General Regulations

1. All vehicles must be registered and have a current valid parking decal properly displayed if they are to be driven, parked or otherwise maintained on the Horry Georgetown Technical College campuses.

2. Parking decals are nontransferable. A parking decal is valid only when the decal is permanently affixed face forward on the lower right side (passenger’s side) of the front windshield of the registered vehicle. Expired parking decals must be removed.

3. Parking decals may be obtained:
   - On the Conway Campus, at the Public Safety Office (Bldg.1100, Room 331), between the hours of 8 a.m. and 5 p.m., Monday through Thursday, and between 8 a.m. and 12:30 p.m. on Fridays.
   - On the Grand Strand Campus, from the Public Safety Office (Bldg. 200, Room 119), between the hours of 8 a.m. and 5 p.m., Monday through Thursday, and between 8 a.m. and 12:30 p.m. on Fridays.
   - On the Georgetown Campus, parking decals may be obtained at the Administration Office (i.e. Front Office) Room 107 between the hours of 8 a.m. to 5 p.m., Monday through Thursday; and between 8 a.m. and 12:30 p.m. on Fridays.

4. Parking is defined as the standing of a vehicle, whether occupied or not, other than when engaged in loading or unloading.

5. Students, faculty and staff are not guaranteed a place to park.

6. Faculty, staff and students must inform the Department of Public Safety of any change of vehicle registration or vehicle.

7. South Carolina motor vehicle and Horry Georgetown Technical College regulations are in effect 24 hours a day, seven days per week, unless otherwise directed by the college administration or by the Department of Public Safety. The driver of any vehicle shall obey lawful instruction of any college law or security enforcement officer.

8. No person shall, without lawful authority, attempt or in fact alter, deface, injure, knock down or remove an official traffic sign or device or add any inscription, shield or insignia thereon, or any other part thereof.

9. Vehicles parking parallel to the curb must park in the same direction as the flow of traffic and no more than 18 inches from the curb.

10. Students and visitors are prohibited from parking in reserved spaces. A reserved space or lot is one that is clearly marked as reserved. Faculty and staff parking are indicated by blue curbing or signage. Areas painted with yellow lines, diagonal lines or crossed lines are also considered reserved spaces.
11. Parking is prohibited at fire hydrants, fire lanes, sidewalks, walkways, grass, lawn, intersections, reserved spaces, driveways and alleys, unless otherwise indicated by signs. At no time should service areas, driveways, trash pickup areas or fire truck access to a building be blocked.

12. Parking spaces marked Visitors are for persons visiting the campus. Students, faculty and staff are not permitted to park in Visitors’ reserved parking spaces. Visitors to the campus should obtain a free temporary Visitor’s permit from Public Safety.

13. The vehicle operator must park the vehicle in one space only, thereby allowing clear access to adjacent spaces without blocking driving lanes or creating safety problems for other drivers.

14. In special situations that require a student, faculty or staff member to drive a vehicle that is not registered with a current parking decal displayed, he/she must obtain a temporary parking permit from the Public Safety Office on the Conway Campus or from the front desk/ or Public Safety Office at the Grand Strand or the Georgetown campus. Temporary permits are free of charge, and must be clearly displayed on the passenger’s side of the dashboard in the vehicle.

15. Grand Strand Campus: Students, faculty, staff and visitors of HGTC are not allowed to park in the American Red Cross or the Bible College parking lots, which are located by the Robert E. Speir Bldg., Building 1000 on the Grand Strand Campus.

Due to limited dental hygiene parking spaces, it is respectfully requested that students and faculty park in respective student or faculty parking instead of parking in designated dental hygiene patient parking for their dental clinic office visits. This will allow the dental hygiene spaces to be used primarily for our non-faculty, non-student patients that do not have an HGTC parking decal. If necessary and warranted, students and faculty may request a temporary parking decal at the dental reception desk for use during the duration of their clinic appointment. Failure of students or faculty to display a current and valid temporary parking pass while occupying a patient parking space will result in a traffic summons.

16. The College shall assume no responsibility for the care and/or protection of any vehicle or its contents at any time while it is operated or parked on campus. Valuables should not be left in unoccupied vehicles at any time, and vehicles should be locked when not in use. Thefts and damages that occur should be reported to the Public Safety Office for investigation or other action.

17. The speed limit on all campuses is 10 miles per hour in all parking lots, 20 miles per hour on Technology Blvd & Victory Lane.

18. Skateboarding, rollerblading and bicycling are strictly forbidden on any sidewalks on any college property.
Student Regulations

Student parking decal fee is included in the tuition up to a maximum of two decals. Additional parking decals are $5. All student parking decals must be renewed at the beginning of each academic year. Decals expire on August 1 each year.

Current HGTC parking decals are valid on Coastal Carolina University property. No visitor parking permits are required. However, those with HGTC decals are NOT allowed to park in the GG Lot. Students may not park in Faculty/Staff, Visitor, Handicap or Reserved parking spaces. Students, faculty and staff with decals must abide by the rules and regulations in this booklet when on any HGTC and/or Coastal Carolina University properties.

College or Institutional Work-Study students are required to get a student parking decal.

Faculty and Staff Regulations

College faculty and staff are required to obtain a parking permit. The first two vehicles registered are free, and each subsequent vehicle registration is $5. Faculty/Staff parking decals have no expiration date and do not have to be renewed yearly.

Faculty/Staff members are not permitted to provide a Faculty/Staff parking permit for a student attending HGTC. Faculty/Staff who provide a student with a Faculty/Staff parking decal will be subject to loss of Faculty/Staff parking privileges.

Special/Handicapped/Disability Parking Registration

In the event a student or faculty/staff member can clearly demonstrate the need for special parking privileges because of a disability, Public Safety is authorized to issue a special parking permit. Students, faculty and staff with physical disabilities are required to obtain a written letter from their physician describing the length of time a special parking permit is needed. Parking in a handicap designated area without having a South Carolina valid handicap placard or license plate or a HGTC temporary handicap permit will constitute illegal parking, which is subject to a fine, towing and/or impounding.

Application of Laws

Issued parking citation(s) are placed under the windshield wiper of the vehicle or placed between the motorcycle brake line on the handlebar. Failure to receive an issued parking citation(s) does not mean the parking citation(s) was not issued.
Vehicle Towing and Immobilization Policy

The Public Safety Office may summon a local towing service to remove a vehicle from College property at the owner’s expense. A vehicle may be booted or towed for any of the following reasons:

- Parking in a fire lane
- Parking blocking a fire hydrant
- Parking in a space reserved for the handicapped
- Traffic obstruction/traffic hazard
- Incidental to the lawful arrest of the driver or owner of the vehicle
- Vehicle left abandoned on campus property
- Habitual violations of parking regulations

Violations and Penalties

Faculty, students and staff shall be responsible for all violations they incur on HGTC campuses. All fines may be paid in person or by mail to the Student Accounts Office on any HGTC campus. The Student Accounts Office is open from 8 a.m. to 6 p.m., Monday through Thursday, and 8 a.m. to 12:30 p.m. on Friday.

Schedule of Penalties

</table>
Non-Payment of Fines

Students who fail to pay their financial obligations to the College will not be allowed to obtain grades or secure a transcript of records until the fine has been cleared. Repeated unpaid parking citations or willful disregard of unpaid fines may result in the vehicle being towed, and may also subject the student to disciplinary action (under the Student Code of Conduct.) In addition, unpaid fines may be subject to collections through the South Carolina Department of Revenue Debt Setoff Collection Act.

General Regulations for Appeals

The appeals process allows a person who has received an HGTC parking citation to appeal that citation. Any person desiring to appeal the citation must do so by completing a Traffic Citation Appeals form in writing within 72 hours from the time of the violation; otherwise, the right of appeal is forfeited. Saturdays, Sundays and holidays are not included in the 72-hour appeal time limit. Appeals submitted online through Coastal Carolina University will not be accepted.

Payment of the Parking Citation requires no further action.

Parking violation appeal forms may be obtained from the Public Safety office at Conway and Grand Strand Campus locations, and at the Student Services Office in Room 107 at the Georgetown Campus. Appeals must be completed on the campus where the citation was issued.

All appeal hearings before the Traffic Appeals Committee are scheduled at the Campus where the citation was issued.

The Appeals Board is an independent body not affiliated with HGTC Public Safety Office. No HGTC Public Safety Office staff or other officers serve as voting members of the appeals board. The Appeals Board is made up of volunteer members of the faculty, staff and student body. At least one member of each section of the College community is included as a member of the board.

One of three actions will be taken by the Appeals Board.

- **UPHELD** means that the citation has been upheld as written and full payment is due.

- **REDUCED** means that the Board agreed that there was a violation, but due to mitigating circumstances presented in the appeal, the amount of the fine has been reduced. The reduced amount of the fine is now due.
• **WAIVED** means that the appeal was approved by the Board and the fine has been waived.

All Appeals Board decisions are FINAL. Appeal decision notification will be thru your WaveNet email.

**Vehicle Breakdowns**

In the event a vehicle breaks down or runs out of gasoline while on campus, all reasonable steps should be taken to move the vehicle from the street or other hazardous position to a parking space. In the event the vehicle must be parked illegally to await repairs or gasoline, the Public Safety Office should be notified immediately.
