in the morning for either a morning or afternoon appointment that is available due to a cancelation
I have youngsters in school. Morning appointments are best for me.

Additional considerations (use reverse side for more space)

Have you ever been advised to antibiotics prior to dental cleaning? (ie: do you have any joint or heart valve replacements or do you have a history of a heart murmur.) ___ YES ___ NO If yes, why? _____

It is suggested that all patient candidates contact HGTC Clinic if they have not been called in for an appointment. HGTC Dental Clinic monitors patients' interest and your follow-up does improve your chances of being called for an appointment. Being on our waiting list or short notice list does not guarantee an appointment. Please contact the appointment desk at 843-839-1070 to determine likelihood of being contacted based on candidate volume.
