EMPOWERED CREATIVITY

10TH ANNUAL ENGINEERING DAY EMPOWERED CREATIVITY

Whether you already have a desire for math and science or if you just want to investigate your interest and empower your creativity, Engineering Day will be a time to advance in your passion, drive, and potentially your success towards the engineering technology fields.

Have your *creativity empowered* by participating in a day that will bring increase to your educational and professional endeavors.

STUDENTS WILL:

- Enjoy participating in hands-on engineering activities
- See first-hand results of their calculations
- Meet students, professors, and engineers from the industry
- Experience fun, yet organized, competition

IT WILL BE A DAY EMPOWERED FOR YOUR SUCCESS!!
