Disclaimer: Every attempt has been made to verify the accuracy and completeness of this document at the time of printing. This document does not constitute a contract between Horry Georgetown Technical College and any individual or group. This catalog is based on timely completion of your program of study. Check with DegreeWorks in WaveNet or with your academic advisor for the most current information.
Dear Student,

By enrolling at Horry Georgetown Technical College, you’ve made a big step towards a rewarding future. You’ve selected one of the best technical colleges in the South.

Nearly 8,000 students enrolled in more than ninety academic programs make all three campuses of Horry Georgetown Technical College dynamic year-around. From culinary arts to sports tourism, forestry to engineering technology, HGTC students choose from more career options today than ever before. Ninety-four percent of HGTC graduates get jobs or transfer to four-year colleges, and about ninety percent merit some form of financial aid. Tuition remains reasonable, and under the Program for Accelerated College Enrollment (PACE), high school juniors and seniors earn college credit, saving families thousands of dollars in college costs.

HGTC’s job-focused programs are why we say, “Real jobs start here.” Students have opportunities for internships in their chosen fields and access to a career resource center that helps students network with prospective employers. HGTC’s student-friendly faculty sustain strong networks among local business and industry, while imparting in classes the knowledge to succeed.

And when you’re not in class, remember that college is also about having fun. So join a student organization and meet others who may well become lifelong friends.

Thank you for choosing HGTC, and best wishes for fulfilling your dreams.

Mission Statement
The mission of Horry Georgetown Technical College is to provide accessible, affordable, high-quality, comprehensive two-year collegiate education and workforce development; to provide a student centered environment and inspire lifelong learning; to promote learning through teaching excellence; to promote community service and embrace diversity; to promote economic growth; and to embrace technological innovation in instruction and workplace applications.

Role and Scope of the Institution
Since its creation in 1966, Horry Georgetown Technical College has continued to provide post-secondary certificate, diploma, and associate degree programs leading directly to securing or continuing employment; degree programs which enable students to access other post-secondary education; and workforce development programs to meet the needs of job training, occupational advancement, licensing, and certification.

As a member of the South Carolina Technical College System, the College is a public, two-year technical college, enrolling 7,500 to 9,000 college credit curriculum students during the fall semester and providing non-credit courses and programs for workforce development and job training. The College primarily provides services to the individuals and employers of Horry and Georgetown counties, but also offers programs to meet regional, national, and international needs. The College values partnerships with business, industry, community agencies, and other educational and governmental institutions which support the growth and development of the community.

The faculty’s primary function is to ensure student learning and academic goal achievement through innovative teaching that integrates theory and application. The College provides student services to support individual and educational goals. The College endeavors to fulfill its mission by fostering the belief that all people should have equal opportunity for personal and professional growth in leading to a productive and meaningful life.

The College respects every member of the college community and is committed to fairness in its educational endeavors.

Approved by HGTC Area Commission, February 12, 2013.

Accreditation
Horry Georgetown Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees, diplomas and certificates. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia, 30033-4097, telephone (404)679-4500 or http://www.sacscoc.org for questions about the accreditation of Horry Georgetown Technical College.

Program Accreditations and Approvals
Horry Georgetown Technical College is nationally accredited by the Association of Collegiate Business Schools and Programs (ACBSP), 7007 College Blvd., Suite 420, Overland Park, Kansas 66211, (913) 339-9356, www.acbsp.org, for the offering of the Associate Degrees in Accounting, General Business and Administrative Office Technology. Students interested in reviewing the accreditation documents may view them in the Academic Dean’s Office.

The Cosmetology, Esthetics, and Nail Technician programs are licensed by the Board of Cosmetology of the South Carolina Department of Labor, Licensing and Regulation. Massage Therapy is approved by the Massage/Body Works Panel of the South Carolina Department of Labor, Licensing and Regulation.

The Culinary Arts Technology program is accredited by the American Culinary Federation Educational Foundation Accrediting Commission.

The programs in Dental Assisting and Dental Hygiene are accredited by the Commission on Dental Accreditation and have been granted the accreditation status of “approval without reporting requirements.”

The Diagnostic Medical Sonography program at Horry Georgetown Technical College is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of Joint Review Committee on Education in Diagnostic Medical Sonography (JRC-DMS) Commission on Accreditation of Allied Health Education Programs, 1361 Park Street Clearwater, FL 33756 727-210-2350; www.caahep.org.
The Early Care and Education program is accredited by NAEYC (National Association for Education of Young Children).

The Emergency Medical Technology program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP); Commission on Accreditation of Allied Health Education Programs, 1361 Park Street, Clearwater, FL 33756, 727-210-2350; www.caahep.org.

The Education degree program in Forestry Management Technology leading to an Associate’s in Applied Science is a candidate for accreditation by the Society of American Foresters (SAF). The Council for Higher Education Accreditation recognizes SAF as the specialized accrediting body for forestry education in the United States.

The Paralegal program is approved by the American Bar Association.

The Nursing and Practical Nursing programs are approved by the South Carolina Department of Labor, Licensing, and Regulation Board of Nursing and are accredited by the Accreditation Commission for Education in Nursing, Inc. (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta, Georgia 30326; Phone (404) 975-5000; Fax (404) 975-5020; www.acenursing.org.

The Pharmacy Technician program is accredited by the American Society of Health System Pharmacists, Accreditation Services Division, 7272 Wisconsin Avenue, Bethesda, MD, 20814. A new commission, the Pharmacy Technician Accreditation Commission (PTAC), is being formed through collaboration with the American Society of Health-System Pharmacists (ASHP) and the Accreditation Council for Pharmacy Education (ACPE). PTAC will make accreditation recommendations regarding pharmacy technician education and training programs. ASHP will continue to conduct accreditation actions through August 2014.

The Physical Therapist Assistant program at Horry Georgetown Technical College is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, VA, 22314; telephone: 703-706-3245; e-mail: accreditation@apta.org; website; www.capteonline.org.

The Radiologic Technology program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT), 20 North Wacker Drive, Suite 2850, Chicago, IL 60606-3182; phone: 312-704-5300, fax: 312-704-5304, email: mail@jrcert.org, www.jrcert.org.

The Surgical Technician program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Accreditation Review Committee on Education in Surgical Technology (ARC-ST). Commission on Accreditation of Allied Health, Education Programs, 35 East Wacker Drive, Suite 1970, Chicago, IL 60601-2208; phone 312-553-9355.

The Wildlife Management emphasis within the Forestry Management Technology program is accredited by the North American Wildlife Technology Association (NAWTA).

**Statement of Equal Opportunity/ Non-Discrimination**

Horry Georgetown Technical College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. The following persons have been designated to address inquiries regarding the non-discrimination policies:

Employee and applicant inquiries concerning the federal laws and their application to the College may be directed to the College’s Affirmative Action/Equal Opportunity Officer: Associate Vice President for Human Resources and Employee Relations, HGTC, PO Box 261966, Conway, SC 29528-6066, 843-349-5212, who serves as the College’s Section 504, Title II, and Title IX Coordinator.

Student and prospective student inquiries concerning Section 504, Title II and Title IX and their application to the College or any student decision may be directed to Associate Vice President for Student Affairs, HGTC, PO Box 261966, Conway, SC 29528-6066, 843-349-5228.

**Americans with Disabilities Act of 1990**

HGTC complies with The Americans with Disabilities Act (ADA) of 1990 which makes it unlawful to discriminate in admission policies, academic programs, services, or employment practices. It adopts the general prohibitions of discrimination under section 504 as well as the requirements for making programs accessible to individuals with disabilities and for providing a way to effectively communicate. The ADA of 1990 complements but does not replace Section 504.

**ADMISSION**

**Open Admission**

HGTC maintains open admission to fulfill the educational mission of the College and to promote achievement of individuals with varied potential. Open admission supports the College commitment to assess student potential and to provide developmental education or appropriate referrals as necessary.

Open admission does not guarantee admission. The College reserves the right to refuse admission in the best interest of the College community. Also, pursuant to South Carolina law, to be considered for admission, applicants to the College must be U.S. citizens or be legally present in the United States.

Note: Admission to specific programs at HGTC may require additional information, prerequisites, etc.
Admission Requirements for New Students

To be eligible for admission to the College, a new student must:

1. Be 18 years old or have earned a high school diploma or its equivalent;
   Exceptions to above
   • High school students participating in the Program for Accelerated College Enrollment (PACE) or Early College are subject to admissions requirements as outlined in the PACE section of this catalog.
   • An applicant who is less than 18 years old, and who does not have a high school diploma or its equivalent, must present, prior to admission, the following:
     - Written permission to attend HGTC from the principal of the high school last attended or currently attending. Homeschooled students must have written permission from the state affiliation or local school district; and,
     - Written parental/guardian permission to attend HGTC. Married or legally independent applicants are excluded from this requirement.

2. Complete and return an admission application, along with the required, non-refundable application fee; applications submitted without payment of the application fee WILL NOT BE PROCESSED.

3. Submit scores from SAT, ACT or COMPASS placement test (Placement test scores are required for appropriate course placement).

Note: Testing candidates may schedule appointments for any testing service and process their request online by going to the Testing Center web page at www.hgtc.edu/testing, or in WaveNet under the Testing Center tab. Once you complete the process and pay necessary fees, if applicable, you will receive a confirmation of your appointment. Please bring your confirmation with you on appointment day.

Testing candidates requesting accommodations should call the Testing Center in which you registered to arrange accommodations in advance.

Applicants who have not taken the SAT or ACT may call or visit the Testing Center at any campus or site to schedule a time for the College placement test. The College placement tests in the areas of Reading Comprehension, Writing Skills, Pre-Algebra and Algebra are offered the first time free of charge as a service to applicants. A photo ID must be presented prior to testing. Test scores are available immediately upon completion.

An applicant/student may re-test once, after a 24-hour waiting period. After the first re-test, an applicant/student may re-test again only if he/she has completed the required developmental studies course sequence, completed an external remediation program, or one HGTC semester has elapsed since the last test date. A $30 fee is required for each re-test.

Placement testing is also available in alternate formats. To request special accommodations for testing, contact the Director of Student Development on the Conway Campus, the Director of Campus and Support Services on the Grand Strand Campus or the Coordinator of Student Affairs on the Georgetown Campus.

There is a five-year time limit on acceptance of placement test scores. Exceptions to the time limit are test scores submitted by applicants who have previously attained bachelor’s degrees, associate degrees, college diplomas or applicable college certificates.

4. Submit high school transcript(s).

Applicants should request that an official high school transcript or GED scores be forwarded to the HGTC Admissions Office.

Certain programs of study require additional information for admission to the program.

For Transfer Students to HGTC

To be eligible for admission to the College, a transfer student must:

1. Complete and return an admissions application, along with the required, non-refundable application fee; Applications submitted without this fee WILL NOT BE PROCESSED.

2. Submit college transcript(s).

Transfer applicants should request that official transcript(s) from all colleges previously attended be forwarded to the HGTC Admissions Office. Transcripts should reflect that the applicant has completed at least one college-level math and one college-level English composition course with an earned grade of “C” or above in these two courses. A transfer applicant whose college transcripts do not reflect above requirements will be given the opportunity to submit SAT/ACT scores that are less than 5 years old or to take the College placement test to determine course placement.

Information about Transfer Courses to HGTC

HGTC will accept for transfer all applicable and appropriate credits. Every effort will be made to recognize the previous educational experiences of the student, while applying appropriate quality assurances for graduation purposes.

Transfer credits require a grade of “C” or better.

Credit for a course must show on an official transcript from the granting institution, and an official copy of this transcript must be on file at HGTC.

Transfer credit does not influence the student’s grade point average while attending HGTC.
Credits transferred and/or exempted from other institutions may not exceed 75% of the total credits HGTC requires for graduation. Statute of Limitations: Courses that meet the above-mentioned criteria are accepted for varying time limits as recommended by department chairs. The Registrar’s Office uses an approved list when evaluating transfer credits. This applies to both internal and external courses. Any student whose courses were taken in excess of the approved time limit prior to evaluation is encouraged to take credit by proficiency examinations, where available, for validation of knowledge. When recommended by department chair and approved by appropriate administration, alternate validation of course competencies may be accepted.

Transfer and evaluation of transfer credit is at the discretion of the Registrar’s Office and academic chairs, when applicable.

Time Limits on Courses for Transfer and Program Admission/Re-Admission
Some majors at HGTC are continually changing due to the nature of the profession. The following courses have transfer and program admission/re-admission time limits. Students with questions should contact their academic advisors.

Limit - Prefix/Course Major/Subject Area

One Year
- DAT Expanded Duty Dental Assisting
- PTH Physical Therapist Assistant
- RAD Radiologic Technology
- PNR Nursing - PN

Two Years
- DHG Dental Hygiene
- NUR Nursing - ADN
- PHM Pharmacy Technician
- EMS Emergency Medical Technology

Five Years
- AOT Administrative Office Technology
- ARV Digital Arts
- BIO Dental Hygiene, Diagnostic Medical Sonography, Nursing, Physical Therapist Assistant, Surgical Technician Majors only
- COS Cosmetology
- CPT Computer Technology
- EGT (151) Engineering Technology
- HIM Medical Administrative Assistant, Medical Coding and Billing
- IST Information Systems Technology
- LEG Paralegal

Seven Years
- ECD Early Care and Education

Ten Years
- ACC Accounting
- AHS Allied Health Science
- BAF Banking and Finance
- BUS Business
- CMT Construction
- CRJ Criminal Justice
- CUL Culinary Arts
- EGT (101) Engineering Graphics

FOR Forestry
MAT Nursing - ADN Major Only
MGT Management
MKT Marketing
NRM Natural Resource Management
WLD Welding

For Undeclared Major Students
To be eligible for admission to the College, an undeclared major student must:
Complete and return an admission application, along with the required, non-refundable application fee. Applications submitted without payment of the application fee WILL NOT BE PROCESSED.

Note: Placement in certain courses as an undeclared major is restricted, and all course placement requirements and course pre and corequisites must be met. A student accepted as an undeclared major is not eligible for federal/state financial aid or veteran’s benefits, including Lottery Tuition Assistance, and is restricted to a total of 24 semester hours. Students must submit Change of Major form to declare a major.

For International Students
HGTC welcomes the enrollment of international students who wish to pursue collegiate-level study in the United States. The College provides assistance to international applicants in processing the required documents necessary to secure a student F-1 Visa. Assistance is also available for international students who wish to transfer to Horry Georgetown Technical College from another college in the United States or who wish to change their current visa status to F-1 Student.

The following steps are required for international student admission to HGTC:
1. Complete the Admissions Application and pay the non-refundable application fee;
2. Prospective students who do not speak English as their primary language must submit proof of English language proficiency. A minimum computer-based score of 173, internet-based score of 61 or a paper-based score of 500 on the Test of English as a Foreign Language (TOEFL) is required in addition to a minimum score of 7.0 on the International English Language Testing System (IELTS). Individuals already in the United States may elect to participate in the college placement test (COMPASS) as an alternative to TOEFL and IELTS;
3. Provide copies of current visa and passport documents, including both sides of the I-94 card;
4. Provide official English language transcript of high school/secondary school/college records through World Education Services (WES); and,
5. In compliance with U.S. Citizenship & Immigration Services (US-CIS) requirements, international student applicants are required to provide documentation of financial resources adequate to cover tuition and expenses for the duration of the international applicant’s program of study. A Certification of Financial Support form must be submitted for this purpose. Estimated annual expenses will vary and will be based upon current tuition and other appropriate information.

Following admission to HGTC, international applicants will be notified to pay a two-semester tuition deposit. This deposit will be used to pay tuition and fees for the first two semesters of enrollment and is fully refundable if the student elects not to pursue study at the College. SEVIS form I-20 will be prepared when the deposit is paid. Students are also required to file form I-901 and pay the SEVIS fee, using the number assigned on the I-20.

Prospective international students currently in the U.S. with a valid visa other than F-1 student must also complete Application to Change Nonimmigrant Status Form I-539 and submit the applicable fee to the U.S. Department of Homeland Security. Transfer credit may be awarded to international students who attended a college or university either outside or within the United States. Credits for coursework completed at a foreign college or university must be evaluated by World Education Services to be eligible for transfer.

Note: It is the student’s responsibility to ensure all required documents are current and maintained in keeping with all applicable laws and regulations.

For Returning Students
Returning students are those who previously enrolled in an associate degree, diploma or certificate program at HGTC, but who have not been enrolled in classes during the previous twelve (12) calendar months. In order to be eligible for re-admission to the College, returning students must not have any outstanding financial obligations to the College, must submit an application for re-admission along with the non-refundable application fee. PACE or other dually-enrolled students must submit a new HGTC application (fee waived, if within twelve (12) months) prior to re-enrolling as an HGTC student in order to identify a major (program of study) and be recognized as a college student for financial aid eligibility.

PACE (Program For Accelerated College Enrollment) and Early College High School
Students in PACE can take either University Parallel (86 courses approved by the Commission on Higher Education for transfer from two-to four-year public institutions-go to www.sctrac.org for details) or Applied Technology (courses that may or may not carry transfer credit to a four-year college); however, they must meet the same admissions criteria as any other student. The following criteria must be met for acceptance into PACE:
- Obtain high school junior status;
- Be recommended by the high school guidance counselor, principal or other designated school official as someone who can benefit from the program;
- Have a letter of permission from parent(s) or guardian(s); and,
- Submit scores from one of the following placement tests: Scholastic Assessment Test (SAT), American College Testing Assessment (ACT), COMPASS or ASSET (College Placement Tests). Minimum test scores must be met to enroll in college level courses.

Note: PACE students who continue their education at HGTC must submit HGTC Admissions Application (fee waived if within twelve months) to identify a major (program of study) and be recognized as a college student for financial aid eligibility. Students are responsible for meeting admissions requirements and checking with the institution(s) to which they plan to transfer after high school to ensure transferability of courses from HGTC.

Technical Advanced Placement (T.A.P.)
Through articulation agreements with Horry and Georgetown County high schools and Hemingway Career and Technical Center, high school students may receive Technical Advanced Placement (T.A.P.) credit for specific high school courses. This eliminates duplication of courses by allowing students who successfully complete specific high school courses to exempt specific entry-level College courses. T.A.P. credit may be awarded for satisfactory completion of several C.A.T.E. programs in schools in Horry and Georgetown counties. The complete listing for each county is available at www.hgtc.edu/tap

Interested high school students should contact their high school guidance offices, and follow the T.A.P. procedures for submitting records to HGTC to determine eligibility and prepare for successful articulation.

University Parallel Program
The Associate in Arts and Associate in Science degree programs are for students intending to pursue a bachelor’s or higher degree from a senior college or university. Also known as the “university parallel program” or “university transfer degree,” the Associate in Arts and Associate in Science curricula are comparable to the freshman and sophomore years at a university. A majority of courses in the programs are General Education, such as English, Mathematics, Humanities, Science, Social and Behavioral Sciences, and Fine Arts. Other courses are selected based upon the institution and student’s intended major and are meant to satisfy prerequisite requirements for that major. Following are several majors that Associate in Arts or Associate in Science students may choose. This is not a complete list of possibilities: Accounting, Biology/Natural Sciences, Aerospace, Business Administration, African Studies, Chemistry, Anthropology, Computer Science/Information Systems, Architecture, Criminology, Art, Drama/Theater Arts,

University parallel courses may also serve as foundation requirements for advanced degrees in Horticulture, Pre-Dentistry, Pre-Law, Pre-Medicine, Pre-Optometry, Pre-Pharmacy, and Pre-Veterinary Medicine.

Students may take advantage of transfer agreements with Coastal Carolina University and Francis Marion University for Education Majors (HGTC’s Early Care and Education and Associate of Arts/Science-Teaching Transfer Emphasis), with Coastal Carolina University for Psychology/Sociology Majors (HGTC’s Criminal Justice and Human Services majors) and Graphic Design (HGTC Digital Arts), University of South Carolina (AA and AS), Lander University (AA and AS), The Citadel (Civil Engineering Technology) or Clemson University (Construction Project Management and Natural Resources).

Limited Access Programs Acceptance Requirements

Some of the programs in Health Science offered at Horry Georgetown Technical College are classified as limited access programs, meaning they may have special or particular or additional admission and/or placement requirements beyond those normally required by the College. In many cases, these requirements include prerequisite classes that must be completed prior to the student’s placement into courses in the particular program area. Applicants must complete HGTC Admission requirements and the additional program admission requirements.

Because of prerequisite requirements that may exist for limited access programs, the curriculum displays are for information only and should not be interpreted as an exact representation of course progression, but for outlining program course requirements necessary for completing a particular program of study. Students should confer with the Health Science Advisor on the Conway, Grand Strand Campus, or Georgetown Campus for more specific information.

It is the student’s responsibility to be aware of all limited access program admission, (top qualified or first qualified) program advancement and program prerequisite requirements, and to be fully informed of any wait times that may exist for placement into a particular limited access program of study. For more information about the application procedure and/or status of each limited access program, contact the Admissions Office at any campus.

Criminal Background Checks, Urine Drug Screening and Health Histories

Many of the programs, including those in the Health Sciences, require successful completion of a Criminal Background Check (CBC), Urine Drug Screen (UDS), and/or submission of health and immunization histories prior to course registration and clinical/field placements. Students whose Criminal Background Checks and/or Urine Drug Screening disqualify them from placement will be declared ineligible for continued enrollment and removed from the programs. Even if a student has a clean or acceptable Criminal Background Check and/or Urine Drug Screening, it is the student’s responsibility to notify the Office of Student Affairs or the Program Director if any incident occurs during enrollment that may disqualify him/her from placement eligibility. Failure to do so will result in disciplinary action and removal from the program.

All costs related to Criminal background Checks, Urine Drug Screening and compilation of health and immunization histories are SOLELY THE RESPONSIBILITY OF THE STUDENT.

TUITION, FEES AND REFUNDS

Tuition and fees are subject to change, so the College utilizes the website to publish current tuition and fees information. For the most accurate and current information, contact Student Accounts at (843) 349-5310 or visit www.hgtc.edu/tuition.

Payment

Students are expected to pay or enroll in a payment plan at the time of registration. Acceptable methods of payments include cash, check, money order, cashier’s check, VISA, Master Card, American Express or Discover, or through Financial Aid disbursement.

Late Registration Fees

A late fee is charged to students who register after the tuition deadline which is announced for each semester.

Tuition Refunds for Credit Courses

It is the student’s responsibility to initiate and complete the withdrawal process for eligibility for a refund. Students should use their WaveNet account to drop classes. Refunds are calculated based on the date on which the course is dropped. Tuition is charged for any class for which a student is enrolled after the drop period. Tuition refunds will be made according to this refund policy schedule:
After Add/Drop, the student is considered enrolled in classes remaining on his/her schedule. If the student withdraws or is dropped from class (es) after Add/Drop, the following refunds apply.

<table>
<thead>
<tr>
<th>Refund</th>
<th>Tuition</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Before classes begin</td>
<td>100%</td>
<td>100%</td>
</tr>
<tr>
<td>During the Add/Drop period</td>
<td>100%</td>
<td>100%</td>
</tr>
<tr>
<td>Period after Add/Drop equal to the length of Add/Drop*</td>
<td>50%</td>
<td>N/A</td>
</tr>
</tbody>
</table>

*For all semesters including those shorter than full term, the 50% refund period is equal to the same length of the Add/Drop period for that semester.

Refunds will be processed after the add/drop period. All refunds are mailed to the student’s address of record at HGTC, unless the student has requested to receive refunds via direct deposit into their WaveNet accounts. Students may set up direct deposit on their WaveNet accounts.

Refunds will be processed after the add/drop period. All refunds are mailed to the student’s address of record at HGTC, unless the student has requested to receive refunds via direct deposit into their WaveNet accounts. Students may set up direct deposit on their WaveNet accounts.

All refunds will be processed and payable by check, direct deposit, or card credit or as credit to HGTC account balance within 4-6 weeks after the start of the term.

**Tuition Refund Appeals**

If a student thinks the refund policy has not been fairly applied or there are special circumstances that should be considered, an appeal may be made in writing to the Office of the Registrar.

**Check Policy**

Students may make payments with checks written for the exact amount of the charges. All checks must be made payable to Horry Georgetown Technical College. Any student who presents a check to the College, payment of which is refused by the drawee, is charged a penalty and is thereafter required to pay all fees by cash, money order, cashier’s check or credit card. A student not redeeming a check promptly after notification of its return will be subject to the full extent of the South Carolina laws governing bad checks.

**FINANCIAL AID**

The HGTC Financial Aid Office assists students who demonstrate financial need and have a desire to attend college. The responsibility of meeting College costs rests primarily with the student and his/her family. Therefore, when the family meets its responsibility to the maximum of its ability, the College seeks to provide assistance for the remaining amounts. The majority of financial aid is awarded on the basis of a student’s demonstrated financial need. To establish need, a student must complete the free application for Federal Student Aid (FAFSA). Awards are made on a “package” concept, which usually consists of grants, employment, loans and/or scholarships. THE FAFSA is required as a first step for most financial aid programs. (Go to www.fafsa.ed.gov for information.)

All financial aid is awarded without regard to race, color, sex, age, religion, national origin, disability, or other individual distinction.

**Eligibility Requirements**

To be considered for financial aid, a student must:

- Be a citizen, permanent resident or eligible non-citizen of the U.S.;
- Be admitted or enrolled in an eligible undergraduate course of study;
- Students MUST have a high school diploma, GED, or have been home schooled to meet the eligibility criterion for Title IV purposes;
- Be making satisfactory academic progress in the course of study;
- Not owe a refund on a grant received under the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, or...
State Student Incentive Grant Program (Title IV, HEA Grant) for attendance at any institution;
• Not be in default on any loan made under the Federal Direct or Stafford Student Loan programs, Federal PLUS, Federal NDSL or Federal Perkins Loan program (Title IV, HEA Loan) for attendance at any institution;
• Demonstrate financial need according to specific program requirements; and,
• Register with the Selective Service (if a male at least 18 years of age, born after December 31, 1959, and not currently a member of the United States Armed Forces).

Application Procedures
The financial aid process can take 6-8 weeks, so it is important to apply early. It is necessary to re-apply every year.

To apply for financial aid, a student should complete the Free Application for Federal Student Aid (FAFSA), online at www.fafsa.ed.gov. HGTC’s school code is 004925.

You must first get your Personal Identification Number (PIN) at www.pin.ed.gov and, if a dependent student, a PIN for at least one parent or guardian. The PIN will allow you and your parent or guardian to electronically sign your FAFSA application. HGTC’s Financial Aid Office will receive an electronic copy of your FAFSA/SAR to confirm your eligibility, if you include our school code (004925) on your report.

Students must check their WaveNet accounts (Financial Aid Requirements) to determine if all FAFSA requirements are met; if not, financial aid awards are delayed. WaveNet accounts provide account balances, student requirements and more. Visit WaveNet Central for assistance.

NOTE: New students and former students not enrolled for one year or more must apply for admission to the College. A student may apply for financial aid prior to admission, but no financial aid awards can be made until a student has applied and is accepted in an approved program of study at the College. Financial aid does not cover the required College application fee.

To obtain priority for financial aid awards or scholarships for the following Fall Semester, FAFSA applications should be submitted prior to April 1.

Federal Financial Aid Programs

Federal Pell Grant Program (Title IV)
Federal Pell Grant Program (Title IV): This program provides funds to eligible students attending approved colleges, universities and other approved post-high school institutions. A student may apply if he/she is an undergraduate student enrolled in an eligible program and has not previously received a bachelor’s degree. Awards range from $587 to $5,730 in an award year.

Effective with the 2012-13 award year, a student’s Pell Grant Lifetime Eligibility is now limited to 12 (twelve) full-time semester awards or the equivalent of 12 (twelve) semesters.

Federal Supplemental Educational Opportunity Grant (SEOG)
This program awards funds to a limited number of students with exceptional financial need enrolled at least half-time in an eligible program and who have not previously received a bachelor’s degree.

College Work-Study Program (CWS)
This program provides jobs for students with demonstrated financial need and enrolled in an eligible program. Eligible students may work up to an average of 15 hours per week depending upon the need and available funds. Jobs are available on and off campus in various areas or departments.

Federal Direct Stafford Student Loan Programs
Direct Loans are low-interest loans for students and parents to help pay for the cost of a student’s education after high school. The lender is the U.S. Department of Education (the Department) rather than a bank or other financial institution. Repayment is required.

• Direct Subsidized Loans
These are loans for students with financial need, as determined by federal regulations. No interest is charged while you are in school at least half-time. The Consolidated Appropriations Act of 2012 temporarily eliminates the interest subsidy on Direct Subsidized Loans during the six month grace period on new loans for which the first disbursement is made on or after July, 2012 and before July, 2014. Repayment for these loans begins 6 months after graduation or 6 months after the student is no longer enrolled half time. The Moving Ahead for Progress in the 21st Century Act (MAP-21) (Public Law 112-141, effective July 1, 2013 added a new provision to the Direct Loan statutory requirements that limits a first-time borrower’s eligibility for Direct Subsidized Loans to a period not to exceed 150 percent of the length of the borrower’s educational program (“the 150% limit”). Under certain conditions, the provision also causes first-time borrowers who have exceeded the 150 percent limit to lose the interest subsidy on their Direct Subsidized Loans.

• Direct Unsubsidized Loans
These are loans for students that are not based on financial need. Interest is charged during all periods. Repayment for these loans begins 6 months after graduation or 6 months after the student is no longer enrolled half time.

• Direct PLUS Loans
There are low interest loans available to parents of dependent students or for graduate or professional degree seeking students. Payments can be while the student is in school or deferred until the student graduates. If you choose to pay after graduation, interest will accrue from the time the last disbursement is made. You can choose to pay the interest monthly, or you can defer both interest and principle until the student graduates. If you choose not to pay the interest monthly, it is capitalized no more than four times per year.

Financial Aid Refunds (TITLE IV Recipients)
Withdrawing or stopping attendance may result in financial debt for the student and may also make the student ineligible for future financial aid, including loans. We strongly urge students to consult with an academic advisor and a financial aid counselor to help with decisions about withdrawing. View the College’s Return to Title IV Policy which provides an example of a Title IV Refund http://www.hgtc.edu/financialaid.
**State Financial Aid Programs**

**LIFE Scholarship**
The LIFE Scholarship Program covers the amount of tuition and fees plus an additional $300 book allowance for eligible undergraduate students attending two-year colleges in South Carolina. Initial eligibility is based on a high school GPA of 3.0. To receive the LIFE Scholarship, the student must, among other things:

- Not be in default on a Federal Title IV or State of South Carolina educational loan;
- Not owe a refund on Federal Title IV or State of South Carolina student financial aid program;
- Not have had any felony, alcohol or drug-related convictions under the laws of any state or under the laws of the U.S.;
- Not be enrolled in Developmental Studies courses (100 level and below); and,
- Retain renewal eligibility, based on earning a minimum 3.0 cumulative GPA and 30 non-remedial credit hours per academic year.

LIFE Scholarship awards may be used only for Fall and Spring semesters and may not be used with Lottery Tuition Assistance in an academic year.

Students who complete all requirements for high school graduation prior to the official graduation day in May/June may be eligible to receive the LIFE Scholarship if they meet all initial and general eligibility criteria. If eligibility criteria are met, the student must complete an Early Graduation Application with all required documents and submit to the Financial Aid Office.

Please refer to the scholarships guidelines posted on the SC Commission on Higher Education (CHE website) at www.che.sc.gov.

For complete LIFE Scholarship Program information, students may visit the S.C. Commission on Higher Education website at www.che.sc.gov.

**South Carolina Need-Based Grant Program**
This program assists the neediest South Carolinians who wish to attend eligible public and private colleges or universities in the state. Program funding depends upon action by the General Assembly and the amount awarded to students is contingent upon the funds appropriated to the program.

To be eligible for the Need-Based Grant, the student must:
- Submit FAFSA;
- Have a valid Federal SAR (Student Aid Report) on file in the Financial Aid Office;
- Be a legal South Carolina resident and enrolled or accepted for enrollment at least as a half-time (6 semester hours) undergraduate student in a degree, diploma or certificate program authorized by the Commission on Higher Education;
- Meet HGTC standards of academic progress;
- Seek for the first time an associate or other recognized credential in a one-year program as authorized by the Commission on Higher Education;
- Enroll at least half-time at the time of grant disbursement and complete 12-24 semester credit hours each regular academic year; have a 2.0 GPA each regular academic year; and,
- Certify that he/she has not been convicted of any felonies, alcohol or drug-related offenses under the laws of any state or under the laws of the U.S. (student must notify the Financial Aid Office should this status change by the start of the school year); and certify that he/she does not owe a refund or repayment on a State Grant, Federal Pell Grant, or Federal Supplemental Educational Opportunity Grant, and is not in default on a loan under the Federal Perkins Loan or Federal Loan Programs.

The Information on Need-Based Grants is subject to change either by the SC Legislature or the SC Commission on Higher Education. You may view the most recent guidelines for the State Need-Based Grant program at www.che.sc.gov. Select Student and Parent link and select State Need-Based Grant link.

**South Carolina Education Lottery Tuition Assistance Program**
A portion of Education Lottery revenues are used to fund tuition assistance for technical college students. The actual amount of tuition assistance available to each student will be determined each semester by the State Board for Technical Education. Most student financial aid is awarded on the basis of financial need. Lottery Tuition Assistance is an exception and is not awarded on the basis of financial need.

To be eligible for Lottery Tuition Assistance, a student must:
- Qualify for in-state residency;
- Complete a Free Application for Federal Student Aid (FAFSA) OR complete the FAFSA Waiver form—this form is only used for students enrolled in PACE programs, students who have earned a bachelor’s degree or students who are enrolled in programs which are not eligible for Title IV aid. Lottery Tuition Assistance is not awarded on the basis of financial need;
- Enroll in a certificate, diploma or associate degree program and maintain at least six credit hours each semester. Non-credit programs are not eligible;
- Make clear progress toward completion of a certificate, diploma or associate degree; not have received Lottery Tuition Assistance for more than one certificate, diploma or degree earned within any five-year period, unless the additional certificate, diploma or degree constitutes progress in the same field of study (as determined by the institution);
- Not be a LIFE scholarship award recipient; and,
- Not be in default on any government student loan program.
Financial Aid

Regulations require that, in order to receive financial aid under the student financial assistance programs (PELL, FSEOG, FCWS, SCNBG, Federal Direct Loans, etc.) a student must maintain satisfactory Academic Progress (SAP) according to the standards and practices below.

- A student must maintain a cumulative GPA of 2.0;
- A student must maintain a cumulative completion rate of 67% and;
- A student must complete his/her educational objective within a maximum time frame (150%).

The maximum time frame for the completion of degree, diploma, and certificate programs is limited by Federal regulations to 150% of the published length of the program. Example: If a student’s program of study requires 50 credit hours for completion, financial assistance will pay for 75 credit hours attempted in that program.

To view HGTC’s full Satisfactory Academic Progress Policy, a student may visit http://www.hgtc.edu/financialaid

Additional SAP requirements for the South Carolina Need Based Grant and the South Carolina LIFE Scholarship are outlined in the Certification forms which the student signs to accept these funds annually. Students may visit each of these links to view these SAP requirements, if the student has been awarded either of these funds.

Satisfactory Academic Progress (SAP)

Students are notified of their financial aid status at the end of each semester via their WaveNet accounts. It is every student’s responsibility to check Financial Aid status at the end of each semester. Because of FERPA (Federal Educational Rights and Privacy Act), this information cannot be communicated by phone.

To appeal Financial Aid suspension, the student must complete the Financial Aid Appeal form (located on the Financial Aid Page of the HGTC website, in the Financial Aid Forms section). Appeal forms must include documentation of extenuating circumstances to verify the appeal statement and an academic plan approved by the student’s academic advisor. Failure to complete the appeal process and provide documentation will result in cancellation of financial aid for any future terms. If the Financial Aid Appeal Committee decides that justifiable evidence of extenuating circumstances exists, aid may be continued and all payments may be made on a probationary basis. The Appeal Committee will determine how, or if, payments are disbursed, depending on circumstances.

SCCCCD TEACH Program

The SC Center for Child Care Career Development provides funding for employees of State-regulated childcare centers who seek to continue their education. Funding may include both tuition and books. Inquiries should be directed to the SCCCCD at 1-866-845-1555 (Toll-free) or P. O. Box 5616, Greenville, SC 29606.

HGTC Foundation Scholarships

Since 1978, the College’s efforts to meet the educational needs of Horry and Georgetown Counties have been supported by the Horry Georgetown Technical College Foundation. As a non-profit corporation, the Foundation seeks to enhance the College’s image in the community and to raise, invest, manage and disburse funds in support of the students, faculty, staff, programs and activities of the institution.

The Foundation is governed by a distinctive group of community leaders, including corporate executives, bankers, attorneys, investment counselors and distinguished citizens. Currently, the assets of the Foundation exceed $7.5 million with $1.2 million in endowed scholarships. The Foundation is a tax exempt, non-profit organization with 501(c)(3) status, providing tax-deductible benefits to all donors.

The availability of funds for Foundation scholarships is based solely on the contributions of donors and the funds disbursed for the semester or year. Funds are generated from three sources: the College, the Foundation and the HGTC Alumni Association. All funds are administered through the College’s Financial Aid Office.

For a complete list of Foundation Scholarships, visit www.hgtc.edu/financialaid or e-mail the Financial Aid Office at financialaid@hgtc.edu.

Emergency Student Loans

To request a loan, ask about eligibility in the Financial Aid Office. Because these are loans, repayment may be required.

John D. Gilland, III Memorial Fund

Established in 1986 by Dr. and Mrs. J.D. Gilland of Conway in memory of their son, this fund provides emergency loans for full-time students who reside in Horry County.

Plantation Federal Student Emergency Loan Fund

Established in 1993 by Plantation Federal Savings Bank, this loan fund provides emergency loans for full-time students who reside in Georgetown County.

Ruth Lewis and Helen G. Stuart Emergency Loan Fund

Established in 1997, this fund provides emergency loans for Georgetown residents enrolled full-time and attending classes at one of HGTC’s campuses. The fund honors Ruth Lewis, the mother of Neil Lewis, who established the fund, and Helen G. Stuart, a long-time HGTC employee. Loans are limited to one per academic year.

Franklin and Elsie Burroughs Endowed Loan Fund

Established in 2000 by family members and friends to memorialize Mr. and Mrs. Burroughs, this fund provides emergency loans through the HGTC Foundation. Funds are available to full-time students with a minimum 2.0 GPA, and who were born in Horry County or who graduated from Horry County schools.
Foundation Emergency Book Loan
Established in 2003 by the HGTC Foundation to provide small emergency book loans for students. See Financial Aid for details.

Other Sources of Financial Assistance

Free Tuition for Certain Veterans’ Children
This program is provided under the provisions of Title 59-111-20 Code of Laws of South Carolina. Students who may be eligible for this assistance must contact their local county Veterans Affairs Office. Eligible students must complete the voucher each semester within the Student Accounts department before the waiver for tuition can be applied to their account. The waiver will be applied to the tuition only; however, the student will be responsible for all additional fees.

Senior Citizen Tuition Waiver
Tuition for credit and non-credit courses can be waived for students age 60 or older, on a space available basis, provided that the student is a legal resident of South Carolina, meets admission requirements and is not employed on a full-time basis. Students may contact the Student Accounts department for information regarding their eligibility.

Veterans’ Benefits
Horry Georgetown Technical College is approved for training under Public Law 16-634, 815, 894, and 88-36 for both day and evening programs. The College provides a Veterans Affairs Coordinator in the Financial Aid Office to assist students with VA-related issues. Call 843-349-7817.

Veterans and war orphans seeking to attend HGTC may contact the HGTC Veterans Affairs Office, the nearest Veterans Administration Office and/or local county service officer well in advance of College registration dates to ensure all VA applications are completed. FTCVC applications are submitted to SC Governor’s Office for Veterans Affairs. All applicants are subject to HGTC admissions requirements. Under procedures established by the Veterans Administration, a veteran who applies for advance payments for tuition, fees and other charges will have his/her first VA check awaiting him/her at the College upon registration. For the procedure to work properly, the veteran should apply for the advance payment at least 60 days prior to the beginning of the semester by completing the necessary form in the Office of the Veterans Affairs Coordinator at HGTC.

Advance payments of tuition, fees, and other charges under Title 38 U.S. Code for veteran students and/or eligible persons who fail to enter, withdraw, or are discontinued prior to completion of the course, will be refunded, subject to the limitation set out in VA regulation 14255 (E), in an amount which does not vary more than 10% from the exact pro-rated portion of such tuition, fees and other charges that the length of the completed portion of the course bears to its total length. The exact ratio will be determined on the ratio of the number of days of instruction completed by the veteran to the total number of instructional days in the period for which advance payment of tuition and fees has been made. Veteran students with academic deficiencies who require remedial work may enroll for developmental studies coursework in order to meet specific curriculum entrance requirements. Students enrolled in developmental studies courses and carry 12 semester hours of credit are classified as full-time students with the Veterans Administration.

For additional information on educational benefits for veterans, students may contact the Veterans Affairs Coordinator in the Financial Aid Office at (843) 349-7817.

Vocational Rehabilitation (VOC REHAB)
The Conway and Georgetown Vocational Rehabilitation Offices serve vocationally disabled citizens of Horry and Georgetown counties. VOC REHAB can supply funds for educational assistance, as well as assist in job placement and follow up. For more information about eligibility, call (843) 448-5158 in Conway, (843) 546-2595 in Georgetown or visit VOC REHAB’s Offices at 3009 Fourth Avenue, Conway, or 1777 North Fraser Street, Georgetown.

Important Note about Financial Aid
Eligibility requirements, available programs and other information change regularly. For the most accurate, up-to-date information, students may visit www.hgtc.edu/financialaid.
Philosophy of Student Affairs
The Student Affairs Division reflects the community college mission of HGTC by fostering a learning environment enhancing whole student development. The division provides essential programs, services and activities that enhance students’ cognitive, social, multi-cultural, psychological, physical, ethical and interpersonal development.

Student Services offers support services to help students clarify and attain educational goals while acquiring the skills needed to advance personal growth and fulfillment. The division provides valuable, responsive programs, services and activities, integrated with educational experiences to meet student needs and interests.

Student Services shares the leadership for creating and maintaining a positive learning environment that enables the College to be an effective educational community.

Add/Drop Period
Students should consult the Academic Calendar for add/drop dates. Any dropped classes during the add/drop period will not be entered on the student’s academic record/transcript. However, after the add/drop period, each student will receive an academic grade for every course for which he or she is registered, whether the student attends the class or not. Financial aid grant is charged if a student is registered for a class; financial aid must be repaid if the class is not attended.

Advising
New Student Advisors assist incoming students with major and course selection, and in developing a MAP (My Academic Plan). During the first semester, each student is assigned a faculty advisor who will give program guidance within a discipline. New student advisors support the implementation of The Guided Plan for Success (GPS), a comprehensive process which helps students set goals, develop a clear plan for graduation, and access sources of support. Academic advisors work with students regarding course selections and major requirements beginning in the student’s first semester.

Barnes & Noble College Bookstore
Barnes & Noble College Bookstore serves the HGTC community with the following items and services:

Required Textbooks
New, Used, Rentals or e-Textbooks
In-store books are arranged alphabetically by subjects, then numerically by course numbers. Course cards contain the course numbers and are located directly below textbooks.

During registration for classes, you may view or order your books online at the Bookstore website at www.hortec.bncollege.com provided the Bookstore has received an instructor book request for your class. Credit card prepayment is required.

Exceptions: No refunds are made on custom course materials, outlines, study guides, magazines and prepaid phone cards. Software must be unopened for exchange or refund. Opened software may be exchanged for identical disk only.

Purchase of Used Books
The Bookstore buys back used books Monday through Thursday, except for the three weeks surrounding the beginning of each semester. Book value is highest during final exam week at the end of each semester.

Bookstore Website
The Bookstore offers many services and products on its website at www.hortec.bncollege.com. There, find the most current information about the Bookstore, its services, and products.

Supplies
A full line of supplies, including paper, pens, pencils, binders, notebooks and any other supplies required or recommended for courses, is offered by the Bookstore.

Bookstore Payment
Students are expected to pay for books and supplies when purchased. Payments may be made by cash, check, money order, Visa, Master Card, Discover, American Express or the HGTC voucher system.

Financial Aid payment is generally accepted one week prior to the first day of classes through the second week of classes. Any returns are credited to the Financial Aid voucher. Students are required to present their HGTC ID to charge books to their voucher.

Bookstore Refunds and Exchanges
With a receipt, a full refund will be given during the first week of classes, provided the book is still in saleable condition. Up to thirty days after the beginning of classes, a full refund will be given with a receipt, only if the return occurs within two days of the date of the receipt or with proof of class schedule change. Books must be in saleable condition. Items which include codes are not returnable once the code has been opened or unsealed.

All merchandise other than textbooks may be returned, with a receipt, for a refund. All merchandise must be in its original condition.
To sell books to the Bookstore, a student must present an HGTC ID card. Prices are variable:
Top value (generally 50% of the retail price of the book) is paid when:
• Book is adopted for a succeeding semester;
• Book is in good re-saleable condition; and,
• Books are not already overstocked.
Wholesale:
• Prices for books not being used at HGTC or have uncertain future use at HGTC are established by reputable national used book wholesalers.
No value:
• Old editions;
• Manuals and exercise books which are marked;
• Books in poor condition; and,
• In many cases, books sold with codes where the code has been opened may have little or no value.

**Bookstore Hours/Locations/Contact Information**

Conway Campus: 843-349-5220 Building 200C
Monday-Thursday 7:30 am - 6:00 pm

Georgetown Campus: 843-545-9898 Building 100G
Monday-Thursday 7:30 am - 6:00 pm
Friday 7:30 am - 12:30 pm
Call store for holiday hours.

Grand Strand Campus: 843-477-2089 Building 300GS
Monday-Thursday 7:30 am - 6:00 pm
Friday 7:30 am - 12:30 pm
Call store for holiday hours.

**Bulletin Boards**

Posters, notices or any information posted on bulletin boards must first be approved by the Associate Vice President for Student Affairs or designee; students may take notices to Student Services Office on each campus. Students are responsible for awareness of information posted through notices on bulletin boards by the College.

**Class Schedules**

Class schedules for each semester/term are posted at www.hgtc.edu. When selecting the “Catalog Term” in the Class Schedule, CE indicates Non-credit classes. Select “Fall” for Fall semester, not “CE Fall;” select “Spring” for Spring semester, not “CE Spring;” and select “Summer” for summer semester, not “CE Summer.”

Each class has a section identifier and students should carefully select each class section and note the time and location of each class, and print his/her schedule prior to the first class. Sections are labeled as “C” for Conway, “G” for Georgetown, “S” for Grand Strand, “I” for internet, “H” for Hybrid. Numbers under 50 are usually day classes and over 50 are late afternoon/evening classes.

**College Closing/Cancellation of Classes**

Should inclement weather or other circumstances require the cancellation of classes, the College will contact various news media to announce closing status. In addition, all campus general telephone numbers and the College website will be updated with the most recent closing information as soon as it is made available.

Students should note that the cancellation of day classes does not automatically result in the cancellation of evening classes. It is the responsibility of the student to check the listed radio and TV stations and www.hgtc.edu for announcements concerning classes.

**Computer Use Agreement**

The College recognizes its obligation to provide continuing guidance as to what constitutes academic honesty, and to promote procedures and circumstances to reinforce this principle. Computer and Internet use is for locating educational material directly related to Horry Georgetown Technical College academics. Personal use is prohibited. Any unethical or morally questionable use of computers or the Internet is prohibited.

Software copyright and license agreements must be observed. Respecting the intellectual work and property of others is essential to the mission of HGTC. Unauthorized software copying, including programs, applications, databases, code or others’ work is not condoned. Any policy violation will be reported to the Associate Vice President for Student Affairs and charges will be filed against the student in accordance with the Student Code for the South Carolina Technical College System.

**Copiers for Student Use**

Copiers for student use are available in each campus library, at a cost per page.

**Copyright Laws**

It is the policy of Horry Georgetown Technical College to enforce the Digital Millennium Copyright Act, Title 17, United States Code, Section 512 (“DMCA”). Detailed information regarding student responsibilities for adherence to Copyright Laws is available at www.hgtc.edu; or via Student Right to Know or the Library. Plagiarism is subject to academic discipline.

**Counseling**

HGTC Counselors encourage early intervention and the seeking of assistance on a voluntary basis. All on-campus services are free to students, faculty and staff. Confidentiality is maintained consistent with professional standards. Assessment and referrals to appropriate community resources are facilitated as needed. Please visit www.hgtc.edu/counseling for a current list of community agencies and local counseling resources. Educational outreach programs are offered regularly on a variety of topics. Counseling and outreach services are available to students on all campuses. Anyone interested in these services may contact the Director of Student Development in Building 1100 on the Conway Campus.

**Career Counseling**

The goal of career counseling is to assist students in finding an occupation that is congruent with their personality type, interests and goals. Through career assessment and counseling, career counselors can help students to choose or change major. Career Counselors also help students to find information about potential occupations, such as job outlook and salary information.

**Personal Counseling**

Counselors provide limited confidential consultation and assistance with educational and personal problems that may interfere with progress toward student goals. A network of community resources and referral agencies exists to support the mental health needs of students. Information on these services is available upon request in Student Services offices located on each campus.
DegreeWorks

DegreeWorks is a web based tool to help students and advisors monitor student progress toward degree completion. Degree Works combines the requirements of each program of study with the coursework completed by each student into an easily readable worksheet; this worksheet lists courses completed, courses remaining for completion plus important information, such as GPA, substitutions or exceptions, “what if”, GPA calculator, planning options and more.

DegreeWorks is available to all students enrolled in degree, certificate, or diploma programs. DegreeWorks provides an online, real-time, but unofficial, degree audit. It allows students to view progress toward graduation and is used as an important advising resource.

Students should monitor their DegreeWorks degree audits throughout the semester, especially after registering or changing schedules and after grades are posted. If there is a question about the degree audit or placement of courses, the student should contact his/her advisor immediately and follow up with the Registrar’s Office if a correction is needed. Substitutions or exceptions regarding required courses must be reported by the advisor to the Registrar’s Office.

Students who are considering a change of major may use the “What if” tab to create an audit of the new program requirements. Students who would like assistance in the use of DegreeWorks may contact their advisor or visit WaveNet Central.

Disability Services

HGTC is committed to providing an accessible environment for students with disability. The primary purpose of Disability Services is to improve the educational development of students with disability through the understanding and support of the campus environment. This mission is accomplished through direct assistance to students with disability, encouragement of their independence, creation and maintenance of an accessible physical environment, and the provision of a supportive psychological environment so that students may achieve their educational objectives.

The College understands that students with disability may require unique appropriate academic accommodations and must have their needs assessed on a case-by-case basis.

Inquiries may be directed to the Director of Student Development on the Conway Campus or the Director of Campus and Support Services on the Georgetown and Grand Strand Campuses, who will review documentation of the student’s disability and, in a confidential setting with the student, develop an educational accommodation plan.

Note: It is the student’s responsibility to self-identify as needing accommodations and to provide acceptable documentation.

After a student has self-identified and submitted documentation of a disability, accommodations may be determined, accepted, and provided.

Dress and Personal Appearance

HGTC students are expected to use mature judgment in personal appearance and the selection of attire. If extreme or distasteful style of dress interferes with the educational process, appropriate attire will be suggested. Departments have the prerogative to require dress appropriate to the career field for which the student is preparing, including safety attire.

Emergencies-
See Student Responsibility - Safety

Exercise/Gym

A gym is available on the Conway campus. Information and schedule is available at 843-349-7550.

Food and Beverages

Eating and drinking are allowed only in designated areas. Students who eat, drink in classrooms are subject to disciplinary action. For purchasing food and/or beverages, students may visit Campus Coffee on the Conway Campus or Java Café on the Grand Strand campus. Additionally, vending services are available in multiple locations on each campus.

Grade Review

Students have the right to request a review of an assigned grade no later than the end of the semester immediately following the semester in which the grade was assigned. Students should first contact the professor of the course; requests for further grade review must be addressed in writing to the Office of the Registrar, who will coordinate the review process and response.

Health Services

HGTC is a nonresidential College and does not provide infirmary facilities. First aid kits are available in many locations across campuses. Significant illness or injury is treated by health care professionals through the process below.

Illness or Medical Emergency

Depending upon the severity of the case, if a student is incapacitated and immediate evacuation is necessary, the College will provide assistance by contacting local emergency medical technicians, and the student will be taken to the nearest hospital. When this is required, local health professionals will assist. In these cases, the following steps are taken:

• A faculty or staff member should immediately call 911 to request an ambulance and notify Public Safety;
• A faculty or staff member should then notify the Associate Vice President for Student Affairs (Conway Campus) or Campus Provost...
(Georgetown and Grand Strand Campuses) and provide the name of the medical facility to which the student was taken and file an accident/incident report;
• The Associate Vice President for Student Affairs (Conway Campus) or the Campus Provost (Georgetown and Grand Strand Campuses) or their designees will immediately contact the student’s emergency contact, identified by the student at admission;
• If accidental injury occurs during evening classes, Public Safety should be contacted immediately, who will in turn notify the Associate Vice President for Student Affairs (Conway Campus) or the Campus Provost (Georgetown and Grand Strand Campuses);
• As a step in the notification and documentation process for accidents and injuries process, an Accident/Incident Report should be completed and routed to appropriate individuals;
• In less severe cases, the student should contact the nearest faculty or staff member, make arrangements to see a physician if needed, and have the emergency contact, a parent, spouse or friend take him/her to a physician or home, as appropriate; and,
• A report must be filed on all accidents or injuries.

Students should report injury to their professor or Student Services immediately and a report must be submitted.

**H-Number**

Students admitted to HGTC, will be assigned an “H” number (student ID number). Students should keep their “H” number available at all times, since this number is required for many activities, including refund checks, activities and more. Students are advised to keep copies of the “H” number in several different places for ready access.

Students should have their ID cards and H-number while on campus. “H” number retrieval is available through DegreeWorks, a student’s WaveNet account or Admissions Office.

**Housing**

The College does not maintain student housing or dormitories. The College does not make recommendations regarding living accommodations nor assume responsibility for student conduct or activities off campus.

**ID Card**

ID cards are available at the Public Safety Office on the Conway Campus and Student Services Offices at Georgetown and Grand Strand Campuses. Student ID’s will be issued only when a current picture ID and a copy of the current semester schedule are presented. ID cards are required for certain services. Students should replace lost ID cards immediately at the appropriate office on each campus.

**Insurance for Students**

The College maintains a group policy providing limited accident insurance, and all students are automatically enrolled in such coverage. The cost of the policy is included in tuition and fees. This accident insurance covers students: (1) on the College campus during a scheduled school day; and (2) participating, other than as a spectator, in activities and athletics sponsored and supervised by the College—except the play or practice of intercollegiate football and social activities or travel in connection therewith—and College sponsored and supervised group travel in connection with such covered activities. For specific coverage information, contact the Office of the Associate Vice President for Student Affairs on the Conway Campus.

**Lost and Found**

Information on lost and found items may be obtained at the Public Safety Office on each campus.

**Major/Program of Study**

Students are responsible for reviewing their major/program of study on WaveNet to assure HGTC has correct information. Students are responsible for the selection of courses that are required in their major/program of study. Advisors are available to assist students in selecting the appropriate courses. Most financial aid programs award funds for required courses only. Students must submit change of major to the Admissions Office when selecting a new program of study.

**Multiple Degrees, Diplomas and Certificates**

Students may complete multiple degree, diploma and certificate programs, but may be enrolled in only one program at a time. At Commencement Ceremony, students earning more than one award in the same general field of study in the same academic year will be recognized for the highest program level only.

**Normal Completion Time**

The programs of study in this Catalog are provided as a suggested enrollment for students who attend on a full-time basis, who have no developmental or prerequisite requirements and who begin the program in the semester indicated. Students who do not enroll in or satisfactorily complete the designated courses or who begin in different semesters should expect to extend their normal completion time. Financial aid programs set limits on program completion time. It is the student’s responsibility to be aware of financial aid requirements.

**Online/Internet/Hybrid Classes**

Online and hybrid courses are courses delivered through the Internet via the learning management system, Desire2Learn (D2L). Lecture and materials, written and interactive assignments, related Internet links, e-mail and discussion boards enhance learning through communication. Students discuss the course material with their professors and other students through discussion boards.

Online courses allow students to take courses in any location with Internet access. Students may be required to come to campus, or arrange for a proctor for testing or other activities. Hybrid classes are a combination of computer-based learning and on-campus meetings and/or activities. Campus support and services are available to online students to assure opportunity for success.

Students should check the class schedule for details.
Students must take the courses listed in their respective curriculum display in order to complete their program and must adhere to co/prerequisites, where indicated. Also, a semester-by-semester sequence is indicated and students are advised to follow the suggested plan. However, specific ordering of courses may be altered as circumstances warrant. Students should consult an academic advisor or directions from the program displays.

**Overloads**

Students normally enroll for no more than 18 semester credit hours. Students who have a 3.0 GPA may enroll in more than 18 semester credit hours only with permission of the department chair and academic dean. During the summer, students may not enroll in more than 15 total semester credit hours for all terms in a Summer, unless specifically required in their academic program. Students who have a 3.0 GPA may enroll in more than 15 semester credit hours during the summer only with permission from the department chair and academic dean.

**Parking**

Students may use only designated parking areas not reserved for faculty, staff, visitors, individuals with disability or other restricted areas. Restricted areas are marked by blue curbing and/or signage designating special use.

To park on College property, vehicles must be registered with the College and have an appropriate decal affixed. Parking decals may be obtained from the Public Safety Office on every campus. To register a vehicle, you must have a valid driver’s license, College identification number (‘H’ number) and current vehicle registration. Parking decals are valid for one year, from August to August.

Students who demonstrate a valid need to use parking areas designated for individuals with disability may obtain a campus parking permit for use of those designated spaces.

Parking violation appeal forms may be obtained from the Public Safety Office at Conway and Grand Strand campuses or Student Services (Room 107) at the Georgetown Campus. All violation appeal forms must be submitted within seventy-two (72) hours from the time of the violation.

**Temporary Parking Permits**

Temporary parking permits may be obtained from the Public Safety Office at Conway and Grand Strand campuses or The Student Services Office at the Georgetown campus for special situations such as a new or different car, loaner or rental, etc. Temporary permits are free and issued to assist with short-term vehicle changes. Temporary permits are to be displayed on the front dashboard with the date visible from the front of the vehicle.

Privacy of Student Records/FERPA

The Family Educational Right to Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

- The right to inspect and review the student’s education records within 45 days of the day the college receives a request for access. Student should submit to Assistant Vice President for Enrollment Development and Registration, Academic Dean or Department Chair a written request that identifies the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the College official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

- The right to request an amendment of the student’s education record that the student believes is inaccurate. Students may ask the College to amend a record that they believe is inaccurate. The student should send a written request to the College official responsible for the record clearly identifying the part of the record they want changed, and specify why it is inaccurate. If the College decides not to amend the record as requested by the student, notice will be sent to the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment.

- The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosures without consent. One exception, which permits disclosure without consent is to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research or support staff position (including law enforcement unit personnel and health staff); a person serving on the Area Commission; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks.

A school official has a legitimate educational interest if the official needs to review a record in order to fulfill his/her professional responsibility.

- A student has the right to file a complaint with the US Department of Education concerning alleged failures by HGTC to comply with the requirements of FERPA, only if the student has followed
FERPA procedures. The name and address of the office that administers FERPA are:
Family Policy Compliance Office, US Department of Education;
400 Maryland Avenue SW; Washington, DC 20202 - 4605
HGTC maintains separate files for records in the following categories: 1) academic, 2) disciplinary, 3) counseling, 4) financial aid and 5) placement. When justified by legitimate law enforcement needs, the campus Public Safety officer may maintain confidential records relating primarily to its investigative function.
A. Directory Information to be issued: The Elementary and Secondary Education Act of 1965 includes a section on "Furnishing Information." Directory information as defined by HGTC is name, address, curriculum, enrollment status (full or part-time), graduation status, and telephone number. It is College policy to provide this information only under the following conditions:
• School officials with a legitimate educational interest will be given access to all directory information;
• Individuals requesting information without written consent will be given curriculum, enrollment status and graduation status only. Students who wish to request non-disclosure of these three items may submit a written request to the Assistant Vice President for Enrollment Development and Registration Office; and,
• Student telephone numbers, addresses and location will be issued to non-school officials only by written permission of the student or with special approval from the Associate Vice President for Student Affairs.
B. Methods of Furnishing Student Records Information:
According to the Education Amendments of 1974, whenever a student has attained 18 years of age or is enrolled in a postsecondary institution, the consent to issue records and the rights of viewing those records are required of and accorded to the student alone. Therefore, only the student may view his or her record or request in writing any issuance of the record. If parents or other designated individuals wish to review or receive copies of a student record, they must have the student’s written permission to view or receive a copy. A copy of this consent form will be maintained in the student’s record. The student’s record may not be revealed to any other party without written consent from the student except in the following cases:
• Other school officials who have a legitimate educational interest;
• Officials of other schools in which the student intends to enroll;
• Authorized representatives of the Comptroller General, administrative head of an educational agency, and State education auditors;
• Judicial representatives in compliance with a subpoena or law enforcement order (A copy of this order would be placed in the student’s record with date of issuance posted.); and,
• Agency representatives in connection with a student application for a receipt of financial aid.
Residency Credit Requirement
A minimum of 25% of the total credit hours required for graduation must be earned at HGTC in order for the degree, diploma or certificate to be awarded by the College. Therefore, no more than 75% of the required credit hours may be transferred in and/or exempted. Some programs limit transfer credits beyond this requirement.
Safety and Campus Security Act
HGTC maintains a secure college environment. The crime rate at HGTC has been low, as indicated by the statistics reported in Student Right to Know at www.hgtc.edu. It is the College’s goal to continue to ensure this secure environment for students, faculty, staff and visitors.
The College partners with Coastal Carolina University to provide public safety and general security for all three campuses. Campus security efforts are assisted by local law enforcement agencies: Conway Campus is assisted by the City of Conway Police Department and Horry County Police Department; Grand Strand Campus is assisted by the City of Myrtle Beach Police Department; and Georgetown Campus is assisted by the Georgetown County Sheriff’s Department.
Campus Security Act
The Crime Awareness and Campus Security Act of 1990 requires colleges and universities to collect and make available crime statistics for certain crimes committed on campus. Title II of the Act also calls for institutions to provide statistical data about the on-campus occurrence of certain criminal offenses that have been reported to campus security authorities or local police agencies. Also, Title II of the Act requires that institutions provide students information on institutional policies regarding security procedures and campus law enforcement, as well as a description of programs designed to inform students about crime prevention. The Federal Crime Report is filed in October each year and includes statistics for the previous calendar year. The report may be accessed at ope.ed.gov/security. A print copy of the current report is available upon request to the Office of Student Affairs on the Conway Campus. The current report may be viewed at Student Right to Know at www.hgtc.edu/righttoknow.
Student Responsibility - Safety
It is the responsibility of students on each campus to make themselves aware of personal safety measures. Crime prevention materials are displayed on the individual campuses.
Contact Numbers and Procedures for Reporting Crimes and Emergencies

**Conway Campus**
Public Safety Office 349-7806
Public Safety Cell 251-6111
Associate Vice President for Student Affairs (Bldg. 1100) 349-7550
EMERGENCY 911

**Grand Strand Campus**
Public Safety 477-2115 or 477-2054
Public Safety Cell 251-9405
Campus Provost 477-2032
EMERGENCY 911
Emergencies – On Any Campus
In the event of an emergency situation, a student or visitor, faculty or staff person should contact Public Safety staff, push the red button on the nearest emergency call box, or report the problem to the most accessible faculty or staff person who will notify the appropriate individual.

Smoking
HGTC is a smoke-free environment and smoking is limited to specific areas on each campus. Smoking is defined as the lighting, burning, or use of tobacco or any other material in any type of smoking device or equipment.

Speed Limit on Campus
The speed limit around buildings and parking areas on all campuses is ten (10) miles per hour. Students who abuse this limit will be denied the privilege of bringing their automobiles and cycles on campus.

Student Engagement
The College provides extracurricular, co-curricular, intramural sports and cultural activities. The College also sponsors many student organizations and clubs, including a chapter of the national honor society, Phi Theta Kappa. See Clubs and Organizations below for a complete list.

The College provides student development programs and leadership training; each is created and designed to enhance students’ community college experiences.

Student Engagement Fees are collected and held by the College in an account restricted to services, events, initiatives and functions that directly support student engagement. These funds are allocated annually by the Student Engagement Fee Allocation Committee (SEFAC), which has twelve members, nine of whom are students.

For more information, contact the Office of Student Engagement or see HGTC Procedure 9.2.3.1

Student Organizations
Clubs and organizations provide students the opportunity to be involved in professional and social areas of campus life. Organizations change each year to reflect the interests of the student body, but the following are examples of clubs and organizations.

Association of Information Technology Professionals (AITP) Student Chapter Club
The AITP Student Club is a college affiliate chapter of the national professional Association of Information Technology Professionals, sponsored by the Computer Technology Department. Membership is cross-curriculum and open to anyone interested in data processing and computers.

Construction Specifications Institute (CSI)/CET/CMT Student Club
Membership is open to all students in Civil Engineering Technology and Construction Project Management Technology or construction industry-related curricula. The club is sponsored by the Construction Specifications Institute, Grand Strand Chapter.

Digital Arts Guild
Membership is open to all students interested in Digital Arts.

Golf Course Superintendents’ Association of America (GCSAA) Student Chapter
GCSAA is a curriculum-specific club serving Golf and Sports Turf Management students.

Dr. Ronald E. McNair Club
Dr. Ronald E. McNair, a South Carolina astronaut and scientist who, along with six other crew members, lost his life on January 28, 1986, when the space shuttle Challenger exploded shortly after takeoff. In his honor and memory, the Dr. Ronald E. McNair Club was founded. Its purposes are: 1) to promote academic excellence through achievement; 2) to provide leadership development; 3) to provide a student support network; and, 4) to explore educational opportunities. Membership is extended to any currently enrolled student who completes a formal application for membership and pays the annual membership fee.

Limited X-Posure
The Limited General Radiology club is actively involved with numerous community service projects. This is a curriculum-specific club for students enrolled in Limited General Radiology program.

Phi Theta Kappa
Phi Theta Kappa is the prestigious international honor society serving community/technical colleges. Alpha Nu Sigma, HGTC’s chapter of Phi Theta Kappa, has been recognized as one of the nation’s best, having earned multiple five-star status rankings. Since academic excellence is one of the hallmarks of Phi Theta Kappa, membership is by invitation only and is based on a minimum 3.5 GPA.

Physical Therapist Assistant Club
The PTA Club purpose represents the mission and vision of the physical therapy profession to HGTC students. The club allows for co-curriculum activities, seminars for professional development opportunities, and active participation in community service.

Practical Student Nurses’ Association
Practical Student Nurses’ Association is a curriculum-specific club and holds meetings based on an agenda of interest to the professional development of the student nurse.

Student American Dental Assistants Association (SADAA)
SADAA is a College affiliate chapter of the national professional association. Membership is limited to students of the Expanded Duty Dental Assisting Program.
Rad-to-the-Bone
Rad-to-the-Bone is a curriculum-specific club serving Radiologic Technology students. This club provides students the opportunity for leadership development and community service.

Sonographers”R” US
Sonographers”R”US is curriculum-specific serving Diagnostic Medical Sonography program students. The club allows for co-curriculum activities; seminars for professional development opportunities; and active participation in community service.

South Carolina Early Childhood Association
The HGTC student chapter works to increase awareness of the needs of children throughout the developmental stages from birth through age five. The chapter provides aid to early childhood students. Members attend early childhood workshops and conferences and establish health and educational standards for nursery schools, kindergartens and other childcare centers.

Student American Dental Hygienists’ Association (SADHA)
SADHA is a College affiliate chapter of the national professional association. Membership is limited to students of the Dental Hygiene Program.

Study Abroad Club
This club’s purpose is to expand cultural awareness and understanding to the student and to ensure the presence of the club to the surrounding community by volunteering, and raising awareness of important international issues to the campus.

Society of American Foresters, Student Chapter
The club is curriculum-specific, serving Forestry Management Technology students. The goal of the club is to provide forestry students opportunities to interact with forestry and natural resource professionals in South Carolina and the Southeast.

Student Ambassadors
Ambassadors work to support a number of important College events, including New Student Orientation and other special programs. Ambassadors are selected through a competitive application process each spring.

Student Nurses’ Association
The Student Nurses’ Association is a curriculum-specific club and holds meetings based on an agenda of interest to the professional development of the student nurse.

Surgical Technology Club
The Surgical Technology Club is a curriculum specific club and holds meetings based on an agenda of interest to the professional development of the surgical technology student.

Tau Upsilon Alpha
Tau Upsilon Alpha is a program of the National Organization for Human Services (NOHS). The purposes of the society are to honor academic excellence; to foster lifelong learning, leadership and development; and to promote excellence in service to humanity. The purpose is to provide “Excellence in Service to Humanity.”

Student Right to Know
The Student Right to Know and Campus Security Act (Public Law 101-542), signed into law in November 1990 by the U.S. Department of Education, applies to institutions of higher education participating in federal financial assistance programs. Under this policy, current and prospective students must be informed of completion or graduation rates of students seeking certificates, diplomas or degrees. The act also requires reporting of security policies and crime statistics to students, employees, and the U.S. Department of Education. Horry Georgetown Technical College, in compliance with Student Right to Know, provides current information on these topics at www.hgtc.edu/righttoknow.

Transcripts
Transcripts may be ordered on-line through a student’s WaveNet Account. Transcripts can be mailed, picked up, or sent electronically. If a student no longer has access to WaveNet, then a paper transcript request form can be processed for an additional charge. Transcript request forms are available at the Registrar’s Office or through the “Quick Links” area on the College’s webpage. Transcript requests made by telephone, e-mail, or family/friends will not be accepted.

Fees are required for each official and unofficial transcript requested.

Additional information and forms are available at www.hgtc.edu/current_students

Tutoring
Tutoring services are available to all students at no cost in the Student Success and Tutoring Center. The Center offers individual tutoring, a variety of tutoring resources, virtual tutoring and much more. Appointments can be made online, by phone or in person. For complete information, visit www.hgtc.edu/sssc AND the Student Services tab in WaveNet.

Visitors
Visitors are welcome on the HGTC campuses; however, visitors should be conducting college business. Public Security or Student Services in Building 1100 can provide information and directions. Visitors may enter classrooms only with prior permission of the instructor.

WaveNet
WaveNet is the source for communications by HGTC to students. Each student who is admitted to the College receives a WaveNet user name and password and retain the user name and password in order to access WaveNet. Each student is solely responsible for security of login information and shall not share the login or password with others. At the time of admission, students also receive a “H number,” which is the student’s unique student identification number.
Regular use of WaveNet is critical for student success at HGTC! WaveNet is the online communication tool for all students, providing access for e-mail from the college, online registration, dropping/additions, D2L courses, student personal information, financial accounts, grades and more, plus announcements of College activities, services, and cancellations.

Students are responsible for maintaining and updating their WaveNet accounts information, for checking WaveNet academic and financial information no less than weekly and for checking WaveNet emails daily for information about classes, deadlines, and more. Students should provide the College current contact information by submitting updates through WaveNet.

**Weapons Policy**

No person, except a licensed guard, law enforcement officer or an active member of the armed forces, shall possess a firearm of any kind on any premises, property and/or property immediately adjacent to and owned, operated, or controlled by Horry Georgetown Technical College, including grounds and parking lots of the College or a College sponsored event. South Carolina Code of Laws Section 16-23-420 (a), provides that these statutory provisions do not apply to a person who is authorized to carry a concealed weapon, pursuant to “The Law Abiding Citizens for Self Defense Act of 1996 when the weapon remains inside an attended or locked motor vehicles and is secured in a closed glove compartment, closed console, closed trunk or in a closed container secured by an integral fastener and transported in the luggage compartment of the vehicle. Weapons/firearms legally secured in personal vehicles must not be removed from the vehicles while on College grounds. Violation of these provisions may result in criminal prosecution and/or College disciplinary action, including expulsion.

**SERVICES FOR STUDENTS**

**Career Resource Center**

Being prepared with the proper academic background in any field is required for success in today’s workforce. Individuals must also possess the ability to present themselves as highly qualified and professional potential job candidates to employers. The Career Resource Center (CRC) exists to assist students and alumni with career and professional development as they prepare to enter the workforce. The Center also works to develop partnerships with employers who seek to fill positions with their companies.

The CRC offers career coaching, assistance with internship and job searches and placement, advice on best practices in professional environments which includes a highly recommended mock interview session, resume development assistance, review of job industry information including bright outlook career options and salary comparisons. The Career Resource Center also manages the college’s online student and alumni job board (www.collegecentral.com/hgtc), coordinates career fairs and other programs for students, and handles student job placements through the college’s federal work study. Access to the online job board and all Career Resource Center services are free of charge to employers, students or alumni (alumni have access to the online job board and career tools for up to 18 months after they graduate).

The Career Resource Center serves all three HGTC campuses and is located on the Conway Campus in Building 1100.

Access to the online job board and the Career Resource Center services are free of charge to employers, students or alumni.

**Help Desk**

The Information Technology department’s Help Desk provides assistance to students for their WaveNet and D2L needs. Call 349-5340 or e-mail helpdesk@hgtc.edu.

**Library**

At all campus locations of Horry Georgetown Technical College, traditional library services are blended with academic computing resources to provide centralized support centers where students can read, study, conduct research, and complete assignments. Each campus has a full service library providing study areas, private study rooms, computers with wireless internet access, and video viewing facilities. The three campus library collections include resources and equipment selected to support the academic and personal needs of students, faculty and staff and members of the community.

The library website is the gateway to library resources and services making them accessible on or off campus. Through the home page, access is provided to the library catalog, eBooks, research databases, online tutorials and library guides.

HGTC Library participates in multiple partnership agreements which increase the amount of resources available to patrons. The general library collection is available for check out with an HGTC student ID card. Materials may be requested from any campus and items are delivered to the campus most convenient, free of charge.

Reference services are provided in person at each campus, via e-mail, texting, chat, and social media websites or by telephone. Library orientations and instruction sessions are available for individuals, classes or other groups. These instruction sessions actively promote information literacy and the development of lifelong learning skills.

Service hours for each semester are posted on the library website and at each campus library. Special hours during holidays or breaks will be posted at each library. More information on library services is available at www.hgtc.edu/library.
The Student Success and Tutoring Center (SSTC) is a FREE student support center for students who need to receive academic assistance, to develop writing skills, and learn new college skills at HGTC. The purpose of the SSTC is to provide all students with an equal opportunity to succeed in college by addressing students’ unique educational, career, and personal needs. The academic support services offered are geared toward helping students overcome academic struggles and obtain a technologic aptitude to succeed in the workforce. Log into WaveNet in the Student Services tab to sign up for tutoring using TutorTrac.

The SSTC provides the following free services:
• Academic, Writing Center and College Skills Tutoring
  - Schedule one-on-one or group tutoring using TutorTrac in WaveNet
  - Schedule Campus2Campus/Virtual tutoring across campuses by contacting the SSTC
• Access to learning materials at the Online Resource Center as posted in WaveNet on the Student Services tab;
• View online workshops that teach an assortment of useful skills, including but not limited to time/stress management, study skills, test-taking and more;
• Access to a 24 hour Online Tutoring service, including LIVE support on your Student Services on WaveNet
• Access to tutoring and workshops on college skills, citation styles, and related content.

For more information about the SSTC, including locations on each campus, hours and information on SSTC services, visit www.hgtc.edu/sstc AND the Student Services tab in WaveNet. Facebook us: hgtcsstc AND text 843-375-8552 for information.

Testing Centers
Testing Centers are operated on all campuses and offer proctored testing services for students and faculty in a controlled, secure testing environment during operational hours. Students are required to present a photo ID and applicable fee receipts prior to testing. Children are not allowed to accompany students into the Testing Centers. A $30 administrative fee is charged for all tests that are administered for other institutions.

Testing candidates needing to schedule appointments for any testing service can process their request online by going to the Testing Center web page at www.hgtc.edu/testing, or in WaveNet under the Testing Center tab. Once you complete the process and pay necessary fees, if applicable, you will receive a confirmation of your appointment. Please bring your confirmation with you on appointment day.

Testing candidates who need accommodations should call the Testing Center in which you registered to arrange accommodations.

College Placement Testing
COMPASS
COMPASS is a computerized adaptive testing system used to place students in appropriate college-level courses. It is designed to help determine a student’s strengths and needs in the areas of Reading, Writing, and Math basic skills. COMPASS testing is provided free of charge as a service to prospective students, and an appointment is needed. A fee is required for a re-test and must be approved by a new student enrollment advisor or counselor.

ASSET
ASSET is a paper-and-pencil placement test used to determine student strengths and needs in Reading, Writing, and Math basic skills. ASSET testing is provided free of charge as a service to prospective students. It can be taken only once, and an appointment is needed. ASSET is also available in alternate formats for students requesting accommodations.

The Start Right Experience
ALL students must participate in The Start Right Experience, which is offered in-person or online before registering for the COMPASS. The Start Right Experience is designed to ensure success in placement testing and provide preparation to enter the college environment. Visit WaveNet Central for in-person sessions, or complete The Start Right Experience online at hgtc.edu/startright.

External Testing for other Colleges and Agencies
The College Testing Centers are members of the National College Testing Association Consortium of College Testing Centers and, time and space permitting, offer proctored Internet and traditional testing services for students attending other colleges and students sitting for various certification exams. Students should contact the Testing Center at the desired campus for appointments. A $30 administrative fee is charged for each test administered.

Health Science Tests (TEAS)
Grand Strand Campus-
The Test for Essential Academic Skills (TEAS) is a computerized diagnostic instrument to help evaluate academic skills of new applicants to several of HGTC Health Science programs, as an admissions requirement or an option for admission. TEAS dates, fees, appointment and registration procedures are announced in
program information sessions and in department web page information. Testing appointments are required.

**Online (Internet) and Make-Up Testing**  
HGTC Testing Centers administer Internet and makeup tests for students who have professors’ approval. Students are encouraged to contact the Testing Center at the desired campus for hours of operation. There is no charge for this service.

**Pearson VUE Certification Exams**  
Conway Campus-  
The Conway Campus Testing Center is an official Pearson VUE Certification Testing Center and is authorized to offer certification exams in many areas including computer and health science technologies. Exam fees vary. For additional information and to register online, see the VUE Pearson website at www.vue.com.

**The Student Information Center: WaveNet Central**  
Our mission is to assist current students, prospective students, and community members with quality enrollment, collegiate guidance, and technology support services resulting in a positive, streamlined college enrollment experience and an increase in student learning of technology and life-long skills. WaveNet Central can provide:

- Assistance in applying to HGTC
- Access to The Start Right Experience, which is a required step in the admissions process; the tutorial video is available for all new students to view on any campus or online before scheduling to take a Placement Test
- Completing the Financial Aid Process
- Finding and Accessing Information about HGTC
- Use the Online Resource Center (ORC) for COMPASS prep, technology education, and online tools
- Technology Drop In Support – Desire2Learn, WaveNet, MS Word, PowerPoint, Excel, and more
- Workshops for Academic and Technology Enhancement or Personal Enrichment
- The COMPASS Skills Center, offered during limited times, is for students who would like to improve their placement scores and possibly test into higher credit-level coursework by working with HGTC Instructors and studying outside of the program using COMPASS tutorials and prep tools
- Additional services, such as scheduling tutoring or testing center appointments

The Student Information Center: WaveNet Central is available at Conway, Grand Strand and Georgetown Campuses:

Conway: Building 1100, Room 132D  
Hours: Monday-Thursday, 7:45 a.m. - 6 p.m. and Friday, 8 a.m.-12:30 p.m.

Grand Strand: Building 200, Room 117D  
Hours: Monday-Thursday, 7:45 a.m. - 6 p.m. and Friday, 8 a.m.-12:30 p.m.

Georgetown: Building 100, Room 150  
Hours: Monday-Thursday, 7:45 a.m. - 5 p.m. and Friday, 8 a.m.-12:30 p.m.

Visit our website/online live chat at www.hgtc.edu/wavenetcentral or text 843-375-8552 for more information on The Student Information Center: WaveNet Central. Facebook us: hgtcwcnc.

Additional Information – Using Your Student WaveNet Log In

**NOTE:** In the event you forget your WaveNet login information or your login information does not allow you to access WaveNet, you can have your password reset by the Help Desk or connect to the Help Desk by visiting your local WaveNet Central. If you do not receive HGTC e-mail or announcements for several days, you should contact the Help Desk as well.

On campus, visit one of the following locations for Help Desk assistance:

- Conway: Building 200, Room 213
- Georgetown: Building 100, Room 103
- Grand Strand: Building 200, Room 111

Off campus, you are required to fax a picture ID to (843) 347-7338, along with the following information:

- Printed name and signature
- Contact telephone number
- Fax number

For general questions about WaveNet, you can visit WaveNet Central or e-mail Help Desk (helpdesk@hgtc.edu).

Upon receipt of this information, your temporary password and instructions will be provided to you.

**STUDENT RIGHTS, RESPONSIBILITIES and DISCIPLINE**

To ensure a positive College experience, guidelines exist in numerous areas of campus life. The statements of rights and responsibilities are designed to clarify those rights students may expect to enjoy as members of the student body of a community college and the obligations which admission to the College places upon students. Students are responsible to be informed of all policies and procedures required for continued attendance. These are generally found in this catalog and other College publications available in the Admissions and Registrar’s offices on the Conway Campus, and the Director of Campus and Support Services on the Georgetown and Grand Strand Campuses.
Policy for A Drug-Free Environment

All policies regarding alcohol and substance abuse are published in this College catalog. All policies affecting college employees are available in the Office of Human Resources, at (843) 349-5213.

Further information regarding Drug-Free Schools and Campuses and Public Law 101-226 may be obtained in the Office of Student Affairs located in Building 1100 on the Conway Campus or by calling (843) 349-7550.

The College

Horry Georgetown Technical College is concerned about the adverse effects that drugs and alcohol can have upon society, families and education. To that end, HGTC is committed to establishing and promoting a campus free from alcohol and illegal drug use. Under no condition will the use of alcoholic beverages, liquors or illegal drugs be permitted on campus or at student events at the College or sponsored by the College. Anyone under the influence of alcohol or narcotics will be subject to removal and disciplinary action as outlined in the SC Technical College Student Code. In an effort to maintain a drug-free learning environment, the College Department of Campus and Public Safety, in conjunction with local law enforcement authorities, will periodically conduct sweeps for illicit drugs using drug dogs in parking lots, common areas and buildings on all campuses. Once a canine alerts, probable cause to believe drugs are present is created. Accordingly, searches and other legal processes will ensue. Persons deemed to be in violation of State or Federal law or College regulations will face disciplinary action and possible arrest.

The Law

As part of HGTC’s commitment to all levels of achievement, policies in compliance with the Drug-Free Workplace Act of 1988, the Drug-Free Schools and Communities Act Amendments of 1989, and the South Carolina Drug-Free Workplace Act of 1990 have been implemented. Public Law 101-226 requires that, as a condition of receiving funds or any other form of financial assistance under any federal program, an institution of higher education must certify that it has adopted and implemented a program to prevent the unlawful possession, use or distribution of illicit drugs by students and employees.

Sanctions

HGTC does not tolerate the attempted or actual violation of any federal, state or local laws regarding alcohol and drugs. In addition to the penalties imposed by HGTC, referral may be made to the appropriate law enforcement agency. Counseling and treatment options may also be presented. Student disciplinary action may be taken in response to conduct that poses a threat to persons or property in the College community or disrupts the orderly conduct of College activities. All employees (including student workers) must adhere to laws and policies as a condition of employment.

HGTC officials are designated by the College President to be responsible for overseeing and implementing all actions and programs relating to these policies.

The Associate Vice President for Student Affairs (or designee) is responsible for administering The Student Code for the South Carolina Technical College System. The Associate Vice President for Human Resources and Employee Relations (or designee) is responsible for College personnel issues.

Risks

Individual reactions to alcohol and other drugs are unpredictable. The use of mood altering chemicals can lead to injuries, accidents, addiction, property damage, illegal activities, birth defects, psychosis or death. Poor judgment may lead to participation in risky activities, such as unplanned or unprotected sex. AIDS is a significant risk, as are other sexually transmitted diseases and health concerns.

According to the Center for Disease Control, more deaths are caused each year by tobacco use than by all deaths from human immunodeficiency virus (HIV), illegal drug use, alcohol use, motor vehicle injuries, suicides, and murders combined. Alcohol abuse, alcoholism, and other health and developmental effects of alcohol use are significant problems with high mortality rates. Alcohol-related car crashes are the number one cause of death in the college-age population. Under no circumstances should a person drive a car after drinking.

The purchase or possession of alcoholic beverages by persons under the age of 21 is prohibited by law. Some violations mandate the loss of the offender’s driver’s license, as well as fines and imprisonment. Legal penalties for drug violations are even tougher. Depending on the nature of the substance, the driver’s license of any individual convicted of a controlled substance violation can be suspended for a period of at least six months and up to one year. Other legal penalties can range from a $100 fine or 30 days in jail to life imprisonment and an $8 million fine. All convictions are recorded on an individual’s permanent criminal record.

Risks from alcohol and other drug use may be heightened by:
• The type, amount and strength of the chemical;
• The interaction of two or more substances;
• Physical and emotional state;
• Gender, body size, age, general health and family history; and,
• Activities engaged in while under the influence.

Marijuana (pot, hash, etc.) can impair short-term memory, judgment and coordination. Confusion and rapid mood changes may occur. It can be psychologically addictive and is known to have cancer-causing properties.

Hallucinogens come in a vast array of chemical compounds such as LSD, PCP, XTC, mushrooms, etc. They can cause a variety of effects ranging from nausea and increased blood pressure to distortions in body image, delusions, sensory cross over, paranoia and psychotic episodes. Overdoses may result in liver damage, heart and lung failure and/or convulsions.
Rights and Responsibilities of Students With Disability

A student with a disability has the right to an equal opportunity to participate in and benefit from programs offered at the College. To ensure this right, students with disability at the College should make immediate contact with HGTC Student Services staff for information about the process for establishing documentation of disability and appropriate follow-up:

- Have the responsibility of identifying themselves to the Director of Student Development on the Conway Campus, the Coordinator for Student Affairs on the Georgetown Campus or Counselor for Disability Services on the Grand Strand Campus prior to the start of each semester if requiring special academic or physical accommodations.
- Have the responsibility of providing current documentation from an appropriate professional identifying the disability and recommending accommodations in order to activate the faculty notification process.
- Have the responsibility of demonstrating how the disability affects a particular delivery system, instructional method or evaluation criteria when requesting accommodations.
- Have the responsibility of actively participating in the search for accommodations and auxiliary aids. This responsibility extends to working with the College to seek financial assistance from government agencies and private sources.
- Have the responsibility of meeting with class professors each semester to discuss arrangements for accommodations.
- Have the same obligations as any student for meeting and maintaining the College’s academic and technical standards.
- Have the right to be evaluated based on ability, not disability. If the disability affects the outcome of an evaluation method, a student is entitled to an evaluation by alternate means.
- Are entitled to an equal opportunity to learn. If the location, delivery system or instructional method limits access, participation or ability to benefit, students have the right to reasonable alterations in those aspects of the course (or program) to accommodate the disability.
- Are entitled to an equal opportunity to participate and benefit from the academic community. This includes access to services, extracurricular activities and transportation at a comparable level as that provided to other students.
- Have a right to appeal decisions concerning accommodations by filing a petition with the Associate Vice President for Student Affairs.
- Following an appeal to the Associate Vice President for Student Affairs, have the right to appeal by filing a petition with the regional Office of Civil Rights or through the Civil Court system.

Student Code For The South Carolina Technical College System (3-2-106.1)

The Student Code for the South Carolina Technical College System applies to all HGTC students and is revised periodically. As a state policy this student code applies to all students enrolled in the SC Technical College System. The Student Code is included below in its entirety below. An approved, current copy is available from the office of the Associate Vice President for Student Affairs. A statement on College policy on student conduct and due process procedures follows.

General Provisions

I. Purpose

The Student Code for South Carolina Technical Colleges sets forth the rights and responsibilities of the individual student, identifies behaviors that are not consistent with the values of college communities, and describes the procedures that will be followed to adjudicate cases of alleged misconduct, except cases of alleged acts of sexual violence and sexual harassment. Cases of alleged acts of sexual violence and sexual harassment will be adjudicated through SBTCE procedure 3-2-106.2 (HGTC procedure 9.3.7.4). This Code applies to behavior on college property, at college-sponsored activities and events, and to off-campus behavior that adversely affects the college and/or the college community.

The Code applies to all students from the time of applying for admission through the awarding of a degree, diploma, or certificate.

II. Principles

Technical/community college students are members of both the community at large and the academic community. As members of the academic community, students are subject to the obligations that accrue to them by virtue of this membership.

As members of a larger community, students are entitled to all rights and protections accorded them by the laws of that community, the enforcement of which is the responsibility of duly constituted authorities. If a student’s alleged behavior simultaneously violates college regulations and the law, the college may take disciplinary action independent of that taken by legal authorities.

When it has been determined that a student violated a federal, state, or local law, college disciplinary action may be initiated only when the presence of the student on campus will disrupt the educational process of the college.
When a student’s alleged violation of the law, whether occurring on campus or off campus, may adversely affect the college’s pursuit of its educational objectives or activities, the college may enforce its own regulations through this Student Code.

III. Solutions of Problems
The college will first seek to solve problems through internal review procedures. When necessary, off-campus law enforcement and judicial authorities may be involved.

In situations where South Carolina Technical/Community Colleges have shared programs, the Chief Student Services Officer where the alleged violation of the Student Code for the South Carolina Technical College System occurred will handle the charges. A change of venue to the other college may be granted, based on the nature of the offense, provided it is agreed to by the Chief Student Services Officers of both colleges. Any sanctions imposed will apply across both colleges.

In situations where a student is dually enrolled in two or more South Carolina Technical/Community Colleges and is charged with a violation of the Student Code for the South Carolina Technical College System, the Chief Student Services Officer of the college where the alleged infraction occurred will handle the charges and the sanctions may apply at each college in which the student is enrolled.

IV. Definitions
When used in this document, unless the content requires other meaning,

“College” means any college in the South Carolina Technical College System.

“President” means the chief executive officer of the college.

“Administrative Officer” means anyone designated at the college as being on the administrative staff such as President, Vice President, Dean of Students or Student Services, Chief Academic Officer, Dean of Instruction, or Business Manager.

“Chief Student Services Officer” means the Administrative Officer at the College who has overall management responsibility for student services, or his/her designee.

“Chief Academic Officer” means the Administrative Officer at the College who has overall management responsibility for academic programs and services, or his/her designee.

“Student” means a person taking any course(s), credit or non-credit, offered by the college.

“Instructor” means any person employed by the college to conduct classes.

“Staff” means any person employed by the college for reasons other than conducting classes.

“SGA” means the Student Government Association of the college or other group of students convened for the purpose of representing student interests to the college’s administration or in the college’s governance system.

“Campus” means any place where the college conducts or sponsors educational, public service, or research activities.

“Violation of Law” means a violation of a law of the United States or any law or ordinance of a state or political subdivision which has jurisdiction over the place in which the violation occurs.

“Instructional Weekday” means any day except Saturday, Sunday, or any other day on which the college is closed.

Student Code
I. Student Rights
A. Freedom from Discrimination
There shall be no discrimination in any respect by the college against a student, or applicant for admission as a student, based on race, color, age, religion, national origin, sex or disability.

B. Freedom of Speech and Assembly
Students shall have the right to freedom of speech and assembly without prior restraints or censorship subject to clearly stated, reasonable, and nondiscriminatory rules and regulations regarding time, place, and manner developed and approved by the college.

In the classroom and in other instructional settings, discussion and expression of all views relevant to the subject matter are recognized as necessary to the educational process, but students have no right to interfere with the freedom of instructors to teach or the rights of other students to learn.

C. Freedom of the Press
In official student publications, students are entitled to the constitutional right of freedom of the press, including constitutional limitations on prior restraint and censorship. To ensure this protection, the college shall have an editorial board with membership representing SGA, faculty, and administration. Each college has the responsibility of defining the selection process for its editorial board. The primary responsibility of the board shall be to establish and safeguard editorial policies.

D. Freedom from Unreasonable Searches and Seizures
Students are entitled to the constitutional right to be secure in their persons, dwellings, papers, and effects against unreasonable searches and seizures. College security officers or administrative officers may conduct searches and seizures only as authorized by law.

E. Right to Participate in College Governance
Students should have the opportunity to participate on college committees that formulate policies directly affecting students, such as in the areas of student activities and student conduct. This participation may be coordinated through a Student Government Association whose constitution or bylaws have been approved by the college’s area commission.
F. Right to Know Academic and Grading Standards
Instructors will develop, distribute, explain, and follow the standards that will be used in evaluating student assignments and determining student grades.

Grades are awarded for student academic performance. No grade will be reduced as a disciplinary action for student action or behavior unrelated to academic conduct.

G. Right to Privacy
Information about individual student views, beliefs, and political associations acquired by instructors, counselors, or administrators in the course of their work is confidential. It can be disclosed to others only with prior written consent of the student involved or under legal compulsion.

H. Right to Confidentiality of Student Records
All official student records are private and confidential and shall be preserved by the college. Separate record files may be maintained for the following categories: (1) academic, (2) medical, psychiatric and counseling, (3) placement, (4) financial aid, (5) disciplinary, (6) financial, and (7) veterans affairs. In addition, disciplinary records are maintained by the Chief Student Services Officer.

Student education records will be maintained and administered in accordance with the Family Educational Rights and Privacy Act of 1974, the guidelines for the implementation of this act, and other applicable federal and state statutes and regulations.

I. Right to Due Process
At a minimum, any student charged with misconduct under this code is guaranteed the following:
1) the right to receive adequate notice of the charge(s);
2) the right to see and/or hear information and evidence relating to the charge(s), and
3) the right to present information and evidence relating to the charge(s). Additional due process requirements will be identified in other sections of this Code.

II. Student Responsibilities
A. Students are expected to conduct themselves in a manner that is civil, that is respectful of the rights of others, and that is compatible with the college’s educational mission.

B. Students are expected to comply with all of the college’s duly established rules and regulations regarding student behavior while on campus, while participating in off-campus college sponsored activities, and while participating in off-campus clinical, field, internship, or in-service experiences.

C. Students are expected to comply with all course requirements as specified by instructors in course syllabi and to meet the standards of acceptable classroom behavior set by instructors. Instructors will announce these standards during the first week of classes. If a student’s behavior disrupts class or jeopardizes the health, safety, or well-being of the student or others, the instructor will speak with the student regarding the disruption. If the unacceptable conduct or disruption continues, the instructor may dismiss the student for the remainder of the class period.

Further disruption(s) by the student may result in a second dismissal and a written referral to the Chief Student Services Officer. This written referral may result in the initiation of disciplinary action against the student.

III. Student Conduct Regulations
The following list identifies violations for which students may be subject to disciplinary action. The list is not all inclusive, but it reflects the categories of inappropriate behavior and provides examples of prohibited behaviors.

A. Academic Misconduct
All forms of academic misconduct including, but not limited to, cheating on tests, plagiarism, collusion, and falsification of information may call for disciplinary action.

1. Cheating on tests is defined to include the following:
   a) Copying from another student’s test or answer sheet;
   b) Using materials or equipment during a test not authorized by the person giving the test;
   c) Collaborating with any other person during a test without permission;
   d) Knowingly obtaining, using, buying, selling, transporting, or soliciting in whole or in part the contents of a test prior to its administration;
   e) Bribing or coercing any other person to obtain tests or information about tests;
   f) Substituting for another student, or permitting any other person to substitute for oneself;
   g) Cooperating or aiding in any of the above.

2. “Plagiarism” is defined as the appropriation of any other person’s work and the unacknowledged incorporation of that work in one’s own work.

3. “Collusion” is defined as knowingly assisting another person in an act of academic dishonesty.

4. “Fabrication” is defined as falsifying or inventing information in such academic exercises as reports, laboratory results, and citations to the sources of information.

B. Abuse of Privilege of Freedom of Speech or Assembly
No student, acting alone or with others, shall obstruct or disrupt any teaching, administrative, disciplinary, public service, research, or other activity authorized or conducted on the campus of the college or any other location where such activity is conducted or sponsored
C. Falsification of information and other acts intended to deceive
Falsification of information and other acts intended to deceive include, but are not limited to the following:
1. Forging, altering, or misusing college documents, records, or identification cards.
2. Falsifying information on college records.
3. Providing false information for the purpose of obtaining a service.

D. Actions which endanger students and the college community
Actions which endanger students and the college community include, but are not limited to the following:
1. Possessing or using on campus a firearm or other dangerous or potentially dangerous weapon unless such possession or use has been authorized by the college.
2. Possessing or using any incendiary device or explosive unless such possession or use has been authorized by the college.
3. Setting fires or misusing or damaging fire safety equipment.
4. Using, or threatening to use, physical force to restrict the freedom of action or movement of others or to harm others.
5. Endangering the health, safety, or wellbeing of others through the use of physical, written, or verbal abuse, threats, intimidation, harassment, and coercion.
6. Sexual violence, which refers to physical sexual acts perpetrated against person’s will or when a person is incapable of giving consent. Cases of alleged acts of sexual violence will be adjudicated through SBTCE procedure 3-2-106.2 (HGTC procedure 9.3.7.4).
7. Retaliating, or threatening to retaliate, against any person for filing a complaint, providing information relating to a complaint, or participating as a witness in any hearing or administrative process.

E. Infringement of Rights of Others
Infringement of rights of others is defined to include, but is not limited to the following:
1. Stealing, destroying, damaging, or misusing college property or the property of others on campus or off campus during any college activity.
2. Sexually harassing another person. In addition to sexual violence, sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature, when submission to such conduct is made a term or condition of a student’s education, a basis for academic conditions affecting the student, or the conduct is sufficiently serious to interfere with the student’s academic performance or otherwise deny or limit the student’s ability to participate in any aspect of the college’s program, thereby creating an intimidating or hostile learning environment. Cases of alleged acts of sexual harassment will be adjudicated through SBTCE procedure 3-2-106.2 (HGTC procedure 9.3.7.4) or procedure 8-5-101.1 (HGTC procedure 9.3.7.1).
3. Stalking, which is defined as engaging in a course of conduct, through physical, electronic, or other means, that would place a reasonable person in fear for his/her safety, or that has, in fact, placed an individual in such fear. Where the stalking is based on sex, race, national origin, color, age, religion or disability, it may constitute harassment under other provisions of this Code.
4. Bullying or harassing conduct, including verbal acts and name calling; graphic and written statements, which may include the use of cell phones, the internet, or other electronic devices; and other conduct that may be physically harmful, threatening, or humiliating. Bullying or harassment based on race, national origin, color, age, sex, religion, or disability will be a violation of the Code when it is a basis for academic decisions affecting the student or the conduct is sufficiently serious to interfere with the student’s academic performance or otherwise deny or limit the student’s ability to participate in any aspect of the college’s program, thereby creating an intimidating or hostile learning environment.
5. Engaging in any activity that disrupts the educational process of the college, interferes with the rights of others, or adversely interferes with other normal functions and services.

F. Other Acts which Call for Discipline
Other acts which call for discipline include, but are not limited to the following:
1. Possessing, using, or distributing any narcotics or other unlawful drugs as defined by the laws of the United States or the State of South Carolina.
2. Possessing, using, or distributing on campus any beverage containing alcohol.
3. Violating institutional policies while on campus or off campus when participating in a college sponsored event or activity.
4. Violating any South Carolina and/or federal laws while on campus or off campus when participating in a college sponsored event or activity.

IV. Student Disciplinary Procedures
The procedures and sanctions that follow are designed to channel faculty, staff or student complaints against students, except for those complaints alleging acts of sexual violence or sexual harassment which are processed under SBTCE procedure 3-2-106.2 (HGTC procedure 9.3.7.4) or procedure 8-5-101.1 (HGTC procedure 9.3.7.1). Because due process is essential in dealing with infractions of college regulations, any disciplinary actions taken and sanctions imposed on a student or student organization will follow the provisions of this code.

A. Interim Suspension
In certain situations, the President, or President’s designee, may temporarily suspend a student before the initiation of disciplinary procedures. Interim suspension may only be imposed when there is reason to believe that the continued presence of the accused student at the college poses a substantial and immediate threat to the student or to others or poses a serious threat of disruption of, or interference with, the normal operations of the college.

The interim suspension process follows:
1. The President, or President’s designee, shall notify the Chief
2. The Chief Student Services Officer, or designee, will inform the student, in writing, about the decision to impose an interim suspension. This notice must either be hand delivered to the student, sent by e-mail, or sent by certified mail to the student’s last known address within two instructional weekdays of receiving the information from the President, or designee. If sent by e-mail, a letter sent by certified mail to the student’s last known address must still be mailed within two instructional weekdays of receiving the information from the President, or designee.

This letter must include the following information:

a) the reason(s) for the interim suspension;
b) notice that the interim suspension does not replace the regular hearing process;
c) information about requesting a hearing before the Hearing Committee; and
d) notice that the student is denied access to the campus during the period of suspension without prior approval of the Chief Student Services Officer.

B. Academic Misconduct

1. An instructor who has reason to believe that a student enrolled in his/her class has committed an act of academic misconduct must discuss the matter with the student. The instructor must advise the student of the alleged act of academic misconduct and the information upon which it is based. The student must be given an opportunity to refute the allegation. If the student chooses not to participate in the discussion, the instructor will make a decision based upon the available information.

2. If the instructor, after meeting with the student, determines that the student has engaged in academic misconduct as alleged, the instructor will inform the student about the decision and the academic sanction that will be imposed. The instructor may impose one of the following academic sanctions:

   a) Completion of an educational activity relating to the nature of the offense.
   b) Assign a lower grade or score to the paper, project, assignment or examination involved in the act of misconduct.
   c) Require the student to repeat or resubmit the paper, project, assignment, or examination involved in the act of misconduct.
   d) Assign a failing grade for the course.
   d) Require the student to withdraw from the course.

3. If the student is found responsible for the academic misconduct, within five instructional weekdays of the meeting with the student, the instructor will submit a written report about the incident and the sanction imposed to the Chief Academic Officer.

4. The Chief Academic Officer, or designee, will send a letter to the student summarizing the incident, the finding, the terms of the imposed sanction, and informing the student that he/she may appeal the decision and/or the sanction by submitting a written request to the Chief Academic Officer within seven instructional weekdays of the date of the Chief Academic Officer’s letter.

5. If the student requests an appeal, the Chief Academic Officer, or designee, will send a certified letter to the student’s last known address. This letter must contain the following information:

   a) a restatement of the charge(s);
   b) the time, place, and location of the appeal;
   c) a list of witnesses that may be called; and
   d) a list of the student’s basic procedural rights.

These rights follow:

1) The right to consult with counsel. The role of the person acting as counsel is solely to advise the student. Counsel may not participate in any of the questioning or make any statements on behalf of the student. The student will be responsible for paying any fees charged by his/her counsel.

2) The right to present witnesses on one’s behalf.

3) The right to present evidence and notice that the Chief Academic Officer, or designee, may determine what evidence is admissible.

4) The right to know the identity of the person(s) bringing the charge(s).

5) The right to hear witnesses on behalf of the person bringing the charges.

6) The right to testify or to refuse to testify without such refusal being detrimental to the student.

7) The right to appeal the decision of the Chief Academic Officer to the President.

   e) A statement informing the student that the sanction imposed by the instructor will be held in abeyance pending the outcome of the appeal.

6. On the basis of the information presented at the appeal, the Chief Academic Officer, or designee, will render one of the following decisions:

   a) Accept the decision and the sanction imposed by the instructor.
   b) Accept the instructor’s decision but impose a less severe sanction.
   c) Overturn the instructor’s decision.

Within two instructional weekdays of the meeting with the student, the Chief Academic Officer, or designee, will send the student a letter informing the student of the decision. The letter must also inform the student that the decision may be appealed to the College’s President and that any appeal request must be written and must detail the reason(s) for the appeal. The student seeking the appeal must provide reasons for the appeal which sets forth a statement that specifies the issues that further review is sought and any evidence which supports the issue(s) on appeal. The written appeal must be sent to the President within five instructional weekdays of the receipt of the Chief Academic Officer’s decision.

After receiving the student’s request, the President will review all written materials, non-written materials, and evidence relating to this incident and render one of the following decisions:

   a) Accept the decision and the sanction imposed.
   b) Accept the decision, but impose a less severe sanction.
   c) Overturn the decision.
   d) Remand the case to the Student Hearing Committee to be re-heard.

The President’s decision is final and cannot be appealed further.

C. Student Misconduct

Any member of the college community may file charges alleging a violation of the Code. A charge, that includes a description of the alleged violation, must be submitted in writing to the Chief Student Services Officer as soon as possible after the incident occurs, but no later than 10 instructional weekdays after the incident, unless the person filing the charge demonstrates that exceptional circumstances prevented filing the charge within this time period. The Chief Student Services Officer, or designee, will determine whether the circumstances merit an extension of the deadline.
1. Preliminary Hearing

Within five (5) instructional weekdays after the charge has been filed, the Chief Student Services Officer, or designee, shall complete a preliminary investigation of the charge and schedule a meeting with the student. After discussing the alleged infraction with the student and reviewing available information, the Chief Student Services Officer, or designee will decide whether the information presented during the meeting indicates that the violation occurred as alleged. When the student cannot be reached to schedule an appointment, or when the student fails to attend the meeting, the Chief Student Services Officer, or designee, will base the decision upon the available information.

If the available information indicates that the violation occurred as alleged, then one of the following sanctions will be imposed:

a) Reprimand - A written warning documenting that the student violated a student conduct regulation and indicating that subsequent violations could result in more serious disciplinary sanctions.

b) Restitution - Compensation for loss or damage to college property or the property of others while on the campus or at a college event or activity including but not limited to field trips, internships, and clinicals.

c) Special Conditions - Completion of a variety of educational activities, relating to the nature of the offense may be imposed. Examples include, but are not limited to, a formal apology, an essay or paper on a designated topic, or participation in a special project or activity.

d) Disciplinary Probation - A written reprimand documenting that the student violated a student conduct regulation. Probation is for a specified period of time and it serves as a warning that subsequent violations could most likely result in more serious disciplinary sanctions.

e) Loss of Privileges - Suspension or termination of particular student privileges.

f) Suspension from the college - Separation from the college for a specified period of time. Suspended students will not receive academic credit for the semester in which the suspension was imposed. During the suspension period, the student may not return to the campus unless prior permission by the Chief Student Services Officer has been granted.

g) Expulsion from the college - Permanent separation from the college. An expelled student may not return to the campus unless prior permission by the Chief Student Services Officer has been granted. An expelled student will not receive academic credit for the semester in which the expulsion was imposed.

h) Any combination of the above.

Within five (5) instructional weekdays of the preliminary hearing, the Chief Student Services Officer, or designee, will send a certified letter to the student. This letter will confirm the date of the preliminary hearing, identify the specific regulation(s) that the student allegedly violated, identify the decision, summarize the rationale, and, if the student violated the regulation(s), state the sanction that was imposed. This letter must also state that if the student disagrees with the decision or the sanction, the student may request a hearing before the Hearing Committee, that the student must submit this request no later than two instructional weekdays after receiving the decision letter unless a request is made and approved by the Chief Student Services Officer for an extension, and that any decision made and sanction imposed at the preliminary hearing may be held in abeyance should the student decide to go before the Hearing Committee.

2. Hearing Committee

A. The Hearing Committee shall be composed of the following:

1) Three faculty members appointed by the Chief Academic Officer and approved by the President.

2) Three student members appointed by the appropriate student governing body and approved by the President.

3) One member of the Student Services staff appointed by the Chief Student Services Officer and approved by the President.

4) The Chief Student Services Officer, or designee, who serves as an ex officio nonvoting member of the Committee and who presents the case.

B. The Hearing Committee shall perform the following functions:

1) Hear cases of alleged violations of the Code of Student Conduct.

2) Insure that the student’s procedural rights are met.

3) Make decisions based only on evidence and information presented at the hearing.

4) Provide the student with a statement of the committee’s decision including findings of fact and, if applicable, impose one or more of the following sanctions:

a) Academic Misconduct (cases sent to the Hearing Committee by the President)

1) Assign a lower grade or score to the paper, project, assignment or examination involved in the act of misconduct.

2) Require the student to repeat or resubmit the paper, project, assignment, or examination involved in the act of misconduct.

3) Assign a failing grade for the course.

4) Require the student to withdraw from the course.

C. Student Misconduct

1) Reprimand - A written warning documenting that the student violated a student conduct regulation and indicating that subsequent violations could result in more serious disciplinary sanctions.

2) Special Conditions - Completion of a variety of educational activities, relating to the nature of the offense may be imposed. Examples include, but are not limited to, a formal apology, an essay or paper on a designated topic, or participation in a special project or activity.

3) Restitution - Compensation for loss or damage to college property or the property of others while on the campus, or at a college event or activity including but not limited to field trips, internships,
documents, exhibits, etc., that may be presented

4) Disciplinary Probation - A written reprimand documenting that the student violated a student conduct regulation. Probation is for a specified period of time and it serves as a warning that subsequent violations could most likely result in more serious disciplinary sanctions.

5) Loss of Privileges - Suspension or termination of particular student privileges.

6) Suspension from the college - Separation from the college for a specified period of time. Suspended students will not receive academic credit for the semester in which the suspension was imposed. During the suspension period, the student may not return to the campus unless prior permission by the Chief Student Services Officer has been granted.

7) Expulsion from the college - Permanent separation from the college. An expelled student may not return to the campus unless prior permission by the Chief Student Services Officer has been granted. An expelled student will not receive academic credit for the semester in which the expulsion was imposed.

8) Any combination of the above.

D. Hearing Committee Procedures

1) The Chief Student Services Officer, or designee, shall refer the matter to the Hearing Committee together with a report of the nature of the alleged misconduct, the name of the person(s) filing the complaint(s), the name of the student against whom the charge(s) has (have) been filed, and a summary of the findings from the preliminary hearing.

2) At least seven instructional weekdays before the date set for the Hearing Committee’s meeting, the Chief Student Services Officer, or designee, shall send a certified letter to the student’s address. The letter must contain the following information:

   a) A statement of the charge(s).
   b) A brief description of the incident that led to the charge(s).
   c) The name of the person(s) submitting the incident report.
   d) The date, time, and place of the scheduled hearing.
   e) A list of all witnesses who might be called to testify.
   f) A statement of the student’s procedural rights. These rights follow:

   1) The right to consult counsel. This role of the person acting as counsel is solely to advise the student. Counsel may not address the Hearing Committee or participate in any of the questioning. The student has the responsibility for paying any of the counsel’s fees and any other of the counsel’s charges.
   2) The right to present witnesses on one’s behalf.
   3) The right to know the names of any witnesses who may be called to testify at the hearing.
   4) The right to review all available evidence, documents, exhibits, etc., that may be presented at the hearing.
   5) The right to present evidence; however, the Hearing Committee will determine what evidence is admissible.
   6) The right to know the identity of the person(s) bringing the charge(s).
   7) The right to hear witnesses on behalf of the person bringing the charges.
   8) The right to testify or to refuse to testify without such refusal being detrimental to the student.
   9) The right to a fair and impartial decision.
   10) The right to appeal the Hearing Committee’s decision.

3) On written request of the student, the hearing may be held prior to the expiration of the seven day advance notification period if the Chief Student Services Officer, or designee, concurs with this change.

4) The Chief Student Services Officer, or designee, may postpone the hearing due to circumstances beyond the control of the parties.

E. Hearing Committee Meetings

1) The chair shall be appointed by the President from among the membership of the committee. Ex officio members of the committee may not serve as the chair of the committee.

2) Committee hearings shall be closed to all persons except the student, the person(s) initiating the charge(s), counsels for the student and for the College, witnesses who will be invited into the hearing and a person, mutually agreed upon by the committee and the student, to serve as the recorder.

3) The committee may identify someone to take written notes and the committee will have the hearing, with the exception of deliberations, recorded. No other party in the hearing may record the proceedings and no other party is entitled to a copy of the notes or the recording. The written notes and the recording will be maintained in the office of the Chief Student Services Officer. The student may review the notes and listen to the recording under the supervision of the Chief Student Services Officer or designee.

4) Witnesses shall be called in one at a time to make a statement and to respond to questions.

5) After hearing all of the information, the Hearing Committee will begin its deliberations. Using the standard “preponderance of evidence,” which means that the information presented at the hearing would lead one to conclude that it is highly probable that the violation(s) occurred as alleged, the members will determine, by majority vote, whether the violation occurred as alleged. If it is determined that the violation(s) occurred as alleged, by majority vote, the members will decide upon the appropriate sanction.

6) The Chair of the Hearing Committee will send a certified letter to the student’s address within two instructional weekdays of the Committee’s decision. The letter shall inform the student about the Committee’s decision, the date of the decision, and, if applicable the sanction(s) imposed. The letter will also inform the student about the appeal process.

F. Appeal

If the student disagrees with either the decision or the sanction, the student may submit a written appeal to the College’s President. This letter must be submitted within ten instructional weekdays of the date on which the Hearing Committee made its decision. The written appeal must include a statement indicating why the student disagrees with the Hearing Committee’s findings.

The President, or designee, shall review the Hearing Committee’s findings, conduct whatever additional inquiries as deemed neces-
sary, and render a decision within ten instructional weekdays of receiving the appeal. The President, whose decision is final, shall have the authority to approve, modify, or overturn the Hearing Committee’s decisions and, if needed, void the process and reconvene another Hearing Committee. The President’s decision regarding disciplinary actions under the Student Code 3-2-106.1 (HGTC procedure 9.3.7.1) are not grievable.

The President, or designee, will inform the student about the outcome of the appeal in a certified letter sent to the student’s address.

**Student Code Procedures For Addressing Alleged Acts Of Sexual Violence and Sexual Harassment (3-2-106.2) - 2013**

The Student Code for South Carolina Technical Colleges sets forth the rights and responsibilities of the individual student, identifies behaviors that are not consistent with the values of college communities, and describes the procedures that will be followed to adjudicate cases of alleged misconduct. This Code applies to behavior or complaints alleging acts of sexual violence or sexual harassment on college property, at college-sponsored activities and events, and to off-campus behavior that adversely affects the college and/or the college community. The Code applies to all students from the time of applying for admission through the awarding of a degree, diploma, or certificate.

The procedures described in SBTCE 3-2-106.2 (HGTC procedure 9.3.7.4) will be followed to adjudicate alleged acts of sexual violence and sexual harassment.

Sexual harassment is a form of discrimination prohibited by law as well as by the Student Code for the South Carolina Technical College System. In general, sexual harassment includes any advances, requests for sexual favors, sexual violence, and other verbal or physical conduct of a sexual nature that interferes with a student’s ability to participate in or benefit from the college’s programs or services. It may include such conduct as offensive jokes, slurs, name calling, physical assaults or threats, intimidation, ridicule or mockery, insults or put downs, and/or offensive objects or pictures. Sexual assault is an extreme form of sexual harassment. It can be defined as a situation in which an individual is forced, threatened or coerced into sexual contact against his/her free will, or without his/her consent. Sexual assault may include, but is not limited to, sexual violence, date or acquaintance rape, sexual molestation, unwanted sexual touching or having sexual contact with a person while knowing or having reason to know that the person is incapacitated in some way (i.e., due to drugs or alcohol).

Any student, or other member of the college community, who believes that he/she or has been a victim of sexual harassment or sexual assault may file a report with the college’s Chief Student Services Officer, campus security office, or with the college’s Title IX coordinator. The designated coordinator will work with the complaining student to mitigate any injury during the pendency of the investigation and proceedings. Colleges, through their designated coordinators, will change a victim’s academic and living situations after an alleged sex offense and discuss the options for those changes, if those changes are requested by the victim and are reasonably available. The Title IX coordinator’s office location and phone number are printed in the college’s catalog and appear on the college’s website. Reports may also be filed by any other member of the college community. The student may also file a criminal report regarding the alleged conduct.

Due to the seriousness of these issues, the college will provide educational programs to promote the prevention and awareness of rape, acquaintance rape, and other forcible and nonforcible sex offenses, as well as sexual harassment awareness programs.

If the alleged harasser or violator of named in the report is an employee or third party, the case may be adjudicated through the South Carolina State Board for Technical and Comprehensive Education’s (SBTCE) Student Grievance Procedure (SBTCE Procedure 3-2-106.2) (HGTC procedure 9.3.7.2) and/or its Anti-Harassment Procedure (SBTCE 8-5-101.1) (HGTC procedure 9.3.7.4).

If the alleged harasser or violator of this policy is a student, the case may be adjudicated through the process that follows.

1. **Preliminary Hearing**

Within 5 instructional weekdays after the charge has been filed, the Chief Student Services Officer, or designee, shall complete a preliminary investigation of the charge and schedule a meeting with the alleged violator and, if needed, the victim. After discussing the alleged infraction with the accused student and reviewing available information, the Chief Student Services Officer, or designee, will decide whether the information presented during the meeting indicates that the violation occurred as alleged. When the student cannot be reached to schedule an appointment, or when the student fails to attend the meeting, the Chief Student Services Officer, or designee, will base the decision upon the available information.

If the available information indicates that the violation occurred as alleged, then one of the following sanctions will be imposed:

a) Reprimand - A written warning documenting that the student violated a student conduct regulation and indicating that subsequent violations could result in more serious disciplinary sanctions.

b) Restitution - Compensation for loss or damage to college property or the property of others while on the campus, or at a college event or activity including but not limited to field trips, internships, and clinical settings.

c) Special Conditions - Completion of a variety of educational activities, relating to the nature of the offense may be imposed. Examples include, but are not limited to, the following: a formal apology, an essay or paper on a designated topic, or participation in a special project or activity.

d) Disciplinary Probation - A written reprimand documenting that the student violated a student conduct regulation. Probation is for a specified period of time and it serves as a warning that subsequent violations could most likely result in more serious disciplinary sanctions.
A. The Hearing Committee shall be composed of the following:

1) Three faculty members appointed by the Chief Academic Officer and approved by the President.
2) Three student members appointed by the appropriate student governing body and approved by the President.
3) One member of the Student Services staff appointed by the Chief Student Services Officer and approved by the President.
4) The Chief Student Services Officer, or designee, who serves as an ex officio nonvoting member of the Committee and who presents the case.

B. The Hearing Committee shall perform the following functions:

1) Hear cases of alleged violations of the Code of Student Conduct.
2) Insure that the student’s procedural rights are met.
3) Make decisions based only on evidence and information presented at the hearing.
4) Provide the student with a statement of the committee’s decision including findings of fact and, if applicable, impose one or more of the following sanctions:
   a) Reprimand - A written warning documenting that the student violated a student conduct regulation and indicating that subsequent violations could result in more serious disciplinary sanctions.
   b) Special Conditions - Completion of a variety of educational activities, relating to the nature of the offense may be imposed. Examples include, but are not limited to, the following: a formal apology, an essay or paper on a designated topic, or participation in a special project or activity.
   c) Restitution - Compensation for loss or damage to college property or the property of others while on the campus or loss or damage to property at a college event or activity, including but not limited to field trips, internships, and clinical settings.
   d) Disciplinary Probation - A written reprimand documenting that the student violated a student conduct regulation. Probation is for a specified period of time and it serves as a warning that subsequent violations could most likely result in more serious disciplinary sanctions.
   e) Loss of Privileges - Suspension or termination of particular student privileges.
   f) Suspension from the college - Separation from the college for a specified period of time. Suspended students will not receive academic credit for the semester in which the suspension was imposed. During the suspension period, the student may not return to the campus unless prior permission by the Chief Student Services Officer has been granted.
   g) Expulsion from the college - Permanent separation from the college. An expelled student may not return to the campus unless prior permission by the Chief Student Services Officer has been granted.
   h) Any combination of the above.

Within 5 instructional weekdays of the preliminary hearing, the Chief Student Services Officer will send a certified letter to the student charged with violating the Student Code and to the victim. This letter will confirm the date of the preliminary hearing, identify the specific regulation(s) that the student allegedly violated, identify the decision, summarize the rationale, and, if the student violated the regulation(s), state the sanction that was imposed. This letter must also state that if the student charged with the violation or the victim disagrees with the decision or the sanction, either party may request a hearing before the Hearing Committee, that the request must be submitted no later than two instructional weekdays after receiving the decision letter unless a request is made and approved by the Chief Student Services Officer for an extension, and that any decision made and sanction imposed at the preliminary hearing may be held in abeyance pending the outcome of the Hearing Committee’s meeting.

2. Hearing Committee

A. The Hearing Committee shall be composed of the following:

1) Three faculty members appointed by the Chief Academic Officer and approved by the President.
2) Three student members appointed by the appropriate student governing body and approved by the President.
3) One member of the Student Services staff appointed by the Chief Student Services Officer and approved by the President.
4) The Chief Student Services Officer, or designee, who serves as an ex officio nonvoting member of the Committee and who presents the case.

B. The Hearing Committee shall perform the following functions:

1) Hear cases of alleged violations of the Code of Student Conduct.
2) Insure that the student’s procedural rights are met.
3) Make decisions based only on evidence and information presented at the hearing.
4) Provide the student with a statement of the committee’s decision including findings of fact and, if applicable, impose one or more of the following sanctions:
   a) Reprimand - A written warning documenting that the student violated a student conduct regulation and indicating that subsequent violations could result in more serious disciplinary sanctions.
   b) Special Conditions - Completion of a variety of educational activities, relating to the nature of the offense may be imposed. Examples include, but are not limited to, the following: a formal apology, an essay or paper on a designated topic, or participation in a special project or activity.
   c) Restitution - Compensation for loss or damage to college property or the property of others while on the campus or loss or damage to property at a college event or activity, including but not limited to field trips, internships, and clinical settings.
   d) Disciplinary Probation - A written reprimand documenting that the student violated a student conduct regulation. Probation is for a specified period of time and it serves as a warning that subsequent violations could most likely result in more serious disciplinary sanctions.
   e) Loss of Privileges - Suspension or termination of particular student privileges.
   f) Suspension from the college - Separation from the college for a specified period of time. Suspended students will not receive academic credit for the semester in which the suspension was imposed. During the suspension period, the student may not return to the campus unless prior permission by the Chief Student Services Officer has been granted.
   g) Expulsion from the college - Permanent separation from the college. An expelled student may not return to the campus unless prior permission by the Chief Student Services Officer has been granted.
   h) Any combination of the above.

C. Hearing Committee Procedures

1) The Chief Student Services Officer shall refer the matter to the Hearing Committee together with a report of the nature of the alleged misconduct, the name of the person(s) filing the complaint(s), the name of the student against whom the charge(s) has (have) been filed, and a summary of the findings from the preliminary hearing.
2) At least seven instructional weekdays before the date set for the Hearing Committee’s meeting, the Chief Student Services Officer, or designee, shall send a certified letter to the charged student’s last known address and to the victim’s last known address. The letter must contain the following information:
   a) A statement of the charge(s).
   b) A brief description of the incident that led to the charge(s).
   c) The name of the person(s) submitting the incident report.
3) On written request of the charged student or the victim, the hearing may be held prior to the expiration of the seven day advance notification period if the Chief Student Services Officer, or designee, concurs with this change.
4) The chairperson of the Hearing Committee, in his/her discretion, may postpone the hearing due to circumstances beyond the control of the parties.

A. Hearing Committee Meetings
1) The chair shall be appointed by the President from among the membership of the Committee. Ex officio members of the committee may not serve as the chair of the committee.
2) Committee hearings shall be closed to all persons except the student, the person(s) initiating the charge(s), counsels for any student and for the College, witnesses who will be invited into the hearing and a person, mutually agreed upon by the Committee and the student(s), to serve as the recorder.
3) The Committee may identify someone to take written notes and the committee will have the hearing, with the exception of deliberations, recorded. No other party in the hearing may record the proceedings and no other party is entitled to a copy of the notes or the recording. The written notes and the recording will be maintained in the office of the Chief Student Services Officer. The student may review the notes and listen to the recording under the supervision of the Chief Student Services Officer or designee.
4) Witnesses shall be called in one at a time to make a statement and to respond to questions.
5) After hearing all of the information, the Hearing Committee will go begin its deliberations. Using the “preponderance of evidence” standard, which means that it is more likely than not that the violation occurred as alleged, the members will determine, by majority vote, whether the violation occurred. If it is determined that the violation occurred as alleged, by majority vote, the members will decide upon the appropriate sanction.
6) The Chair of the Hearing Committee will send a certified letter to the student’s and to the victim’s last known address within two instructional weekdays of the Committee’s decision. The letter shall inform the students about the Committee’s decision, the date of the decision, and, if applicable the sanction(s) imposed. The letter will also inform each recipient about the appeal process.

I. Purpose
The purpose of the student grievance procedure is to provide a system to channel and resolve student complaints against a college employee concerning decisions made or actions taken. A decision or action can be grieved only if it involves a misapplication of a college’s policies, procedures, or regulations, or a state or federal law. This procedure may not be used in the following instances:

a. When the case results in a finding that the student engaged in an act of sexual violence, the Chair’s letter to the victim will also include the sanction imposed by the Hearing Committee.

b. When the case results in a finding that the student engaged in an act of non-violent sexual harassment, the Chair’s letter to the victim will only include the sanction imposed by the Hearing Committee if the sanction directly relates to the victim (e.g., the harasser has been directed to stay away from the victim while on the college’s campus).

3. Appeal
If either student disagrees with the decision or, only in the cases involving charges of sexual violence, the sanction, the student may submit a written appeal to the College’s President. This letter must be submitted within ten instructional weekdays of the date on which the Hearing Committee made its decision. The written appeal must include a statement indicating why the student disagrees with the Hearing Committee’s findings.

The President, or designee, shall review the Hearing Committee’s findings, conduct whatever additional inquiries as deemed necessary, and render a decision within ten instructional weekdays of receiving the appeal.

The President, whose decision is final, shall have the authority to approve, modify, or overturn the Hearing Committee’s decisions and, if needed, void the process and reconvene another Hearing Committee.

The President, or designee, will inform each student about the outcome of the appeal in a certified letter sent to the student’s last known address.

THE STUDENT GRIEVANCE PROCEDURE FOR THE SOUTH CAROLINA TECHNICAL COLLEGE SYSTEM (3-2-106.3) – 2014

I. Purpose
1) to grieve a claim against a college employee for any matter unrelated to the employee’s role or position at the college; 2) for complaints or appeals of grades awarded in a class or for an assignment, unless the complaint is based upon alleged discrimination on the basis of age, gender, race, disability or veteran’s status or on the basis of alleged sexual harassment; or 3) to grieve a decision for which other grievance or appeal procedures exist (e.g., appeal of a disciplinary case, a residency appeal, a financial aid appeal, FERPA grievances, transfer credit evaluations, etc.).

The student filing the grievance must have been enrolled at the college at the time of decision or action being grieved and must be the victim of the alleged mistreatment. A grievance cannot be filed on behalf of another person.

II. DEFINITIONS
When used in this document, unless the content requires other meaning,
A. “College” means any college in the South Carolina Technical College System.
B. “President” means the chief executive officer of the college.
C. “Administrative Officer” means anyone designated at the college as being on the administrative staff, such as the President, Chief Academic Officer, Chief Student Services Officer, etc.
D. “Chief Student Services Officer” means the Administrative Officer at the College who has overall management responsibility for student services or his/her designee.
E. “Chief Academic Officer” means the Administrative Officer at the College who has overall management responsibility for academic programs and services or his/her designee.
F. “Grievable Act or Decision” means a misapplication of a college’s policies, procedures, or regulations, or a violation of a state or federal law.
G. “Days” means an instructional weekday, excluding Saturday and Sunday and all days in which the college is closed.
H. “Student” means a person taking any course(s) offered by the college.
I. “Instructor” means any person employed by the college to conduct classes.
J. “Staff” means any person employed by the college for reasons other than conducting classes.
K. “Campus” means any place where the college conducts or sponsors educational, public service, or research activities.

III. GRIEVENCE PROCESS
A. Filing a Complaint

This procedure must be initiated by the student within 30 instructional weekdays of becoming aware of the decision, action, or event giving rise to the grievance. This time limit may be extended by the President or his/her designee, if the student requests an extension within the 30 day period.

Before initiating the Student Grievance process, a student may go to the college employee who originated the alleged problem and attempt to resolve the matter informally. In instances alleging discrimination or harassment, including sexual harassment and violence, the student is not required to initially try to resolve the matter with the person alleged to have committed the violation under this policy. Where applicable, if the student is not satisfied with the outcome of this meeting or if the student prefers to ignore this step, then the student may file a written complaint and initiate the grievance process. This written complaint should describe the decision or action that is being grieved, the date of the decision or action, and the college employee(s) involved in the decision or action.

1. Written complaints about alleged discrimination or harassment on the basis of age, gender, race, color, national origin, disability or veteran’s status and written complaints about alleged sexual harassment or violence shall be submitted to the employee(s) designated in the college’s Statement of Nondiscrimination to coordinate Section 504, Title II, and Title IX compliance.
2. Written complaints about decisions and actions not related to discrimination on the basis of age, gender, race, disability, veteran’s status, or sexual harassment shall be submitted to the college’s Chief Student Services Officer.
3. Any written complaint naming the college’s President as the person whose alleged action or decision originated the problem shall be submitted to the President of the South Carolina Technical College System.

B. Pre-Hearing
The person receiving the student’s written complaint will send a written acknowledgement to the student no later than two instructional weekdays after receiving the written complaint.

The person receiving the complaint will forward the complaint to the immediate supervisor of the employee named in the complaint no later than two instructional weekdays after it has been received. When the President is named in the complaint, the South Carolina Technical College System’s Vice President of Academic Affairs will be responsible for the pre-hearing.

As a part of the effort to resolve the matter, the supervisor, or the South Carolina Technical College System’s Vice President for Academic Affairs, will consult, as needed, with the employee named in the complaint, the student filing the complaint, and Chief Administrative Officer of the division or component concerned.

The supervisor, or the South Carolina Technical College System’s Vice President for Academic Affairs, shall respond in writing to the student within ten instructional weekdays of receipt of the complaint. The response, sent by certified mail, shall include a summary of the findings and, as needed propose the steps that shall be taken to resolve the complaint. If the student does not agree with the proposed resolution, the student may request to have the complaint heard by the Student Grievance Committee.

When the College’s President is named in the complaint, the President of the South Carolina Technical College System will convene a three person ad hoc committee consisting of System Presidents to hear the student’s complaint.
C. Student Grievance Hearing

1. Requesting a Hearing

a) The student must submit a written request for a Grievance Hearing to the Chief Student Services Officer within five instructional weekdays after receiving the supervisor’s written response and no later than fifteen instructional days after the supervisor sent the summary of findings. The request must include a copy of the student’s original written complaint, a copy of the supervisor’s response, and a statement describing why the supervisor’s response was unsatisfactory.

b) If the student does not submit the written request for a hearing within fifteen instructional weekdays, and the student can demonstrate that extenuating circumstances resulted in the failure to meet this deadline, the Chief Student Services Officer may allow the hearing to take place.

c) Within two instructional days of receiving the request for a hearing, the Chief Student Services Officer shall notify the President or, as appropriate, the System President about the need to convene a Student Grievance Committee or an ad hoc committee of System Presidents. These committees shall be formed to hear specific complaints and a new committee may be formed each time a grievance covered by this procedure is filed.

2. Grievance Committees

a) Student Grievance Committee - The President must approve all recommended members. The committee shall be composed of the following:

1) Three students recommended by the governing body of the student body.
2) Two faculty members recommended by the Chief Academic Officer.
3) One Student Services staff member recommended by the Chief Student Services Officer.
4) One administrator, other than the Chief Student Services Officer, to serve as the Committee’s chairperson.
5) The Chief Student Services Officer, or designee, who serves as an ex-officio, nonvoting member of the committee.

b) Ad hoc Committee of Presidents - The President of the South Carolina Technical College System will select three System Presidents to serve on this committee and identify one of the three Presidents to serve as the chairperson for the hearing.

c) The Chief Student Services Officer, or designee, will send copies of the student’s request for a hearing to the committee members, the employee, and the employee’s supervisor. The employee against whom the grievance was filed has an opportunity to submit his/her response to the request for a hearing to the Committee prior to the hearing.

d) The Student Grievance Committee’s meeting(s) shall be conducted within twenty-one instructional weekdays following the date of the request. The chairperson may grant a postponement if either party submits a written request no later than five instructional weekdays prior to the scheduled meeting. The chairperson of the Student Grievance Committee, in his/her discretion, may postpone the hearing due to circumstances beyond the control of the parties. The rescheduled hearing must take place within ten instructional weekdays of the date of the previously scheduled hearing.

3. Hearing Procedures

a) The Chief Student Services Officer, or designee, shall send a certified letter to the student filing the complaint and to the employee(s) named in the complaint at least five instructional weekdays before the scheduled hearing. This letter shall include:

1) a brief description of the complaint, including the name of the person filing the complaint;
2) the date, time, and location of the meeting;
3) the name of any person who might be called as a witness;
4) a list of the student’s procedural rights. These rights follow:

a) The right to review all available evidence, documents or exhibits that each party may present at the meeting. This review must take place under the supervision of the Chief Student Services Officer, or designee.
b) The right to appear before the Hearing Committee and to present information and additional evidence, subject to the Committee’s judgment that the evidence is relevant to the hearing.
c) The right to consult with consul. This person serving as consul may not address the committee, question the employee(s) named in the complaint, or any witnesses. The student will be responsible for paying any fees charged by the advisor.
d) The right to present witnesses who have information relating to the complaint. Witnesses will be dismissed after presenting the information and responding to questions posed by the Grievance Committee, the student filing the complaint, and the employee(s) named in the complaint.

b) At least ten (10) instructional weekdays before the scheduled hearing the parties must submit the names of persons that the parties anticipate calling as witnesses as well as any evidence that the parties intend to introduce at the hearing.

c) Hearings are closed to the public. When testimony is being given, only the committee members, the student and his/her advisor, the employee and his/her advisor, and the witness giving testimony may be present. During deliberations, only the members of the Committee may be present.

d) Hearings are informal and a tape recording of the testimony presented during the hearing may be made. The Committee’s deliberations are not tape recorded. After resolution of the appeal, the tape recording will be kept for three months in the office of the Chief Student Services Officer, or designee. The student filing the complaint or the employee(s) named in the complaint may listen to this
tape recording under the supervision of the Chief Student Services Officer, or designee.

e) The Committee may question the student and the employee(s). The Committee may also question the employee(s)’ supervisor(s) and any additional witnesses that it considers necessary to render a fair decision. Questions must be relevant to the issues of the grievance.

f) Both parties to the grievance may ask questions of the other during the hearing. These questions must be relevant to the issues stated in the written complaint. The Chairperson of the Committee will determine the appropriateness of the questions.

g) The Committee bears the burden of determining whether the allegations are supported by the information available through the hearing. The Committee will use a preponderance of the evidence standard in making this determination.

h) The Committee shall decide the solution of the grievance by a majority vote. In case of a tie, the chairperson may vote.

i) The chairperson shall forward a copy of the Committee’s decision to the student filing the complaint and to the employee(s) named in the complaint within two instructional weekdays of the Committee’s decision. This letter will include a rationale for the Committee’s decision and inform the student and employee(s) that they have a right to appeal the Committee’s decision.

D. Appeal Process

If either party is not satisfied with the Student Grievance Committee’s decision, that person may submit a written appeal to the President of the College within ten instructional weekdays of the Committee’s decision. The written appeal must include a statement indicating why the person was not satisfied with the committee’s decision. The President shall review the Committee’s findings, conduct whatever additional inquiries are deemed necessary and render a decision within ten instructional weekdays of receipt of the appeal. The President’s decision is final and this decision cannot be the sole reason for filing a grievance against the President.

If either party is not satisfied with the System Office’s ad hoc Committee of System Presidents’ decision, that person may submit a written appeal to the President of the South Carolina Technical College System within ten instructional weekdays of the Committee’s decision. The written appeal must include a statement indicating why the person was not satisfied with the Committee’s decision. The System President shall review the Committee’s findings, conduct whatever additional inquiries are deemed necessary and render a decision within ten instructional weekdays of receipt of the appeal. The System President’s decision is final.

Student Grievance Procedure for Concerns Related to Faculty English Fluency

I. Purpose

The purpose of the Student Grievance Procedure for Concerns Related to Faculty English Fluency is designed to provide a system to address student complaints regarding the proficiency of their faculty member(s) in both the written and spoken English language.

II. Procedures

A. First Step

The student must file a written grievance with the Associate Vice President for Student Affairs. A grievance form shall be made available to the student by the Associate Vice President for Student Affairs. The Associate Vice President for Student Affairs will explain this grievance procedure to the student.

B. Second Step

The completed grievance form must be returned to the Associate Vice President for Student Affairs and he or she shall give written acknowledgement of receipt of the grievance form to the student. This acknowledgement shall be given immediately or no later than two (2) working days after receipt of the grievance form from the student. The Associate Vice President for Student Affairs will then refer the grievance to the Senior Vice President who will convene the English Fluency Evaluation Committee for a proficiency evaluation using the procedures and methods described in Horry Georgetown Technical College Procedure 3.1.14.1 – English Fluency Requirements for Faculty Employment.

The Committee will be provided with the written grievance form provided by the student.

Within thirty (30) days of the filing of the grievance, the Committee will examine the faculty member for English fluency and will provide the Associate Vice President for Student Affairs with a written report of its determination.

C. Third Step

The Associate Vice President for Student Affairs will provide the report of the committee to the student within five (5) working days of receipt of the report from the committee.

D. Fourth Step

The student may appeal the committee’s decision to the President of the College within ten (10) working days of receipt of the committee report from the Associate Vice President for Student Affairs.

The President shall review the committee’s findings, conduct additional inquiries that are deemed necessary and will render a decision within ten (10) working days of receipt of the appeal. The decision of the President is final.

ACADEMIC INFORMATION AND POLICIES

Academic Average (Grade Point Average)

A student’s quality points must be at least double the number of semester hours of credit pursued in order to maintain a scholastic average (GPA) of “C” (2.00) or better, which is required in order to graduate.

Academic Degree Requirements

Students must successfully complete the required semester credit hours of the academic program with a minimum 2.00 grade point average to be eligible for graduation. A minimum of 25% of coursework must be completed at HGTC.

Further, students must submit a graduation application upon meeting the program requirements in order to be awarded a degree, diploma or certificate.

Some programs are approved for Cooperative Work Experience.
(CWE or SCWE). Students seeking work credit should check in advance with the academic advisor.

Some programs have articulation agreements for advanced placement for high school students or with baccalaureate institutions. Students should see their academic advisors or www.sctrac.org for details.

Electives must be chosen from courses on the associate degree level and are subject to the approval of the academic advisor.

**Normal Completion Time**
The semester displays for Degree, Diploma and Certificate programs are provided as a suggested enrollment for students who attend on a full-time basis, who have no developmental or prerequisite requirements and who begin the program in the semester indicated.

Students who do not enroll in or satisfactorily complete the designated courses or who begin in different semesters should expect to extend their normal completion time.

**Academic Fresh Start Policy**
The Academic Fresh Start Policy recognizes the new focus and purpose of the returning student and provides a way of reflecting a measurement of current academic achievement without previously earned grades lowering overall grade point average. Returning students may apply for Academic Fresh Start through the Counseling Center on the Conway Campus or with the Director of Campus and Student Services on the Grand Strand or Georgetown Campuses.

The Academic Fresh Start Policy recognizes the new focus and purpose of the returning student and provides a way of reflecting a measurement of current academic achievement without previously earned grades lowering overall grade point average. Returning students may apply for Academic Fresh Start through the Counseling Center on the Conway Campus or with the Director of Campus and Student Services on the Grand Strand or Georgetown Campuses. 

The participation of the returning student and provides a way of reflecting a measurement of current academic achievement without previously earned grades lowering overall grade point average. Returning students may apply for Academic Fresh Start through the Counseling Center on the Conway Campus or with the Director of Campus and Student Services on the Grand Strand or Georgetown Campuses.

Students are notified of their academic standing via e-mail to their WaveNet e-mail account only. Financial Aid Standards of Progress (SAP) have different requirements for satisfactory progress.

**Academic Standing**
Students are notified of their academic standing via e-mail to their WaveNet e-mail account only. Financial Aid Standards of Progress (SAP) have different requirements for satisfactory progress.

**Good Standing**
A student is in good standing with the College when he/she maintains a minimum 2.0 Grade Point Average (GPA). Some academic programs have more stringent requirements to remain in the program of study; students are advised of these requirements in program progression standards. It is the responsibility of the student to be aware of the requirements for his/her program of study. Financial aid programs have different Standards of Progress and a student may enroll, but receive no financial aid.

**Academic Warning**
A student pursuing an associate degree, diploma, or certificate is considered to be in serious academic difficulty when his/her semester GPA falls below 2.0 and will be placed on academic warning. A student who is on academic warning should meet with his/her academic advisor, seek tutoring services and consider reducing the number of classes attempted for the academic warning term.

**Academic Probation**
Any student who fails to earn a 2.0 GPA for two semesters in a row will be subject to a semester of academic probation. Students on academic probation are strongly encouraged to meet with a member of the counseling staff and his/her academic advisor to determine a course of action to improve the student’s academic performance. Possible courses of action include a reduction in course load, participation in tutorial services, developmental studies and/or withdrawal from extracurricular activities.

**Academic Suspension**
Students who fail to earn a 2.0 GPA while on Academic Probation are subject to academic suspension from the College for one semester. Students re-admitted after one semester of suspension must achieve a minimum 2.0 GPA in ALL classes attempted. Re-admission after a second term of academic suspension should also include participation in counseling through Student Services to confirm the student’s goals and program of study, and to encourage proper study patterns and participation in tutoring.

**Re-Admission after Suspension**
To be re-admitted to HGTC after academic suspension, the student must submit an application directly to the Registrar’s Office on the Conway Campus or the Office of Student Services on the Georgetown or Grand Strand Campus. Permission to re-enroll does NOT imply that the student is eligible for any form of financial assistance.

**Advanced Placement**
Advanced Placement Exams (AP)
HGTC accepts the Advanced Placement Examination program of the College Entrance Examination Board. A score of three or higher must be attained for credit to be granted. The course must be required in the student’s course of study. Contact the Registrar’s Office for determination of a specific course exemption.

**Auditing Courses**
A student who desires to attend classes regularly, but who does not wish to take final examinations or receive grades or credit, may register as an auditor with permission of the professor and appropriate department chair. A record will be kept of classes attended. Credit for such courses cannot be established at a later date. A student enrolled in a course for credit cannot change to audit, and once a student is enrolled in a course for audit, s/he cannot change to credit. The participation of auditing students in class discussions, tests or examinations is optional with the professor. Audit students are expected to attend class regularly and pay all tuition and fees. A student may register for the course for a subsequent term.
The College recognizes that college-level learning occurs in a variety of settings and will award credit for verifiable learning activities through experiential exemption credit. Applicants for experiential exemption credit must be at least 18 years old, must have experienced a break in formal education and demonstrate sufficient work or service experience and must have completed the HGTC admission process. Experiential credit is awarded only for documented learning which demonstrates achievement of all outcomes for specific courses in a program of study. Experiential credit is not awarded if the student has previously attempted the course for which credit is sought. It is the student's responsibility to provide transcripts and appropriate documentation. Students must first contact the appropriate Academic Chair for review of documentation and, if credit is recognized, submission of a completed Experiential Exemption Credit Form to the Registrar’s Office with appropriate documentation, including such items as appropriate from the learning activity:

- Official, sealed transcript from training entity;
- Certificates from professional organizations;
- Letters from employer with detailed information about the experience; and,
- Artifacts, such as projects, programs.

Academic Chairs and the Registrar’s Office will consult American Council on Education (ACE) National Guides for College Credit Recommendations which include military, professional and many other training organizations.

The Academic Chair may require additional information, including proficiency testing to confirm student knowledge of theoretical concepts to determine experiential credit award. If proficiency testing is required, the non-refundable testing fee is $40, payment in advance to Student Accounts. The Chair will complete the Experiential Exemption Credit Form and submit for processing. If no testing is required, there is no cost for Experiential Exemption Credit.

The Registrar’s Office will document the credit for the student’s records, notify appropriate offices of the award and maintain the documentation used to determine the award.

Experiential credit appears on the transcript with credits hours earned, but no grade is assigned for calculation in the GPA. Experiential exemption credit cannot exceed 25% of credits required for graduation.

**International Baccalaureate Credit (IB)**

HGTC awards International Baccalaureate credit to students for courses in which a grade of four (4) or higher has been made on the appropriate International Baccalaureate Organization (IBO) examination while in high school. All courses may not apply toward a degree. A listing of courses which may be exempted, as well as the complete IBO credit policy and procedure, is available from the Registrar’s Office or the Office of Academic Affairs.

**Proficiency Examination Credit**

Registered students may challenge a limited number of courses with the approval of the appropriate Department Chair and Academic Associate Vice President/Dean and by paying appropriate fee(s). Students cannot receive credit by examination for a course that is equivalent to or at a lower level than that in which they are currently enrolled or for which they have previously enrolled. Students may not challenge any course that has been previously audited or failed. All prerequisites must be completed before taking a proficiency examination. Any student interested in Credit by Proficiency Examination may obtain an application at the Registrar’s Office on the Conway Campus, the Director of Campus and Support Services at the Grand Strand Campus or the Office of the Coordinator of Student Affairs on the Georgetown Campus.

**Application for Proficiency Exam Credit**

- Students must obtain an application for proficiency examination from the Registrar’s Office;
- A fee is required. Students must show proof of payment to the department chair/designee administering the examination before the examination is scheduled;
- Students should schedule proficiency examinations with appropriate department chair/designee or the testing center. As most exams are scheduled for the third day of add/drop week, applicants are encouraged to schedule exams during the registration process; and
- A numerical grade of 75 or higher is passing the exam and earns proficiency credit.

The following courses are approved for credit by proficiency exam:

<table>

**Technical Advanced Placement (T.A.P.)**

Students who have successfully completed certain career and technology programs in high schools in Horry and Georgetown counties are eligible for technical advanced placement through exemption of certain courses. High school counselors and teachers provide information and documentation to students regarding eligibility.

**Attendance Policies and Procedures**

Students are responsible for all course work and class assignments; so, they are expected to regularly and promptly attend all meetings of classes in which they are enrolled. Students should limit absences
to those that are unavoidable and, with professor’s consent, should make up all missed work, if permitted.

Per SC Technical College Policy, HGTC maintains a general attendance policy requiring students to be present for a minimum of 80% of classes to be eligible to receive credit for any course. However, a more rigid attendance policy may be required by the program of study. At a minimum, a student may be withdrawn from a course after he/she has been absent in more than 10% of the total contact hours for a course. Professors define absentee limits for their classes at the beginning of each term. Students withdrawn from a course due to excessive absences will receive a grade of Withdraw ("W") up to the 2/3 point of the semester. Thereafter, a Withdraw ("W") or Withdraw Failure ("WF") will be assigned, depending upon his/her academic status at the time of last date attended. Students may be required to repay source of financial assistance for non-attendance, excessive absences or withdrawals.

Attendance records begin the first day of class for ALL students, regardless of registration date.

Online and hybrid classes also require attendance and each instructor defines the method for students to indicate class attendance by logging onto class, participating in chats and/or submitting documents. Each student is responsible for awareness of the attendance requirements for each class.

Commencement Ceremony
Commencement exercises are held each May. Students who complete academic requirements during the fall or spring terms are expected to participate. Students who will complete requirements by end of summer term may participate in commencement. The same requirements apply to these students. To participate, summer term candidates must have a minimum 2.00 program GPA at the time of the ceremony.

The honors are those recognized at the time of the ceremony and are printed in the commencement program and announced when the student receives his/her diploma are as follows:

Cum Laude–graduating with a program GPA of 3.50-3.74
Magna Cum Laude–graduating with a program GPA of 3.75-3.99
Summa Cum Laude–graduating with a program GPA of 4.00

Cooperative Education
For selected academic programs, current work experience may be applicable for college credit. College credit awarded for work experience may be defined under Cooperative Education as Cooperative Work Experience (CWE) or Supervised Cooperative Work Experience (SCWE). The cooperative type of work experience is a unique plan of education that integrates classroom study with planned and supervised work experience. It is called "cooperative education" because it depends upon cooperation between educational institutions and employers to form a total educational program. The College views cooperative work experience as an essential mechanism in the accomplishment of its responsibility to provide a broad range of occupationally oriented programs, addressing the specific needs of service area industries and businesses, and to prepare technicians for the job market. Each student should contact the appropriate academic advisor for information.

HGTC provides developmental studies to assist under prepared students in achieving the knowledge and skills necessary to perform satisfactorily in college. Developmental studies courses are conducted through a lab and lecture approach. Labs offer a nontraditional approach to learning. Credits for developmental studies classes do not apply to graduation requirements or transfer as college credit, but are required for students to meet prerequisites.

All students seeking admission to the college are required to submit scores from SAT, ACT or College placement test. Students are required to take developmental courses if they do not meet the scores required for course placement. The length of developmental studies program enrollment is limited to a maximum of 30 semester hours.

General Education Courses
(See www.sctrac.org for transfer information.)
Note: Transfer indicates course on Statewide Transfer List. Many courses, although not on Statewide Transfer List will transfer to Coastal Carolina University, Francis Marion University and other universities. Students are advised to contact the transfer institution for approval of transfer courses. Advisors will provide assistance.

Communications
English Composition and Speech: ENG 155, ENG 160
Transfer: ENG 101; ENG 102; SPC 205

Humanities/Fine Art
IDS 201, MUS 111, MUS 112, PHI 103, PHI 201, REL 103, SPA 107

Mathematics
MAT 101, MAT 102, MAT 155, MAT 168, MAT 170, MAT 175, MAT 176, MAT 250 and MAT 251 (Education transfers)
Transfer: MAT 110, MAT 111, MAT 120, MAT 122, MAT 130, MAT 141, MAT 240 MAT 242

Natural Sciences
BIO 105, BIO 112, CHEM 105, PHY 118
Transfer: AST 101, AST 102, BIO 101, BIO 102, BIO 210, BIO 211,
BIO 225, CHM 110, CHM 111, CHM 211, CHM 212, PHY 201, PHY 202, PHY 221, PHY 222

Social/Behavioral Sciences
PSY 103
Transfer: ANT 101, ECO 210, ECO 211, PSC 201, PSC 215, PSY 201, PSY 203, PSY 212, SOC 101, SOC 102, SOC 205, SOC 220

Note: FRE 101 and 102, GER 101 and 102 and SPA 101 and 102 are transfer foreign language courses and may fulfill requirements in Major or Other Courses for AA and Other Courses for AS and AAS programs of study.

General Education Program Learning Outcomes
The General Education Program helps the student strengthen academic skills, broaden intellectual horizons, develop and explore new academic interests, reflect on personal and professional values, develop an appreciation for multiculturalism and build a foundation of knowledge for future course work and life-long learning. All associate degrees require a minimum of 15 semester hour credits of general education which include at least one course from each of the following areas: Humanities/Fine Arts; Social/Behavioral Sciences; Natural Sciences/Mathematics.

This General Education core provides graduates with appropriate Reading, Writing, Oral Communication, Fundamental Mathematical skills and the basic use of computers. (SC Technical College System Program Models)

Through the general education core all associate degree graduates will demonstrate the following competencies upon completion of their program of study:

• Communicate effectively;
• Possess quantitative problem solving skills;
• Think critically;
• Display ethical and professional behavior in a multicultural environment;
• Exhibit proficient use of technology; and,
• Demonstrate effective information literacy

Grade Quality Point System

The College operates on a semester-hour credit system. Semester-hour credits represent the number of hours completed with a passing grade. Grade quality points are determined by the grade earned. Each grade is assigned on a “grade point equivalent” in grade points for each semester hour scheduled. All grades for attempted courses are shown on the student’s permanent record. Credit hours and quality points are computed in the student’s Grade Point Average (GPA).

The Grade Quality Point System is as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
<tr>
<td>I</td>
<td>Hours not earned until grade assigned (non-punitive)</td>
</tr>
</tbody>
</table>

Computing GPA Example:

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade</th>
<th>Point Equivalent</th>
<th>X Credit Hrs. Attm.*</th>
<th>GP Earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIO 101</td>

<td>2</td>
<td>3</td>
<td>6</td>
</tr>
<tr>
<td>MAT 110</td>
<td>B</td>
<td>3</td>
<td>3</td>
<td>9</td>
</tr>
<tr>
<td>ENG 231</td>
<td>I</td>
<td>0</td>
<td>3</td>
<td>0</td>
</tr>
<tr>
<td>Total</td>
<td></td>
<td>16</td>
<td>32</td>
<td></td>
</tr>
</tbody>
</table>

*Attempted means that the student is enrolled in the class after the Add/Drop period.

GPA is calculated by dividing the total grade points earned (32) by the total credit hours attempted (16), minus those hours with non-punitive grades (3): Example: 32 ÷ (16-3) = 32 ÷ 13 = 2.46 GPA.

The Grading Scale
HGTC has a standardized, recommended grading scale for academic courses. The grading scale requires that grades within the indicated range be defined as:
A: 90-100 B: 80-89 C: 70-79 D: 60-69 F: Below 60

A different grading scale may exist in some academic programs. The grading scale is provided for each class. Refer to the specific academic program section.

The following grades are used:
A - EXCELLENT: used in GPA calculations; carries a value of 4 quality points and earns credit hours.
B - ABOVE AVERAGE: used in GPA calculations; carries a value of 3 quality points and earns credit hours.
C - AVERAGE: used in GPA calculations; carries a value of 2 quality points and earns credit hours.
D - BELOW AVERAGE: used in GPA calculations; carries a value of 1 quality point and earns credit hours.
F - FAILURE: used in GPA calculations; carries a value of 0 quality points and earns 0 credit hours. (Hours attempted are used in GPA calculations.)
I - INCOMPLETE: does not affect GPA calculations; defaults to “F” automatically after one term if the incomplete work has not been completed and generates 0 quality points and 0 credit hours. (See special note below.)
WF - WITHDRAWN FAILURE: used in GPA calculations; carries a value of
value of 0 quality points and earns 0 credit hours. (Hours attempted are used in GPA calculations.)

W - WITHDRAW: not used in GPA calculations; carries a value of 0 quality points and earns 0 credit hours. May be utilized when extenuating circumstances warrant.

S - SATISFACTORY: not used in GPA calculations; carries a value of 0 quality points, but does cause credit hours and CEUs to be earned.

U - UNSATISFACTORY: not used in GPA calculations; carries a value of 0 quality points, earns 0 credit hours.

AU - AUDIT: not used in GPA calculations; carries a value of 0 quality points and earns 0 credit hours.

CF - CARRY FORWARD: not used in GPA calculations; earns no credit hours; generates no grade points.

E - EXEMPT: not used in GPA calculations; earns credit hours; generates no grade points. An “E” is awarded for HGTC courses which students have been permitted to exempt as a result of testing, articulation, equivalent work experience or other educational experience.

NC - NO CREDIT: not used in GPA calculations; earns no credit hours; generates no grade points.

SC - SATISFACTORY COMPLETION: not used in GPA calculations; earns credit hours, generates no grade points.

TR - TRANSFER: not used in GPA calculations; earns credit hours; generates no grade points. A “TR” is given for allowable equivalent credits earned at other accredited colleges, universities or technical colleges. All “TR” grades must be supported by an official transcript of record from an accredited postsecondary institution.

Note: Regarding a grade of “I” (Incomplete): A grade of Incomplete (“I”) is assigned when the student does not complete work or take the final exam due to illness or for other reasons over which the student has no control. This grade is given only with the approval of the professor involved. An incomplete must be completed by the end of the following term. Otherwise, the grade becomes an automatic failure (“F”).

**Graduation Requirements**

Students are eligible for graduation upon completion of the following:

- Satisfactory completion of the required number of hours and courses specified in their curriculum (students who are re-admitted to the same program after two or more calendar years of inactive enrollment will be required to utilize the current catalog to meet graduation requirements);
- Achievement of necessary program grade point average of 2.00;
- Payment of all fees and financial obligations due the College; and;
- Filing of an “Application for Degree, Diploma or Certificate” with the Registrar’s Office by the announced deadline.

In compliance with the Student Right to Know Act of 1990, information on student graduation, on completion and transfer rates can be viewed on the college website at www.hgtc.edu or request this information in Student Services.

**Honors**

The College recognizes outstanding academic achievement every term through the President’s List and the Dean’s List. Students are eligible for these honors using the following criteria:

**President’s List**

Term grade point average (GPA) of 3.75 or higher, with a minimum of 12 credit hours for full-time students or a minimum of 6.0 credit hours for part-time students.

**Dean’s List**

Term GPA of 3.50 to 3.74, with a minimum of 12 credit hours for full-time students or a minimum of 6.0 credit hours for part-time students.

Note: Students receiving an Incomplete (“I”) cannot be considered for these recognitions until a grade change has been processed through the Registrar’s Office.

**Program Emphasis**

Certain curriculum displays for program emphasis are for advisement purposes only. Most displays represent agreements with select two- and four-year institutions and programs or program preparation. Students completing the requirements in their display will receive an Associate in Arts, Associate in Science or Associate in Applied Science degree. Students should contact an academic advisor for additional information. Examples include:

Associate in Arts: Business Emphasis
Associate in Applied Science: Hospitality Management Emphasis

**Standards of Progress**

- Students must meet the College’s Academic Standards of Progress in order to continue enrollment. See Academic Standing.
- Students who receive financial aid must also meet the Federal and State guidelines for Satisfactory Academic Progress (SAP) to remain eligible for financial assistance.

Other non-federal financial aid programs have academic progress standards, which are defined in the information regarding each program. It is the student’s responsibility to be familiar with all standards of progress requirements.

**Transferring**

Students who plan to pursue a bachelor’s degree should elect to enroll in the transferable English, Mathematics, Humanities, Social Sciences and Behavioral Sciences courses to fulfill degree requirements. The optional, college-transferable English sequence is ENG 101 and SPC 205. The optional, college-transferable math sequence is MAT 110 or MAT 120 or higher. Students should refer to Associate in Arts/Science course displays to determine the college-transferable Humanities, Social Sciences, and Behavioral Sciences.

**Withdrawal**

The College maintains that it is the responsibility of the student to apply for honorable withdrawal. This protects the student’s records, his/her right to re-enroll and the right to transfer credits. The academic calendar shows each of the dates mentioned below.

Students needing to withdraw from a course or courses must do so on WaveNet, on the College website, if prior to the two-thirds point of the semester.

During the add/drop period for the term, the student will perform a Web Drop. If student withdraws during this period, class(es) do not appear on the transcript and no tuition is charged.

After the add/drop period and before two-thirds points for the term, the student may perform a withdrawal which results in a grade of “W.” This withdrawal may affect financial aid award.
After the two-thirds point, a student will receive a “W” if passing the course on the date last attended, or “WF” ("U") for Developmental Studies courses if failing the course on the last date attended. This withdrawal may affect financial aid Satisfactory Academic Progress. After the two-thirds point, the withdrawal grade of “W” (passing) or “WF” ("U") (not passing) will be assigned by the course instructor. Students should contact the course instructor to initiate withdrawal after the two-thirds point. Students should discuss their withdrawal plans and the grade with the instructor(s) prior to withdrawal.

Because changes in course loads impact financial aid, veteran’s benefits and other enrollment-related financial situations, it is important that students who anticipate withdrawing from a course or courses investigate the impact of this withdrawal with the appropriate College office. Students who do not attend or who withdraw from classes may be required to repay funds allocated for financial assistance for tuition, books, etc.

In addition, courses in some academic programs are sequenced and scheduled only at specific times during the year. Withdrawal from these courses often lengthens the time required for students to complete an academic program of study. Students are strongly encouraged to discuss the impact of withdrawal on normal program completion with their academic advisor.

**TRANSFER - STATE POLICIES AND PROCEDURES**

On May 2, 1996, the South Carolina Commission on Higher Education approved unanimously the statewide agreement on transfer and articulation for all public colleges and universities to facilitate the process and to assure recognition of maximum credits earned. This policy was revised in December, 2009.

The SC Course Articulation and Transfer Center (SCTRAC) serves as the primary tool and source of information for transfer of academic credit between and among institutions of higher education in the state. The student access to this system is the SC Transfer and Articulation Center SCTRAC web portal: www.sctrac.org. Institutions have the software tools needed to update and maintain course articulation and transfer information easily.

This web portal meets the needs of students in SC public colleges and universities and is designed to help students make better choices and avoid taking courses which will not count toward their degree. Each institution’s student information system interfaces with www.sctrac.org to help students and institutions by saving time and effort while ensuring accuracy and timeliness of information.

**Admissions Criteria, Course Grades, GPA’s, Validation**

All four-year public institutions will issue a transfer guide annually in August or maintain such a guide online. Information published in transfer guides will cover at least the following items:

- The institution’s definition of a transfer student;
- Requirements for admission both to the institution and, if more selective, requirements for admission to particular programs;
- Institutional and, if more selective, programmatic maximums of course credits allowable in transfer;
- Information about course equivalencies and transfer agreements;
- Limitations placed by the institution or its programs for acceptance of standardized examinations (SAT or ACT) taken more than a given time ago, for academic coursework taken elsewhere, for coursework repeated due to failure, for course work taken at another institution while the student is academically suspended at his/her home institution, and so forth;
- Information about institutional procedures used to calculate student applicants’ GPAs for transfer, admission. Such procedures will describe how nonstandard grades (withdrawal, withdrawal failing, repeated course, etc.) are evaluated; also, describe whether all coursework take prior to transfer or only coursework deemed appropriate to the student’s intended four-year program of study is calculated for purposes of admission to the institution and/or programmatic major;
- Institutional policies related to “academic bankruptcy” (i.e., removing an entire transcript or parts thereof from a failed or underachieving record after a period of years had passed) so that re-entry into the four-year institution with course credit earned in the interim elsewhere is done without regard to the student’s earlier record; and,
- “Residency requirements” for the minimum number of hours required to be earned at the institution for the degree.

**S.C. Transfer and Articulation Center (SCTRAC)**

All two-year and four-year public institutions will publish information related to course articulation and transfer, including but not limited to items a through d above, on the SC Transfer and Articulation Center website (www.sctrac.org). Course equivalency information listing all courses accepted from each institution in the state (including the 86 courses in the Statewide Articulation Agreement) and their respective course equivalencies (including courses in the “free elective” category) will be made available on www.sctrac.org. This course equivalency information will be updated as equivalencies are added or changed and will be reviewed annually for accuracy.

Additionally, articulation agreements between public SC institutions of higher education will be made available on www.sctrac.org, will be updated as articulation agreements are added or changed, and will be reviewed annually for accuracy. All other transfer information published on www.sctrac.org will be reviewed at least annually and updated as needed.

**Statewide Articulation of 86 Courses for Transfer**

The statewide agreement of 86 courses approved by the SC Commission on Higher Education for transfer from two-to-four year public institutions is applicable to all public institutions, including two-year institutions and institutions within the same system. Students should be aware that courses on this list are evaluated by the receiving institution for awarding credit. In instances
where an institution does not have a course synonymous to one on this list, it will identify comparable courses or course categories for acceptance of general education courses on the statewide list. This list of courses is available online at www.sctrac.org as well as at www.che.sc.gov.

Assurance of Transferability of Coursework Covered by the Transfer Policy

Courses (i.e., individual courses, transfer blocks, and statewide agreements) covered within this transfer policy will be transferable if the student has completed the coursework with a “C” grade (2.0 on a 4.0 scale) or above. However, the transfer of grades does not relieve the student of the obligation to meet any GPA requirements or other admissions requirements of the institution or program to which application has been made. In addition, any four-year institution which has institutional or programmatic admissions requirements for transfer students with cumulative grade point averages (GPAs) higher 2.0 on a 4.0 scale will apply such entrance requirements equally to transfer students of regionally accredited SC public institutions regardless of whether students are transferring from a four-year or two-year institution.

Any coursework covered within this transfer policy will be transferable to any public institution without any additional fee and without any further encumbrance such as a “validation examination”, “placement examination/instrument”, “verification instrument”, or any other stricture, notwithstanding any institutional or system policy, procedure, or regulation to the contrary.

Assurance of Quality

All claims from any public two or four-year institution challenging the effective preparation of any other public institution’s coursework for transfer purposes will be evaluated by the staff of the Commission on Higher Education in consultation with the Advisory Committee on Academic Programs. After these claims are evaluated, appropriate measures will be taken to ensure that the quality of the coursework has been reviewed and approved on a timely basis by sending and receiving institutions alike.

Transfer Officers

Each institution will provide the contact information for the institution’s Transfer Office personnel, include telephone numbers, office address, and e-mail address on its website and on www.sctrac.org. Transfer office personnel will do the following:

• Provide information and other appropriate support for students considering transfer and recent transfers;
• Serve as a clearinghouse for information on issues of transfer;
• Provide definitive institutional rulings on transfer questions for the institution’s students under these procedures; and,
• Work closely with feeder institutions to assure ease in transfer for their students.

Statewide Publication and Distribution of Information on Transfer

The staff of the Commission on Higher Education will place this document on the Commission’s website under the title “Transfer Policies.” In addition, information about transfer, including institutional policies, course equivalencies, and articulation agreements, will be published and distributed by all public institutions through transfer guides and be made available on www.sctrac.org. Further more, course catalogs for each public two- and four-year institution will include a section entitled “Transfer: State Policies and Procedures.” This section will:

Statewide Articulation Agreement:
The Statewide Articulation Agreement of 86 courses approved by the Commission on Higher Education for transfer from two- to four-year public institutions is applicable to all public institutions, including two-year institutions and institutions within the same system. In instances where an institution does not have synonymous courses to ones on this list, it will identify comparable courses or course categories for acceptance of General Education courses on the statewide list at www.sctrac.org.

Students should be aware that courses on this list are evaluated by the receiving institution for awarding credit. Credit may be awarded for an equivalent course or for elective credit, based on program of study. Visit www.sctrac.org for Course Equivalencies at each institution. If there are questions about credit award, the student should contact the receiving institution.

Statewide Transfer Blocks
The Statewide Transfer Blocks established in 1996 will be accepted in their totality toward meeting baccalaureate degree requirements at all four-year public institutions in relevant four-year degree programs. Transfer Blocks were updated in March 2009 for Arts, Humanities and Social Sciences; Business; Engineering, and Science and Mathematics, Teacher Education and Nursing. The courses listed in each Transfer Block will be reviewed periodically by the Commissions’ Academic Affairs staff in consultation with the Advisory Committee on Academic Programs to ensure their accuracy and the Transfer Blocks will be updated as needed, displayed on www.sctrac.org.

Any student who has completed either an Associate of Arts or Associate of Science degree program at any public two-year SC institution which contains the total coursework found in the Arts, Humanities, and Social Sciences or the Science and Mathematics Transfer Block will automatically be entitled to junior level status or its equivalent at whatever public senior institution to which the student might have been admitted. However, as agreed by the Commissions’ Academic Programs, junior status applies only to campus activities, such as priority order for registration for courses, residence hall assignments, parking, athletic event tickets, etc. and not in calculating academic degree credits. For a complete listing of all courses in each Transfer Block, see www.sctrac.org.

### Baccalaureate Nursing Majors Transfer Block

For the Nursing Transfer Block, by statewide agreement, at least 60 semester hours will be accepted by any public four-year institution toward the baccalaureate completion program (BSN) from graduates of any South Carolina Public Associate Degree Program in Nursing (ADN), provided that the program is accredited by the Accrediting Commission for Education in Nursing (ACEN) or the Commission on Collegiate Nursing Education and that the graduate has successfully passed the National Licensure Examination (NCLEX) and is a currently licensed Registered Nurse.

### Baccalaureate Teacher Education Majors Transfer Block

SC Commission on Higher Education Booklet provides information on all Education programs. Go to www.sctrac.org for booklet and current information. HGTC has agreements with Coastal Carolina and Francis Marion Universities to benefit students interested in transfer for Teacher Education.

### Transferring to HGTC

Students who are interested in transferring to HGTC should submit the HGTC Application for Admission and fee, indicating transfer. These students should also request that all transcripts (high school and college) be sent to the HGTC Admissions Office. HGTC invites all students who are considering HGTC to visit the Admissions Office where campus tours, faculty introductions or visits are arranged. See Admissions-Transfer Students.

### Transferring from HGTC

The associate in arts/sciences degree curriculum is designed to allow maximum transfer of credits. Go to www.sctrac.org for specific transfer information for SC public institutions, since transfer requirements for senior colleges and universities vary. Each student is responsible for planning a program of study to meet the requirements of the senior college or university to which the student plans to transfer. A student planning to transfer the first two years from HGTC to a senior college or university should visit www.sctrac.org for a copy of that institution’s catalog and contact information for admissions, course equivalencies and related transfer information or visit that college’s website for technical college transfer information.

Courses required in associate in applied sciences degrees offered at HGTC may be accepted as transfer credit at four-year colleges and universities. Students should visit www.sctrac.org, see an academic advisor for further information, or check the website of the college or university of interest for further clarification and/or verification.
HORRY GEORGETOWN TECHNICAL COLLEGE CATALOG & STUDENT HANDBOOK 2015 - 2016

HGTC provides a variety of transfer opportunities through articulation agreements and letters of understanding with colleges and universities across the southeastern United States. For more specific information, the student should:

Visit www.sctrac.org; or contact the appropriate faculty advisor on all three campuses.

HGTC maintains a number of articulation agreements with in-state and out-of-state senior colleges and universities guaranteeing transfer credit to students who meet the criteria outlined in the agreements. In many cases, these agreements allow students to transfer to senior institutions at junior status. For specific information, students should contact the HGTC Admissions Office. It is the responsibility of students to plan a program of study to meet the specific requirements of the four-year college/university they plan to attend. A student’s planning should include www.sctrac.org or contacting the program director at the four-year college/university to review the institution’s academic requirements. Current information on course equivalencies, transfer procedures and more is available at www.sctrac.org.

Transfer Agreements
HGTC has developed agreements with the following senior institutions to facilitate student transfer for bachelor degree programs. Students may also transfer to other senior or associate degree granting institutions where credits are evaluated and credit awarded for equivalent courses or for electives, based on the student’s major and institutional policies.

Many agreements identify general education requirements through Arts & Sciences majors. Others are program specific for graduates of Associate in Applied Science programs, including but not limited to Business, Criminal Justice Technology, Civil Engineering Technology, Computer Technology, Construction Management Technology, Digital Arts, Early Care and Education, Forestry and Wildlife Management Technology, Human Services, and Nursing.

Students should contact a program advisor or visit www.sctrac.org for more information.

Senior Institutions:
HGTC Associate Degrees Transfer to:

**Associate in Arts** - Allen University, Charleston Southern University, Coastal Carolina University, Coker College, Columbia College, Kaplan University (online), Limestone College, North Greenville University, Southern Wesleyan University, University of South Carolina (USC), USCPalmetto College (online), Webster University, University of Phoenix (online)

**Associate in Science** - Allen University, Clemson University, Coastal Carolina University, Coker College, Columbia College, Kaplan University, Limestone College, MUSC, North Carolina A & T State University, North Greenville University, Southern Wesleyan University, USC, USCPalmetto College (online), Webster University, University of Phoenix (online)

**Associate in Applied Sciences** -

**Business** - The Citadel, USC - Palmetto College (online), University of Phoenix (online)

**Computer Technology** - Western Kentucky University (online), Coastal Carolina University, University of Phoenix, Limestone College

**Construction Management Technology** -

Clemson University, The Citadel

**Criminal Justice Technology** - The Citadel, Coastal Carolina University, Norwich University (online), USC - Palmetto College (online), University of Phoenix

**Digital Arts** - Charleston Southern University, Coastal Carolina University

**Early Care & Education** - Coastal Carolina University, Columbia College, Francis Marion University, SC State University, USC - Palmetto College (online)

**Fire Science** - Coastal Carolina University

**Forestry Management Technology** - Abraham Baldwin Agricultural College, Clemson University, Glenville State College, Mississippi State University

**Golf & Sports Turf Management** - Eastern Kentucky University

**Human Services** - Coastal Carolina University, USC - Beaufort, Springfield College, Upper Iowa University, USC - Palmetto College (online), Limestone College

**Nursing** - Coastal Carolina University, North Carolina A & T State University, University of Phoenix (online), USC - Palmetto College (online)

**Public Service Administration - Business** - University of Memphis (online)

**Bridge Agreements** - Allow student to self-identify at HGTC and senior institution for admission and advising: Columbia College, Lander University, University of South Carolina, North Greenville University

NOTE: SC Public Colleges & Universities: The Citadel, Clemson University, Coastal Carolina University, Francis Marion University, MUSC, SC State University, USC, USC - Beaufort, USC - Palmetto College (online)

SC Private Colleges & Universities: Allen, Charleston Southern, Coker College, Columbia College, Kaplan University, Limestone College, North Greenville University, Southern Wesleyan, Webster University, Old Dominion University, University of Phoenix (online), Springfield College, Upper Iowa University, Western Kentucky University (online)

Out of State Colleges and Universities: Abraham Baldwin Agricultural, Eastern Kentucky University, Glenville State College, Kaplan University (online), University of Memphis (online), Mississippi State University, Norwich University (online), Old Dominion University, University of Phoenix (online), Springfield College, Upper Iowa University, Western Kentucky University (online)

**Partnerships:**
Columbia College - Students may transfer HGTC courses to Columbia College and enroll in Baccalaureate courses on the HGTC Grand Strand campus. Visit the Columbia College office in building 200GS on the Grand Strand Campus. Apply free online at colum-
Coastal Carolina University offers HGTC graduates several beneficial options for transfer. Those interested should contact CCU Transfer Counselors.

**Reverse Transfer**

HGTC offers Reverse Transfer to assure that students who have earned a minimum of 25% of their coursework at HGTC may receive their associate degrees or diplomas or certificates. Interested students should complete the following two steps:

1) Request their transcript from the most recent institution be sent to HGTC Office of the Registrar, when sufficient credits have been earned to complete HGTC degree requirements and;

2) Complete and submit the HGTC Graduation Application. The Registrar’s Office will review and determine eligibility for graduation. Inquiries should be addressed to registrar@hgtc.edu.

To access a clickable directory of HGTC associate degree, diploma and certificate program requirements, students should visit Academic Programs and Departments at www.hgtc.edu/academics.
Overview
HGTC offers more than 90 programs of study in a wide variety of career areas, including many courses, classes and programs for transfer to senior institutions. Length of programs varies from several months to several years, depending upon the student’s ability to adhere to the recommended sequence of courses, academic success in required courses and whether the student attends on a full- or part-time basis.

Degree: Associate in Applied Science
Major: ACCOUNTING (ACC3)
Credit Requirements: 69 semester credit hours
This program is designed to prepare students for a career in public and private sectors in the field of accounting. A graduate of this program will be qualified for most entry-level accounting positions, such as payroll clerk, accounts payable and accounts receivable clerks, tax preparers and junior accountants.

TOTAL CREDIT HOURS: 69
**Humanities:** Choose one from: ART 101, HIS 101, HIS 102, HIS 201, HIS 202, MUS 105, PHI 101, PHI 103, PHI 110, ENG 201, ENG 202, ENG 205, ENG 206, ENG 208, or ENG 209 may be chosen, but only if ENG 101 and ENG 102 have been completed.

**Mathematics:** Students who did not meet the COMPASS scores for placement in MAT 101 should complete MAT 032 or MAT 155 during the first semester.

**ACC electives:** Select from the following: ACC 150, ACC 240, AOT 261, BAF 260 or BUS 270.

---

**Degree:** Associate in Applied Science  
**Major:** ADMINISTRATIVE OFFICE TECHNOLOGY (ADT3)  
**Emphasis:** Accounting, Legal or Medical  
**Credit Requirements:** 60 - 66 semester credit hours

This program prepares students for positions as administrative office professionals and office managers. Upon completion, students will have the customer service, communication, Internet, software, and office management skills to be an efficient and effective member of an office team. Graduates find employment opportunities in the following fields: public relations, banks, education, legal and medical offices, retailers, construction companies, government agencies, investment firms, and real estate companies. Students must have a “C” or better in all AOT and HIM classes and prerequisites to graduate. Students may select Administrative Office Technology (60 credits) or Accounting, Legal or Medical Emphasis (66 credits) with advisor approval.

TOTAL CREDIT HOURS 34

**Major: ASSOCIATE IN ARTS (AAA4)**

Credit Requirements: 63 semester credit hours

The Associate in Arts degree is designed for the student planning to transfer to a senior college/university program or for the student who wishes to broaden his or her general knowledge. The degree stresses communications, social sciences and humanities. Graduates of the Associate in Arts programs are prepared to transfer to a senior college or university and major in such areas as business administration, education, and liberal arts areas. Students who are undecided about their ultimate educational or career goals will find transfer courses that will apply toward their future major or career choice.

Transfer requirements for senior colleges/universities vary widely; visit www.sctrac.org for specific information. The transfer courses in this display should be regarded only as suggested courses. Each student is responsible for planning a program of study to meet the requirements of the senior college or university to which the student expects to transfer. Therefore, a student planning to transfer the first two years from HGTC to a senior college or university should visit www.sctrac.org or obtain a copy of that institution’s catalog.

Transfer students accepted to Coastal Carolina University (CCU) with an earned Associate of Arts or Associate of Science degree are eligible for waiver of core curriculum requirements. Transfer credits earned by the student may be applied to foundation, minor, cognate or major requirements or will be counted as electives. Course prerequisites and minimum credits earned requirements for the awarding of degrees still apply.

Students who plan to transfer to Coastal Carolina University or Francis Marion University (FMU) to pursue a baccalaureate degree in education should follow the Transfer Advisement Guides (Graduation Requirements) for Early Childhood, Elementary, Middle or Special Education Major. In order to maximize transfer credit, it is important to contact the CCU Transfer Coordinator or the FMU Admissions Office for transfer students.

CPT 170 Microcomputer Applications*
AND
FOUR to FIVE courses to be selected from the following:
ACC 101, ACC 102, ANT 101, ART 101, ART 108, AST 101, AST 102, BIO 101, BIO 102, BIO 105, BIO 210, BIO 211, CHM 110, CHM 111, COL 105*, CPT 101*, CPT 170*, ECO 210, ECO 211, EDU 110, EDU 201, EDU 241, ENG 201, ENG 202, ENG 205, ENG 206, ENG 208, ENG 209, ENG 214, ENG 224, FRE 101, FRE 102, FRE 201, FRE 202, GER 101, GER 102, GER 201, GER 202, HIS 101, HIS 102, HIS 201, HIS 202, HIS 214, MAT 111, MAT 120, MAT 122, MAT 130, MAT 140, MAT 141, MAT 250, MAT 251, MUS 105, MUS 111, MUS 112, PHI 101, PHI 110, PHI 201, PHY 201, PHY 202, PHY 221, PHY 222, PSC 201, PSC 215, PSY 201, PSY 203, PSY 212, REL 103, SOC 101, SOC 102, SOC 205, SOC 220, SPA 101, SPA 102, SPA 201, SPA 202, THE 101

NOTE: Recommended for Education transfers: EDU 110, EDU 241, MAT 250, MAT 251. Early Childhood Education majors should follow HGTC Early Care and Education transfer emphasis.

IMPORTANT: Courses used to complete one requirement cannot be the same courses used to satisfy other requirements. The major concentration courses must be approved by an Associate in Arts/Associate in Science advisor. Students must demonstrate satisfactory completion of all prerequisites for the courses selected.

*Transferability of CPT 101, CPT 170, and COL 105 is at the discretion of the receiving university or college.

Degree: Associate in Arts
Major: ASSOCIATE IN ARTS (AAA4)
Emphasis: Business Transfer
Credit Requirements: 64 semester credit hours

This program is designed to prepare the student planning to transfer to a senior college/university in a bachelor’s degree program in Business. Graduates of this program are well prepared to transfer and major in the area of business. Students should confer with the institution they plan to attend and their academic advisor for appropriate selection of courses.

While these courses are included in the Statewide Transfer Block, transfer requirements for senior colleges/universities vary. The transfer courses in this model should be regarded as suggested courses, to be selected with academic advisor to plan a specific program of study for a senior college/university. The student should consult the transfer institution to determine requirements.

GENERAL EDUCATION

Business 6 Semester hours
BUS 101
BUS 240

Other Courses: 6 Semester hours
Select from the following courses, based on specific transfer plans. Senior institutions have varying requirements. For example, some require one (4 credits) lab science; others require 2 (8 credits) lab sciences. Those requiring two may specify both in the same area or one each in different areas of science. Student should contact the Business Transfer Advisor for information.

BIO 101, BIO 102, BIO 105, BUS 121, CHM 110, CHM 111, FRE 101, FRE 102, GER 101, GER 102, MAT 130, MGT 101, MKT 101, PHY 201, PHY 202, SPA 101, SPA 102

*Prerequisite: MAT 110 with grade of “C” or better or appropriate placement scores.

IMPORTANT: Students must satisfactorily complete all prerequisites for courses selected. Courses used to complete one requirement cannot be used to satisfy other requirements.

Degree: Associate in Arts
Major: ASSOCIATE IN ARTS (AAA4)
Emphasis: Education Transfer
Credit Requirements: 64 semester credit hours

Students who are interested in transferring to a Teacher Education program at Coastal Carolina University or other senior institution should contact their Academic Advisor for assistance in course selection. It is also important that the student contact the Transfer Admissions Office of the selected institution early in order to determine appropriate courses for transfer Early Childhood Education, Elementary Education, Middle Level Education, Physical Education, Secondary Education or Special Education. HGTC offers EDU 102 Professional Preparation for Education Careers, EDU 110 Careers in Education EDU 201, Classroom Inquiries with Technology, EDU 241 Learners and Diversity, EDU 242 Adolescent Growth and Development. HGTC also offers MAT 250 Elementary Mathematics and MAT 251 Elementary Mathematics II for students planning to transfer to Teacher Education programs.

Admission to the Professional School of Education at senior institutions requires passing scores on the PRAXIS I; HGTC offers PRAXIS preparation opportunities in EDU 102. Visit www.sctrac.org to view transfer programs for education majors at Coastal Carolina University and other senior institutions.

Degree: Associate in Science  
Major: ASSOCIATE IN SCIENCE (AAS5)  
Credit Requirements: 64 semester credit hours

The Associate in Science degree is designed for the student planning to transfer to a senior college or university or for the student who wishes to broaden his or her general knowledge. The degree stresses mathematics, natural and physical sciences. Graduates of the Associate in Science programs are prepared to transfer to a senior college or university and major in such areas as biology, chemistry, engineering, or pre-medicine. Students who are undecided about their ultimate educational or career goals will find transfer courses that apply toward future major or career choices.

Transfer requirements for senior colleges or universities vary. The transfer courses in this model should be regarded only as suggested courses. Each student is responsible for planning a program of study to meet the requirements of the senior institution to which the student expects to transfer. Therefore, a student planning to transfer the first two years from HGTC to a senior college or university should obtain a copy of that institution’s catalog.

Transfer students accepted to Coastal Carolina University with an earned Associate of Arts or Associate of Science degree will have all core curriculum requirements waived. Transfer credits earned by the student may be applied to foundation, minor, cognate or major requirements or will be counted as electives. Course prerequisites and minimum credits earned requirements for the awarding of degrees still apply.

Students who plan to transfer to Coastal Carolina University (CCU) or Francis Marion University to pursue a baccalaureate degree in Education should follow the Transfer Advisement Guide for Early Childhood, Elementary and Special Education Majors. In order to maximize transfer credit, it is important to contact the CCU Transfer Coordinator, or the FMU Admissions Office for Transfer students.

Degree: Associate in Science

MAJOR: ASSOCIATE IN SCIENCE

Emphasis: Fire Science Transfer
Credit Requirements: 62 semester credit hours

Current firefighters who are interested in furthering their career in fire science may enroll in the Associate in Science - Fire Science Technology transfer program. Through an agreement with Coastal Carolina University (CCU), students can transfer to CCU’s Interdisciplinary Studies baccalaureate program or other university programs. Students who have earned the Associate in Science – Emphasis in Fire Science Technology degree may waive CCU’s General Education Core requirements. Students may also transfer to other senior institutions. The Fire Science Technology (FST) program is available to current firefighters who have completed fire-science training through Firefighter II level at the SC Fire Academy or other approved National Fire Academy program. Official transcripts from the granting institution must be submitted after the applicant has applied for admission to HGTC. Students who have not completed Fire Academy training are eligible to take only General Education courses until training has been completed and transcripts submitted.

Note: Fire Science Exemption Credit is given for approved National Fire Academy training based on recommendations made by the American Council on Education (ACE) and awarded per the SC Technical College System guidelines. National Fire Academy training can be obtained only by being employed or a volunteer with local fire departments or rescue agencies.

(continued)
A. General Education: 29 semester credit hours in University Transfer courses
   9 semester credit hours in Written and Oral Communications
   ENG 101  English Composition I
   ENG 102  English Composition II
   SPC 205  Public Speaking
   12 semester credit hours in Humanities/ Fine Arts; Social/Behavioral Sciences with at least
   3 semester credit hours in Humanities/Fine Arts
   And 3 semester credit hours in Social/Behavioral Sciences
   8 semester credit hours in Mathematics and/or Natural Sciences

B. Courses For Major: 15 semester credit hours in University Transfer courses
   15 semester credit hours in Mathematics and/or Natural Sciences selected by the student with advisor guidance

C. Other: 18 semester credit hours required for graduation
   Selected by the student with advisor guidance to allow the student to adapt the program to individual objectives.
   FST 106  Building Construction for Fire Protection  3
   FST 108  Fire Protection Systems    3
   FST 203  Fire Prevention            3
   FST 204  Principles of Emergency Services     3
   FST 208  Fire Behavior and Combustion         3
   *University Transfer Electives       3

*Courses selected from the list of University Transfer courses listed in the HGTC catalog or College website.

FST courses are taught by International Fire Safety Accreditation Council certified instructors.

For current information regarding transfer to Coastal Carolina University, students should contact Coastal Carolina University at
843-347-3161.

Degree: Associate in Science

Major: ASSOCIATE IN SCIENCE (AAS5)
Emphasis: Health Science
Credit Requirements: 60 semester credit hours

Students who are interested in a Health Science program may enroll in the AS-Health Science Emphasis in order to select appropriate
courses to meet prerequisite and General Education coursework for program admission. At the time of admission application, student
selects a concentration: Dental Hygiene, Diagnostic Medical Sonography, Nuclear Medicine, Nursing, Practical Nursing, Physical Therapist
Assistant, Radiology or Surgical Technology. Each program has unique admission requirements for eligibility for consideration of accep-
tance. Please note that selecting a concentration is for advising purposes only and does not imply automatic acceptance into that specific
limited enrollment program.

Acceptance requirements are identified for each Health Science program in this catalog. It is the student’s responsibility to work with his/
er advisor to meet selected admissions requirements for the program identified as a concentration and to fulfill the Associate in Science
degree requirements.

The following includes courses required for each program admission and general education. These courses also apply to the Associate in
Science-Health Science Emphasis requirements.

Dental Hygiene       14 credits with 2.75 GPA minimum
   BIO  210
   CHM 105 or CHM 110
   CPT  101
   ENG 101

Diagnostic Medical Sonography    35 credits with 2.5 GPA minimum
   AHS  102 or AHS 104
   AHS  110 or AHS 141, if no previous patient skills background
   BIO  210 and BIO 211
   CPT  101
   ENG 101
   MAT  110 or MAT 120
   PHY 118 or PHY 201 or PHY 202
   PSY  201
   SPC 205
   Humanities

(continued)
Nuclear Medicine 39 credits with 2.5 GPA minimum
AHS 102 or AHS 104
AHS 110 or AHS 141, if no previous patient skills background
BIO 210 and BIO 211
CHM 105 or CHM 110
CPT 101
ENG 101
MAT 110 or MAT 120
PHY 118 or PHY 201 or PHY 202
PSY 201
SPC 205
Humanities

Nursing 30 credits with 2.75 GPA minimum
BIO 210, BIO 211, BIO 225, ENG 101, ENG 102
Humanities
MAT 110 or MAT 120
PSY 201
SPC 205

Physical Therapist Assistant 16 credits with 2.5 GPA minimum
BIO 210
ENG 101
Humanities
MAT 110 or MAT 120
PSY 201

Practical Nursing 17 credits with 2.0 GPA minimum
BIO 210
BIO 211
ENG 101
MAT 155
PSY 201

Radiology 13 credits with 2.5 GPA minimum
BIO 210
CPT 101
ENG 101
MAT 110 or MAT 120

Surgical Technician 12 credits with 2.0 GPA minimum
BIO 210, BIO 211 and BIO 225

Students should complete the courses required for admission and general education requirements (above) and may enroll in the remaining courses required for the Associate in Science-Health Science Emphasis (below) in preparation for admission to the Health Science program concentration.

GENERAL EDUCATION COURSES

English Composition and Speech 9 Semester hours
ENG 101 English Composition I
ENG 102 English Composition II
SPC 205 Public Speaking

Mathematics/Natural Sciences 8 Semester hours
AST 101, AST 102, BIO 101, BIO 102, BIO 112, CHM 105, CHM 110, MAT 110 or MAT 120, MAT 130, MAT 140, PHY 118 or PHY 201 or PHY 202, PHY 221, PHY 222

Humanities/Fine Arts 6 Semester hours

(continued)
Social/Behavioral Sciences 6 Semester hours
PSY 201, ANT 101, ECO 210, ECO 211, PSC 201, PSC 215, PSY 201, PSY 203, PSY 212, SOC 101 or SOC 102

MAJOR CONCENTRATION
REQUIRED: 12 Semester hours
BIO 210 and BIO 211 and BIO 225

SELECT: 4 Semester hours
AST 101, AST 102, CHM 110, CHM 111, CHM 211, CHM 212, MAT 110, MAT 120, MAT 122, MAT 130, MAT 140, PHY 201, PHY 202, PHY 221, PHY 222

OTHER REQUIRED COURSES
Computer Technology 3 Semester hours
CPT 101 Introduction to Computers
OR
CPT 170 Microcomputer Applications

REQUIRED 3 Semester hours
PHI 103 Workplace Ethics
OR
PHI 110 Ethics

SELECT: 9 Semester hours
AHS 101, AHS 102, AHS 104, AHS 108**, AHS 110, AHS 126, AHS 137, AHS 141, AHS 143, AHS 147**, AOT 105, NUR 217, NUR 221, PHY 118*, PHY 201, PHY 202, PSY 203**, SPA 101, SPA 102, SPA 107, or other optional courses listed above. (AHS 106 - EMT and Phlebotomy only)

*PHY 118 Recommended for PTA
**AHS 108, AHS 147 and PSY 203 Recommended for Nursing

TOTAL CREDIT HOURS 60

Degree: Associate in Science
Major: ASSOCIATE IN SCIENCE (AAS5)
Emphasis: Turfgrass Science
Credit Requirements: 70 semester credit hours

The Associate Degree in Science with a Turfgrass emphasis is designed for the student seeking acceptance into Clemson University’s Bachelor Degree Program in Turfgrass Management. This degree emphasis will allow the graduating HGTC student eligibility for acceptance into Clemson’s Turfgrass Management Program with Junior status and completion of the bachelor’s degree with two additional years of study at Clemson University. This allows the motivated student to take advantage of a two plus two arrangement between HGTC and Clemson University.

FIRST SEMESTER (FALL)

Certificate: BAKING AND PASTRY ARTS (BPA7)
Credit Requirements: 27 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

This certificate program provides students foundation knowledge and skills in baking, pastry and management techniques for the food service industry. Through applied coursework and hands-on food preparation, students will build skills and abilities for the challenges of the food service industry. The curriculum is based on classical principles, emphasizing modern techniques and trends. Students are prepared for entry-level employment such as entry level pastry cook or bakers, entry prep or line cooks.

Students who complete this certificate are eligible for ServSafe® certification.

Admission to this program requires proof of high school graduation or GED and appropriate placement scores.

COURSE SEQUENCE AND PROGRESSION
Students should note that a minimum grade of “C” is required for all CUL, BKP and HOS courses for graduation. Grades below “C” in a CUL, BKP or HOS course will require the student to repeat the course at the next offering.

FIRST SEMESTER (FALL)
CUL 104 Introduction to Culinary Arts  3
CUL 105 Kitchen Fundamentals  3
CUL 109 Sanitation and Nutrition  3

Certificate: CERTIFIED CISCO NETWORKING ASSOCIATE (CCN6)
Credit Requirements: 12 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Certified CISCO Networking Associate (CCNA) certificate program is designed to meet the demands and opportunities of an information economy. This program prepares individuals to build and maintain local and wide area networks. Closely corresponding to the real world, the curriculum enables students to acquire hands-on experience with the building blocks of today’s global information networks. Students learn by doing as they design and bring to life local and wide area networks. Based on the CISCO Networking Academy training program, this program prepares students for the CISCO Certified Networking Associate exam. Students must maintain a “C” or better in this entire certificate to complete the certificate.

Students enrolled in this program are not eligible for Federal financial aid.

TOTAL CREDIT HOURS 12
Certificate: CHILD CARE MANAGEMENT (CCM6)
Credit Requirements: 18 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Early Care and Education program is nationally accredited through the National Association for the Education of Young Children (NAEYC).

The Child Care Management certificate prepares students for employment as managers/administrators in public or private programs that provide care for young children. This certificate is designed for students who are currently working in child care, or who are planning to seek a position in child care, and advance to a position of a director, and is intended for those students who have completed the Associate Degree in Early Care and Education. Topics include ethics, advocacy and leadership skills as well as operational skills to assure appropriate services for young children and their families.

The program also has the following requirements as prerequisites to labs and licensed child care centers (Not required for ECD 101):
- Criminal background check
- Certification in Pediatric CPR and First Aid prior to graduation

Child Care Management courses are major restricted; students must be accepted into the Child Care Management program with a major code of CCM6 to enroll in ECD courses required for the Child Care Management (CCM6) certificate.

Most Early Care and Education (ECD) courses are offered only once each year, so following the recommended course sequence is extremely important.

Students should note that a minimum grade of “C” is required for all ECD-prefixed courses to be eligible for graduation.

Degree: Associate in Applied Science
Major: CIVIL ENGINEERING TECHNOLOGY (CET3)
Credit Requirements: 74 semester credit hours

The Civil Engineering Technology Associate Degree program is accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology. Graduates of the CET program are prepared to seek careers in the planning, design and construction of roads, bridges, canals, dams, water and sewerage plants, and similar projects. Work to which civil engineering technicians might be assigned includes: Computer aided drafting of construction and industrial drawings, writing specifications, cost estimating, construction job inspection, surveying and map preparation. Civil Engineering Technology graduates also have the option to continue their education by transferring to a senior institution and pursuing a bachelor’s degree in Engineering Technology. For transfer option see Associate in Science, Civil Engineering Transfer.

Certificate: COMMERCIAL REFRIGERATION AND AIR CONDITIONING (CRA6)
Credit Requirements: 10 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Commercial Refrigeration and Air Conditioning Certificate is designed to train residential technicians to enter the ever growing commercial sector of the HVAC/R industry. The commercial sector of this industry is dealing with a shortage of qualified technicians. This program opens the door of opportunity for qualified technicians. The focus of this program will be to train students to service, repair and troubleshoot commercial refrigeration, which includes walk-in coolers and freezers, reach-ins, and ice machines. The coursework will also focus on commercial air conditioning systems 5 tons and higher, advanced energy efficient systems, and advanced control systems.

Students entering this certificate program must have completed ACR 210 with a minimum grade of C; have passed the ICE exam with a minimum score of 70, or have a NATE certification. Completion of this certificate will require students to take the applicable NATE certification exam.

Students enrolled in this program are not eligible for Federal financial aid.

Certificate: COMPUTER AIDED DESIGN (ARE7)
Credit Requirements: 25 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

This certificate provides the student the opportunity to apply drafting methods into building systems designs. Students will gain the ability to produce professional CAD documents, including the utilization of AutoCAD, Civil 3-D software. Upon completion of this program, students will be prepared to sit for industry-recognized certification exams in AutoCAD and REVIT software. These certificates are appropriate for those currently employed or seeking employment with architectural and engineering firms. Other employers include general construction companies, specialty subcontractors, and material suppliers.

Degree: Associate in Applied Science
Major: COMPUTER TECHNOLOGY (CPT3)
Emphasis: Networking
Credit Requirements: 75 semester credit hours

This curriculum prepares students for entry-level positions in several computer related professions. After completing a year in general computer courses, students select an emphasis in Programming or Networking. Students who select a Programming emphasis will be skilled in programming languages, providing them the potential to work as business application programmers, database managers and system analysts. The Networking emphasis provides students skills in network architecture, network design, and LAN services and support. Students must have a “C” or better in all CPT and IST classes to graduate.

TRANSFER OPPORTUNITIES
Students interested in the Transfer & University Parallel Programs SHOULD select the following courses: MAT 110 College Algebra for MAT 101 Beginning Algebra; PSY 201 General Psychology for PSY 103 Human Relations; ENG 101 English Composition I and SPC 205 Public Speaking for ENG 155 Communications I; ENG 102 English Composition II for ENG 160 Technical Communications; and PHI 110 Ethics for PHI 103 Workplace Ethics. HGTC has developed transfer agreements to benefit students interested in earning the bachelor’s degree in Computer Technology or Information Sciences. Students who plan to transfer to pursue a bachelor’s degree should follow the Transfer Advisement Guide and plan course selections with the Computer Technology faculty advisor. For students interested in continuing through an online program, HGTC has a transfer agreement with Western Kentucky University and Coastal Carolina University.

Degree: Associate in Applied Science
Major: CONSTRUCTION MANAGEMENT TECHNOLOGY (CMT3)
Credit Requirements: 71 semester credit hours

The Construction Management Technology program prepares students to become employed in the field of construction, capable of filling entry and mid-level supervisory positions within the industry. Also, the program allows persons already employed in the construction industry to enhance their skills and prepare for advancement. The program focuses on the knowledge and skills needed to supervise an ongoing construction project, staying under cost, maintaining high quality, and building to the specifications.

**SPA 201 may be substituted for SPA 107.

Degree: Associate in Applied Science  
Major: CONSTRUCTION MANAGEMENT TECHNOLOGY (CMT3)  
Emphasis: Clemson Transfer

Horry Georgetown Technical College and Clemson University have signed an agreement to assure the transfer of students who complete specific requirements for the Clemson Transfer Emphasis in Construction Management Technology. Students who successfully complete the HGTC requirements are eligible to transfer to Clemson’s Construction Science Management Program. The Clemson Transfer Emphasis is a modification of the Construction Management program, requiring six semesters of general and technical education for completion and for transfer to Clemson University.

For specific information, contact Admissions or the Construction Management Technology advisor.
Certificate: COSMETOLOGY (COS7)
Credit Requirements: 40 semester credit hours

The following requirements must be completed prior to entry into the program:

- Criminal Background Check Required: YES
- Urine Drug Screening Required: YES
- High School Diploma or GED: YES

The Cosmetology program will provide instruction to prepare graduates for the South Carolina State Board of Cosmetology examination to become licensed Cosmetologists and to secure entry-level positions in salons. Graduates will be able to perform under safe and sanitary conditions, all phases of cosmetology-related skills including hair shaping, hairstyling, hair coloring, chemical services, manicuring, and skin care. Students must clock in a total of 1500 hours to be eligible to take the State Licensing examination. Applicants will be admitted to this program on a first come, first qualified basis. Applicants are considered to be qualified when they meet all college and program requirements. This program has been approved by the S.C. Department of Labor, Licensure and Regulations for Board of Cosmetology.

PROGRAM REQUIREMENTS
- Admitted to HGTC to include submission of application fee; official high school transcript/diploma, or copy of GED.
- Minimum placement test scores from one of the following tests: SAT, ACT or COMPASS (College Placement test).
- Upon admission to program students will be responsible for purchasing supply kit(s), textbooks and new uniforms. New Uniforms are required for the first day of class.
- Program Orientation is required; specific information regarding program requirements and costs is provided at Orientation. This meeting date will be posted on the student’s WaveNet account.

PROGRESSION REQUIREMENTS
A grad of “C” or better in each of the required COS courses.

TOTAL CREDIT HOURS 40

Degree: Associate in Applied Science
Major: CRIMINAL JUSTICE TECHNOLOGY (CRJ3)
Credit Requirements: 70 semester credit hours

This program offers a well rounded study of the criminal justice system, focusing on the legal issues and fundamental concepts and principles associated with law enforcement, the courts, corrections, and juvenile justice. It is designed for students who want to either increase their employment potential, increase their advancement potential, or transfer into a senior college that accepts HGTC criminal justice courses. The program concludes with an intensive capstone course in which students develop education portfolios based on previous coursework and a 135-hour internship involving activities that require the application of concepts taught throughout the program. (continued)
A criminal background check must be satisfactorily completed before students can enroll in any criminal justice course. Criminal Justice (CRJ) courses are major restricted; students must be accepted to the Criminal Justice Program with a major code of CRJ3 to enroll in CRJ-prefixed courses. Criminal Justice Program will deny eligibility for enrolling in a CRJ-prefixed course if an applicant/student has an arrest and/or conviction for any offense involving violence, moral turpitude, drug violations, misdemeanors with a sentence of 1 year or more, a felony, or a pattern of offenses that exhibits an absence of trust, honesty, compliance with the law, and/or an appropriate standard of behavior that would prevent placement with a criminal justice internship site.

Students should note that minimum grade of “C” is required for all CRJ–prefixed course to be eligible for graduation. Most Criminal Justice (CRJ) courses are offered only once each year, so following the recommended course sequence is extremely important.

**TRANSFER OPPORTUNITIES**

Students successfully completing the two-year associate degree in Criminal Justice have transfer opportunities to Coastal Carolina University through the baccalaureate programs in Sociology, Psychology and Political Science, the Citadel through the evening baccalaureate program in Criminal Justice and criminal justice baccalaureate programs at the University of Phoenix, Norwich University and Limestone College. The specifics of these transfer opportunities are available through the universities involved and/or the Academic Chair of Public Service and Legal Studies at Horry Georgetown Technical College.

Degree: Associate in Applied Science  
**Major: CRIMINAL JUSTICE TECHNOLOGY (CRJ3)**  
**Emphasis: Crime Scene Investigation**  
**Credit Requirements: 69 semester credit hours**

This program offers an in-depth study in legal issues, fundamental principles and investigative techniques used in criminal investigations, crime scene process and case preparation. The program is designed for students who want to increase their employment or advancement potential in the fields of law enforcement and criminal investigations. Students learn basic principles of criminal investigations, crime scene process, case preparation and forensic science techniques, applications and equipment from both a theoretical perspective in the classroom and hands-on field training. Program concludes with an intensive capstone course in which students develop education portfolios based on previous coursework and a 135-hour internship involving activities that require the application of concepts taught throughout the program. Most Criminal Justice (CRJ) courses are offered only once each year, so following the recommended course sequence is extremely important.

A criminal background check must be satisfactorily completed before students can enroll in any criminal justice course. Criminal Justice (CRJ) courses are major restricted; students must be accepted to the Criminal Justice Program with a major code of CRJ3 to enroll in CRJ-prefix courses.

Students should note that minimum grade of “C” is required for all CRJ–prefix courses to be eligible for graduation.

**Degree: Associate in Applied Science**

**Major: CRIMINAL JUSTICE TECHNOLOGY (CRJ3)**

**Emphasis: Homeland Security**

**Credit Requirements: 69 semester credit hours**

The criminal justice program offers a well-rounded study of the justice system focusing on the legal issues and fundamental concepts and principles associated with law enforcement, the courts, corrections and juvenile justice. The Homeland Security emphasis is designed for students who are interested in specializing in fields of security, emergency management, intelligence and disaster preparedness. Courses in the Homeland Security emphasis introduce students to concepts and operations associated with the preparation for and response to any number of domestic threats from terrorism or severe weather events. The Homeland Security emphasis is based on a sequential four (4) course structure.

Program concludes with an intensive capstone course in which students develop education portfolios based on previous coursework and a 135-hour internship involving activities that require the application of concepts taught throughout the program. Most Criminal Justice (CRJ) courses are offered only once each year, so following the recommended course sequence is extremely important.

A criminal background check must be satisfactorily completed before students can enroll in any criminal justice course. Criminal Justice (CRJ) courses are major restricted; students must be accepted to the Criminal Justice Program with a major code of CRJ3 to enroll in CRJ-prefix courses.

**TOTAL CREDIT HOURS 69**

*Approved History Elective courses: HIS 101, HIS 102, HIS 201 or HIS 202.*
Degree: Associate in Applied Science  
**Major: CULINARY ARTS TECHNOLOGY (CAT3)**  
Credit Requirements: 69 semester credit hours

The Culinary Arts Technology program provides students with the opportunity to learn and develop skills through a variety of culinary courses designed to teach modern cooking founded on classical techniques, as well as, more contemporary ingredients, equipment, and techniques. Students will experience a variety of international cuisines and cook with ingredients and techniques from around the world. Emphasis and courses in kitchen management, purchasing, cost control, menu design, and dining room operation provides students with opportunities to develop business and hospitality skills. The program focuses on both production and the individual skills necessary to excel in the competitive culinary industry. Students will be well prepared for employment in restaurants, hotels, resorts, clubs, catering or foodservice institutional settings. This program is accredited by the American Culinary Federation Education Foundation Accrediting Commission.

Admission for this program requires proof of high school graduation or GED and appropriate placement scores.

### COURSE SEQUENCE AND PROGRESSION
Students should note that a minimum grade of “C” is required for all CUL, BKP and HOS courses for graduation. Grades below “C” in a CUL, BKP or HOS course will require the student to repeat the course at the next offering.

**TOTAL CREDIT HOURS** 70

*CUL 299 Special Topics in Culinary Studies and Humanities elective may be taken in either the third or fifth semester but both courses must be completed.*
**Degree:** Associate in Applied Science  
**Major:** DENTAL HYGIENE (DHG3)  
**Limited Access Program**  
**Credit Requirements:** 80 semester credit hours

Criminal Background Check Required: YES  
Urine Drug Screening Required: YES

The Dental Hygiene program prepares the student to provide direct patient care in the detection and prevention of oral diseases under the supervision of a dentist as required by law. The Dental Hygienist’s major role is as an educator and includes designing individualized dental hygiene patient treatment and education. The Dental Hygienist is qualified to evaluate patient medical histories, take and record blood pressure, chart conditions of periodontal disease and decay for diagnosis by the dentist, conduct oral cancer screening examinations, educate the patient on the latest techniques of oral home care and perform a thorough cleaning of the patients’ teeth. The Dental Hygienist is also qualified to apply sealants and fluoride for the prevention of decay, expose and develop radiographs, and provide nutritional counseling for dental patients.

Dental Hygiene program students receive their education in a modern, well-equipped on-campus dental clinic, under the direct supervision of licensed dentists and hygienists.

Students are eligible to take national and state board examinations. Upon successful completion of these examinations, the dental hygienist will be licensed and recognized as a Registered Dental Hygienist.

Career opportunities are readily available in a private dental practice, public health departments, hospitals, industrial clinics, health insurance companies, research, marketing and dental hygiene education. The flexibility of working hours, whether full or part-time employment, allows the dental hygienist to maintain a balance between career and other personal goals. Financial rewards are excellent and the work is challenging.

Note: Criminal background checks and drug testing are required of all students enrolling in this program. Felony or misdemeanor convictions could result in applicants and/or students being ineligible for licensure following completion of the program. Please contact the Admissions Office for more information.

**ACCEPTANCE REQUIREMENTS**

Applicants will be accepted into the Dental Hygiene program by completing a weighted admission form. Students with the highest scores will receive admission to the program. A “waiting list” of applicants will not be maintained for future admission. An applicant who receives notification that he/she was not admitted to the program must notify resubmit the Dental Hygiene Application by the program application deadline date to be considered for admission to the next available class. Weighted admission forms are available on the health Science web page.

The following requirements for a completed application MUST be submitted to the Admissions Office by the application deadline date:

- Meet the criteria for admission to HGTC. This includes submission of application fee; official high school transcript, including graduation date or copy of GED; and official college transcripts;
- Minimum placement test scores from one of the following tests: SAT, ACT, or COMPASS (College placement test). The Developmental Studies course sequence will be required if minimum placement test scores are not achieved. Transfer students must meet the College transfer student admission requirements;
- Completion of the four prerequisite courses with a grade of “C” or higher: BIO 210 Anatomy & Physiology I, CHM 105 General, Organic and Biochemistry, MAT 101 Beginning Algebra, and ENG 101 English Composition I. Some of these courses may have time limits, so please refer to the transfer credit limit section in the catalog;
- May not have more than two unsuccessful attempts in a Dental Hygiene curriculum General Education course;
- Cumulative GPA of 2.75 or higher in all required Dental Hygiene curriculum courses. A minimum grade of “C” is required in all DHG courses;
- Attend an information session with a Dental Hygiene faculty member and obtain a signed statement verifying attendance;
- Complete 15 hours of clinical observation: in a private dental office observing the dental hygienist. (Observation forms will be available at the information session);
- Pass a criminal background check and a drug screening test. This will be repeated annually;
- Review and acknowledge the Technical Standards of the Dental Sciences Department;
- Payment of a non-refundable tuition deposit; and,
- All applicants must be at least 18 years of age at the time of admission to the program.

(continued)
TECHNICAL ACCEPTANCE STANDARDS

The Dental Sciences Department—the Dental Hygiene and Expanded Duty Dental Assisting programs—requires specific technical standards. These standards refer to all non-academic admissions criteria essential for program participation. In order to be considered, admitted or retained in the program after admission, all applicants with or without accommodations must possess the following abilities:

PHYSICAL REQUIREMENTS

The student must have use of both hands and dexterity in the fingers to manipulate dental instruments, materials, dental hand pieces and to operate dental equipment. The use of the feet is necessary to manipulate foot pedals for hand pieces and other adjunct dental equipment. Body build must fit into dental operator’s stool in order to perform dental hygiene procedures. The ability to stand for duration of time is also necessary.

DATA CONCEPTION

The student must possess the ability to gather, classify and interpret information about data, people or things, be able to carry out appropriate actions in relation to the data received.

VISUAL COLOR DISCRIMINATION

The student must be able to differentiate various shades of colors in a limited environment and space in the oral cavity. Must be able to distinguish various gradations from black to white on dental radiographs.

MANUAL DEXTERITY/MOTOR COORDINATION

The student must be able to manipulate dental instruments to discern changes in surface textures, manipulate dental instruments without causing trauma to dental tissues, and to control pressure exerted by dental hand pieces on dental tissue to prevent injury to those tissues.

PHYSICAL COMMUNICATION

The student must be able to perceive sound through telephone, hear commands through operator’s face mask and discern blood pressure sounds through a stethoscope.

REASONING DEVELOPMENT

The student must be able to apply principles of logical or scientific thinking to define problems, collect data, establish facts, and draw valid conclusions.

VISUAL ACUITY

The student must be able to identify the working ends of various dental instruments at a 2 foot distance.

LANGUAGE DEVELOPMENT

The student must be able to read and comprehend complex information from scientific and/or technical journals, papers, textbooks, etc. Also, the student must be able communicate the same type of complex information through speech and in writing using proper format, punctuation, spelling, grammar and using all parts of speech, as well as communicating technical information to patients at a level so that the patient understands his/her dental condition. The student also must speak clearly with correct pronunciation of dental and medical terms.

NUMERICAL ABILITY

The student must be able to determine percentages, convert fractions, ratio, and proportions as well as basic subtraction, addition, multiplication, and division. Must have the ability to understand and interpret the implications and meanings of the numerical values.

FORM/SPATIAL ABILITY

The student must be able to view in 3-dimensional relationships, distinguish subtle changes from one form or shape to another, discriminate intricate measurements.

PERSONAL TEMPERAMENT

The student must be able to maintain a professional attitude and appearance, and be able to deal with stress produced by course load, clinical requirements and patient attitude. Also, students must adapt to change and function and focus in an environment with multiple extraneous stimuli.

COURSE SEQUENCE AND PROGRESSION

• Maintain a minimum grade of “C” in all Dental Hygiene curriculum courses. Failure of one Dental Hygiene course will result in the student being dropped from the curriculum with eligibility for readmission the next time the course is offered. Readmission will be on a space available basis and the student will also be required to meet all admission requirements for readmission. (Refer to Re-Acceptance section below);
• Maintain a cumulative GPA of 2.0 or higher;
• Submit evidence of and maintain current CPR Healthcare Provider certification throughout the Dental Hygiene curriculum;
• Submit a completed Health Sciences Division Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks by the announced deadline in the first semester; and,
• Must meet all course requirements, including attendance, according to the policies stated in the course syllabus (required to pass the course). Certain general education courses have credit time limits.

(continued)
For the Associate Degree in Dental Hygiene the following course time limits apply: DHG courses; Biology 210, 211 and 225; and CPT 101. See the transfer credit time limit section of the catalog.

RE-ACCEPTANCE
A student may not be re-accepted to the Dental Hygiene program more than once. Each candidate for re-acceptance to the Dental Hygiene program will be considered on the basis of space availability in both theory and clinical courses. Students who receive a W, D, or F in the curriculum course may request consideration for re-acceptance to the Dental Hygiene program. Re-acceptance is not automatic. The following policies and procedures for re-acceptance must be followed:

• Submit a written request to the Dental Hygiene Department Chair;
• Have a cumulative GPA of 2.75 or better to include all curriculum and general education courses within the major;
• Schedule and attend a conference with the Dental Hygiene Department Chair to discuss the student’s written plan of activities related to successful completion of the program;
• Students reaccepted to the curriculum will be expected to update competencies prior to re-entering the program;
• Dental Hygiene courses older than two calendar years will not be accepted;
• Dental Hygiene curriculum general education courses may not be repeated more than twice; and,
• Dental Hygiene courses may not be repeated more than once.

Decisions regarding re-acceptance of students to the Dental Hygiene program are made by the Dental Hygiene Department Chair in collaboration with the entire Dental Science faculty.

TRANSFER
Students seeking transfer of credit from Dental Hygiene programs at other institutions will be considered on an individual, space available basis. Transfer candidates must:

• Submit a written request to the Dental Hygiene Department Chair;
• Meet all requirements for the completed application to the Dental Hygiene program;
• Meet all minimum requirements for acceptance to the Dental Hygiene program;
• Have Dental Hygiene courses that are not older than two calendar years;
• Not have repeated a Dental Hygiene course more than once;
• Not have repeated a Dental Hygiene curriculum general education course more than twice;
• Have earned a grade of “C” or better in all Dental Hygiene and support courses taken at the institution from which he or she is seeking transfer credit;
• Submit a letter of recommendation from the previous Dental Hygiene program; and,
• Complete at least the last two semesters in the Dental Hygiene program in order to receive a Dental Hygiene associate degree from Horry Georgetown Technical College.

Students transferring to the Dental Hygiene program may be expected to update competencies prior to entering the program.

SUPPLIES
Students will be responsible for items above and beyond tuition, such as instruments, uniforms and clinical supplies.

ADVANCED PLACEMENT
The Dental Hygiene Program does not currently accept advanced placement students. All courses with a DHG prefix, as well as AHS 113, are reserved for Dental Hygiene majors. All courses must be completed with a grade of “C” or higher. Grades below “C” are considered course failures.

**TOTAL CREDIT HOURS** 80

*Students interested in transferring to a senior institution to complete a bachelor’s degree may elect to take the following courses: MAT 110 in lieu of MAT 101 and CHM 110 in lieu of CHM 105. Please note that BIO 210 has a prerequisite of BIO 112, BIO 101 or CHM 110. It is the responsibility of students who plan to transfer to verify the transferability of credits and other transfer issues with the receiving institution prior to enrolling in classes at HGTC.

**Humanities: ART 101, HIS 101, HIS 102, HIS 201, HIS 202, PHI 101, PHI 103, PHI 110, MUS 105, SPA 107

In addition to tuition and fees, the initial estimated expenses of the Dental Hygiene program include:

<table>

Certificate: DIAGNOSTIC MEDICAL SONOGRAPHY (DMS7)
Limited Access Program
Credit Requirements: 39 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

Note: Students with appropriate credits to qualify for a degree in General Technology may graduate with a Degree in Occupational Technology, with a Major or Emphasis in Diagnostic Medical Sonography.

Diagnostic Medical Sonographers use the physical attributes of sound waves at high frequencies to produce diagnostic images used for interpretation and diagnosis by qualified physicians. These images may be viewed on a screen or recorded on film for a permanent record.

ACCEPTANCE REQUIREMENTS

Applicants for the Sonography program must complete the Weighted Admission Form. Students with the highest scores will be considered for admission in weighted order. There will not be a “waiting list” for future admission; however, any applicant who receives notification that he/she is not admitted to the sonography program must resubmit the Diagnostic Medical Sonography Application by the program application deadline of the desire for consideration for admission to the next available class. Weighted Admission Forms are available on the Health Science web page.

The following requirements for a completed Weighted Admission application must be submitted to the Admissions Office by the application deadline date:

- Meet the criteria for admission to HGTC. This includes submission of application fee; official high school transcript, including graduation date or copy of GED; and official college transcripts. All applicants must be at least 18 years of age at the time of admission to the program;
- Minimum placement test scores from one of the following: SAT, ACT, or COMPASS (available at HGTC Admissions). If minimum placement test scores are not achieved, the developmental studies course sequence is required. Transfer students must meet the admission requirements for transfers; and,
- Complete the following prerequisites with a grade of “C” or better:

  Note: Some of these courses may have time limits; refer to Transfer Credit Limit in HGTC Catalog.

</tbody>
</table>

- Attend the Medical Imaging Sciences faculty information session and obtain a signed statement verifying attendance to present for Admissions;
- Pass the criminal background check and drug screening requirements;
- Review and acknowledge the Technical Standards of the Medical Imaging Sciences department;
- Submit the Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks;
- Pay the non-refundable tuition deposit by the deadline.

Specific Requirements are listed on the web page under program application.

(continued)
The requirement of BIO 211 must have been successfully completed within the last five years from the date of application unless the applicant submits proof of full-time employment in an Allied Health Field and has previously accrued the prerequisites. See the transfer credit time limit section of the catalog.

Students must complete the HGTC Health Form, as well as a criminal background check, drug screen test and attend a mandatory hospital orientation. Students who are not admitted because of background checks and/or Health forms may not enter the program.

Students completing the program will be eligible to sit for the ARRT – American Registry of Radiologic Technologist certification exam in Diagnostic Medical Sonography and the ARDMS (American Registry of Diagnostic Medical Sonography).

**COURSE PROGRESSION REQUIREMENTS**

In order to progress to the next semester once accepted into the program a student must:

• Earn a cumulative GPA of 2.5 or higher in all required DMS program courses. A minimum grade of “C” is required in all DMS courses.

**RE-ADMISSION TO PROGRAM**

Students who receive a W, D, or F in a prerequisite or corequisite course must reapply for admission to the program and, if accepted, repeat program courses. Readmission to the program is not automatic. Students are encouraged to check with Office of Admissions to determine if their admission information is current.

**TOTAL CREDIT HOURS**  39
Degree: Associate in Applied Science  
Major: DIGITAL ARTS (DAT3)

Credit Requirements: 66 semester credit hours

The Associate Degree program in Digital Arts prepares students for employment in a variety of fields traditionally categorized under the generic term “commercial art.” Specific careers the program provides training for include computerized graphic artists/designers for the printing, publishing, and advertising industries; electronic designers for both the internet (web) and for Compact Disk (CD) and Digital Video Disk (DVD) publishing.

All students in the program will acquire basic education in art/design and art history. During the first year, students will acquire basic digital arts skills, and the second year they will acquire both advanced skills and programmatic specialization(s) in animation, graphic arts and advertising design. Students completing this program will be prepared for immediate employment as practitioners in advertising agencies, in full-service printing businesses, in web design and web hosting firms.

TRANSFER OPPORTUNITIES

Students interested in the Transfer & University Parallel Programs SHOULD select the following courses: MAT 110 College Algebra for MAT 155 Beginning Algebra; ENG 101 English Composition I and SPC 205 Public Speaking for ENG 155 Communications I; ENG 102 English Composition II for ENG 160 Technical Communications. HGTC has developed transfer agreements to benefit students interested in earning a bachelor’s degree. Students who plan to transfer to pursue a bachelor’s degree should follow the Transfer Advisement Guide and plan course selections with the faculty advisor.

For students who wish to continue their education, the College has developed transfer agreements with senior college/university program, including Coastal Carolina University and Charleston Southern University.

Students should note that a minimum grade of “C” is required for all ARV - prefix courses to be eligible for graduation.

**TOTAL CREDIT HOURS**  **66**
**Degree: Associate in Applied Science**

**Major: EARLY CARE AND EDUCATION (ECE3)**

**Credit Requirements: 63 semester credit hours**

The Early Care and Education program is nationally accredited through the National Association for the Education of Young Children (NAEYC). All ECD courses meet the six NAEYC Standards for Associate Degree Programs.

This program prepares graduates to work in a variety of settings for children ages birth through eight years, including child care centers, Head Start centers, family child care homes, morning preschool programs, after-school programs, programs for children with differing abilities, summer camp programs, private schools, and public schools.

The Early Care and Education student will receive the tools and resources necessary to provide language and literacy rich environments, appropriate math and science skills, an inquiry based approach to learning about the world, and safe, healthy environments which promote the emotional and social well-being of all children. An emphasis is placed on a variety of learning styles and inclusive environments to meet the needs of all children. The program includes interactive classroom experiences as well as off-site experiences in a variety of child care and early education environments. Students will experience a variety of ages and curriculum models through site visits to child care facilities or public school child development programs.

Recent scientific research has confirmed the need for quality early care and education environments for all children, especially during this time of optimal brain growth and development. This has increased the demand for high-quality, early care and education programs and trained early childhood professionals. For students already working in a child care or early education setting, opportunities may be available for Teacher Education and Compensation Helps (TEACH) scholarships and other bonus incentives. Early childhood professionals work in partnership with families to create a nurturing environment, respectful of culture, and rich in experiences to promote the optimal growth and development of each child.

The program also has the following requirements as prerequisites to labs and licensed child care centers (not required for ECD 101):

- Criminal background check/affidavit
- Obtain certification in Pediatric CPR and First Aid “D” prior to graduation.

Early Care and Education courses are major restricted; students must be accepted into the Early Care and Education Program with a major code of ECE3 to enroll in ECD-prefix courses.

Most Early Care and Education (ECD) courses are offered only once each year, so following the recommended course sequence is extremely important. Students should see their advisor to assure proper selection of courses.

A minimum grade of “C” is required for all ECD-prefixed courses to be eligible for graduation.

**Note: Early Childhood Education Transfers**

Students who wish to prepare for transfer to Coastal Carolina University or Francis Marion University to major in Early Childhood Education should see their Faculty Advisor in HGTC’s Early Care and Education program for specific requirements. Students who wish to prepare for transfer for major in Elementary Education, Middle School or Special Education should enroll in the Associate in Arts Education Transfer program.

*Students are required to conduct observations of children, families, and learning environments in a variety of early childhood settings.

**Students are required to participate in lab/class assignments involving visitations to/work in licensed child care facilities.

***Choose from electives: ART 101, MUS 105 or THE 101

****Students who plan to transfer should consult advisor for selection of MAT 110 or MAT 250.

Certificate: EARLY CHILDHOOD DEVELOPMENT (ECE7)
Credit Requirements: 27 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

This program prepares students for careers and/or advancement in the early childhood profession. Graduates will be qualified for employment in public and/or private childcare centers, and home-based childcare operations. Students completing the 27-hour Child Care certificate are qualified to work in a child care center, family child care home, morning preschool program, after-school program, summer camp program and some private school programs.

The program has the following requirements as prerequisites for labs and licensed child care centers (not required for ECD 101):

- Criminal background check
- Obtain certification in Pediatric CPR and First Aid “D” prior to graduation.

Early Care and Education courses are major restricted; students must be accepted into the Early Childhood Development program with a major code of ECE7 to enroll in ECD courses required for the Early Childhood Development (ECE7) certificate.

Most Early Care and Education (ECD) courses are offered only once each year, so following the recommended course sequence is extremely important. Students should see their advisor to assure proper selection of courses.

A minimum grade of “C” is required for all ECD-prefixed courses to be eligible for graduation.

Certificate: ELECTRICAL LINEMAN TECHNICIAN (ELW6)
Credit Requirements: 17 semester credit hours

The Electrical Lineman Technician Program prepares the student to enter the electric utility industry as an apprentice with a broad understanding of the skills, knowledge, safe work practices and physical ability required to perform line work. Students receive classroom and field training in math, electrical circuit analysis, power systems, and transformer theory, as well as safety and climbing techniques. Industries will require employees to pass a background check as well as alcohol and drug screening.

PROGRAM REQUIREMENTS
In order to progress in the curriculum, the student must:
• Submit a completed Electrical Lineman Technician program student survey prior to enrollment in ELW courses;
• Provide a valid driver’s license;
• All applicants must be at least 18 years of age at the time of admission to the program.

Degree: Associate in Applied Science
Major: ELECTRONICS ENGINEERING TECHNOLOGY (EET3)
Credit Requirements: 76 semester credit hours

Electronics Engineering Technology graduates are prepared to seek entry-level employment in such career fields as electrical power generation and distribution, telecommunications, medical equipment technology, and industrial control systems design and development. Also, graduates have the option to transfer to a four-year institution and pursue a Bachelor’s Degree in Engineering Technology.

*The following university transferable sequences may be substituted: MAT 110, MAT 111 for Math or ENG 101, ENG 102 with SPC 205 for English.

Degree: Associate in Applied Science
Major: EMERGENCY MEDICAL TECHNOLOGY (EMT3)
Credit Requirements: 71 semester credit hours

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

This program prepares students to apply biophysical and psychosocial principles to the complex practice of the paramedic. The flexibility of the curriculum allows the student to enter the profession at three levels (EMT, Intermediate EMT and Advanced EMT) and continue the educational process while working. In addition to providing the technical education necessary for the profession, the student will receive instruction in general education areas.

ACCEPTANCE REQUIREMENTS
Applicants will be accepted to the Emergency Medical Technology program on a first qualified, first accepted basis.
• Meet the criteria for admission to HGTC. This includes submission of application fee; official high school transcript, including graduation date or copy of GED; and official college transcripts;
• Minimum placement test scores from one of the following tests: SAT, ACT or COMPASS (College placement test);
• The developmental studies course sequence will be required if minimum placement test scores are not achieved;
• Earn a minimum grade of “C” in all general education, support and EMS courses. Failure of one required course will result in the student being dropped from the program with eligibility for readmission. A student who has a second failure in any one of the required courses, or failure in any two of the required courses will not be eligible for readmission to the EMT program. Failure is defined as receiving a grade below “C” in any course. Students may apply for readmission to EMT program after 2-year time period from 2nd course failure; and,
• Transfer students must meet the College transfer student admission requirements and transfer of EMT courses must show a current CPR certification.

PROGRAM REQUIREMENTS
In order to progress in the curriculum, the student must:
• Maintain a minimum cumulative GPA of 2.0 on all required courses;

(continued)
• Submit a completed Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks prior to enrollment in the first EMS course;
• Be cognizant that certain general education courses have credit time limits. See the transfer credit time limit section of the catalog; and,
• Pass a criminal background check and drug screening prior to entry into the program and 30 days prior to starting clinical each semester.

Students may be eligible for the EMT-Basic Certificate (EMT6) after successful completion of the first and second semester coursework. Graduates of the program may apply to take the National Registry Examination for EMT and Paramedic.

ADVANCED PLACEMENT FOR EMERGENCY MEDICAL TECHNOLOGY (EMT3)

An advanced placement option is available for students currently holding a National Registry EMT-Basic, EMT-Advanced or Paramedic certification and who have a desire to obtain an Associate Degree in Applied Sciences in Emergency Medical Technology. Through an assessment of professional certifications and previous professional experience, the student may be eligible for consideration of exemption credits for a maximum of 48 credit hours toward the associate degree in Emergency Medical Technology (EMT). The College reserves the right to require any student to demonstrate competency through satisfactory completion of coursework, certification, challenge or exemption exams or experiential learning procedures. Each student’s certification and experience will be reviewed on an individual basis.

To be eligible for advanced placement, EMT’s and/or paramedics must provide documentation of two or more years of satisfactory field experience. Listed below are additional requirements for advanced placement.

(continued)
The student must:

• Meet admission requirements for the EMT degree program, including admission fee, proof of background checks, etc.
• Successfully complete all general education requirements for Emergency Medical Technology. The general education courses are as follows: BIO 112 or BIO 211, ENG 155, MAT 155, PSY 201, SOC 101, and Humanities. CPT 101 is also required to demonstrate computer literacy for a total of 22 credits;
• Complete general education courses at HGTC or another technical or senior college for transfer to HGTC (transferability is determined by the Registrar’s Office, considering grade, accreditation, and age of course and related information);
• Must complete 25% (18 credit hours minimum) of the required program credits by completing coursework at HGTC;
• Achieve a grade of “C” or higher in all general education courses;
• Have no more than two (2) attempts on any general education course;
• Hold current credentials as an EMT or Paramedic, as described above;
• Repeat a major course no more than once; and,
• Earn no less than 48 credit hours through course enrollment and completion or exemption of degree requirement coursework; 25% of required coursework must be completed at HGTC.

The Associate Degree in Applied Sciences in Emergency Medical Technology degree requires a total of 70 credit hours.

Certificate: EMERGENCY MEDICAL TECHNOLOGY - BASIC (EMT6)

Certificate: EMT - PARAMEDIC (EMT7)

Credit Requirements: 40 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Emergency Medical Technician (EMT)-Paramedic Certificate is designed for students currently working in the fire/rescue field, who are South Carolina EMT - Basic or National Registry EMT-Basic certified. This certificate can be completed in three semesters with a total of 37 credit hours. Upon completion of this certificate program, students will be eligible to take the EMT - Paramedic National Registry Exam.
## Acceptance Requirements

The student must have one of the following to enter the EMT - Paramedic program: Certificate Program: SCEMT-B: South Carolina EMT-B Certification; or NREMT-B: National Registry EMT-B Certification and BIO 112 or 211.

## Certificate: Esthetics Technician (EST7)

### Credit Requirements: 17 semester credit hours

The following requirements must be completed prior to entry into the program:

- Criminal Background Check Required: YES
- Urine Drug Screening Required: YES
- High School Diploma or GED: YES

Esthetics, the non-medical care of the skin, is a growing part of the health and beauty industry. The curriculum is designed for students to learn basic skin care practices, various facial treatments, makeup application, hair removal, sanitation procedures and salon management practices, thereby preparing the student to become an Esthetician. An Esthetician is a skin care professional who has graduated from a state licensed training program, and has passed both written and practical exams of the State Board. Estheticians find employment in day spas, upscale salons and resorts, or working with dermatologists. Admission into the program requires qualifying scores on SAT, ACT or the COMPASS placement test. Applicants must be 18 years of age and possess a high school diploma or GED.

### Program Requirements

- Admitted to HGTC to include submission of application fee; official high school transcript/diploma, or copy of GED.
- Minimum placement test scores from one of the following tests: SAT, ACT or COMPASS (College Placement test).
- Upon admission to program students will be responsible for purchasing supply kit(s), textbooks and new uniforms. New Uniforms are required for the first day of class.
- Program Orientation is required; specific information regarding program requirements and costs is provided at Orientation. This meeting date will be posted on the student’s WaveNet account.

### Progression Requirements

A grad of “C” or better in each of the required COS courses.

Diploma: Applied Science

**Major: EXPANDED DUTY DENTAL ASSISTING (EDA1)**

Limited Access Program

Credit Requirements: 48 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

- Criminal Background Check Required: YES
- Urine Drug Screening Required: YES

The Expanded Duty Dental Assisting program prepares dental assistants to perform chair side assisting, expose and process radiographs, perform basic business office procedures, manage asepsis, infection and hazard control protocols, perform laboratory procedures, assist in the management of emergencies, provide oral health instruction and function as a member of the dental team.

Applicants seeking to enter the program must fulfill HGTC general admission requirements. High school courses in biology, chemistry and algebra are recommended to prepare for the program’s science-based curriculum.

Students will be required to travel to various dental offices in Horry and Georgetown counties as part of their office rotation courses.

**ACCEPTANCE REQUIREMENTS**

Applicants will be accepted to the Expanded Duty Dental Assisting program on a first qualified, first accepted basis. Acceptance will be in a two-stage process – “Preliminary” and “Final” Acceptance. Once the student has completed the requirements for a completed application, the student will be granted Preliminary Acceptance to the program. Following completion of the program requirements, the student will be granted Final Acceptance to the program. Applicants are considered qualified for acceptance to the next available class when they meet all College and program requirements.

**REQUIREMENTS FOR “PRELIMINARY ACCEPTANCE” TO THE EXPANDED DUTY DENTAL ASSISTING PROGRAM**

Once students have completed the following requirements, they will be granted “Preliminary Acceptance” into the Expanded Duty Dental Assisting program.

- Meet the criteria for admission to HGTC. This includes submission of application fee; official high school transcript, including graduation date or copy of GED; and official college transcripts;
- Minimum placement test scores on one of the following tests: SAT, ACT or COMPASS (College placement test);
- The Developmental Studies Course sequence will be required if minimum placement test scores are not achieved;
- Cumulative GPA of 2.25, as well as achieving a grade of “C” or higher in all curriculum general education courses (BIO 112, ENG 155, PSY 103, MAT 155);
- Transfer students must meet the College transfer student admission requirements; and,
- May not have more than two unsuccessful attempts in an Expanded Duty Dental Assisting curriculum General Education course.
- Attend an orientation session with the program Coordinator and obtain a signed statement verifying attendance.
- Complete a minimum of 15 hours of observation in two private dental offices. Forms which must be completed by the supervising dentist verifying observations are available in the Program Coordinator’s office.

**REQUIREMENTS “FOR FINAL ACCEPTANCE” TO THE EXPANDED DUTY DENTAL ASSISTING PROGRAM**

Following “Preliminary Acceptance” to the program, the student will have a two-month period to complete the following requirements for “Final Acceptance.” Should the student not complete these requirements within the two-month time period, “Final Acceptance” to the program WILL NOT be granted.

- Payment of a non-refundable tuition deposit;
- Pass a criminal background check and a drug screening test by the stated deadline date; and,
- All applicants MUST be at least 18 years of age at the time of admission to the program.

**TECHNICAL ACCEPTANCE STANDARDS**

The Dental Sciences Department is comprised of the Dental Hygiene and Expanded Duty Dental Assisting programs that require specific technical standards. These standards refer to all non-academic acceptance criteria essential to participate in the program. In order to be considered, accepted or retained in the program after acceptance, all applicants with or without accommodations must possess specified abilities. (Refer to the same section under the Dental Hygiene Curriculum for technical standards).

**COURSE SEQUENCE AND PROGRESSION**

- Maintain a minimum grade of “C” or higher in all Expanded Duty Dental Assisting courses. Failure of one EDDA course will result in the student being dropped from the curriculum with eligibility for readmission the next time the course is offered. Readmission will be on a space-available basis and the student will be required to meet all admission requirements for readmission (refer to re-acceptance section below).
- Maintain a minimum GPA of 2.0;

(continued)
• Must submit evidence of and maintain current CPR Healthcare Provider certification throughout the Expanded Duty Dental Assisting curriculum;
• Submit a completed Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks by the announced deadline in the first semester; and,
• Must meet all course requirements, including attendance, according to the policies stated in the course syllabus (required to pass each course).

Any student who fails to meet the requirements for progression will be dropped from the program and must re-apply for re-acceptance.

RE-ACCEPTANCE
A student may not be reaccepted to the Expanded Duty Dental Assisting program more than once. Each candidate for re-acceptance to the Expanded Duty Dental Assisting program will be considered on the basis of space availability in both theory and clinical courses. Students who receive a W, D, or F in a curriculum course may request consideration for re-acceptance to the Expanded Duty Dental Assisting Program. Re-acceptance is not automatic. The following policies and procedure for re-acceptance must be followed:
• Submit a written request to the Expanded Duty Dental Assisting Program Coordinator;
• Have a cumulative GPA of 2.25 or higher to include all curriculum and general education courses within the major;
• Schedule and attend a conference with the Expanded Duty Dental Assisting Program Coordinator and Dental Sciences Department Chair to discuss the student’s written plan of activities related to successful completion of the program;
• Students reaccepted to the curriculum will be expected to update competencies prior to re-entering the program;
• Expanded Duty Dental Assisting courses older than one calendar year will not be accepted;
• Expanded Duty Dental Assisting courses may not be repeated more than once; and,
• Expanded Duty Dental Assisting general education courses may not be repeated more than twice.

Decisions regarding re-acceptance of students to the Expanded Duty Dental Assisting program are made by the Department Chair in collaboration with the entire Dental Sciences faculty.

TRANSFER
Students seeking transfer of credit from Expanded Duty Dental Assisting programs at other institutions will be considered on an individual, space available basis. Candidates for transfer must:
• Submit a written request to the Expanded Duty Dental Assisting Program Coordinator;
• Meet all requirements for the completed application to the Expanded Duty Dental Assisting program;

(continued)
• Meet all minimum requirements for acceptance to the Expanded Duty Dental Assisting program;
• Have a GPA of 2.25 or higher in the program from which the student is transferring. Expanded Duty Dental Assisting courses older than one calendar year will not be accepted;
• Not have repeated an Expanded Duty Dental Assisting course more than once;
• Not have repeated an Expanded Duty Dental Assisting general education course more than twice;
• Have earned a grade of “C” or better in all Expanded Duty Dental Assisting and general education courses taken at the institution from which he or she is seeking transfer credit;
• Submit a letter of recommendation from the previous Expanded Duty Dental Assisting program; and,
• Complete at least the last semester in the Expanded Duty Dental Assisting program in order to receive an Expanded Duty Dental Assisting diploma from HGTC.

Students transferring to the Expanded Duty Dental Assisting program may be expected to update competencies prior to entering the program.

ADVANCED PLACEMENT
The Expanded Duty Dental Assisting Program does not currently accept advanced placement students.

Students interested in articulating into the Associate Degree Dental Hygiene program may elect to take the following courses: ENG 101 and SPC 205 for ENG 155; and SOC 101 and PSY 201 for PSY 103 and MAT 101 for MAT 155.

All courses with the DAT prefix are restricted to Expanded Duty Dental Assisting majors. All courses must be completed with a grade of “C” or higher. Grades below “C” are considered course failures.

TOTAL CREDIT HOURS               48

In addition to tuition and fees, initial estimated expenses of the Expanded Duty Dental Assisting program include:
Books          $700
Hepatitis Vaccine $100
Background check/Drug screen  $91
Uniforms (including shoes  $250
Dental Assisting National Board Certification Fees $550
Travel for office rotations and projects/supplies Varies
Estimated Total          $1691+

Certificate: FIRE SCIENCE (FSC7)
Credit Requirements: 36 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Fire Science certificate is designed for individuals pursuing training or employed in the field of Fire and Rescue. A combination of Fire Science Exemption Credit (FSC)* and general education prepares graduates for advanced career opportunities and professional development. The general education core is intended to provide students with skills in the following areas: oral and written communication, interpersonal relationships, leadership and management. Most courses are offered via distance learning to accommodate students employed on shift work. Courses in this certificate program also apply to the Associate in Applied Science, Public Service Administration emphasis.

FIRST SEMESTER (FALL)
CPT 101 Introduction to Computers    3
ENG 155 Communications I**          3
PSY 103 Human Relations**           3
TOTAL                                9

SECOND SEMESTER (SPRING)
ENG 160 Technical Communications**  3
MGT 101 Introduction to Management  3
PSC 201 American Government         3
TOTAL                                9

FSC Fire Science Exemption Credit*  18

TOTAL CREDIT HOURS               36

*Fire Science Exemption Credit is given for approved National Fire Academy training based on recommendations made by the American Council on Education (ACE) and awarded per the S.C. Technical College System Guidelines. National Fire Academy training can only be obtained by being employed or a volunteer with local fire departments or rescue agencies.

**Students continuing toward a bachelor’s degree: ENG 101, ENG 102, and SPC 205 are recommended in place of ENG 155 and ENG 160, and PSY 201 in place of PSY 103. Consult your academic advisor.
Degree: Associate in Applied Science  
Major: FORESTRY MANAGEMENT TECHNOLOGY (FOR3)  
Credit Requirements: 79 semester credit hours

The Forestry Management Technology program trains students for the position of forest technician, a middle-management level professional trained to work with a graduate professional forester. The Forestry Management Technology program is approved for Cooperative Work Experience. Graduates will be qualified for entry level positions with state and federal forest agencies, pulp and timber companies, consultant foresters and other employment where skills of surveying, timber cruising, map drawing and forest management are needed. Students have the opportunity to become certified in the following areas: TOP Logger, South Carolina Commercial Pesticide License, First Aid and CPR. HGTC offers the only Associate Degree Forestry Management program in South Carolina.

For Program Reliable Information, see Student Right to Know at www.hgtc.edu/righttoknow.

*Humanities: IDS 201, Leadership Development, is the preferred course. Should IDS 201 not be available, other courses are permissible with specific permission of the student’s advisor. Examples include: ART 101, HIS 101, HIS 102, HIS 201, HIS 202, MUS 105, PHI 101, PHI 103, PHI 110, SPA 107. ENG 201, ENG 202, ENG 205, ENG 206, ENG 208 or ENG 209.

(continued)
**Each student is required to complete BUS 121 and BUS 220 and BUS 270; however, to provide greater flexibility to complete the SCWE, the student may choose to complete BUS 270 in either the Summer, Fall or Spring semester and to complete BUS 121 and BUS 220 in the other semester. Close coordination with advisor is required for completion of BUS 270.

***For transfer to senior institution, students should select the following transfer courses: ENG 101 and SPC 205 for ENG 155, ENG 102 for ENG 160; MAT 110 or MAT 120 for MAT 101.

Degree: Associate in Applied Science  
Major: GENERAL BUSINESS (BUS3)  
Emphasis: Hospitality Management  
Credit Requirements: 69 semester credit hours

This program prepares students for employment in the management of the hospitality industry, including lodging, tourism and food services. Students will be qualified with business/management as well as with hospitality management skills in order to be competitive in a variety of career management positions. Students will participate in Supervised Cooperative Work Experience to enhance their knowledge of hospitality management operations.

*Business Elective: BUS 101, CPT 270, MGT 120, MKT 120, MKT 135 or MKT 240. (continued)
Successful completion of CPT 170 and CPT 270 qualify students for Microsoft certification exam.

**For transfer to senior institutions students should select the following transfer courses: ENG 101 and SPC 205 for ENG 155; ENG 102 for ENG 160; MAT 110 for MAT 101.**

### Degree: Associate in Applied Science

**Major: GENERAL BUSINESS (BUS3)**

**Emphasis: Marketing**

**Credit Requirements: 66 semester credit hours**

If you enjoy creating effective and exciting marketing materials, you might want to sign up for HGTC’s Associate in Science in General Business, with a Marketing emphasis. This program gives you the knowledge, skills, and abilities you need to qualify for entry-level marketing positions in business. While some of the courses in the General Business/Marketing Emphasis program transfer to a senior institution, this degree is not designed as a “transfer” degree, but, rather, is a career degree that prepares you for employment.

**TOTAL CREDIT HOURS: 66**

*For transfer to senior institution, students should select the following transfer courses: ENG 101 and SPC 205 for ENG 155; ENG 102 for ENG 160; MAT 110 or 120 for MAT 101.

**Humanities: IDS 201, Leadership Development, is the preferred course. Should IDS 201 not be available, other courses are permissible with specific permission of the student’s advisor. Examples include: ART 101, HIS 101, HIS 102, HIS 201, HIS 202, MUS 105, PHI 101, PHI 103, PHI 110, SPA 107, ENG 201, ENG 202, ENG 205, ENG 206, ENG 208 or ENG 209 may be chosen, but only if ENG 101 and ENG 102 have been completed.**
Degree: Associate in Applied Science

Major: GENERAL BUSINESS (BUS3)

Emphasis: Public Service Administration

Credit Requirements: 66 semester credit hours

This program prepares students for career advancement in public service administration.

For those interested in Fire Service, using a Statewide agreement, HGTC will award credit for courses successfully completed through the SC Fire Academy (SCFA) or National Fire Academy (NFA). These courses must be displayed on an official transcript provided by SCFA/NFA to the HGTC Admissions Office. Credit will be awarded only for courses which meet American Council on Education recommendations and which reflect a transcript grade and include a final examination. Credit is awarded on the basis of one half (.5) credit for every 15 contact hours, up to a maximum of 18 credit hours.

For employees in Municipal Government this program will prepare you for prospective management positions in a variety of areas. With extensive training in business, management, organization, and accounting you will leave the program well-rounded and ready for the next phase of your career.

Degree: Associate in Applied Science  
**MAJOR: GENERAL ENGINEERING TECHNOLOGY (GET3)**  
Credit Requirements: 77 semester credit hours

Local industries are seeking technicians knowledgeable of electronics and mechanical systems. The Associate Degree in General Engineering Technology provides courses in electronics, mechanics and automated systems such as robotics, which are related to the needs of modern industry. Students will learn how computers and robotics are used in industry to operate automated manufacturing systems and to program computers, robots, and computer numerical control.

Graduates of this program will be able to combine skills and knowledge to address industrial operations and keep industries running efficiently.

*Students continuing toward a bachelor's degree: ENG 101, ENG 102, and SPC 205 are recommended in place of ENG 155 and ENG 160. Consult your academic advisor.

**Elective: EET 212 or EGR 286/296**
Degree: Associate in Applied Science

Major: GENERAL TECHNOLOGY (GEN3)

Credit Requirements: 64 semester credit hours

The General Technology major allows a student, with advisor guidance and approval, to complete coursework available at the College. The purpose of the Associate in Applied Science in General Technology provides for cross-training or for becoming a multi-skilled technician.

Complete range of semester hour credits distributed as follows:

GENERAL EDUCATION COURSES 15 CREDIT HOURS
- ENG 155 (or ENG 101 + SPC 205) 3
- ENG 160 or ENG 102 3
- MAT 155 (or MAT 101, 102, 110, 120) 3
- Social Science 3
- Humanities 3

REQUIRED CORE SUBJECT AREAS 40 CREDIT HOURS
The General Technology major allows a student and the academic advisor to tailor an individualized program of study to meet specific career goals and employment objectives.

The Required Core consists of a primary technical specialty (28 credit hours minimum) in a single content area and secondary specialty (12 credit hours minimum). The Primary Specialty consists of a minimum of 28 credit hours in a single content area. The Secondary Specialty consists of an additional 12 credit hours in another content area from approved degree, diploma or technical education certificate programs.

OTHER HOURS REQUIRED FOR GRADUATION 9 CREDIT HOURS
- CPT 101 or 170 3
- Electives 6

TOTAL 64

Degree: Associate in Applied Science

Major: GENERAL TECHNOLOGY (GEN3)

Emphasis: Aviation Maintenance

Credit Requirements: 65 semester credit hours

Horry Georgetown Technical College and Pittsburgh Institute of Aeronautics (PIA) have signed an articulation agreement which is designed to afford students the opportunity to earn the Associate in Applied Science with a major in General Technology, allowing a student to specialize in two areas: Aviation Power Plant and Aviation Airframe to be offered through PIA. General Education courses will be taught at HGTC. The ACM courses (below) will be offered at PIA facilities in Myrtle Beach. Upon satisfactory completion of all required coursework at PIA, students will be eligible to graduate from HGTC with and Associate Degree in Applied Science (A.A.S.). Each student is required to complete a minimum of 25% of the course required at HGTC. Students may choose to complete HGTC coursework before, during, or after enrollment at PIA.

Admission to this program requires completion of HGTC Admission requirements (application, transcripts, fees and placement information) in addition to PIA applications by eligible students. Although PIA does not require a criminal background check, applicants should be aware that certain offenses may preclude graduates from employment in the industry. Contact Admissions (admissions@hgtc.edu) for details on admissions procedures and specific PIA curriculum.

TOTAL CREDIT HOURS  65

*Students planning to continue toward a Bachelor’s degree: ENG 101 and SPC 205 in place of ENG 155 and ENG 160; MAT 110 or higher in place of MAT 155; PHI 110 in place of PHI 103; PSY 201 in place of PSY 103.

Degree: Associate in Applied Science

Major: GENERAL TECHNOLOGY

Emphasis: Fire Science Technology

Credit Requirements: 64 semester credit hours

Current firefighters who are interested in furthering their career in fire science may enroll in the Associate in Applied Science, General Technology, Fire Science specialty. This degree program is for students who do not plan to transfer to a baccalaureate program, who prefer the applied General Education courses, and who have interest in a secondary technical specialty.

The Fire Science Technology (FST) degree program is available to current firefighters who have completed fire-science training through Firefighter II level at the SC Fire Academy or other approved National Fire Academy program. Official transcripts from the granting institution must be submitted after the applicant has applied for admission to HGTC. Students who have not completed Fire Academy training are eligible to take only General Education courses until training has been completed and transcripts submitted. Once the transcript is approved, the student will be given experiential credit for FST 101, 102, 103, and 104.

Note: Fire Science Exemption Credit is given for approved National Fire Academy training based on recommendations made by the American Council on Education (ACE) and awarded per the SC Technical College System guidelines. National Fire Academy training can be obtained only by being employed or a volunteer with local fire departments or rescue agencies.

GENERAL EDUCATION:      24 CREDIT HOURS

FST  204   Principles of Emergency Services       3
FST  208   Fire Behavior and Combustion            3

(continued)
SECONDARY SPECIALTY: 12 CREDITS HOURS
Courses may be selected from Business, EMT, or other appropriate disciplines with advisor approval.

*Students continuing toward a bachelor’s degree: ENG 101, ENG 102, and SPC 205 are recommended in place of ENG 155 and ENG 160; MAT 110 is recommended in place of MAT 101. Consult your academic advisor.

**Course credit awarded for Experiential Learning with appropriate documentation from SC Fire Academy.

Degree: Associate in Applied Science
Major: GENERAL TECHNOLOGY (GEN3)
Emphasis: Law Enforcement
Credit Requirements: 61-64 semester credit hours

The General Technology Law Enforcement is a terminal non-transfer associate in applied science degree specifically designed for certified, currently employed SC law enforcement officers seeking a degree for promotion or advancement in a public law enforcement agency or department. Interested students should contact Criminal Justice Advisor to develop an individualized plan.

The program of study includes general education, experiential credit for eligible training completed at the SC Criminal Justice Academy (SCCJA) and/or other approved law enforcement training plus Criminal Justice coursework at HGTC. All external coursework must be submitted on official transcripts to the Registrar’s office. Students must complete of 25% of required credits at HGTC.

South Carolina Criminal Justice Academy (SCCJA) courses and other verifiable department or agency sponsored training will be evaluated by the Criminal Justice Program Chair to determine award of experiential credit. Available criminal justice courses at HGTC may also be completed to fulfill program requirements. Experiential credits will be awarded only for training that meets contact hour requirements and that is reflected on an official sealed transcript received by the Registrar’s Office. Students must complete a minimum of 25% of program requirements through HGTC for eligibility for graduation.

Each student and a criminal justice advisor will develop an individualized program of study, including experiential credit awarded and available general education and criminal justice courses. Individual associate degree level courses with a grade of “C” or better may transfer; students should contact the transfer institution for information.

A criminal background check must be satisfactorily completed before students can enroll in any criminal justice course. In lieu of the criminal background check, the student may submit a letter on agency/department stationary, signed by a command level officer, stating that student is a current law enforcement officer in good standing with the employing agency/department. The letter must be submitted to the Registrar or Criminal Justice Program Chair in a sealed envelope.

SECONDARY SPECIALTY: 12 CREDIT HOURS
(Selected with advisor approval)

*Students may select ENG 101 and SPC 205, ENG 102, MAT 110 or 120 or CPT 170 for transfer purposes.

**Experiential credit awarded for SCCJA Officer Training
**Degree: Associate in Applied Science**  
**Major: GOLF & SPORTS TURF MANAGEMENT (GSTM)**  
**Emphasis: Golf Course Management**  
**Credit Requirements: 77 semester credit hours**

This curriculum prepares students for golf and sports turf management employment in positions of superintendent, assistant superintendent or foreman. Other employment areas include turf management, sod production, park management, and turf products sales positions. HGTC offers the only associate degree Golf and Sports Turf Management program in South Carolina.

Certificate: HOMICIDE INVESTIGATION (HMI7)
Advanced Certificate
Credit Requirements: 27 credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Homicide certificate is an advanced certificate designed to provide the student with the general techniques, procedures, and practices in criminal investigation, and more specifically the specialized knowledge and skills to successfully investigate violent crimes, including homicide. The certificate is specifically designed for students who are currently in law enforcement, or who are planning to seek a position in law enforcement, and advance to the position of a criminal investigator, and is intended for those students who have completed the Associate Degree in Criminal Justice with an emphasis in Crime Scene Investigations (CSI) or a similar program at a regionally accredited institution of higher education, or in-service law enforcement officers with the permission of the Department Chair.

Criminal Justice (CRJ) courses are major restricted; students must be accepted to the Homicide Investigation certificate program with a major code of HMI7 to enroll in CRJ courses required for the Homicide Investigation (HMI7) certificate. Prerequisite for all HMI7 courses is CRJ 235 or permission of the Department Chair based on CSI practical/field experience;

A criminal background check must be satisfactorily completed before students can enroll in any criminal justice course.

*CRJ 226 and CRJ 228 have the additional prerequisite of CRJ 229.
Degree: Associate in Applied Science  
**Major: HUMAN SERVICES (HUM3)**  
Credit Requirements: 61 semester credit hours

This program prepares students for work in a variety of settings in the Human Services field. The curriculum teaches intervention skills needed to work with individuals or groups to prevent dysfunction and support self-sufficiency through role modeling, counseling, crisis intervention, rehabilitation, social support and behavior modification. Graduates will be qualified for employment in mental health centers, group homes, day treatment facilities, sheltered workshops, substance abuse treatment programs and eldercare facilities. Students of the program must pass a criminal background check by the end of their first semester. Also, students must meet all the requirements of the sponsoring agency prior to Supervised Field Placement.

**TRANSFER OPPORTUNITIES**
Students successfully completing the associate degree in Human Services have transfer opportunities to Coastal Carolina University through the baccalaureate program in Sociology or Psychology and the Social Work baccalaureate program at Limestone College. Those interested should contact the Academic Chair or Assistant Chair.

**FIRST SEMESTER (FALL)**

Certificate: KITCHEN AND FOOD PREPARATION TECHNIQUES (KFP7)
Credit Requirements: 18 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

This certificate program is designed to introduce students to the food preparation skills and principals required for entry-level cooking positions in the food service industry. Students also study standards of proper personal hygiene, food temperatures, food safety and kitchen sanitation. Through applied coursework and hands-on cooking preparations students will build the skills and abilities required to enter the food service industry. Career opportunities range from prep cook, entry level line cook, to entry level pantry cook.

Students will be eligible for ServSafe certification.

Admission for this program requires proof of high school graduation or GED and appropriate placement scores.

COURSE SEQUENCE AND PROGRESSION
Students should note that a minimum grade of “C” is required for all CUL, BKP and HOS courses for graduation. Grades below “C” in a CUL, BKP or HOS course will require the student to repeat the course at the next offering.

Certificate: LATENT PRINT COLLECTION AND CLASSIFICATION (LPD7)
Advanced Certificate*
Credit Requirements: 27 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Advanced Certificate in Latent Print Collection and Classification is an advanced certificate designed to provide the student with the general and specific techniques, procedures, and practices to secure latent and visible prints at crime scenes, or from evidence, and to classify those prints for identification and comparison. The certificate involves the techniques, procedures, and practices used in detection, development, and processing of prints regardless of type or circumstance, and the classification and comparison of prints including systems such as AFIX Tracker. The certificate is specifically designed for students who are currently in law enforcement, or who are planning to seek a position in law enforcement and advance to the position of a criminal investigator or an assignment to a crime scene unit, and is intended for those students who have completed the Associate Degree in Criminal Justice with an emphasis in Crime Scene Investigations (CSI), or a similar program at a regionally accredited institution of higher education, or in-service law enforcement officers with the permission of the Department Chair.

A criminal background check must be satisfactorily completed before students can enroll in any criminal justice course.

Criminal Justice (CRJ) courses are major restricted; students must be accepted to the Latent Print Collection and Classification certificate program with a major code of LPD7 to enroll in CRJ courses required for the Latent Print Collection and Classification (LPD7) certificate.

Prerequisite for all LPD7 courses is CRJ 235 or permission of the department chair based on CSI practical/field experience.

---

**Certificate: LIMITED GENERAL RADIOLOGICAL TECHNOLOGY (LRT7)**

**Limited Access Program**

**Credit Requirements:** 37 semester credit hours

For more information about gainful employment, visit [http://www.hgtc.edu/righttoknow](http://www.hgtc.edu/righttoknow).

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

The Limited General Radiological Technology certificate program is designed to prepare students for the State Certification Exam and an entry-level position as a professional limited general radiographer. A certificate is awarded upon satisfactory completion of the program and graduates are eligible to take a certification exam offered by the state of South Carolina. The program is limited in the number of students that can be accepted each spring semester. Students who are declared majors in this program must begin in the spring semester. Acceptance to the program is based on a first qualified, first accepted basis. Applicants are encouraged to apply early and complete all acceptance requirements.

**ACCEPTANCE REQUIREMENTS**

- Submission of admission application and payment of the one-time nonrefundable application fee;
- Minimum acceptable test score requirements from one of the following tests: SAT, ACT or COMPASS (College placement test); the developmental studies course sequence will be required if minimum placement test scores are not achieved;
- BIO 112 (grade of “C” or better) and MAT 101 (grade of “C” or better) or a minimum score of 46 COMPASS Algebra or 440 SAT Math or 21 ACT Math;
- Transfer students must meet College transfer student admission requirements;
- Submission of official high school transcript including verification of high school diploma or high school equivalency diploma (GED);
- Valid CPR certification;
- Submit a Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks completed 30 days prior to the first day of classes;
- Pass a criminal background check and drug screening prior to entry into the program; and,
- Maintain a 2.5 minimum cumulative GPA.

**TECHNICAL ACCEPTANCE STANDARDS**

These standards refer to all non-academic acceptance criteria essential to participate in the program. Students selected for program acceptance must be able to engage in educational activities and training activities in a manner that will not endanger other students, staff members, themselves or the public, including patients. In order to be considered, accepted or to be retained in the program after acceptance, all applicants with or without accommodations must:

- Possess sufficient visual acuity to interpret requisitions, prepare contrast media and perform observation necessary for patient assessment and nursing procedures. In addition, applicants must possess sufficient visual acuity to distinguish 6 line pairs per millimeter on a radiographic test phantom to assure the ability to evaluate the diagnostic quality of radiographs produced. Applicants must be able to distinguish tone qualities of a radiograph from black through shades of gray to white;

(continued)
- Be able to provide and receive verbal communication with patients, members of the health care team, and be able to assess care needs through the use of monitoring devices, stethoscopes, infusion pumps, fire alarms, audible exposure indicators, etc.; and,
- Possess sufficient gross and fine motor skills to manipulate equipment, position and lift patients, and perform other skills required in meeting needs of radiologic technology.

Specific Requirements are listed on the web page under program application.

Grading Scale:
- 92 – 100  A
- 83 – 91    B
- 74 – 82    C
- 65 – 73    D
- 64 and below   F

ADDITIONAL INFORMATION
Students will need reliable transportation as they will be rotating to different clinic sites during the three semesters. Clinic sites are located in Horry and Georgetown counties requiring some long distance travel. Students must pass a criminal background check and urine drug screening prior to starting clinical each semester.

Students must maintain a 2.5 GPA to continue in the program.

FIRST SEMESTER (SPRING)
RDT 101 Introduction to Radiography  3

TOTAL CREDIT HOURS   37
Certificate: MACHINE TOOL OPERATIONS (BMO7)
Credit Requirements: 38 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The purpose of this certificate is to prepare machine operators with the safe and efficient use of manufacturing implements such as lathes, milling machines, and grinders. The work of a machine operator affects the creation and quality of consumer goods; namely, anything with machine-made parts. Students will be trained in basic machine tool operations and the use of precision measuring instruments for entry-level production machine operation positions. Students enrolled in this program will be required to purchase measuring instruments and certain hand tools.

A minimum grade of “C” is required for all MTT-prefixed courses to be eligible for graduation.

Degree: Associate in Applied Science

Major: MACHINE TOOL TECHNOLOGY (MTT4)
Credit Requirements: 76 semester credit hours

This program prepares graduates for expanding industry opportunities in manufacturing, in the production of many items in today society, from small engine parts to aerospace units. Careers are available as machinists, machine operators or die makers design.

Students will be required to purchase appropriate safety items and tools.

A minimum grade of “C” is required for all MTT-prefixed courses to be eligible for graduation.

---

**Certificate: MASSAGE THERAPY (PTH7)**

**Credit Requirements:** 26 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

The Massage Therapy certificate program is designed to prepare students to seek certification and an entry level position as a professional Massage Therapist. Students who are declared majors in this program must begin in the Fall Semester. Enrollment in the program is on a first qualified, first accepted basis. Applicants are encouraged to apply early and complete all acceptance requirements due to limited space.

**PROGRAM REQUIREMENTS**
- Pass a criminal background check and drug screening prior to enrolling in MTH 135;
- Submit Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks;
- Student will be responsible for items above and beyond tuition costs, such as: massage table, uniforms, equipment and supplies; and
- Students must be 18 years old by beginning of second term.

**PROGRESSION REQUIREMENTS**
A grade of “C” or better in each of the required courses. Acceptance to the program is granted only for fall semester.

(continued)
### Certificate: MEDICAL ADMINISTRATIVE ASSISTANT (MAA7)

**Credit Requirements:** 39 semester credit hours

For more information about gainful employment, visit [http://www.hgtc.edu/righttoknow](http://www.hgtc.edu/righttoknow).

This program provides training in medical office skills with a special emphasis on medical applications, giving students an understanding of medical terminology in addition to developing keyboarding, word processing, basic insurance coding and billing and medical office processes. Program graduates should have the skills needed for employment in physicians’ offices, clinics, public health agencies, hospitals, and health insurance offices. Students must have a “C” or better in all AOT and HIM classes to graduate.

Students may be required to pass Criminal Background Check for certain medical office activities.

Certificate: MEDICAL CODING AND BILLING (MRC7)
Credit Requirements: 39 semester credit hours

For more information about gainful employment visit http://www.hgtc.edu/righttoknow.

The Medical Coding and Billing certificate prepares students for rewarding career opportunities within the field of Health Information Management and Healthcare Professional Services. In-depth instruction on medical record coding and billing practices that incorporates the professional, facility, and payer healthcare industry will be provided. Hands-on coding practice will be achieved in lab settings, hospitals and other health care facilities. Courses will be available online and on-site.

PROGRAM REQUIREMENTS
This program requires students to participate in an externship within a healthcare facility which requires Criminal Background Check, Health Sciences Physical Form including immunizations, CPR certification and other items. For more information, contact Admissions or Program Director.

PROGRESSION REQUIREMENTS
A grade of “C” or better in each of the required courses.

TOTAL CREDIT HOURS 39
Certificate: NAIL TECHNICIAN (NAT7)
Credit Requirements: 17 semester credit hours

The following requirements must be completed prior to entry into the program:

- Criminal Background Check Required: YES
- Urine Drug Screening Required: YES
- High School Diploma or GED: YES

This program teaches basic nail care, various nail additions, repair wraps, sanitation procedures and basic salon management practices. Licensed nail technicians must demonstrate that they have completed a 360 clock hour training program approved by the State Department of Labor Licensing and Regulation, and then must pass both written and practical exams of the State Board of Cosmetology.

PROGRAM REQUIREMENTS
- Admitted to HGTC to include submission of application fee; official high school transcript/diploma, or copy of GED.
- Minimum placement test scores from one of the following tests: SAT, ACT or COMPASS (College Placement test).
- Applicants must be 18 years of age or older.
- Upon admission to program students will be responsible for purchasing supply kit(s), textbooks and new uniforms. New Uniforms are required for the first day of class.
- Program Orientation is required; specific information regarding program requirements and costs is provided at Orientation. This meeting date will be posted on the student’s WaveNet account.

PROGRESSION REQUIREMENTS
A grad of “C” or better in each of the required COS courses.

Certificate: NATURAL RESOURCES AND ENVIRONMENT (NRE6)
Credit Requirements: 17 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

This certificate provides students the opportunity to determine appropriate methods of management of varied natural resources. This certificate is appropriate for those currently employed or seeking employment in natural resources industry or public agencies in the area of forestry, wildlife, outdoor recreation or conservation. Entry level positions include Forest Aide, Natural Resource Aide, Biological Science Aid, etc.

*Eligible for Clemson University Transfer Credit with grade of “C” or better.
Certificate: NETWORKING (NTW7)
Credit Requirements: 33 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Network certificate prepares students for network administrator or network engineer positions. It is intended for students employed in organizations that will use networking in the work environment. This program of study is designed to prepare the student for network certification. All classes in this certificate transfer to the Networking emphasis in the Computer Technology Associate Degree program.

Students must have a “C” or better in all CPT and IST classes to graduate.

TOTAL CREDIT HOURS    33

Certificate: NUCLEAR MEDICINE TECHNOLOGY (NMT7)
Limited Access Program
Credit Requirements: 39 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

Nuclear Medicine Technologists (NMT) are trained in the safe handling and administration of radio-pharmaceuticals for therapeutic and diagnostic purposes. They work closely with radiologists who specialize in nuclear medicine by providing clinical information needed for patient diagnosis and treatment.

ACCEPTANCE REQUIREMENTS
Applicants will be accepted into the Nuclear Medicine Technology program by completing and submitting a Weighted Admission form. Students with the highest scores will be considered for admission in weighted order. There will not be a “waiting list” for future admission; however, any applicant who receives notification that he/she is not admitted to the Nuclear Medicine program must resubmit the Nuclear Medicine Technology application by the program application deadline for consideration for admission to the next available class. Weighted Admission Forms with deadline information are available on the Health Science web page.

(continued)
The following requirements for a completed Weighted Admission application must be submitted to the Admissions Office by the application deadline date:

• Meet the criteria for admission to HGTC. This includes submission of application and fee; official high school transcript, including graduation date or copy of GED; and official college transcripts. All applicants must be at least 18 years of age at the time of admission to the program;
• Minimum acceptable test score requirements from one of the following tests: SAT, ACT or COMPASS (College placement test); the Developmental Studies Course sequence will be required if minimum placement test scores are not achieved;
• Satisfactory completion of following courses, with the grade of “C” or better:

</tbody>
</table>

• Some of these courses may have time limits; refer to the Transfer/Admission/Readmission Credit Limit section in the HGTC Catalog;
• Attend the Medical Imaging Sciences faculty information session and obtain a signed statement verifying attendance to present for Admissions;
• Pass the criminal background check and drug screening requirements;
• Review and acknowledge the Technical Standards of the Medical Imaging Sciences department;
• Pay the non-refundable tuition deposit by the deadline; and,
• Have a minimum GPA of 2.5 on all required curriculum courses.

Specific Requirements are listed on the web page under program application.

Students must submit completed Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks, as well as pass a criminal background check, drug screening and attend a mandatory hospital orientation. Students who are not accepted because of background checks and/or health forms may not enter the program. Students who are turned down by a clinical site because of their background check will not be admitted to the program.

**COURSE PROGRESSION REQUIREMENTS**
To progress to the next semester once accepted into the program, the student must:

• Earn a 2.5 cumulative GPA or higher and a grade of “C” or better in all NMT courses; and,
• Maintain a cumulative GPA of 2.5; and
• Pass a criminal background check and urine drug screening 30 days prior to starting clinical each semester.

**READMISSION TO PROGRAM**
Students who receive a W, D, or F in a prerequisite or corequisite course must reapply for admission to the program and, if accepted, repeat program courses. Readmission to the program is not automatic. Students are encouraged to check with Office of Admissions to determine if their admission information is current.

Grading Scale:
- 92 – 100      A
- 83 – 91       B
- 74 – 82       C
- 65 – 73       D
- 64 and below  F

**Degree:** Associate in Applied Science  
**Major:** NURSING (ADN5)  
**Limited Access Program**  
**Credit Requirements:** 68 semester credit hours (74 Transfer Emphasis)

Criminal Background Check Required: YES  
Urine Drug Screening Required: YES

The Associate Degree Nursing Program is approved by the South Carolina Department of Labor, Licensing, and Regulation Board of Nursing and accredited by the Accreditation Commission for Education in Nursing, Inc. (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta, Georgia 30326; Phone (404) 975-5000; Fax (404) 975-5020; www.acenursing.org. A graduate of the ADN program is eligible to take the National Council Licensure Examination – RN (NCLEX-RN). Upon satisfactory completion of the examination and licensure by a State Board of Nursing, graduates are titled Registered Nurse (RN).

The ADN program is comprised of general education and support courses as well as clinical nursing courses. The curriculum incorporates classroom instruction, laboratory simulation and clinical practice. Three possibilities for program completion are the Generic ADN option, the Accelerated ADN option (pending ACEN approval), and the Advanced Placement for LPN to ADN option. These are described below.

**OCCUPATIONAL OBJECTIVES**  
Upon successful completion of the Associate Degree Nursing (ADN) program, the graduate will be eligible to take the National Council Licensure Exam (NCLEX) for licensing as a Registered Nurse; and

• Assume a variety of responsibilities as a member of the health care team, and,
• Function in staff positions within structured health care settings which include hospitals, nursing homes, home health, health departments, physicians’ offices, school systems, civil service, and industry.

**ADMISSION REQUIREMENTS**  
Applications will be accepted to the Associate Degree Nursing program by completing the HGTC Admission requirements, listed which includes below, plus an Associate Degree Nursing Application, available in the HGTC Admissions Offices and on the Health Science web page. Current weighted nursing program application must be submitted by the application deadlines for the next available class.

A waiting list of applicants is not maintained. An applicant who receives notification that s/he was not admitted to the Associate Degree Nursing program must resubmit the Associate Degree Nursing Application during the published application period in order to be considered for program admissions for the next available class. These applicants should check with HGTC Admissions to determine if HGTC Admission information requires updating.

**REQUIREMENTS FOR ACCEPTANCE INTO THE ASSOCIATE DEGREE NURSING PROGRAM**  
Once applicants have completed the following requirements, they will be granted acceptance into the Associate Degree Nursing Program, based on selection for available class seats.

(continued)
• Meet the criteria for admission to HGTC. This includes submission of application fee; official high school transcript, including graduation date or copy of GED; and official college transcripts;
• Minimum placement test scores from one of the following tests: SAT, ACT or COMPASS (College placement test);
• The Developmental Studies course sequence will be required if minimum placement test scores are not achieved;
• Transfer students must meet the College transfer student admission requirements;
• GPA of 2.75 on all required general education and support courses. A minimum grade of “C” is also required in all courses required for ADN;
• Have met one of the following two admission options:
  a. Be eligible for BIO 210, ENG 101 and MAT 110 or MAT 120 and met the required score on the TEAS (Test of Essential Academic Skills). TEAS scores are valid for 2 years from testing date. Students may retest every 3 months or;
  b. Successfully complete of all 9 Health Science Nursing Core Courses with a minimum grade of “C” and a GPA of at least 2.75 (MAT and BIO time limits apply); and,
• Payment of a non-refundable tuition deposit.

Applicants must be at least 17 years of age by the semester of admittance to NUR 101. Application deadlines and TEAS score requirements are available on the Nursing Department website.

HEALTH SCIENCE- NURSING CORE COURSES
Acceptance requires the successful completion of nine (9) core courses a minimum grade of “C” required by the Nursing program. The courses are:

  BIO 210  Anatomy & Physiology I
  BIO 211  Anatomy & Physiology II (within 5 years of acceptance to the Nursing program)
  BIO 225  (within 5 years of acceptance to Nursing program)
  ENG 101  English Compositions I
  ENG 102  English Composition II
  MAT 110  College Algebra (within 10 years of acceptance to the Nursing program)
  MAT 120  Probability and Statistics (within 10 years of acceptance to the Nursing program)
  PSY 201  General Psychology
  SPC 205  Public Speaking
  Humanities Course (Any University Transfer Humanities course)

Students who do not meet minimum placement scores for course enrollment should contact a Health Science Advisor, located on each campus, for prerequisite information.

ADDITIONAL ADMISSION/TECHNICAL STANDARDS
The following standards are considered essential criteria for participation in the Nursing Program. Students selected for the Nursing Program must be able to independently engage in educational activities and clinical training activities in a manner that will not endanger clients/patients, other students, staff members, themselves, or the public. These criteria are necessary for the successful implementation of the clinical objectives of the Nursing Program. In order to be admitted, or to be retained in the Nursing Program after admission, all applicants with or without accommodations must:
• Possess sufficient visual acuity to independently read and interpret the writing of all sizes;
• Independently be able to provide verbal communication to and receive communication from clients/patients, members of the health care team, and be able to assess care needs through the use of monitoring devices, stethoscopes, infusion pumps, fire alarms, audible exposure indicators, etc.;
• Possess sufficient gross and fine motor skills to independently position and assist in lifting clients/patients, manipulate equipment and perform other skills required to meet nursing care needs.

PROGRAM REQUIREMENTS
In order to progress in the curriculum, the student must:
• Earn a minimum grade of “C” in all general education, support and nursing courses. An unsuccessful attempt of one required nursing course will result in the student being dropped from the program with eligibility for readmission. A student who has a second unsuccessful attempt in any one of the required nursing courses may apply for readmission to the nursing program if all other criteria are met after a two-year waiting period. See Nursing Student Handbook for information on unsuccessful attempts available on Nursing Department web page;
• Maintain a minimum cumulative GPA of 2.0 on all required courses;
• Submit evidence of current CPR certification (Health Care Provider). Current CPR certification is required to start each nursing course;
• Be covered by professional liability insurance (included in the fees for each nursing course);
• Submit a Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks prior to enrollment in the first nursing course; and,

(continued)
• Meet all program and course requirements according to the Nursing Student Handbook and course syllabi. Certain General Education courses have credit time limits. For the Nursing Program the following course time limits apply: Nursing courses; Biology 211 and 225 courses; Math courses. See the transfer credit time limit section of the catalog.

Pass a criminal background check and urine drug screening 30 days prior to starting clinical each semester.

Any student who fails to meet the requirements for progression will be dropped from the nursing program and must apply for re-acceptance. (This re-acceptance process occurs through application to the Nursing Department Chair. For further information regarding re-acceptance, see Nursing Student Handbook.)

Selected learning experiences will be provided in a number of health care agencies located within the geographical area served by the College, such as hospitals, nursing homes, clinics, nursery schools and day care centers. Students are assigned to clinical agencies based on a space available basis as well as appropriate learning experiences. Students are solely responsible for transportation to and from the College and to and from health care agencies utilized for clinical experiences. Students will travel to various clinical sites within a 100-mile radius of HGTC.

Because competency in nursing theory is a critical component for safe nursing practices, the grading scale for nursing is higher than that for some other courses.

The grading scale for Nursing is:

90 -100  A  
80 -89   B  
77 - 79   C  
70 - 76   D  
Below 70  F  

A grade of “C” is required in all courses for the Associate Degree Nursing Program. Grades below “C” are considered course failures.

This display of courses reflects the progression for nursing and general education courses; however, many students complete prerequisites and General Education requirements prior to program enrollment.

TOTAL CREDIT HOURS 68 (74 Transfer Emphasis)

*These courses prepare students in basic computer applications.
**Any University Transfer Humanities course
***Transfer for BSN: *AHS 108 (Nutrition) and PSY 203 (Human Growth & Development) may be taken by students in Transfer Emphasis but are not required for Associate Degree in Nursing.

In addition to tuition and fees, the initial estimated expenses of the ADN program may be found by visiting the Nursing department web page at www.hgtc.edu/nursing.

TRANSFER STUDENTS FROM OTHER NURSING PROGRAMS

Students who meet the following criteria will be considered on an individual basis. Candidates for transfer must:

- Submit an application for admission to the College including the non-refundable application fee;
- Meet minimum program acceptance requirements;
- Submit a letter to the Nursing Department Chair requesting transfer into program;
- Have a cumulative GPA of at least 2.5 and a grade of “C” or better in each of the HGTC required general education and support courses taken in the program from which the student is transferring;
- Have earned a grade of “C” or better in all nursing courses for which the student seeks transfer credit. Students who have failed any required course twice or have failed two different required courses within the last five years are not eligible for transfer into the nursing program. Failure is defined as receiving a grade below “C” in any course. Nursing courses older than two calendar years will not be accepted;
- Submit proof of course content equivalent to nursing courses at HGTC;
- Complete at least the last two semesters in the associate degree nursing program at Horry Georgetown Technical College. 25% (17 credit hours) of the total degree requirements must be from Horry Georgetown Technical College in order to receive an Associate Degree in Nursing; and,
- Obtain a letter from previous nursing program department chair stating eligibility to continue in the previous program.

The checklist for transfer students is located on the Nursing department web page at www.hgtc.edu/nursing.

ADVANCED PLACEMENT FOR LICENSED PRACTICAL NURSES (L.P.N. to A.D.N.)

The Nursing Department has developed a process to award credit for the Licensed Practical Nurse (LPN) for previous learning and work experience. This process allows eligible LPN candidates to advance beyond the fundamental and basic nursing courses that are covered in the early portions of the ADN program.

ADMISSION REQUIREMENTS

Applicants will be accepted for Advanced Placement for LPNs by completing the Associate Degree Nursing Application for LPN Advanced Placement, in addition to the following requirements. This form is available on the Health Science web page, as well as current application deadlines for the next available class.

A waiting list of applicants is not maintained. An applicant who receives notification that s/he was not admitted must resubmit the Associate Degree Nursing Application for LPN Advanced Placement during the published application period in order to be considered for the program admissions for the next available class.

For eligibility for LPN Advanced Placement requirements, applicants must have:

- Current LPN licensure in South Carolina;
- Note: HGTC Practical Nursing Graduate, who has not taken boards, with at least a 2.75 GPA for both the general education requirements and the PNR program is eligible for Fall admission only. These students must follow a four semester enrollment plan. Students who are not licensed LPNs in SC by the deadline will be withdrawn from the program.
- Submitted all documentation to meet HGTC admission requirements;
- Transfer students must meet College transfer student admission requirements;
- Minimum placement test scores from one of the following tests: SAT, ACT or COMPASS, the College placement test. The Developmental Studies sequence is required if minimum placement test scores are not achieved;
- Pass a criminal background check and drug screening prior to entry into the program;

(continued)
• Successful completion (minimum grade of “C”) of the 9 Nursing core courses (BIO210, BIO211, BIO225, ENG101, ENG102, MAT110/120, PSY201, SPC205, and Humanities) with a GPA of at least a 2.75. (BIO211 and BIO225 [5 year time limit] and MAT [10 year time limit]).

Once applicants have completed these requirements, they will be granted acceptance into Advanced Placement for Practical Nurses, based on selection for available class seats.

Upon successful completion of NUR 201, LPNs are granted credits for previous nursing courses in the first two semesters of the ADN program. LPNs also have the option to apply for regular acceptance to the ADN program.

Diploma: Applied Science

**Major:** PRACTICAL NURSING (PRN1)

Limited Access Program

Credit Requirements: 48 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

The Practical Nursing curriculum is designed to prepare students to function in hospitals, extended care facilities, doctors’ offices, clinics, schools and private industry under the supervision of a registered nurse or physician. The program prepares students to care for acutely and chronically ill patients, to help rehabilitate patients and to share in the prevention of illness. The curriculum combines classroom instruction with laboratory practice and clinical experience in various settings. To obtain a diploma, a student must complete 48 credit hours with a minimum 2.00 cumulative grade point average and minimum grade of “C” in all courses required for Practical Nursing.

The Practical Nursing (PN) program at Horry Georgetown Technical College is approved by the South Carolina Department of Labor, Licensing and Regulation Board of Nursing and accredited by the Accreditation Commission for Education in Nursing, Inc. (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta, Georgia 30326; Phone (404) 975-5000; Fax (404) 975-5020; www.acenursing.org

Graduates of the program may apply to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN). Upon successful completion of this examination and appropriate board licensure, the candidate will be designated as a Licensed Practical Nurse (L.P.N.) or Licensed Vocational Nurse (L.V.N.).

(continued)
REQUIREMENTS FOR PRELIMINARY ACCEPTANCE TO THE PRACTICAL NURSING PROGRAM

Once students have completed the following requirements, they will be granted acceptance into the Practical Nursing Program based on selection for available seats.

• Meet the criteria for admission to HGTC. This includes submission of admission application fee; official high school transcript, including graduation date or copy of GED; and official college transcripts;
• Minimum placement test scores from one of the following tests: SAT, ACT or COMPASS (College placement test); the Developmental Studies course sequence will be required if minimum placement test scores are not achieved;
• Transfer students must meet the College transfer student admission requirements;
• An applicant must be at least 17 years of age by August 1 of the semester of acceptance. Students are admitted into the Practical Nursing program in the Fall and Summer semester only;
• GPA of 2.0 or better on all required general education and support courses. A minimum grade of “C” is also required in all courses required for Practical Nursing Program. Any two (2) failures in any of these courses within the two years prior to acceptance removes a student from being eligible for the program for two years from the date of the last failure; and,
• Have met one of the following two admission options:
  a. Eligibility for BIO 210, ENG 101 and MAT 155 and have met the required score on the TEAS (Test of Essential Academic Skills.) TEAS scores are valid of two years from the testing date. Students may retest every 3 months; and,
  b. Completion of the following 6 (six) Health Science Core Courses with a GPA of 2.0 (MAT and BIO time limits apply): AHS 126, BIO 210, BIO 211, ENG 101, MAT 155 and PSY 201.

REQUIREMENTS FOR FULL ACCEPTANCE TO THE PRACTICAL NURSING PROGRAM, BASED ON SELECTION FOR AVAILABLE SEATS:

• Present a copy of a certified birth certificate;
• Attendance at an orientation seminar;
• Submit a Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks, completed 30 days prior to the first day of classes, indicating the student is physically and mentally able to enter the program;
• Provide CPR certification (BLS Health Care Provider) must be current for duration of program;
• Pass a criminal background check prior to entry into the program. Students who are not accepted by clinical faculty because of their background check will not be admitted to the program;
• Pass a drug screening test; and,
• Meet additional Acceptance/Technical Standards:

The following standards are considered essential criteria for participation in the Nursing Program. Students selected for the Nursing Program must be able to independently engage in educational activities and clinical training activities in a manner that will not endanger clients/patients, other students, staff members, themselves, or the public. These criteria are necessary for the successful implementation of the clinical objectives of the Nursing Program.

In order to be admitted, or to be retained in the Nursing Program after admission, all applicants with or without accommodations must:

• Possess sufficient visual acuity to independently read and interpret the writing of all sizes;
• Independently be able to provide verbal communication to and receive communication from clients/patients and members of the health care team, and be able to assess care needs through the use of monitoring devices, stethoscopes, infusion pumps, fire alarms, audible exposure indicators, etc.
• Possess sufficient gross and fine motor skills to independently position and assist in lifting clients/patients, manipulate equipment, and perform other skills required in meeting the needs of nursing care; and,
• Submit a complete Health Sciences Division Physical Examination Form.

PROGRAM REQUIREMENTS

In order to progress in the curriculum, the student must:

• Earn a minimum grade of “C” in all general education, support and nursing courses. Failure of one required nursing course will result in student being dropped from the program with eligibility for readmission. A student who has a second failure in any one of the required nursing courses may apply for readmission to the nursing program if all other criteria are met after a two year waiting period. See Nursing Student Handbook for information on unsuccessful attempts. The handbook is available at www.hgtc.edu/nursing;
• Maintain a minimum cumulative 2.0 GPA on all required courses;
• Submit evidence of current CPR certification (Health Care Provider). Current CPR certification is required to start each nursing course;
• Be covered by professional liability insurance (included in the fees for each nursing course);
• Submit a completed Health Sciences Division Physical Examination Form prior to enrollment in the first nursing course. Evidence of an updated annual physical examination/health record is required;
• Meet all program and course requirements according to the Practical Nursing Student Handbook and course syllabi; and,
• Be cognizant that certain general education courses have credit time limits. For the Practical Nursing Program, the following course time limits apply: Practical Nursing courses; Biology 211. See the Transfer Credit Time Limit section of the catalog.
• Pass a criminal background check and urine drug screening 30 days prior to starting clinical each semester.

(continued)
Any student who fails to meet requirements for progression will be dropped from the program and must apply for re-acceptance. This re-acceptance process occurs through the Nursing Department. Applications for re-admission are available on the Nursing Department web page or by contacting the Nursing Department.

Selected learning experiences will be provided in a number of health care agencies located within the geographical area served by the College, such as hospitals, nursing homes, clinics, nursery schools and day care centers. Students are assigned to clinical agencies based on a space available basis as well as appropriate learning experiences. Students will be solely responsible for transportation to and from the College and to and from the health care agencies utilized for clinical experiences.

Because competency in nursing is a critical component of safe nursing practice, the grading scale for practical nursing is higher than the general college grading scale.

The grading scale for all Practical Nursing courses and AHS 126, Health Care Calculations, is:
- 90-100   A
- 80-89  B
- 77-79  C
- 70-76  D
- Below 70 F

TRANSFER STUDENTS FROM ANOTHER PRACTICAL NURSING PROGRAM
To be accepted for transfer, nursing courses must have been part of a parallel program at a regionally accredited post-secondary institution and completed within the past year. Each course is considered individually and students may be required to submit course descriptions or college catalogs to describe previous work. General education course transfer credit follows College policy.

Students who meet the following criteria will be considered on an individual basis. Candidates for transfer must:
- Submit an application for admission to the College including the non-refundable application fee;
- Meet minimum program acceptance requirements;
- Submit a letter to the Nursing Department Chair requesting transfer into program;
- Have a cumulative GPA of at least 2.0 and a grade of “C” or better in each of the HGTC required general education and support courses taken in the program from which the student is transferring;
- Have earned a grade of “C” or better in all nursing courses for which the student seeks transfer credit. Students who have failed any required course will be dropped from the program with eligibility for readmission. Students who have a second failure in any required nursing courses may apply for readmission to the nursing program if all other criteria are met, after a two year waiting period. Nursing courses older than one calendar year will not be accepted;
- Submit proof of course content equivalent to HGTC nursing courses;
- Complete at least the final semester in the practical nursing program at Horry Georgetown Technical College. 25% (12 credit hours) of the total degree requirements must be from Horry Georgetown Technical College in order to receive a diploma in Practical Nursing; and,
- Provide a letter from previous nursing program chair stating eligibility to continue in previous program.

Checklist for transfer students is located on the Nursing department website at www.hgtc.edu/nursing.

**TOTAL CREDIT HOURS** 48
### Degree: Associate in Applied Science

**Major: PARALEGAL (LEG3)**

**Credit Requirements:** 66 semester credit hours

The Paralegal program is approved by the American Bar Association and a member of the American Association for Paralegal Education (AAPPE). The associate degree is designed to be a well-rounded foundation of education for students planning to seek employment as a Paralegal/Legal Assistant. The Paralegal program prepares students to work under the direct supervision of an attorney to conduct documentary and legal research, draft legal documents, recommend solutions for procedural problems, and implement detailed office procedures for the efficient handling of specialized fields of law.

Unauthorized Practice of Law (UPL) Statement: Paralegals work under the supervision of a licensed attorney and are not authorized to practice law in South Carolina (S.C. Code § 40-5-310).

As part of meeting the College’s admission requirements, students must have obtained a high school diploma or GED for entry into the program.

Computer skills are required for any paralegal position. It is strongly recommended that students without recent computer training, and who cannot pass the READI test, take CPT 101 or CPT 170.

New students may enroll in LEG courses during any semester; however, fall semester is recommended. (Students must see their program advisor prior to attending courses.) There are prerequisites for some Legal Assistant/Paralegal (LEG) courses. Please see course descriptions. Most LEG courses are offered only once a year, so following the recommended course sequence is very important.

No more than 50% of the transferring student’s legal specialty paralegal courses may be transferred from another institution. The transferring institution’s paralegal program must be approved by the American Bar Association (ABA) and the courses must be substantially similar to that of the course description contained within the HGTC college catalog. However, no legal specialty courses will be transferable into HGTC, regardless of American Bar Association Approval status, if the courses were completed by the student more than 5 years from the date of transfer.

Students should note that minimum grade of “C” is required for each LEG course to be eligible for graduation.

TOTAL CREDIT HOURS 66

Certificate: PARALEGAL SPECIALIST (PAS7)

Credit Requirements: 39 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Paralegal program is approved by the American Bar Association and a member of the American Association for Paralegal Education (AAPLE). Admission to this program, which is preparation for a Paralegal career, requires prior completion of an associate or bachelor’s degree.

The Paralegal certificate prepares students to work under the direct supervision of an attorney to conduct documentary and legal research, draft legal documents, recommend solutions for procedural problems, and implement detailed office procedures for the efficient handling of specialized fields of law.

Unauthorized Practice of Law (UPL) Statement: Paralegals work under the supervision of a licensed attorney and are not authorized to practice law in South Carolina (S.C. Code § 40-5-310).

In addition to the 40 credit hours below of legal specialty courses required, the student must transfer in or complete the following 24 credit hours in order to receive the Paralegal Certificate:

TOTAL CREDIT HOURS  26

Diploma: Applied Science

**Major:** PHARMACY TECHNICIAN (PHM1)

Credit Requirements: 44 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

The Pharmacy Technician program readies students to prepare and dispense medications under the supervision of a registered pharmacist. The program also prepares students for pharmacy technician duties in both retail and hospital functions. The curriculum combines classroom and experiential learning experiences. Students train in pharmacies while receiving exposure to the duties carried out by the pharmacist and pharmacy technician in preparing medications, filling prescriptions, pricing, patient profile records, medication calculations, controlled substances, IV compounding and other pharmacy related duties. This program is accredited by the American Society of Health-System Pharmacists. A new commission, the Pharmacy Technician Accreditation Commission (PTAC), is being formed through collaboration with the American Society of Health-System Pharmacists (ASHP) and the Accreditation Council for Pharmacy Education (ACPE). PTAC will make accreditation recommendations regarding pharmacy technician education and training program. ASHP will continue to take accreditation actions through August 2014.

Declared majors in this program must begin in the fall Semester. Enrollment in the program is on a first qualified, first accepted basis. Applicants are encouraged to apply early and complete all acceptance requirements.

Selected learning experiences will be provided in a number of health care agencies located within the geographical area served by the College. Students are assigned to pharmacy agencies based on a space available basis, as well as appropriate learning experiences. Students will be solely responsible for transportation to and from the College and to and from the pharmacy agencies utilized for clinical experiences.

There are specific requirements for placement into this program. Please see the Admissions Office or the Program Director for details. Students planning to transfer to a Baccalaureate Pharmacy Program should consult the Program Director for the course selection information.

**ACCEPTANCE REQUIREMENTS**

- Meet the criteria for admission to HGTC. This includes submission of application fee; official high school transcript, including graduation date or copy of GED; and official college transcripts;
- Minimum placement test scores from one of the following tests: SAT, ACT, or COMPASS (College placement test); the Developmental Studies course sequence will be required if minimum placement test scores are not achieved;
- Proof of CPR certification for Health Care Providers; and
- Completion of MAT 101 with grade of “C” or better or appropriate test scores.
- Transfer students must meet the college transfer student admission requirements.

**PROGRAM REQUIREMENTS**

- Students must pass a criminal background check and drug screening 30 days prior to starting clinical each semester;
- Submit a Health Sciences Division Student Health Record form indicating the candidate has the ability to perform the physical tasks required in the program;
- Students will be responsible for purchasing additional clinical liability insurance; and,
- Completion of the General Hospital Orientation (GHO).
Graduates are eligible to take a certification exam for Pharmacy Technician.

**PROGRESSION REQUIREMENTS**

- A grade of “C” or better in each of the required courses.
- Acceptance to the program is granted at the beginning of each fall semester.
- Students must be at least 18 years of age at the time of graduation.

**Certificate: PHLEBOTOMY (PHL6)**

Credit Requirements: 17 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

The Phlebotomy certificate prepares students for gainful employment in phlebotomy technician positions. The program encompasses the essential theory, skills and special procedures required to meet the venipuncture needs in hospitals, clinics and other health care settings. Students learn correct blood collection techniques for both venipuncture and capillary punctures, safe and effective collection procedures and therapeutic laboratory testing for enhancement of patient satisfaction and better health care.

Selected learning experiences are provided in a number of health care agencies located within the geographical area served by the College, such as hospitals, laboratories, clinics and physician offices. Students are assigned to clinical sites based on space available basis as well as relevant individual learning experiences.

**PROGRAM REQUIREMENTS**

- Submit a Health Sciences Division Student Health Record indicating the candidate has the ability to perform the physical tasks required in the program;
- Pass criminal background check and drug screening, 30 days prior to the start of AHS 143-Phlebotomy Skills (second semester)
- Proof of CPR certification;
- Completion of the General Hospital Orientation (GHO);
- Students will be required to purchase uniforms and a lab coat; and,
- Applicants must be at least 18 years of age and possess a high school diploma or GED.

Graduates are eligible to take a national certification examination for Phlebotomy.

(continued)
**ADDITIONAL INFORMATION**

Students must have reliable transportation for rotations to different clinic sites in Horry, Georgetown and/or Brunswick Counties during the second semester.

Students may only have a ONE semester break between AHS 141 and AHS 143. Prior to readmission to AHS 143, the student MUST demonstrate proficiency by completing a written as well as practical examination. If more than one semester of break, the student must repeat AHS 141 prior to entering AHS 143.

**PROGRESSION REQUIREMENTS**

A grade of “C” or better in each of the corequisite courses.

---

**Degree:** Associate in Applied Science  
**Major:** PHYSICAL THERAPIST ASSISTANT (PTA5)  
**Limited Access Program**  
**Credit Requirements:** 73 semester credit hours

Criminal Background Check Required: YES  
Urine Drug Screening Required: YES

The Physical Therapist Assistant program prepares students to implement physical therapy treatment procedures. Physical Therapist Assistants work under the supervision of licensed Physical Therapists to provide interventions that help improve mobility, relieve pain, and prevent or limit permanent physical disabilities of patients suffering from injuries or disease. Other duties include clerical duties, and record keeping. Employment opportunities include hospitals, rehabilitation centers, schools, home health care and private practice.

The Physical Therapist Assistant program is a limited-access program, requiring five semesters. All applicants must meet weighted Admission requirements by May 15 to advance to the next phase of consideration for admission to the next PTA class. However, meeting admission requirements does not guarantee admission to the PTA program. Students not admitted to the PTA program who wish to be considered for the following year must reapply to the Admissions Office.

**ACCREDITATION**

Horry Georgetown Technical College is accredited by the Commission on Accreditation in Physical Therapy Education, (CAPTE), 1111 North Fairfax Street, Alexandria, VA, 22314; phone: 703-706-3245; e-mail: accreditation@apta.org; website; http://www.capteonline.org

**ACCEPTANCE**

Applicants will be accepted to the Physical Therapist Assistant program by completing the HGTC Admission requirements and the Physical Therapist Assistant Application, available on the Health Science web page. A waiting list of applicants is not maintained. An applicant who receives notification that she/he was not admitted to the physical Therapist Assistant program must resubmit the Physical Therapist Assistant Program Application by the published application deadline in order to be considered for admission to the next available class. These applicants should check with Admissions to determine if HGTC Admission information requires updating.

- Meet the criteria for admission to HGTC. This includes submission of application and fee; official high school transcript, including graduation date or copy of GED; and all official college transcripts;
- Minimum placement test scores from one of the following tests: SAT, ACT or COMPASS (College placement test);
- Developmental studies courses will be required if minimum placement scores need are not achieved;

(continued)
• Transfer students must meet the College transfer student admission requirements;
• Complete the TEAS test;
• GPA of 2.5 or higher on all required General Education and support courses, with “C” or higher in each course. These courses include: BIO 210/211 (5 year time limit); ENG 101/102, MAT 120 or MAT 110, PSY 201, SPC 205 and Humanities. Minimum cumulative 2.5 GPA must be maintained, with no academic or disciplinary suspension at time of admission or program entry;
• Attendance at PTA Mandatory Information Session. (See schedule on WaveNet and PTA department page); and,
• Experience Documentation form submitted to Office of Admissions reflecting a minimum of 20 hours in a physical therapy facility. The applicant is responsible for arranging the experience at approved facilities. A list of local facilities is available on the department webpage.

Upon completion of the above requirements, qualified applicants will be admitted to the PTA program based on weighted criteria which are explained in the program application.

Additionally, program requirements include the following, prior to the second semester for clinical activities:
• Pass a criminal background check and drug screening 30 days prior to starting clinical each semester. Felony or misdemeanor convictions could result in applicants and/or students being ineligible to complete the program;
• Evidence of current CPR certification (BLS Health Care Provider); and,
• Submit a Health Sciences Division Student Health Record indicating the candidate has the ability to perform the program required physical tasks.

Students may request Physical Therapist Assistant checklist at Admissions Office or view at PTA department website for detailed information.

PROGRESSION REQUIREMENTS
A grade of “C” or better in each of the required courses.

### Certificate: PROFESSIONAL COOKING (PCC7)

**Credit Requirements:** 27 semester credit hours

For more information about gainful employment, visit [http://www.hgtc.edu/righttoknow](http://www.hgtc.edu/righttoknow).

Professional Cooking Certificate students obtain foundation knowledge and skills in the cooking techniques and management skills desired in the food service industry. Through applied coursework and hands-on cooking, students will develop the skills and abilities required to meet the challenges of the food service industry. The curriculum foundation is based on classical principles which emphasize modern techniques and trends in both the classroom and kitchen environments. Students are prepared for entry-level employment in the culinary industry in positions such as prep cooks, pantry cooks or entry-level line cooks.

**COURSE SEQUENCE AND PROGRESSION**

Students should note that a minimum grade of “C” is required for all CUL, BKP and HOS courses for graduation. Grades below “C” in a CUL, BKP or HOS course will require the student to repeat the course at the next offering.

Students who complete this certificate are eligible for ServSafe certification and American Culinary Federation Certification as a Culinarian.

Admission for this program requires proof of high school graduation (or GED) and appropriate placement scores.

---

### Degree: Associate in Applied Science

**Major:** RADIOLOGIC TECHNOLOGY (RAD3)

**Limited Access Program**

**Credit Requirements:** 92 semester credit hours

Criminal Background Check Required: YES

Urine Drug Screening Required: YES

Accreditation: Joint Review Committee on Education in Radiologic Technology (JRCERT), 20 N. Wacker Drive, suite 2850 Chicago, IL 60606-3182, Phone: 312-704-5300, FAX: 312-704-5304, Web: [http://www.jrcert.org](http://www.jrcert.org), e-mail: mail@jrcert.org.

The Radiologic Technology program prepares the student to assist the radiologist (MD) in performing examinations of the body to rule out, or confirm and identify, fractures or diseases. Radiologic Technologists must be educated in the precise use of highly technical radiographic equipment and the application of ionizing radiation in the performance of radiographic procedures. Students will learn to operate equipment and accessories under direct supervision of Board Certified Radiologists and Technologists.

(continued)
The program is committed to instilling in all students critical thinking skills, development of interpersonal skills and a commitment to lifelong learning.

Graduates of the program will have acquired the knowledge, skills and experiences necessary for success in achieving their career and educational goals and will possess the potential to have fulfilling lives as effective radiographers in their local communities.

**ACCEPTANCE REQUIREMENTS**

Applicants will be accepted for the Radiologic Technology program by completing and submitting a Weighted Admission Form. Students with the highest scores will be considered for admission in weighted order. There will not be a waiting list for future admission; however, any application who receives notification that he/she is not admitted to the Radiologic Technology program must resubmit the Radiologic Technology Application by the program application deadline for consideration for admission to the next available class. Weighted Admission forms are available on the Health Science web page.

- Meet the criteria for admission to HGTC. This includes submission of application fee; official high school transcript, including graduation date or copy of GED; and official college transcripts. All applicants must be at least 18 years of age at the time of admission to the program;
- Minimum acceptable test score requirements from one of the following tests: SAT, ACT or COMPASS (College placement test); the Developmental Studies Course sequence will be required if minimum placement test scores are not achieved;
- Completion of the four prerequisite courses with a grade of “C” or higher:
  - BIO 210 Anatomy and Physiology I
  - CPT 101 Introduction to Computers
  - ENG 101 English Composition I
  - MAT 110/120 College Algebra/Statistics

Some of these courses may have time limits; refer to the Transfer/Admission/Readmission Credit Limit section in the HGTC Catalog.

- Cumulative GPA of 2.5 or higher in all required Radiologic Technology curriculum courses. A minimum grade of “C” is required in all RAD courses;
- Attend the Medical Imaging Sciences information session and obtain a signed statement verifying attendance to present for Admissions;
- Students will be required to attend one 4 hour observations at an acceptable site. Please refer to the Medical Imaging Sciences web page for observation form and contacts;
- Complete the criminal background check and drug screening requirements;
- Review and acknowledge the Technical Standards of the Medical Imaging Sciences department; and,
- Pay the non-refundable tuition deposit by the deadline.

Students who are not accepted by a clinical site because of their background check will not be admitted to the program.

**COURSE PROGRESSION REQUIREMENTS**

To progress to the next semester once accepted into the program, the student must:

- Earn a 2.5 GPA and a grade of “C” or better in all courses; and,
- Maintain a cumulative GPA of 2.5.

**REACCEPTANCE TO A PROGRAM**

Students who receive a W, D, or F in a prerequisite or corequisite course in the first semester must reapply for the program. Reacceptance in the second through sixth semester is dependent on student standing and seat availability. Reacceptance to the program is not automatic.

**TECHNICAL ACCEPTANCE STANDARDS**

These standards refer to all non-academic acceptance criteria essential to participate in the program. Students selected for program acceptance must be able to engage in educational and training activities in a manner that will not endanger other students, staff members, themselves or the public, including patients. To be considered, accepted or to be retained in the program after acceptance, all applicants with or without accommodations must:

- Possess sufficient visual acuity to interpret requisitions, prepare contrast media and perform observation necessary for patient assessment and nursing procedures. In addition, applicants must possess sufficient visual acuity to distinguish 6 line pairs per millimeter on a radiographic test phantom to assure the ability to evaluate the diagnostic quality of radiographs produced. Applicants must be able to distinguish tone qualities of a radiograph from black through shades of gray to white;

(continued)

- Be able to provide verbal communication to and receive communication from patients, members of the health care team, and be able to assess care needs through the use of monitoring devices, stethoscopes, infusion pumps, fire alarms, audible exposure indicators, etc.; and,
- Possess sufficient gross and fine motor skills to manipulate equipment, position and lift patients, and perform other skills required in meeting needs of radiologic technology.

(continued)
Specifc Requirements are listed on the web page under program application.

ADDITIONAL PROGRAM REQUIREMENTS/ETHICS REVIEW

• If the applicant has been convicted of a misdemeanor (sole exception of speeding and parking violations) or felony (all alcohol and/or drug related violations must be reported), the applicant must request a review by the American Registry of Radiologic Technologists (ARRT) before he or she will be permitted to sit for the National Board Examination. The committee will determine the level of sanction for each conviction. It is suggested that students contact the ARRT prior to entering the program to make sure they will be eligible to sit for the national exam. Information may be found on the ARRT website or phone 651-687-0048, ext. 8580;
• Any misrepresentation or falsification of information on the ARRT application form is considered to be a serious violation of professional ethics and may result in revocation or permanent ineligibility;
• The ARRT may conduct criminal background searches whenever appropriate;
• The ethics review may be delayed until all conditions of the court have been completed, including probation and summary discharge;
• A fee is charged for pre-application review at www.arrt.org/ethics/preapp;
• Students will be assigned rotations on afternoon and evening shifts during their last two semesters; and,
• Students are expected to have reliable transportation and may be assigned clinic sites that require significant travel. Students do not choose their clinical rotations and students will rotate to at least three different clinic sites during the six semesters.
• Students must pass a criminal background check and urine drug screening 30 days prior to starting clinicals each semester.

ACADEMIC STANDARDS

A student must earn a “C” or better in each course and maintain a minimum 2.5 GPA. Any student not maintaining this academic standard will be suspended from the Radiologic Technology program.

Certificate: RESIDENTIAL HVAC SERVICE TECHNICIAN (RHV7)

Credit Requirements: 32 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

The Residential HVAC Service Technician certificate opens doors of opportunity for graduates that few would imagine. The self-motivated graduate from this program has the technical training to work as a service technician, installation specialist, service manager, or sales representative anywhere in the country. Graduates have the opportunity to work with State and Federal agencies, contractors, Fortune 500 companies, or set their own course by opening their own company. The opportunities are limited only to the graduate’s desire, motivation, and personal goals.

To graduate a student must pass the “Core” and “Type Two” sections of the EPA examination. Additionally, all students are required to take the Residential Air Conditioning and Heating Industrial Competency Exam (ICE).

This certificate prepares students to troubleshoot, repair and install many different types of residential heating and air conditioning systems, and is approved by local industry through an HVAC program advisory committee.

**Certificate: ROBOTICS TECHNOLOGY (ROB7)**
Credit Requirements: 28 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Robotics skills are now required in industry throughout the region in electronics, communication, manufacturing, power supplies, and more. This certificate will provide students entry level skills in robotics operations and maintenance.

**First Semester**
- EET 113 Electrical Circuits I – DC 4
- EET 145 Digital Circuits 4
- MAT 175 Algebra & Trigonometry 3
- EET 275 Intro. to Robotics Manufacturing Technology 3

**Second Semester**
- EET 114 Electrical Circuits II – AC 4
- EET 210 Digital Integrated Circuits 4
- EGR 275 Intro. to Engineering/Computer Graphics 3
- EET 212 Industrial Robotics 3

**Total Credit Hours** 28

**Degree: Associate in Applied Science**
**Major: SPORTS TOURISM (SPT3)**
Credit Requirements: 61 semester credit hours

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

This program is designed to prepare students for planning, organizing, directing, budgeting, as well as the legal, business, marketing and customer service aspects of Sports Tourism. Activities include sports promotion, event management, operations, within recreation departments/facilities and/or sports facilities.

Program requirements include criminal background check and drug screen.

**First Semester**
- COL 105 Freshman Seminar 3
- ENG 155 Communications I 3
- OR
- ENG 101 Composition I* 3
- SPT 101 Sports Tourism 3
- SPT 102 Customer Service in Sports Tourism 3

**Total** 12

*Eligable for University Transfer credit with a grade of “C” or better. Students interested in following a bachelors degree path are advised to take these courses.

Certificate: SURGICAL TECHNICIAN (SUR7)
Limited Access Program
Credit Requirements: 37 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Criminal Background Check Required: YES
Urine Drug Screening Required: YES

This program offers classes for the skilled person to enter into the health care environment as a surgical technologist. Graduates will prepare and maintain sterile fields, pass instruments, sutures and sponges, etc. and function as a key part of the surgical team. The program provides students with classroom study, laboratory and clinical experience. Students are trained in aseptic techniques, medical equipment nomenclature, and human anatomy for the operating room.

EMPLOYMENT OPPORTUNITIES
Supervised clinical practice in surgical environments prepares the student for entry-level positions in such areas as hospital operating room departments, obstetrical departments, surgical supply and/or processing departments, out-patient surgical centers, and surgeon office practices.

GENERAL INFORMATION
Surgical technologists function under the supervision of and in cooperation with surgeons and registered nurses, performing duties that are vital for surgical patient safety and care during operative procedures.

(continued)
Students in this program will be expected to travel to various health care/surgical sites within a 50-mile radius for clinical experiences. Program graduation requires is that each student must complete at least 125 clinical cases during their course of study. It is anticipated that students will complete additional clinical cases.

(continued)

While general education courses may be taken in the evening, core courses are scheduled at various times and clinical experiences are scheduled in the early morning, consistent with operating room schedules.

Acceptance to this program is limited and on a first qualified, first accepted basis. Students interested in the selection process are encouraged to contact the Admissions Office.

**STUDENT REQUIREMENTS**

**Personal Traits:**
- Possess a strong sense of responsibility, considerable patience and concern for others;
- Function well as a team member;
- Possess manual dexterity and fine motor coordination; and,
- Perform accurately and efficiently under pressure

**PHYSICAL REQUIREMENTS:**
- Able to lift and stand for extended periods of time.

**ACCEPTANCE REQUIREMENTS**
- Meet the criteria for admission to HGTC. This includes submission of application fee; official high school transcript, including graduation date or copy of GED;
- Meet minimum placement test scores from one of the following tests: SAT, ACT or COMPASS, the College placement test (the Developmental Studies course sequence with a minimum grade of B will be required if minimum placement test scores are not achieved);
- Transfer students must meet the College transfer student admission requirements;
- Completion of BIO 210, BIO 211 and BIO 225 with a minimum grade of “C”;
- Complete the criminal background check and drug screening requirements;
- Current CPR certification (Health Care Provider); and,
- Submit a complete Health Sciences Division Physical Examination Form.

**PROGRESSION REQUIREMENTS**
- A grade of “C” or better in each required course
- A minimum 2.0 GPA
- Pass a criminal background check and urine drug screening 30 days prior to starting clinicals each semester.

With the approval of the SUR faculty, required courses may be repeated one time only to achieve a grade of “C” or better. CPR (BCLS) must be current during enrollment, which may require annual update.

Certificate: SURVEYING (SVY6)  
Credit Requirements: 23 semester credit hours

For more information about gainful employment, visit http://www.hgtc.edu/righttoknow.

Students completing this certificate will gain the necessary skills to expertly use computers, measuring devices and mapping systems, to collect research, to make decisions and to create graphic presentations. By combining hands-on training and utilizing the latest technology in surveying equipment, AutoCAD and AutoCAD Civil 3D, students will gain the ability to read maps and plats and to produce CAD documents. A working knowledge of applicable state and federal law will also be provided. This certificate is appropriate for those currently employed or seeking employment under the supervision of licensed land surveyors, civil engineering companies, the United States Geological Survey, Bureau of Land Management, Army Corps of Engineers, FEMA, Horry County, and other similar agencies. Work is often outdoors and may require travel, carrying surveying equipment across different types of terrain and being exposed to a range of weather.

All courses apply towards the Associate in Applied Science in Civil Engineering Technology with a grade “C” or better.

WORKFORCE DEVELOPMENT
A vital part of HGTC educational service is offered through the Workforce Development Division, which provides customized job training, occupational upgrading training programs, classes for business and industry; job training, occupational upgrading, licensing and certification, and personal interest classes for community residents. Information is available at 843-477-2020. See Job Training at www.hgtc.edu

Workforce Development Registration
Workforce Development courses are announced in print and on the HGTC website. Registration instructions and deadlines for registration are provided for each class.

Workforce Development Refunds
It is the student’s responsibility to request a refund from the Workforce Development department at any campus at least one (1) working day before the class is scheduled to begin. No refunds will be issued on or after the first day of class. Exceptions that require more than one working day notification for a refund request are noted in the published class schedule and/or other publication or brochure advertising the class or program.

All refunds will be paid by check or refund to credit card. Refunds will be mailed to the student’s address of record unless otherwise requested. Processing and mailing of refunds require 2-4 weeks.

For non-credit courses, appeals are addressed in writing to the Vice President for Workforce Development.

To access the most recent course information, for a searchable list of all academic and Workforce courses offered at HGTC, including more complete information about course prerequisites, corequisites and placement score requirements, visit www.hgtc.edu/jobtraining.
Courses

Courses are offered as outlined under each academic program course display. Some courses are offered each semester; some are offered only once per year. It is important that students take courses in the prescribed order as recommended by their academic advisors. Some courses require prerequisites before enrolling in the course. These are identified in the course descriptions where applicable. Students should direct questions about the appropriate sequencing of courses to their academic advisors.

All course offerings are contingent upon student demand and course enrollment. If there is insufficient enrollment, courses may not be offered during the normal cycle. Students may consult an academic advisor for possible alternatives.

Course Descriptions

The course descriptions contained in this catalog are not to be construed as a contract.

Course Numbers

Course designations consist of a three-letter prefix, a number and the title of the course, e.g., ENG 101 English Composition I. The three-letter prefix indicates the subject. The section offering is indicated on the Class Schedule Section with “C” indicates Conway Campus; “G” indicates Georgetown; “S” indicates Grand Strand; “I” is for Internet and “H” is for Hybrid Courses.

Course Hours and Credits

Following the prefix numbers and title are numbers that indicate lecture, laboratory and credit hours. The number of lecture hours in class each week and/or the number of laboratory hours in each week combine to make up the total “contact” hours required for the class each week. Contact hours equate to the time spent in contact with a faculty member. The contact hours are the sum of the first two numbers shown. The semester credit hours for the course are indicated by the last number shown.

Course Schedule

Many of the courses in the following list are taught each term; however, many are not taught each term. Courses offered are subject to change, based on the availability of faculty, enrollment and funding. The College reserves the right to cancel any course for which there is insufficient enrollment.

Prerequisites/Corequisites

Prerequisites are required before enrolling in a course; these are identified following the course description as “Prerequisite”. Corequisites are required to be taken at the same time or prior to the course listed in the description; these will be identified following the course description as “Corequisite”. Commas mean “and”. This means that all of the courses are prerequisites or corequisites.

Note: Appropriate placement test scores (SAT, ACT, COMPASS, ASSET) are REQUIRED for placement into appropriate courses. Even if no prerequisite is listed as required, not all students may necessarily place into all courses. For example, while the course description for ACC 101, Accounting Principles I, does not list a prerequisite requirement, students seeking enrollment in the course MUST meet placement score requirements to be eligible. For a searchable course-by-course directory that includes all prerequisites, corequisites and placement test requirements, go to www.hgtc.edu and select Class Schedule.

ACC

ACC 101 Accounting Principles I 3-0-3
This course introduces basic accounting procedures for analyzing, recording, and summarizing financial transactions, adjusting and closing the financial records at the end of the accounting cycle, and preparing financial statements. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ACC 102 Accounting Principles II 3-0-3
Prerequisite: ACC 101 or ACC 111 with grade of “C” or better
This course emphasizes managerial accounting theory and practice in basic accounting and procedures for cost accounting, budgeting, cost-volume analysis and financial statement analysis. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ACC 124 Individual Tax Procedures 3-0-3
Prerequisites: ACC 101 or ACC 111 or permission of the professor.
This course is a study of the basic income tax structure from the standpoint of the individual, including the preparation of individual income tax returns.

ACC 125 Advanced Individual Tax Procedures 3-0-3
Prerequisite: ACC 124
This course expands concepts of basic individual income tax structure to include preparation of individual income tax returns and schedules, including alternative minimum tax, property transactions and business schedules.

ACC 145 Accounting for Sports Tourism 3-0-3
Prerequisite: ACC 124
This course provides students with an introductory review of basic financial processes of Sports Tourism that includes profit and nonprofit and financial impact of Sports Tourism on the economy, community and environment.

ACC 150 Payroll Accounting 3-0-3
Prerequisite: ACC 101 or ACC 111 or AOT 239
This course introduces the major tasks of payroll accounting, employment practices, federal, state and local governmental laws and regulations, internal controls, and various forms and records, and introduces the use of computer applications for payroll.
ACC 201  Intermediate Accounting I   3-0-3  
**Prerequisite:** ACC 112  
This course explores fundamental processes of accounting theory, including the preparation of financial statements.

ACC 202  Intermediate Accounting II   3-0-3  
**Prerequisite:** ACC 201  
This course covers the application of accounting principles and concepts to account evaluation and income determination, including special problems peculiar to corporations and the analysis of financial reports.

ACC 230  Cost Accounting I   3-0-3  
**Prerequisites:** ACC 102 and ACC 112  
This course is a study of the accounting principles involved in job order cost systems.

ACC 240  Computerized Accounting   3-0-3  
**Prerequisite:** ACC 101 or ACC 111  
This course is a study of using the computer to design and implement various accounting functions, including financial transactions, records, statements, reports and documents.

ACC 245  Accounting Applications   3-0-3  
**Prerequisites:** ACC 101 or ACC 111 and CPT 101 or CPT 170  
This course introduces microcomputer accounting using data base software and/or electronic spreadsheets.

ACC 265  Not-for-Profit Accounting   3-0-3  
**Prerequisite:** ACC 102 with grade of “C” or better  
This course introduces the special accounting needs of municipalities, counties, states, the federal government and government agencies, and other not-for-profit organizations.

ACC 291  Certified Bookkeeper Review  3-0-3  
**Prerequisites:** ACC 112  
This course is designed to help students prepare for the Certified Bookkeeper Exam.

ACR

ACR 102  Tools and Service Techniques   2-3-3  
This course is a basic study of the uses of tools and service equipment used in the installation and repair of HVAC equipment.

ACR 106  Basic Electricity for HVAC/R   3-0-4  
This course includes a basic study of electricity, including Ohm's law and series and parallel circuits as they relate to heating, ventilating, air conditioning and/or refrigeration systems.

ACR 108  Refrigeration Fundamentals  3-0-3  
This course is an introduction to the principles of refrigeration.

ACR 110  Heating Fundamentals   3-3-4  
**Corequisite:** ACR 140  
This course covers the basic concepts of oil, gas, and electric heat, their components and operation.

ACR 118  Air Conditioning Fundamentals   1-6-3  
This course is an introduction to the principles of air conditioning.

ACR 131  Commercial Refrigeration   3-3-4  
**Prerequisite:** ACR 210 or passed ICE Exam or NATE certification  
This course is a study of maintenance and repair of commercial refrigeration systems.

ACR 140  Automatic Controls   2-3-3  
**Corequisite:** ACR 106  
This course is a study of the adjustment, repair and maintenance of a variety of pressure and temperature sensitive automatic controls.

ACR 160  Service Customer Relations  3-0-3  
This course covers how to deal with different types of customers, selling techniques, and correct record keeping.

ACR 201  Troubleshooting & Maintenance  2-3-3  
**Prerequisites:** ACR 210 or passed ICE Exam or NATE certification  
This course is a study of troubleshooting and maintenance of air conditioning equipment.

ACR 206  Advanced Electricity for HVAC/R  1-3-2  
**Prerequisite:** ACR 140  
This course includes a practical application of electrical and electronic components and circuits used to control HVAC and/or refrigeration systems.

ACR 207  Advanced Refrigeration   3-0-3  
**Electricity Prerequisites:** ACR 210 or passed ICE Exam or NATE certificate  
This course covers the theory and application of electrical circuits and starting components in commercial and industrial refrigeration.

ACR 210  Heat Pumps  2-6-4  
**Prerequisites:** ACR 118 and ACR 140  
This course is a study of theory and operational principles of the heat pump.

ACR 250  Duct Fabrication  2-3-3  
**Prerequisite:** ACR 118  
This course covers the design, fabrication, and installation of air duct systems.

AET

AET 101  Building Systems I   2-3-3  
This course is a study of the fundamental concepts of design and construction techniques in residential, commercial, and industrial buildings.

AET 111  Architectural Computer Graphics (Revit)   2-3-3  
**Prerequisite:** EGR 275  
This course includes architectural/construction, basic computer-aided design commands, and creation of construction industry symbols and standards.
AET 201  Building Systems II 2-3-3 (Mechanical & Electrical)  
**Prerequisite: AET 101**  
This course covers mechanical systems, electrical systems and code requirements for residential, commercial, and industrial buildings.

**AHS**

AHS 101  Introduction to Health Professions 2-0-2  
This course provides a study of the health professions and the health care industry.

AHS 102  Medical Terminology 3-0-3  
This course covers medical terms including roots, prefixes and suffixes with emphasis on spelling, definition and pronunciation.

AHS 104  Medical Vocabulary/Anatomy 3-0-3  
This course introduces the fundamental principles of medical terminology and includes a survey of human anatomy and physiology.

AHS 106  Cardiopulmonary Resuscitation 1-0-1  
This course provides a study of the principles of cardiopulmonary resuscitation.

AHS 108  Nutrition 3-0-3  
This course is a study of nutrition and diet therapy as related to health care.

AHS 110  Patient Care Procedures 2-0-2  
**Prerequisites: BIO 210 and BIO 211**  
This course provides a study of the procedures and techniques used in the general care of the patient.

AHS 113  Head & Neck Anatomy 1-0-1  
**Prerequisite: Acceptance into the Dental Hygiene Program**  
This course provides detailed study of the structure of the head and neck with special emphasis on structure as it pertains to the study of dental science.

AHS 126  Health Calculations 1-0-1  
**Prerequisite: MAT 155 or higher**  
This course is a study of the mathematical concepts needed in health sciences studies. Emphasis is on the calculation of drug dosages and solutions.

AHS 137  Muscles & Innervation 1-0-1  
**Prerequisites: BIO 101, BIO 112 or BIO 210 with grade of “C” or better**  
This course will provide a foundation of basic kinesiology with emphasis on physical activity and its impact on health and quality of life.

AHS 141  Phlebotomy for the Health Care Provider 2-3-3  
**Corequisite: BIO 112 or BIO 210 or BIO 211 + AHS 102 AND AHS 106**  
This course contains the essential theory, skills and special procedures required to meet venipuncture needs in hospitals, clinics and other health care settings.

AHS 143  Phlebotomy Skills 2-12-6  
**Prerequisites: AHS 102, AHS 106 and AHS 141**  
This course is a study of phlebotomy equipment, procedures, techniques, and practical experience.

AHS 145  Electrocardiography 2-0-2  
This course provides the basic skills necessary to perform ECGs in a hospital, physician’s office or other health care setting. The student will be able to perform and interpret basic ECGs.

AHS 147  Clinical Pharmacology 3-0-3  
This course is the study of a broad spectrum of drugs, their classification, physical and chemical properties, usage, and contraindication in clinical settings.

AHS 163  Long-Term Care 3-6-5  
This course emphasizes the basic skills needed to care for residents in the long-term care setting. Students will apply practical use of these skills through clinical experiences in a long-term care facility.

AHS 175  Multi-Skilled Clinical Practicum 1-9-4  
**Corequisite: AHS 176**  
This course offers clinical experiences across health related disciplines exposing students to a variety of patient care areas such as cardiac monitoring, EKG, patient transport, and medical and surgical asepsis.

AHS 176  Patient Care Clerical Principles 4-0-4  
**Corequisite: AHS 175**  
This course provides a study of the practical applications related to receptionist and patient care clerical duties such as data entry, transferring physician orders, and coordinating unit communications in a variety of health care settings.

**AMF**

AMF 101  Introduction to Aviation Maintenance 1-0-1  
**Prerequisite: ENG 100**  
This course introduces students to the role of the Federal Aviation Administration and their regulations regarding aviation power plant and aviation mainframe. Topics include a study of aircraft industry terminology and basic safety requirements, as well as a brief history of aviation.

**ANT**

ANT 101  General Anthropology 3-0-3  
**Prerequisite: ENG 100 with Grade of “C” or better or appropriate placement scores**  
This course is the study of physical and cultural anthropology. This course explores subfields of anthropology to examine primate biology, human paleontology, human variation, archeology and ethnology. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**AOT**

AOT 105  Keyboarding 3-0-3  
This course focuses on the mastery of touch keyboarding.

AOT 110  Document Formatting 3-0-3  
**Prerequisites: AOT 105 and AOT 165**  
This course emphasizes speed, accuracy and developing document formatting skills using keyboarding competencies.
AOT 133 Professional Development 3-0-3
Prerequisite: AOT 210 and AOT 165
This course emphasizes development of personal and professional skills required of an office worker in areas such as projecting a professional image, job seeking skills, office etiquette, ethics, and time and stress management.

AOT 134 Office Communications 3-0-3
This course is a study of grammar, punctuation, and written communication skills for the office environment.

AOT 161 Records Management 3-0-3
This course emphasizes information management functions and various types of information systems, technology and procedures.

AOT 165 Information Processing Software 3-0-3
This course includes applications of information processing software. Emphasis is placed on functions for acceptable document formatting and processing.

AOT 180 Customer Service 3-0-3
This course is a study of issues in the workplace relating to effective customer service. Course includes topics such as oral, written, verbal and nonverbal communication skills, effective telephone techniques and cultural diversity in the workplace.

AOT 210 Document Production 3-0-3
Prerequisite: AOT 110
This course emphasizes production of documents found in typical business offices. Major focus is on productivity and excellence in document production.

AOT 234 Administrative Office Communications 3-0-3
Prerequisites: AOT 105, AOT 134 and AOT 165
This course emphasizes communication skills necessary in the business environment. It includes composing business correspondence, developing and giving oral presentations, practicing recording and translating information using the latest technology, and developing effective communication skills.

AOT 239 Computerized Office Accounting 3-0-3
Corequisite: AOT 165
This course covers specialized accounting functions performed on a computer.

AOT 252 Medical Systems and Procedures 3-0-3
Prerequisites: AOT 210, HIM 103 and HIM 105
This course emphasizes development of proficiency in integrating skills commonly performed in medical offices.

AOT 254 Office Simulation 3-0-3
Prerequisites: AOT 210, AOT 234, AOT 261 and AOT 263
This course integrates a wide variety of skills and knowledge through practical work experiences in a simulated office environment.

AOT 261 Office Spreadsheet Applications 3-0-3
Prerequisite: AOT 165
This course introduces the concepts of spreadsheets for information management in an office environment.

AOT 263 Office Database Applications 3-0-3
Prerequisite: AOT 165
This course introduces the concepts and structures of a database and the application of the concepts in an office environment.

AOT 265 Office Desktop Publishing 3-0-3
Prerequisite: AOT 165
This course covers the integration of text and graphics using computer software to design, edit, and produce a variety of documents.

AOT 269 Internet Skills for Work 3-0-3
Prerequisite: AOT 165
This course is designed to enhance work place productivity through the use of the internet. Emphasis will be placed on the following topics: search engines, internet research, image and text formats, downloading from the internet, “netiquette,” and introduction to web page design.

AOT 270 SCWE in Office Systems 0-12-3
Prerequisites: AOT 210 and HIM 103 and HIM 105 OR AOT 210 and AOT 234 and AOT 261 and AOT 263
This course integrates office skills in an approved work site related to office systems technology.

ART 101 Art History & Appreciation 3-0-3
Prerequisite: ENG 100 with Grade of “C” or better or appropriate placement scores
This is an introductory course to the history and appreciation of art, including the elements and principles of the visual arts. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ART 108 History of Western Art 3-0-3
Prerequisite: ENG 100 with Grade of “C” or better or appropriate placement scores
This course is a visual and historical survey of western art from the renaissance through modern times. The techniques, forms, and expressive content of painting, sculpture, and architecture will be studied within the context of the cultural environments which produced them. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ARV 110 Computer Graphics I 3-0-3
Corequisite: ARV 121
This course is a study of the fundamentals of computer assisted graphic design.

ARV 121 Design 3-0-3
Corequisite: ARV 110
This course covers basic theories, vocabulary, principles, techniques, media and problem-solving in basic design.

ARV 162 Graphic Reproduction I 3-0-3
Prerequisite: ARV 121
Corequisite: ARV 210
This course is a study of the principles and practices used in print preparation and print reproduction.
ARV 163 Graphic Reproduction II 3-0-3  
Prerequisite: ARV 162  
This course covers the development of the practices and skills used in print preparation and print reproduction.

ARV 210 Computer Graphics II 3-0-3  
Prerequisite: ARV 110  
This course is an advanced computer art course which includes a study of the creation of graphics design using electronic imagery.

ARV 212 Digital Photography 2-3-3  
This course is a study of the principles, terminology, techniques, tools, and materials of basic digital photography. Images produced in this course will address the needs of the visual communication industry.

ARV 219 Multimedia Techniques 3-0-3  
Prerequisite: ARV 163  
This course is an introduction to the production of current audio-visual media.

ARV 222 Computer Animation 3-0-3  
Prerequisites: CPT 163  
This course introduces techniques of creating the illusion of motion and three-dimensional space.

ARV 227 Web Site Design I 3-0-3  
Prerequisite: ARV 162  
This course is an introduction to the production of an interactive world wide web site.

ARV 261 Advertising Design I 3-0-3  
Prerequisites: ARV 121, ARV 210 and ARV 162  
Corequisite: ARV 163  
This course is an introduction to the advertising arts, including the principles, techniques, media, tools, and skills used in the visual communication field.

ARV 262 Advertising Design II 3-0-3  
Prerequisite: ARV 261  
This course covers advanced knowledge, practices, and skills in the visual communication field.

ARV 264 Special Projects in Graphics Art 3-0-3  
Prerequisite: ARV 261  
This course includes an advanced project as assigned from conception to final production.

ARV 282 SCWE in Digital Arts 0-24-6  
This course integrates digital arts skills within an approved worksite relating to the digital arts industry.

AST 102 Stellar Astronomy 3-3-4  
Prerequisite: AST 101 with minimum grade of C  
This course is a descriptive survey of the universe with emphasis on basic physical concepts and galactic and extra-galactic objects. Related topics of current interest are included in the course. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

BAF 101 Personal Finance 3-0-3  
This course includes the practical applications of concepts and techniques used in managing personal finances. Major areas of study include financial planning, budgeting, credit use, housing, insurance, investments, and retirement planning.

BAF 260 Financial Management 3-0-3  
Prerequisites: ACC 102, BUS 101, MAT 101 or MAT 102 or MAT 120  
This course is a study of financial analysis and planning. Topics include working capital management, capital budgeting and cost of capital.

BCT 200 SCWE in Building Construction 0-32-8  
Technology  
Prerequisite: CET 127 or AET 101  
This course integrates building construction skills within an approved worksite related to the construction industry.

BIO 101 Biological Science I 3-3-4  
This course is a study of the scientific method, basic biochemistry, cell structure and function, cell physiology, cell reproduction and development, Mendelian genetics, population genetics, natural selection, evolution and ecology. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

BIO 102 Biological Science II 3-3-4  
Prerequisite: BIO 101 with grade of “C” or better  
This course is a study of the classification of organisms and structural and functional considerations of all Kingdoms ( particul- larly major phyla as well as viruses). Vertebrate animals and vascular plants are emphasized. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

BIO 105 Principles of Biology 3-3-4  
This is an introductory biology course, uniting biology concepts and principles at all levels. This course introduces molecules and basic chemistry, cell structure and function, cellular metabolism and cell division as well as DNA structure and function and basic genetics. This course progresses into evolution and ecology and also provides an overview of animal and plant structure and function.
BIO 112 Basic Anatomy & Physiology 3-3-4
This course is a basic integrated study of the structure and function of the human body.

BIO 202 Botany 3-3-4
Prerequisite: BIO 101 with grade of “C” or better
This course is a study of cells, tissue, structure, growth, development, organization, energetics, and physiology of plants.

BIO 210 Anatomy & Physiology I 3-3-4
Prerequisites: BIO 101, BIO 102, BIO 112, CHM 110, or MTH 113 with grade of “C” or better or appropriate placement scores
This is the first in a sequence of courses, including intensive coverage of the body as an integrated whole. All body systems are studied. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

BIO 211 Anatomy & Physiology II 3-3-4
Prerequisite: BIO 210 with grade of “C” or better
This is a continuation of a sequence of courses, including an intensive coverage of the body as an integrated whole. All body systems are studied. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

BIO 225 Microbiology 3-3-4
Prerequisite: BIO 102 or BIO 211 with grade of “C” or better or permission of Academic Chair
This course is a detailed study of microbiology as it relates to infection and the disease processes of the body. Topics include immunity, epidemiology, medically important microorganisms and diagnostic procedures for identification. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

BIO 265 Anatomy & Physiology Review 3-0-3
Prerequisites: BIO 210, BIO 211, BIO 225 with grade of “B” or better or permission of Academic Chair
This course is an intense study of the anatomy and physiology of the eleven organ systems, with emphasis on application to human health and the body’s defense mechanisms to pathogenic microbes and disease.

BKP 119 Introduction to Baking & Pastry 2-3-3
Prerequisite: CUL 112
This course introduces baking fundamentals and classical baking techniques in a laboratory setting.

BKP 121 Cake Decorating & Finishing 2-3-3
Prerequisites: CUL 112 with grade of “C” or better
This course covers the techniques and assembling used in finishing theme cakes and international cakes with a variety of mediums used in commercial bakeshops.

BKP 182 Artisan Breads 2-3-3
Prerequisites: CUL 112 with grade of “C” or better
This course introduces the fundamental skills, concepts and techniques of artisan bread baking. Use of sponges, wild yeast, bigas and poolish will be incorporated in making authentic rustic bread. Students will make an assortment of international breads as well as breads for special occasions.

BKP 220 Advanced Bakeshop 2-3-3
Prerequisite: BKP 119
This course is a study of the preparation of advanced, classical and international pastries. Emphasis is placed on producing quality, commercial baked goods.

BUS 101 Introduction to Business 3-0-3
This course is a study of the nature of business activity in relation to the economic society, including how a business is owned, organized, managed and controlled.

BUS 121 Business Law I 3-0-3
Prerequisite: BUS 101 or LEG 135 for AOT
This course is a study of legal procedures, law and society, classifications and systems of law, the tribunals administering justice and their actions, contracts, sales, transfer of titles, rights and duties of the parties, conditions and warranties.

BUS 210 Introduction to E-Commerce in Business 3-0-3
Prerequisites: BUS 101 and MKT 101
This course studies electronic commerce and the operations and applications from the business perspective. Emphasis is placed on business concepts and strategies and how they apply to the process of buying and selling goods and services online.

BUS 220 Business Ethics 3-0-3
This course includes an exploration of ethical issues arising in the context of doing business. Representative topics: employee rights and responsibilities, corporate regulations and rights, discrimination, truth in advertising, employee privacy, environmental exploitation and free enterprise.

BUS 240 Business Statistics 3-0-3
Prerequisites: MAT 101 or MAT 102 or MAT 110
This course studies statistical methods related to business, including descriptive statistics, probability, binomial and normal distributions, and hypothesis testing.
CET 127 Building Construction and Print Reading 3-3-4
Prerequisite: MAT 155 or higher
This course is a study of construction methods and print reading.

CET 140 Construction Financial Management 3-0-3
Prerequisite: Mat 101 or higher
This course is the study of the fundamental financial management principles and accounting systems used to manage a construction company. Additional topics include accounting methods and managing a project.

CET 210 Strength of Materials 2-3-3
Prerequisite: EGR 190 or EGR 260
This course covers the effects of applying various types of allowable stresses and strains.

CET 216 Soil Mechanics 2-3-3
Prerequisite: MAT 110 or MAT 175
This course covers soil types, their engineering properties and techniques of field and laboratory identification and testing.

CET 218 Hydraulics 2-3-3
Prerequisite: MAT 110 or MAT 175 and EGR 270
This course includes the fundamentals of flow, control, disposal of water, and flow through open and closed conduits, orifices and weirs. Emphasis is on determination of pressure and head losses in simple and complex piping systems.

CET 230 Construction Management 2-3-3
Prerequisites: EGR 170 and CET 127
This course covers the study of management of construction firms, including one or more of the following areas: bidding process, contracts, job costs, labor costs and labor relations. Additional topics include quality job site safety, project documentation, and subcontractor relations.

CET 238 Construction Planning & Scheduling 1-3-2
Prerequisite: CET 230
This course covers the decision-making process involved in organizing the labor, materials and equipment for a construction project. Additional topics include organizing work into logical and sequenced construction activities and durations. Emphasis is on the CPM method as a scheduling technique. Computer software is used throughout the course.

CET 242 Concrete Design 2-3-3
Prerequisites: CET 210 or EGR 190 or EGR 260
This course covers the design of concrete structural members according to ACI codes, quality control of concrete and structural inspection. Emphasis is on reinforced concrete with steel rebar.

CET 245 Cost Estimating 2-3-3
This course includes a study of project cost and scheduling through the use of proven construction estimating techniques. Emphasis is on cost analysis and quantity takeoffs. Computer spreadsheet software is utilized throughout the course.

CET 246 Environmental Systems Technology 2-3-3
Prerequisite: MAT 110 or MAT 175
This course covers a study of the sources, treatment, collection and distribution of water and waste water.

CET 251 Highway Design 2-3-3
Prerequisites: MAT 110 or MAT 175 and EGR 275
This course covers a study of the design and construction of highway. Study follows DOT requirements.

CET 252 Special Topics in Engineering Technology 3-0-3
This course is the study of current, relevant topics in the field of civil engineering technology.

CET 260 Construction Management Senior Project 3-0-3
Prerequisites: CET 230 and CET 245
This capstone course promotes the integration of the knowledge and skills of the construction management technology field.

CHM 105 General, Organic & Biochemistry 3-3-4
This course is a study of the fundamental principles of chemistry, including atomic and molecular structure, common substances and reactions, introduction to organic chemistry and biochemistry.

CHM 110 College Chemistry I 3-3-4
Prerequisite: MAT 155 or higher or appropriate placement scores
This is the first course in a sequence which includes the following topics: atomic and molecular structure, nomenclature and equations, properties, reactions and states of matter, stoichiometry, gas laws, solutions, and equilibria. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

CHM 111 College Chemistry II 3-3-4
Prerequisite: CHM 110 with grade of “C” or better
(For students continuing in chemistry) This university parallel course is a continuation of the study of atomic and molecular structure, nomenclature and equations, properties, reactions and states of matter, stoichiometry, gas laws, solutions, and equilibria. Other topics included are kinetics, thermodynamics and electrochemistry. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

CHM 211 Organic Chemistry I 3-3-4
Prerequisite: CHM 111 with grade of “C” or better
This is the first in a sequence of courses that includes nomenclature, structure and properties, and reaction mechanisms of basic organic chemistry. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.
CHM 212 Organic Chemistry II 3-3-4
Prerequisite: CHM 211 with grade of “C” or better
This course is a continuation of basic organic chemistry. Topics include nomenclature, structure and properties, reaction mechanisms of basic organic chemistry, biochemistry, and spectroscopy. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

COL

COL 100 Skills for Life-Long Learning 3-0-3
This course is a study of critical thinking, reading, writing skills, quantitative reasoning, technology competency, oral communication, and career exploration. An emphasis will be placed on the computer technology skills needed for academic success at the college level.

COL 105 Freshmen Seminar 3-0-3
This course is a study of the purposes of higher education and provides a general orientation to the functions and resources of the College. The course is designed to help freshmen adjust to the college community, develop a better understanding of the learning process, and acquire essential academic survival skills.

COS

COS 106 Facials & Make-Up 1-6-3
Prerequisite: COS 155
Corequisites: COS 108, COS 112, COS 130, COS 220
This is an introductory course to the procedures for various skin treatments, including anatomy, chemistry, and safety.

COS 108 Nail Care 1-6-3
Prerequisite: COS 155
This course is a study of nail structure and manicuring techniques, including anatomy, chemistry and safety.

COS 110 Scalp & Hair Care 0-9-3
Prerequisite: COS 220
Corequisites: COS 201, COS 222
This course is a study of the structure and composition of hair, including the analysis and treatment of certain conditions of the hair and scalp.

COS 112 Shampoo & Rinses 1-9-4
Prerequisites: COS 114, COS 116, COS 155, COS 206 and COS 210
This course studies procedures and safety precautions in the application of shampoo and rinses.

COS 114 Hair Shaping 1-9-4
Prerequisite: Appropriate placement scores
Corequisites: COS 116, COS 155, COS 206, COS 210
This is an introductory course to the techniques of hair shaping. Emphasis is given to the correct use and safety of implements, proper hair sectioning, and various techniques used in hair design in relationship to body structure.

COS 116 Hair Styling I 1-9-4
Prerequisite: Appropriate placement scores
Corequisites: COS 114, COS 155, COS 206, COS 210
This course is a study of the fundamentals of hair design, including principles, techniques, safety precautions, and chemistry.

COS 130 Professional Image 1-3-2
Prerequisite: COS 155
This course is an introductory course that includes an overview of professionalism. Emphasis is on conduct, ethics, appearance and interpersonal skills.

COS 131 Bacteria & Other Infectious Agents 2-0-2
Prerequisite: Appropriate placement scores
Corequisites: COS 132, COS 133, COS 135, COS 136, COS 224
This course is an extensive study of bacterium and other infectious agents. Focus is on prevention, sanitation and safety.

COS 132 Science of Nail Technology 2-0-2
Corequisites: COS 131, COS 133, COS 135, COS 136, COS 224
This course is an in-depth study of the structure of the human body and the functions it performs. Focus is on nail and skin disorders, with emphasis on consultations.

COS 133 Basic Procedures 3-0-3
Corequisites: COS 131, COS 132, COS 135, COS 136, COS 224
This course explores the basic steps, procedures, equipment and materials for manicuring and pedicuring. Emphasis is on current trends and issues, with a review of state regulations.

COS 135 Business of Nail Technology 2-0-2
Corequisites: COS 131, COS 132, COS 133, COS 136, COS 224
This course explores the different types of working environments and handling of the business part of nail care. Focus is on products and services, professionalism and ethics.

COS 136 Fundamentals of Artificial Nail Application 3-3-4
Corequisites: COS 131, COS 132, COS 133, COS 135, COS 136, COS 224
This course introduces the fundamentals of gel/powder acrylic sculpturing, repairs, maintenance, various nail wraps and tip application.

COS 151 Dermatology 1-6-3
Corequisites: COS 152, COS 156, COS 157, COS 158, COS 164, COS 221
Prerequisite: Appropriate placement scores
This course studies the structure, functions, conditions and disorders of the skin.

COS 152 Hygiene & Sanitation 2-0-2
Corequisites: COS 151, COS 156, COS 157, COS 158, COS 164, COS 221
This course is the study of professional hygiene and various methods of sanitation for facial implements and equipment used in the salon.

COS 155 Sanitation Procedures 1-3-2
Prerequisite: Appropriate placement scores
Corequisites: COS 114, COS 116, COS 206, COS 210
This course is the study of methods for sanitation for facial implements and equipment used in the salon.

COS 156 Fundamentals of Massage 0-6-2
Corequisites: COS 151, COS 152, COS 157, COS 158, COS 164, COS 221
This is an introductory course in the theory, preparation, manipulations, and safety measures of massage.
COS 157 Electrical Currents & Hair Removal 3-0-3
Corequisites: COS 151, COS 152, COS 156, COS 158, COS 164, COS 221
This course is a study of electrical currents as they relate to hair removal services. Emphasis is placed on the types of electrical currents associated with varying equipment. Topics also include proper procedures, safety measures, and sanitation practice.

COS 158 Facial Treatments 0-6-2
Corequisites: COS 151, COS 152, COS 156, COS 157, COS 164, COS 221
This is an introductory course in procedures for various skin treatments and safety.

COS 164 Basic Makeup & Application 3-0-3
Corequisites: COS 151, COS 152, COS 156, COS 158, COS 221
This is an introductory course in makeup application, including purpose, effects, supplies, implements, preparation, procedures, and safety.

COS 201 Salon Management 1-6-3
Prerequisites: COS 130 and COS 155
This course is a study of salon management, including the rules, regulations and codes governing the practice of cosmetology.

COS 206 Chemical Hair Waving 1-6-3
Prerequisite: Appropriate placement scores
Corequisites: COS 114, COS 116, COS 155, COS 210
This course is a study of methods of permanently waving the hair, including product, chemistry and safety.

COS 210 Hair Coloring 0-9-3
Prerequisite: Appropriate placement scores
Corequisites: COS 116, COS 155, COS 206, COS 210
This course is a study of the science and art of coloring the hair, including methods, procedures, safety precautions, and chemistry.

COS 220 Cosmetology Clinical Practice I 0-9-3
Prerequisites: COS 114, COS 116, COS 155, COS 206, and COS 210
This course is an integration of cosmetology skills in a simulated salon environment.

COS 221 Facial Practice I 0-6-2
Corequisites: COS 151, COS 152, COS 156, COS 157, COS 158, COS 164
This course is an integration of massage and facial skills in a simulated salon environment.

COS 222 Cosmetology Clinical Practice II 0-9-3
Prerequisites: COS 112, COS 155 and COS 220
This course is an integration of cosmetology skills in a simulated salon environment to provide additional practical hours in skill development.

COS 224 Nail Practice I 1-9-4
Corequisites: COS 131, COS 132, COS 133, COS 135, COS 136 or approval of program coordinator
This course is an integration of manicuring and pedicuring skills in a supervised simulated salon environment.

CPT 101 Introduction to Computers 3-0-3
This course covers basic computer history, theory and applications, including word processing, spreadsheets, data bases, and the operating system.

CPT 162 Introduction to Web Page Publishing 2-3-3
Prerequisites: CPT 187 and IST 226
This course is a study of the fundamentals of website design and implementation.

CPT 163 Introduction to Multimedia for Web Pages 2-3-3
This course is a study of the development and editing of graphics, audio, and video elements to be used in the design and implementation of effective websites.

CPT 168 Programming Logic & Design 2-3-3
Corequisite: MAT 101 and appropriate ENG/RDG scores
This course examines problem-solving techniques applied to program design. Topics include a variety of documentation techniques as means of solution presentation.

CPT 170 Microcomputer Applications 2-3-3
This course introduces microcomputer applications software, including word processing, data bases, spreadsheets, graphs and their integration.

CPT 176 Microcomputer Operating Systems 2-3-3
This course covers operating system concepts of microcomputers, including file maintenance, disk organization, batch files and subdirectory concepts.

CPT 187 Object-Oriented Logic & Design 2-3-3
Prerequisite: CPT 168
This is a study in the planning and implementation of object-oriented programs.

CPT 208 Special Topics in Computer Technology 2-3-3
This course focuses on changes in computer technology.

CPT 209 Computer Systems Management 2-3-3
This course examines the methods and procedures used in maintaining microcomputer systems. Topics include hardware and software installation, configuration, operations and troubleshooting.

CPT 236 Introduction to Java Programming 2-3-3
Prerequisite: CPT 187
This is an introduction to java programming. Topics will cover java syntax and classes for use in the development of java applications and applets.

CPT 237 Advanced Java Programming 2-3-3
Prerequisite: CPT 236
The course is a study of advanced topics of the java programming language by building on a basic knowledge of the java language. Topics covered will include multi-reading, swing classes, swing event models, advanced layout managers, the javabean component model, network programming and serverside programming.
This course introduces data base models and the fundamentals of data base design. Topics include database structure, database processing, and application programs, which access a database.

**CRJ 260 Fundamentals of Operating Systems & Web Services**
Prerequisite: CPT 176
This course is a study of operating techniques needed for setting up and maintaining web servers.

**CRJ 262 Advanced Website Publishing**
Prerequisites: CPT 162
This course is a study of advanced techniques in web page design and implementation.

**CRJ 264 Systems and Procedures**
Prerequisite: CPT 242
This course covers the techniques of system analysis, design, development and implementation.

**CRJ 270 Advanced Microcomputer Applications**
Prerequisite: CPT 170
This course emphasizes the integration of popular microcomputer software packages using advanced concepts in microcomputer applications software.

**CRJ 280 SCWE in Computer Technology**
Prerequisite: CPT 242
This course integrates Computer Technology skills within an approved work site related to the computer industry.

**CRJ 101 Introduction to Criminal Justice**
This course includes an overview of the functions and responsibilities of agencies involved in the administration of justice to include police organizations, court systems, correctional systems and juvenile justice agencies.

**CRJ 115 Criminal Law I**
This course covers the development of criminal law in America. The basic elements of specific criminal offenses, criminal defenses & various legal principles upon which criminal law is established are reviewed. This course is designed to familiarize the criminal justice student with criminal law in general and in South Carolina in particular.

**CRJ 120 Constitutional Law**
This course covers the analysis of the historical development of the U.S. Constitution and the relationship of rights contained therein to the state and the individual. The application of the Bill of Rights to federal and state systems is examined.

**CRJ 125 Criminology**
This course is a study of the various theories of criminal causation and control, the identification of criminal typologies and the reaction of society to crime and criminals.

**CRJ 130 Police Administration**
Prerequisite: CRJ 101 with grade of “C” or better
This course is a study of the organization, administration and management of law enforcement agencies.

**CRJ 141 Forensic & Investigative Report Writing**
Prerequisite: CRJ 235 with grade of “C” or better
This course is a study of proper investigative and crime lab documentation through focused observational and writing skills. Effective techniques in the development of a criminal case file are examined, as well as the ethical and legal pitfalls encountered through poorly written documentation.

**CRJ 145 Juvenile Delinquency**
Prerequisites: CRJ 101 and CRJ 125 with grade of “C” or better
Corequisite: CRJ 101 or permission of Department Chair
This course includes a survey of the sociological, biological and psychological theories involved in juvenile delinquency, modern trends in prevention and treatment.

**CRJ 197 Advanced Fingerprint Classification**
Prerequisite: CRJ 235
This course is an advanced study of pattern types, classification filing sequence, searching and referencing. Additionally, coursework will include an introduction to Automated Fingerprint Identification (AFIS).

**CRJ 198 Fingerprint Classification**
Prerequisite: CRJ 235
This course introduces the basic elements of fingerprint technology and techniques including the history and meaning of fingerprints, pattern types and classification filing sequence, searching and referencing.

**CRJ 199 X-Rays as Investigative Tools**
Prerequisite: CRJ 235 with “C” or better
This course is an introduction to the use of X-rays as an investigative tool in cases associated with injury and trauma such as battered child syndrome. The course will be an examination of the role that X-rays play in analysis of evidence and in support of courtroom testimony.

**CRJ 200 Basic Latent Print Development**
Prerequisite: CRJ 235 with “C” or better
This course is an introduction to the value of latent fingerprint evidence, the various conditions that affect the development and recovery of latent fingerprints, and the optimum methods of processing items of evidence found in crime scenes.

**CRJ 201 Fingerprint Science**
Prerequisite includes a basic, practical approach to fingerprint classification, identification, and filing system for the police officer, investigator, or beginning fingerprint technician

**CRJ 202 Criminalistics**
This course covers an introduction to investigative techniques which stress the examination of questioned documents, fingerprint techniques, polygraph examinations, firearms’ identification, pathology, toxicology, ballistics, and clandestine operations.
CRJ 203 Forensic Photography 3-0-3
Prerequisite: CRJ 101 with grade of “C” or better or permission of Academic Chair
This course is designed to introduce students to procedures for photographic documentation of crime scenes and physical evidence, including preparation of court exhibits and in-court presentations.

CRJ 204 Advanced Crime Scene and Investigative Photography 3-0-3
Prerequisite: CRJ 235 with grade of “C” or better
This course is the study of advanced photography procedures and methodologies used in the documentation of crime scenes and forensic evidence to encompass the use of forensic light sources, digital imaging and the preparation and presentation of courtroom exhibits.

CRJ 206 Advanced Techniques in Fingerprint Development and Collection 3-0-3
Prerequisite: CRJ 235 with grade of “C” or better
This course examines the application and use of enhancement techniques, procedures and equipment, including the variety of powders used for the development of latent print evidence. Coursework is applied to different environments found in the field at crime scenes and in the crime lab.

CRJ 217 Crime Scene Investigations for Major Incidents & Mass Crimes 3-0-3
Prerequisite: CRJ 235 with grade of “C” or better
This course introduces students to securing, documenting and processing a large geographical crime scene. Topics include implementation of an effective incident command system, obtaining necessary resources, & overcoming unexpected obstacles associated with investigating a large geographical event.

CRJ 218 Crisis Intervention 3-0-3
Corequisite: CRJ 101 or permission of Academic Chair
This course is a study of the situational procedures and techniques necessary in defusing situations identified as crises.

CRJ 220 The Judicial Process 3-0-3
Prerequisites: CRJ 101 and CRJ 120 with grade of “C” or better
This course is an overview of the law-making function of the courts, the growth of common law, the structure and organization of the courts, court processes and procedures involved in criminal and civil cases, and the question of reform for the administration of justice.

CRJ 224 Police Community Relations 3-0-3
Prerequisites: CRJ 101 and CRJ 130 with grade of “C” or better
This course is a study of the importance of two-way communication between the criminal justice system and the community to foster a working relationship to control crime. A variety of topics are studied, including citizen involvement in crime prevention and police officer interpersonal relations.

CRJ 225 Impression Evidence 3-0-3
Prerequisite: CRJ 235 with grade of “C” or better
This course provides a study of the fundamental concepts of footwear and tire imprint evidence as related to forensic science, proper photographic recording, and casting and imprint identification.

CRJ 226 Advanced Bloodstain & Firearm Pattern Evidence Analysis 3-0-3
Prerequisites: CRJ 229 and CRJ 235 with grade of “C” or better
This course examines the principles and techniques used to establish the parameters in bullet trajectory and bloodstain pattern analysis as they relate to crime scene reconstruction.

CRJ 227 Collection & Preservation of Biological Evidence 3-0-3
Prerequisite: CRJ 235 with grade of “C” or better
This course is designed to introduce students to the proper collection and preservation of biological evidence used to connect the crime scene with a suspect. The need for precise collection records and use of established methods required for crime scene sample analysis.

CRJ 228 Homicide Investigation 3-0-3
Prerequisites: CRJ 229 and CRJ 235 with grade of “C” or better
This course is an overview of the elements involved in death investigations to include crime scene evaluation and documentation, comprehension of forensic evidence, investigative strategies and case and courtroom presentations.

CRJ 229 Blood Pattern Analysis 2-3-3
Prerequisites: CRJ 101, CRJ 202, and CRJ 203 with grade of “C” or better
This course is an introduction to the theoretical foundations and scientific principles of bloodstain pattern analysis in the investigation of crimes of violence, including the properties, flight characteristics and bloodstain patterns, documentation and investigative significance of blood stains.

CRJ 230 Criminal Investigation I 3-0-3
Prerequisites: CRJ 101 and CRJ 120 with grade of “C” or better
Corequisite: CRJ 101
This course is a study of the fundamentals of interviewing witnesses and interrogating suspects. Different methods of conducting crime scene searches and methods used in investigating various crimes are studied in the course.

CRJ 233 Cyber Crimes & the Law 3-0-3
This course examines the problem of crime involving computers and the strategies used for identification, investigation and prosecution.

CRJ 235 Practical Crime Scene Investigations 2-3-3
Prerequisites: CRJ 101, CRJ 201, CRJ 203 and CRJ 229 with grade of “C” or better
This course is the study of practical, hands-on instruction in methodology and policies for the identification, interpretation, collection, packaging, preservation, and chain of custody of crime scenes and evidence taken from crime scenes.

CRJ 236 Criminal Evidence 3-0-3
Prerequisites: CRJ 115, CRJ 120 and CRJ 220 with grade of “C” or better
This course is a study of the established rules of evidence from arrest to release in the administration of criminal justice. The course focuses on the relationship between evidence and criminal procedure. The course will examines the path that evidence takes from arrest through presentation in court including the rules of evidence, examination of evidence, examination of witnesses, articles and exhibits, opinion evidence, and jury process and verdict.
CUL 104 Introduction to Culinary Arts 3-0-3
This survey course introduces students to the world of culinary arts. Students will be exposed to culinary history, culinary organizations and branches of the culinary field that offer different opportunities in the profession.

CUL 105 Kitchen Fundamentals 2-3-3
Pre or Corequisite: CUL 104 and CUL 109 with grade of “C” or better
This course introduces students to the foundations of sanitation, basic measurements, equipment identification and basic costing.

CUL 109 Sanitation & Nutrition 2-3-3
This course combines safety and sanitation practices with the science of nutrition. Students will study culinary nutrition in a lab setting while applying safe, sanitary practices.

CUL 112 Classical Foundations of Cooking 2-3-3
Pre or Corequisite: CUL 105 with grade of “C” or better
This course introduces classical cooking techniques that include stock, soup and sauce making. Students apply moist and dry heat classical cooking techniques while working with grains, vegetables and proteins.

CRJ 239 Terrorism & Homeland Security 3-0-3
This course provides an overview of the problem of terrorism and homeland security efforts by drawing on several disciplines. An emphasis is placed on problems and countermeasures within an “all-hazards” approach to protecting people and assets.

CRJ 241 Transportation & Border Security 3-0-3
Prerequisites: CRJ 101, CRJ 120, CRJ 233 and CRJ 239 with grade of “C” or better
This course provides an in-depth view of modern border and transportation security. Specific topics include security for seaports, ships, aircraft, trains, trucks, pipelines, buses, and other types of transportation, as well as a study of the technology needed to for terrorist and weapon detection.

CRJ 242 Correctional Systems 3-0-3
Prerequisites: CRJ 101 and CRJ 125 with grade of “C” or better
This course is an introduction to aspects of the correctional function in criminal justice, including organization, process, procedure, and clients incarcerated and on conditional release.

CRJ 245 Intelligence Analysis & Security Management 3-0-3
Prerequisites: CRJ 101, CRJ 120, CRJ 233 and CRJ 239
This course examines intelligence analysis and its relationship to the security management of terrorist attacks, man-made disasters and natural disasters. Topics will also include the related vulnerabilities of our national defense and private sectors.

CRJ 260 Seminar in Criminal Justice 3-0-3
Prerequisites: CRJ 125, CRJ 130, ENG 101, ENG 102, SPC 205, all with grade of “C” or better
Corequisites: CRJ 236, SPC 205
This course includes a study of new trends in criminal justice. This course, through such activities as an internship, portfolio development, and portfolio presentation, allows the criminal justice student to demonstrate effective skills and competencies based on the courses successfully completed. The course is designed as a second-year course, and should be one of the final courses the criminal justice student attempts.

CRJ 264 Chemical & Alternative Methods in Latent Print Development and Collection 3-0-3
Prerequisite: CRJ 235 with grade of “C” or better
This course examines the application of development and enhancement techniques through the use of forensic chemicals and related equipment including iodine fuming, Silver Nitrate, and other regents, to develop latent fingerprints and other impressions on physical evidence from crime scenes.

CRJ 265 Methods in Latent Print Development and Collection 3-0-3
Prerequisite: CRJ 235 with grade of “C” or better
This course examines the application of development and enhancement techniques through the use of forensic chemicals and related equipment including iodine fuming, Silver Nitrate, and other regents, to develop latent fingerprints and other impressions on physical evidence from crime scenes.
CUL 187 Cuisines of Asia 2-3-3
Prerequisites: CUL 104, CUL 105, CUL 109 and CUL 112 with grade of “C” or better
This course provides students the opportunity to familiarize themselves with the basic influences, ingredients, utensils, and cooking techniques of various Asian cuisines. Students will identify the influence of Asian cuisines on western cooking and the development of East meets West cooking. Students prepare, taste, serve and critique regional dishes of China, Japan, Korea, Vietnam, Thailand, and India.

CUL 215 Cuisine of the Americas 2-3-3
Prerequisites: CUL 112 with grade of “C” or better
This course is a study of the cuisine of the culinary regions of the United States, South and Central America, Mexico and the Caribbean.

CUL 220 Introduction to Garde Manger 2-3-3
Prerequisites: BKP 119 and CUL 215
This production course provides students with skills and knowledge of the organization, equipment and responsibilities of the “cold Kitchen.” Students are introduced to classical garde manger techniques; salad and salad dressings, sandwiches, cured and smoked meats, sausage, terrines and pates, canapes, hors d’oeuvres, cold soups, vegetable and fruit displays, basic cheese knowledge and buffet presentation. Students must pass a written and practical exam.

CUL 235 Menu Planning 3-0-3
Prerequisites: CUL 104, CUL 105, CUL 109, and CUL 112 with grade of “C” or better
This course is a study of the principles of menu planning and design with application of basic nutrition, organization plans and record keeping techniques.

CUL 236 Restaurant Capstone 1-6-3
Prerequisites: CUL 123 and CUL 235
This course will include capstone competencies for culinary arts students. Students will manage and work multiple stations, develop food specials, cost menus, take inventories, produce a menu analysis and expedite food from the kitchen to the dining room.

CUL 277 SCWE in Culinary Arts 0-12-3
Prerequisite: CUL 215
This course integrates culinary skills at an approved work site related to the culinary industry.

CUL 299 Special Topics in Culinary Studies 2-3-3
Prerequisites: BKP 119 and CUL 215
This course will focus on a special topic in culinary or baking pastry arts such as regional world cuisines, food history, or current trends.

CWE
Cooperative Work Experience (varying credits)
This course includes cooperative work experience in an approved setting. Course numbers vary per semester. CWE may be taken for 1 to 8 credit hours, depending on weekly hours of student employment. CWE courses require 5 contact hours for one credit hour. Enrollment in CWE courses must be approved by the faculty advisor.

DAT 113 Dental Materials 3-3-4
Prerequisite: DAT 115
Corequisites: DAT 118, DAT 127, DAT 154
This course is a study of physical and chemical properties of matter and identification, characteristics and manipulation of dental materials.

DAT 115 Ethics & Professionalism 1-0-1
Prerequisites: Acceptance into Expanded Duty Dental Assisting Program
Corequisites: AHS 106, BIO 112, ENG 155, MAT 155
This course introduces a cursory history of dental assisting, professional associations, scope of service in dentistry, and ethical, legal, and professional considerations. The state dental practice act is reviewed.

DAT 118 Dental Morphology 2-0-2
Prerequisite: DAT 115
Corequisites: DAT 113, DAT 127, DAT 154
This course emphasizes the development, eruption and individual characteristics of each tooth and surrounding structures.

DAT 121 Dental Health Education 1-3-2
Prerequisites: DAT 113, DAT 118, DAT 127 and DAT 154
Corequisites: DAT 122, DAT 123, DAT 174, DAT 183
This course defines the responsibilities of the dental assistant in individual and community dental health education, with emphasis on the etiology of dental disease, methods for prevention and principles of nutrition in relationship to oral health and preventative dentistry.

DAT 122 Dental Office Management 1-3-2
Prerequisites: DAT 113, DAT 118, DAT 127 and DAT 154
Corequisites: DAT 121, 123, DAT 174, DAT 183
This course provides a study of the business aspect of a dental office.

DAT 123 Oral Medicine/Oral Biology 3-0-3
Prerequisites: DAT 113, DAT 118, DAT 127 and DAT 154
Corequisites: DAT 121, DAT 122, DAT 174, DAT 183
This course presents a basic study of oral pathology, pharmacology, nutrition, and common emergencies as related to the role of the Dental Assistant.

DAT 127 Dental Radiography 3-3-4
Prerequisite: DAT 115
Corequisites: DAT 113, DAT 118, DAT 154
This course provides the fundamental background and theory for the safe and effective use of X-radiation in dentistry. It encompasses the history of X-rays, production and uses of radiation, radiographic film, exposure factors, interpretation of radiographs and radiation hygiene.

DAT 154 Clinical Procedures I 2-6-4
Prerequisite: DAT 115
Corequisites: DAT 113, DAT 118, DAT 127
This course includes preparation to assist a dentist efficiently in four-handed dentistry. Emphasis is on the names and functions of all dental instruments, the principles involved in their use and the assistant’s role in dental instrumentation.
This course is a study of the basic principles of infection control and hazardous waste communication; instrumentation, instrument design; operator and patient positioning; operation of basic dental equipment; patient evaluation and medical history review.

This course is an introduction to dental specialties, the refinement, and the roles served by assistants in the dental specialties, and the expanded legal functions for qualified assistants.

This course provides a study of the basic principles of infection control and hazardous waste communication; instrumentation, instrument design; operator and patient positioning; operation of basic dental equipment; patient evaluation and medical history review.

This course consists of practice in the dental office or clinic with rotation of assignments to encompass experiences in office management and clinical experience in all areas of dentistry.

This course is a study of the basic principles of infection control and hazardous waste communication; instrumentation, instrument design; operator and patient positioning; operation of basic dental equipment; patient evaluation and medical history review.

This course is a study of the basic principles of infection control and hazardous waste communication; instrumentation, instrument design; operator and patient positioning; operation of basic dental equipment; patient evaluation and medical history review.

This course provides a study of drugs used in dentistry. Emphasis is given to the relationship between diet and oral health. This course studies nutrients, their nature, source and utilization. Emphasis is placed on ethical/legal aspects of dental hygiene practice and practice management techniques.

This course provides a study of drugs used in dentistry. Emphasis is given to the relationship between diet and oral health. This course studies nutrients, their nature, source and utilization. Emphasis is placed on ethical/legal aspects of dental hygiene practice and practice management techniques.

This course provides a study of the basic principles of infection control and hazardous waste communication; instrumentation, instrument design; operator and patient positioning; operation of basic dental equipment; patient evaluation and medical history review.

This course is an introductory course to the clinical setting for application of dental hygiene skills for patient care.

This course provides a study of drugs used in dentistry. Emphasis is given to the relationship between diet and oral health. This course studies nutrients, their nature, source and utilization. Emphasis is placed on ethical/legal aspects of dental hygiene practice and practice management techniques.

This course provides a study of drugs used in dentistry. Emphasis is given to the relationship between diet and oral health. This course studies nutrients, their nature, source and utilization. Emphasis is placed on ethical/legal aspects of dental hygiene practice and practice management techniques.

This course provides a study of drugs used in dentistry. Emphasis is given to the relationship between diet and oral health. This course studies nutrients, their nature, source and utilization. Emphasis is placed on ethical/legal aspects of dental hygiene practice and practice management techniques.

This course provides a study of drugs used in dentistry. Emphasis is given to the relationship between diet and oral health. This course studies nutrients, their nature, source and utilization. Emphasis is placed on ethical/legal aspects of dental hygiene practice and practice management techniques.
DMS 101 Ultrasound Physics & Instrumentation I  2-0-2
Prerequisite: DMS 164
This course is a study of fundamental principles of acoustic physics including sound waves, sound wave propagation, sound wave interactions, image production, ultrasound transducers, transducer arrays, transducer operation, imaging modes, and biological effects.

DMS 112 OB/GYN Sonography I  2-3-3
Prerequisite: Acceptance into Diagnostic Medical Sonography
This course is a study of the sonographic imaging methods of the female pelvis, the fetus & the gravid uterus, emphasizing anatomy, physiology, pathology & embryology.

DMS 114 Cross Sectional Anatomy  2-3-3
Prerequisite: Acceptance into Diagnostic Medical Sonography
This course is a study of cross-sectional and Sagittal anatomy of the abdomen, along with basic scanning techniques.

DMS 120 Sonographic Instrumentation II  3-0-3
Prerequisite: DMS 101
This course is an advanced study of the machine instrumentation, including display modes, components of an ultrasound system, quality control, an introduction to Doppler, the biological effects of ultrasound, artifacts and future trends.

DMS 122 Abdominal Sonography  0-3-1
Prerequisite: DMS 101
This course is a study of the less common, but significant pathological conditions of the abdominal organs and systems, advanced disease processes, differential diagnosis associated with these pathologies, and advanced scanning methods.

DMS 124 OB/GYN Sonography II  1-3-2
Prerequisite: DMS 112
This course is an advanced study of gynecological pathology processes, including fetal anomalies/abnormalities and advanced fetal gestational age testing.

DMS 155 Clinical Education  0-24-8
Prerequisite: DMS 164
This course is a supervised clinical experience and practice designed to introduce the student to the Diagnostic Ultrasound Department.

DMS 164 Introduction to Clinical Education
Prerequisite: Acceptance into Diagnostic Medical Sonography
This course is a supervised clinical experience and practice designed to introduce the student to the Diagnostic Ultrasound Department.

DMS 166 Advanced Clinical Education  0-21-7
Prerequisite: DMS 155
This course is a supervised clinical experience and practice designed to continue and advance the student's ultrasound scanning skills and techniques.

DMS 167 Imaging Practicum  0-24-8
Prerequisite: DMS 165 or DMS 166
This course is a supervised clinical experience and practice designed to continue and advance the student's ultrasound scanning skills and techniques. This clinical course also provides an opportunity for students to explore advancements in sonography.

ECD 101 Introduction to Early Childhood  3-0-3
Prerequisite: Accepted into ECD7 or ECE3, ENG 032
This course is an overview of growth and development, developmentally appropriate curriculum, positive guidance techniques, regulations, health, safety, and nutrition standards in early care and education. Professionalism, family/cultural values and practical applications based on historical and theoretical models in early care and education are highlighted in the course.

ECD 102 Growth & Development I  3-0-3
Prerequisites: ECD 101, ENG 100
This course is an extensive study of philosophies and theories of growth and development of infants/toddlers. Focus is on “total” development of the child, emphasizing physical, social, emotional, cognitive and nutritional areas. Developmental tasks and appropriate activities are explored in the course. (NAEYC Key Assessment Course)

ECD 105 Guidance/Classroom Management  3-0-3
Prerequisites: ECD 102, ENG 155 or ENG 101 with grade of “C” or better
This course is an overview of developmentally appropriate, effective guidance and classroom management techniques for the teacher of young children. A positive pro-active approach is stressed in the course.

ECD 107 Exceptional Children  3-0-3
Prerequisites: ECD 101, ENG 100
This course includes an overview of special needs children and their families. Emphasis is on prevalence of disorders, treatment modalities, community resources serving exceptional children, the teacher’s role in mainstreaming and early identification, and on federal legislation affecting exceptional children.

ECD 108 Family & Community Relations  3-0-3
Corequisites: ECD 101, ENG 100
This course is an overview of techniques and materials promoting effective family/program partnerships to foster positive child development. Emphasis is on availability and accessibility of community resources, and on developing appropriate communication skills.

ECD 109 Administration and Supervision  3-0-3
Prerequisites: ECD 108, ECD 201, ENG 155 or ENG 101 with grade of “C” or better
This course is a study of the role and responsibilities of an early childhood administrator. Special focus is on program monetary matters, space management, curriculum, health and food services and relations among the public, staff and parents.
ECD 131 Language Arts 2-3-3
Prerequisites: ECD 101
This course studies methods and materials in age-appropriate language experiences. Opportunities provided to develop listening, speaking, pre-reading and pre-writing skills through planning, implementation and evaluation of media, methods, techniques and equipment. Methods of selection, evaluation and presentation of children's literature are included.

ECD 132 Creative Experiences 3-0-3
Prerequisite: ECD 131
In this course the importance of creativity and independence in creative expression are stressed. A variety of age-appropriate media, methods, techniques and equipment are utilized. Students plan, implement and evaluate instructional activities.

ECD 133 Science & Math Concepts 2-3-3
Prerequisites: ECD 131, ENG 100
This course includes an overview of pre-number and science concepts developmentally-appropriate for young children. Emphasis is on the planning, implementation and evaluation of developmentally-appropriate activities utilizing a variety of methods and materials.

ECD 135 Health, Safety & Nutrition 3-0-3
Prerequisites: ECD 101, ENG 100
This course covers a review of health/safety practices recommended for childcare and includes information on common diseases and health problems. Certification preparation is provided in pediatric safety, CPR and first aid. Guidelines and information on nutrition and developmentally appropriate activities are also studied in the course.

ECD 200 Curriculum Issues in Infant & Toddler Development 3-0-3
Prerequisites: ECD 102
This course is a study of infant and toddler care. Emphasis is on brain development and its implications for caring for infants and toddlers. Planning and teaching strategies as they relate to child development, curriculum and environment are included in the course.

ECD 201 Principles of Ethics & Leadership in Early Care and Education 3-0-3
Prerequisites: ECD 102, ENG 155 or ENG 101 with "C" or better
This course includes an overview of historical views on leadership & issues & challenges of leadership in early care & education. Emphasis on current trends and issues. This course also reviews ethical principles as they relate to children, families, colleagues the community, and society.

ECD 203 Growth & Development II 3-0-3
Prerequisite: ECD 102
This course is an in-depth study of preschool children growing and developing in today's world. Focus is on "total" development of the child with emphasis on physical, social, emotional, cognitive and nutritional areas of development. Developmental tasks and appropriate activities through age eight are explored in the course.

ECD 205 Socialization & Group Care of Infants & Toddlers 3-0-3
Prerequisites: ECD 101 and ECD 102
Corequisite: ECD 200
This course is the study of the socialization and group care of infants and toddlers. Emphasis is on guidance and management, understanding behavior, temperament, the importance of routines, primary care and continuity of care, and examining the elements of quality environments.

ECD 207 Inclusive Care for Infants & Toddlers 3-0-3
Prerequisites: ECD 200 and ECD 205
This course provides an overview of the field of infants and toddlers with special needs. Emphasis will be placed on instructional strategies, adaptations, environment, inclusion, etiology, federal legislation, family partnership, multicultural considerations, and optimal development.

ECD 237 Methods & Materials 2-3-3
Prerequisites: ECD 105, ECD 131, ECD 133 and ECD 203
This course includes an overview of developmentally appropriate methods and materials for planning and evaluating environments. Emphasis is on integrating divergent activities in each curriculum area. (NAEYC Key Assessment Course)

ECD 243 Supervised Field Experience I 1-6-3
Prerequisites: ECD 237, ENG 155 or ENG 101 with grade of "C" or better
This course includes emphasis on planning, implementing, and evaluating scheduled programs, age appropriate methods, materials, activities, and environments of early childhood principles and practices. (NAEYC Key Assessment Course)

ECD 251 Supervised Field Experience in Infant/Toddler Care 2-3-3
Prerequisites: ECD 200 and ECD 205
Corequisite: ECD 207
This course is a study of planning, implementing, and evaluating scheduled programs, age-appropriate methods, materials, activities and environments of infants and toddlers.

ECD 252 Diversity Issues in Early Care & Education 3-0-3
Prerequisites: ECD 102 and ECD 105
This course meets the growing need for students in Early Care and Education to learn how to interact with people who are different from them. It also allows students to examine and appreciate the differences that exist because of diversity from race, language, ethnicity, age and socio-economic levels.

ECO 210 Macroeconomics 3-0-3
This course includes the study of fundamental principles and policies of a modern economy to include markets and prices, national income accounting, cycles, employment theory and fiscal policy, banking and monetary controls and the government’s role in economic decisions and growth. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ECO 211 Microeconomics 3-0-3
This course includes the study of the behavior of households and firms, including supply and demand, elasticity, price/input in different market structures, pricing of resources, regulations and comparative advantage and trade. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.
EDU 102 Professional Preparation for Education Careers
This course is designed to prepare students for careers in the education profession, including information literacy skills, PRAXIS preparation, academic and education career goals, recognition of appropriate resources for education majors, and preparation for professional program admission/success.

EDU 110 Careers in Education
This course introduces students to the role of the teacher, the nature of the teaching profession and assists students in personal and professional development. Topics addressed include an overview of the teaching profession: curriculum, instruction, environment, students, resources, and trends and pressures facing educators today.

EDU 200 Foundations of Special Education
This course provides knowledge of basic concepts in special education related to the education of individuals with disabilities. Content includes historical factors, legislation, etiology, educational strategies, identification procedures, support services and the impact on academic performance.

EDU 201 Classroom Inquiries with Technology
This course explores teaching as a data driven, reflective practice. Within the parameters of an approved articulation agreement, this course may transfer to an accredited Education program at a comprehensive four-year college or university.

EDU 241 Learners & Diversity
This course is a study of lifespan development and learning with an emphasis on individual & group diversity. The students are required to participate in a field experience. Within the parameters of an approved articulation agreement, this course may transfer to an accredited Education program at a comprehensive four-year college or university.

EDU 242 Adolescent Growth & Development
This course is an investigation of the various patterns and theories related to intellectual, social, emotional, and physical growth and development of preadolescent and adolescent learners. Emphasis is placed on developmental applications in educational settings.

EET 113 Electrical Circuits I
Prerequisite: MAT 101 or appropriate placement scores
This course studies direct and alternating currents, covering resistance and impedance in series, parallel, and series-parallel circuits using Ohm’s Law, Kirchhoff’s Laws and basic circuit theorems. Circuits are analyzed using mathematics and verified using electrical instruments.

EET 114 Electrical Circuits II
Prerequisite: EET 113
This course is a continuation in electrical circuits, including advanced network theorems. Circuits are analyzed using mathematics and verified using electrical instruments.

EET 131 Active Devices
Prerequisite: EET 114
This course studies semiconductor theory & principles, diodes & diode circuits, transistors, transistor circuits & other components. Circuits are modeled, constructed & tested.

EET 145 Digital Circuits
Prerequisites: MAT 101 or appropriate placement scores
This course studies number systems, basic logic gates, Boolean algebra, logic optimization, flip-flops, counters and registers. Circuits are modeled, constructed and tested.

EET 147 I.C. Circuits
Prerequisites: EET 131, EET 210
Corequisite: EET 220
This course covers constructing and troubleshooting a series of applicable circuits using integrated circuit chips and other components, including the use of data books and test equipment.

EET 210 Digital Integrated Circuits
Prerequisite: EET 145
This course studies digital integrated circuits, including multiplexers, demultiplexers, buffers, decoders, encoders, converters, memory devices and programmable logic devices. Circuits are modeled, constructed and tested.

EET 211 Industrial Robotics
Prerequisite: EET 275
Corequisites: EET 114 and EET 110
This course is the study of the systems design, modeling and simulation, signals and control systems, AI, sensor integration, vision systems, robot programming, and principles of mechatronics.

EET 218 Electrical Power Systems
Prerequisite: EET 214
This course is a study of power generation, transmission, transformers, distribution and motor controls.

EET 220 Analog Integrated Circuits
Prerequisite: EET 131
This course includes analysis, application and experiments involving such integrated circuits as op-amps, timers and IC regulators. Circuits are modeled, constructed & tested.

EET 227 Electrical Machinery
Prerequisite: EET 114
This course studies AC and DC electro-mechanical energy conversion devices, theory, applications and control. Devices are tested and verified using electrical instruments.

EET 231 Industrial Electronics
Prerequisite: EET 227
This course is a survey of topics related to industrial application of electronic devices and circuits. The course covers switches, DC and AC motor controls, sensors and transducers, open and closed loop control circuits and voltage converting interfaces. Circuits are constructed and tested.

EET 235 Programmable Controllers
Prerequisite: EET 145
This course is a study of relay logic, ladder diagrams, theory of operation and applications. Loading ladder diagrams, debugging and trouble-shooting techniques are applied to programmable controllers.
EET 236  PLC Systems Programming  2-3-3
Prerequisite: EET 235
This course covers advanced topics in programmable logic controllers (PLC) systems and programming including timing, conversions, analog operations, PID control, auxiliary commands and functions, and PLC to PLC systems communications.

EET 243  Data Communications  2-3-3
Prerequisites: EET114 and EET 210
This course studies techniques for sending and receiving information. Topics include media characteristics, modulation/demodulation, signal conversions, multiplexing and demultiplexing, protocols, industrial standards, networks and error detection and correction. Circuits are modeled, constructed and tested.

EET 253  Microprocessors  3-3-4
Prerequisite: EET 210
This is a course in the study of software and hardware interfacing techniques. Circuits are modeled, constructed, and tested.

EET 272  Electronics Senior Seminar  0-3-1
Prerequisite: Final semester
This course includes various engineering topics, using field trips and discussions with practicing technical personnel. Proper use of test instruments is reinforced.

EET 273  Electronics Senior Project  0-3-1
Prerequisite: Final semester
This course includes the construction and testing of a professor-approved project.

EET 275  Introduction to Robotics Manufacturing Technology
Corequisites: EET 113 and EET 145
This course introduces required skills for robotics manufacturing technicians. Instruction includes integrated content from electrical, mechanical, photonic, and geospatial systems. Students will experience industry simulations and practical application of content.

EGR 109  Engineering Project Management
Prerequisites: MAT 111, EET 231
This course is the study of integrated project management for the engineering technologist with emphasis on the methods and software used by engineers including task lists, Gantt charts, discussion of critical path, statistical resource management, scheduling, budgeting, and economic factors.

EGR 170  Engineering Materials  3-0-3
This course is a study of the properties, material behaviors, and applications of materials used in engineering structures and products.

EGR 190  Statics  3-0-3
This course is a study of forces and the effect of forces acting on bodies in equilibrium without motion.

EGR 260  Engineering Statics  3-0-3
Prerequisites: EGR 270, MAT 140 and PHY 221
This course is an introduction to the principles of engineering mechanics as applied to forces and force systems. The techniques of vector mathematics are employed. (Transfer course)

EGR 270  Introduction to Engineering  2-3-3
This course covers the applications of computers in engineering practices, including the use of an appropriate operating system, programming in a high level language, spreadsheet and word processing applications. (Transfer course)

EGR 275  Introduction to Engineering Computer Graphics
This course is a study of basic graphical concepts needed for engineering applications. (Transfer course)

EGR 282  Introduction to Civil Engineering
This course covers the engineering process from problem formulation to creative design through practical solutions of civil engineering problems.

EGR 285  Engineering Surveying I  3-0-3
Corequisites: EGR 295, MAT 175
This course covers linear measurements, leveling, compass and transit/theodolite, Theory of Errors, areas, stadia, coordinate geometry, state plane coordinates, and standard map projections.

EGR 286  Engineering Surveying II  3-0-3
Prerequisites: EGR 285, EGR 295
Corequisite: EGR 296
This course covers land surveying and boundary laws, public land surveys, topographic mapping, horizontal and vertical curves, lot calculations, and engineering astronomy. In addition, it covers geospatial representation that includes topographic mapping, advanced projection, state plane coordinator, astrometric control for mapping, Global Positioning Systems (GPS), Geographic Information Systems (GIS) and remote sensing.

EGR 289  Engineering Surveying Lab I  0-3-1
Corequisite: EGR 285
This course covers horizontal control, including distance and angular measurements, traversing, and preparation of a plat. Vertical control includes the performance of a level loop.

EGR 296  Engineering Surveying Lab II  0-3-1
Corequisite: EGR 286
This course covers locating buildings and other objects within a boundary survey, performing a topographic survey, preparing a topographic map, and staking out a horizontal curve.

In addition, it covers Global Positioning systems mapping controls, Geographic Information Systems applications and application of principles introduced in EGR 286.

EGR 299  Basic Technical Drawing  0-6-2
This course is a study of the basics of drafting, emphasizing geometric drafting principles, lettering and basic ANSI drafting conventions.

EGT 252  Advanced CAD  2-3-3
Prerequisite: EGT 151 or EGR 275
This course studies advanced concepts of CAD software and applications.
ELW

ELW 110 Electrical Computations 1-3-2
Corequisites: ELW 111, ELW 112, ELW 114, ELW 211, ELW 231
This course introduces the fundamental applications of mathematics that are used by an electrical line technician. Topics include whole numbers, fractions, decimals, powers, roots, simple electrical formulas, and use of a scientific calculator.

ELW 111 Introduction to Electrical Line Worker 2-3-3
Corequisites: ELW 110, ELW 112, ELW 114, ELW 211, ELW 231
This course introduces basic principles of electricity, safety standards and basic line worker tools. Topics include electrical distribution systems and components, line installation and maintenance applications.

ELW 112 Introduction to Electricity 2-3-3
Corequisites: ELW 110, ELW 111, ELW 114, ELW 211, ELW 231
This course introduces the fundamental concepts of electricity and test equipment to non-electrical/electronic majors. Topics include basic DC and AC principles, components and operation of test equipment.

ELW 114 Overhead Line Construction I 2-3-3
Corequisites: ELW 110, ELW 111, ELW 112, ELW 211, ELW 231
This course introduces the basics of overhead power line construction. Topics include safe work habits, protective equipment and pole climbing techniques.

ELW 211 Underground Line Construction I 2-3-3
Corequisites: ELW 110, ELW 111, ELW 112, ELW 114, ELW 231
This course introduces underground line distribution systems, including terminators, elbows, transformers, underground installations and safety practices.

ELW 231 Electrical Power Systems 2-3-3
Corequisites: ELW 110, ELW 111, ELW 112, ELW 114, ELW 211
This course examines the basic principles of electrical power systems, including transmission lines, generator and transformer characteristics, fault detection and correction, interpretation of line diagrams and performance of per-unit calculations for circuit performance analysis.

EMS

EMS 104 Emergency Care I 6-3-7
Prerequisite: Appropriate placement scores
This course is a study of the preparatory, pharmacology, airway management, patient assessment, trauma and shock modules as it relates to the provision of pre-hospital emergency medical care to critically ill and injured patients.

EMS 105 Emergency Medical Care I 2-6-4
Corequisite: AHS 106
This course is the first in a sequence of courses covering the initial knowledge and skills needed in providing pre-hospital emergency medical care to critically ill and injured patients.

EMS 106 Emergency Medical Care II 2-6-4
Prerequisite: AHS 106 and EMS 105
Corequisite: EMS 212
This course is the second in a sequence of courses covering the initial knowledge and skills needed in providing pre-hospital emergency medical care to critically ill and injured patients.

EMS 109 Emergency Care II 6-3-7
Prerequisite: EMS 104
Corequisite: EMS 208
This course is a study of medical emergencies, operations, pediatrics and other special populations as it relates to the provision of pre-hospital emergency medical care to critically ill and injured patients.

EMS 115 International Trauma Life Support 1-0-1
Prerequisite: EMS 109 and EMS 208
Corequisites: BIO 112, EMS 119, EMS 150, EMS 223
This course is designed to educate the experienced pre-hospital healthcare provider in dealing with critically injured trauma patients in an emergency setting. An understanding of trauma care equipment, basic trauma-related and assessment skills are necessary. Currently accepted guidelines for international trauma care will be followed.

EMS 116 Advanced Cardiac Life Support 0-3-1
Prerequisites: EMS 115, EMS 119, EMS 150 and EMS 223
Corequisites: EMS 224, EMS 230, EMS 238
This course is designed to educate the experienced healthcare provider in dealing with critical cardiac patients in an acute, emergency setting. An understanding of cardiac equipment, basic pharmacology and cardiovascular function is necessary. Current American Heart Association guidelines will be followed.

EMS 117 Pediatric Advanced Life Support 1-0-1
Prerequisites: EMS 116, EMS 224, EMS 230, EMS 238
Corequisites: EMS 118, EMS 240, EMS 241, EMS 248, EMS 272
This course is designed to educate the experienced pre-hospital healthcare provider in dealing with critically injured trauma patients. An understanding of cardiac equipment, basic pharmacology and cardiovascular function is necessary.

EMS 118 Advanced Medical Life Support 1-0-1
Prerequisites: EMS 116, EMS 224, EMS 230, EMS 238
Corequisites: EMS 117, EMS 240, EMS 241, EMS 248, EMS 272
This course is designed to present students with a practical method for the management of adult patients suffering from various medical emergencies. Students will be provided with the practical knowledge and skills to effectively manage on-scene, adult medical emergencies.

EMS 119 Emergency Medical Services Operations 2-0-2
Prerequisite: EMS 109 and EMS 208
Corequisites: BIO 112, EMS 115, EMS 150, EMS 223
This course is a multi-faceted approach to theory of EMS operations. Topics include expanded provider roles, EMS systems overview, medical/legal aspects, and theory of ambulance operations, mass casualty incident management, rescue awareness, crime scenes, terrorism, and weapons of mass destruction.

EMS 150 Introduction to Advanced Care 4-3-5
Prerequisites: EMS 109 and EMS 208
Corequisites: BIO 112, EMS 119, EMS 223
This course covers advanced care preparatory material, trauma, advanced airway material, and shock management.
EMS 212 EMS Field Internship 1-3-2
Prerequisite: EMS 104
Corequisite: EMS 109
This course includes experiences with advanced life support emergency medical services.

EMS 223 Paramedic Clinical I 0-6-2
Prerequisites: EMS 109 and EMS 208
Corequisites: BIO112, EMS 115, EMS 119, EMS 150
This course includes hospital clinical experiences in many areas, such as the emergency center, surgery, labor and delivery, and pediatric centers.

EMS 224 Paramedic Clinical II 0-6-2
Prerequisites: EMS 115, EMS 119, EMS 150, EMS 223
Corequisites: EMS 116, EMS 230, EMS 238
This course is a study of emergency medical care procedures for the paramedic provider, including concepts and skills related to medical emergencies. Emphasis is on pathophysiology and treatment modalities related to the major systems of the body such as the respiratory and cardiovascular systems. This course includes compressed content from EMS 213.

EMS 230 Advanced Emergency Medical Care I 3-6-5
Prerequisites: EMS 115, EMS 119, EMS 150, EMS 223
Corequisites: EMS 116, EMS 224, EMS 238
This course provides an introduction to pre-hospital pharmacology and cardiology as they relate specifically to patient care. Emphasis is placed on the appropriate methods for patient physical exams and solicitation of medical history to maximize patient outcomes.

EMS 238 Paramedic Ambulance Field Experience I 0-9-3
Prerequisites: EMS 115, EMS 119, EMS 150, EMS 223
Corequisites: EMS 116, EMS 230, EMS 238
This course introduces the concept of emergency medical care in the E-911 ambulance setting.

EMS 240 Advanced Emergency Care II 3-6-5
Prerequisites: EMS 116, EMS 224, EMS 230, EMS 238
Corequisites: EMS 117, EMS 118, EMS 241, EMS 248, EMS 272
This course is a study of complex recurring emergency medical conditions that encompass all stages of the patient’s life span.

EMS 241 Paramedic Clinical II 0-6-2
Prerequisites: EMS 116, EMS 224, EMS 230, EMS 238
Corequisites: EMS 117, EMS 118, EMS 240, EMS 248, EMS 272
This course is an advanced clinical experience and provides an overview of holistic patient care from the point of entry into the emergency department until patient discharge.

EMS 248 Paramedic Ambulance Field Experience II 0-6-2
Prerequisites: EMS 116, EMS 224, EMS 230, EMS 238
Corequisites: EMS 117, EMS 118, EMS 240, EMS 241, EMS 272
This course will emphasize the knowledge and skills of emergency care in an E-911 ambulance setting. Focus is on the student and their ability to apply classroom knowledge during an emergency situation while treating a wide variety of patients.

EMS 272 Paramedic Capstone 0-12-4
Prerequisites: EMS 116, EMS 224, EMS 230, EMS 238
Corequisites: EMS 117, EMS 118, EMS 240, EMS 241, EMS 248
This course provides the opportunity for the student to function as a team leader in a 911 response agency by managing and accounting for all aspects of the emergency scene and patient care.

ENG 032 Developmental English 2-3-3
Prerequisite: Appropriate placement scores
Corequisite: COL 100
Developmental English is an intensive review of grammar and usage; mechanics of punctuation, spelling, and capitalization; sentence structure; and the writing process. Evidence of planning, organizing, drafting, editing, and revising are emphasized in this course along with a study of different modes of writing for a variety of rhetorical situations. Additionally, the course integrates the study of vocabulary, comprehension, and reading improvement strategies to improve basic reading and writing skills.

ENG 100 Introduction to Composition 2-3-3
(Non-degree credit)
Prerequisite: ENG 032 with grade of “C” or better or appropriate placement scores
This course is the study of basic writing and different modes of composition and may include a review of usage.
Additionally, the course integrates the study and application of critical reading and writing strategies to develop higher order thinking skills.

ENG 101 English Composition I 3-0-3
Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores
This is a (college transfer) course in which the following topics are presented: a study of composition in conjunction with appropriate literary selections, with frequent theme assignments to reinforce effective writing. A review of standard usage and the basic techniques of research are also presented.

ENG 102 English Composition II 3-0-3
Prerequisite: ENG 101 with grade of “C” or better or appropriate placement scores
This course presents the following topics: development of writing skills through logical organization, effective style, literary analysis and research. An introduction to literary genre is also included. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ENG 155 Communications I 3-0-3
Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores
This course introduces the principles of expository writing and public speaking through practice and development of communication skills. Emphasis is on business and professional communication.

ENG 160 Technical Communications 3-0-3
Prerequisite: ENG 101 or ENG 155 with grade of “C” or better or appropriate placement scores
This course is a study of various technical communications such as definitions, processes, instructions, descriptions, and technical reports.
ENG 201  American Literature I  
3-0-3  
**Prerequisite:** ENG 102  
This course is a study of American literature from the colonial period to the civil war. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ENG 202  American Literature II  
3-0-3  
**Prerequisite:** ENG 102  
This course is a study of American literature from the civil war to the present. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ENG 205  English Literature I  
3-0-3  
**Prerequisite:** ENG 102  
This course presents the following topics: the study of English literature from the old English period to the romantic period with emphasis on major writers and periods. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ENG 206  English Literature II  
3-0-3  
**Prerequisite:** ENG 102  
This course presents the following topics: the study of English literature from the romantic period to the present, with emphasis on major writers and periods. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ENG 208  World Literature I  
3-0-3  
**Prerequisite:** ENG 102  
This course is a study of masterpieces of world literature in translation from the ancient world to the sixteenth century. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ENG 209  World Literature II  
3-0-3  
**Prerequisite:** ENG 102  
This course is a study of masterpieces of world literature in translation from the seventeenth century to the present. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ENG 214  Fiction  
3-0-3  
**Prerequisite:** ENG 102  
This course is a study of fiction from several cultures. Emphasis is on the nature of the genre and appropriate reading strategies. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

ENG 224  English Study Abroad  
3-0-3  
**Prerequisite:** ENG 102 or ENG 101, or ENG 155 or ENG 160 or HIS 101, HIS 102, HIS 210, HIS 202  
This course provides a study abroad experience for students studying literature. The course includes travel to selected regions outside the United States and provides a field of study of historical and contemporary literature.

FOR 102  Multiple Uses of Forest Lands  
3-0-3  
This course is a study of how forest land serves the multiple purposes of recreation, wildlife, watershed and range, as well as producing timber crops. It examines the relationship between the public and private sectors in achieving these different demands placed on the forest community.

FOR 105  Equipment Basics & Safety  
3-0-3  
This course is a study of the design, selection, operation, and maintenance of various types of equipment used in the timber industry including aspects of industrial safety, including basic first aid and CPR techniques. Chainsaw operation is included.

FOR 118  Forest Drafting  
1-3-2  
This course covers principles of technical drawing and technical lettering. It provides the drafting background needed for surveying and map drawing. Included in the course is an introduction to computer aided design (CAD) mapping.

FOR 121  Woodland Safety & First Aid  
1-0-1  
This course covers the general first aid practices and safety procedures that are required in outdoor work. Emphasis is placed on first aid techniques one might need until competent medical help arrives. Students will be offered American Red Cross certification in first aid, CPR, Blood Borne Pathogens, and automatic defibrillator.

FOR 130  Dendrology  
2-3-3  
This course is a study of the characteristics and uses of important trees, shrubs and lesser vegetation of the southern forest. It includes collecting, mounting and identifying approximately 130 species by leaf, twig, bark, and growth characteristics.

FOR 140  Timber Harvesting Operations  
1-6-3  
This course is a study of the analysis of logging situations and decision-making regarding timber harvesting. A study of the various equipment and tools used in forestry operations, techniques of operating and maintaining equipment, and costs involved in conducting harvesting operations. A review of timber trespass laws is included.

FOR 154  Mensuration  
3-0-3  
This course is a study of the techniques and instruments used in the measurement of standing trees or harvested trees. The use of log rules, volume tables, yield tables and elementary statistics are included.

FOR 156  Timber Cruising & Marking  
3-3-4  
**Prerequisite:** FOR 154  
This course is a study of the three systems of estimating volumes & values of standing timber—strip, plot & prism. Stand analysis, dominant tree data and statistical data are also analyzed.

FOR 180  Timber Industry & Associated Government Standards  
3-0-3  
**Prerequisite:** FOR 105  
This course is an introduction to forest products industry, site organization and government standards.
FOR 206 Forest Ecology 3-0-3
Corequisite: FOR 102
Study of the nature of forests and forest trees, how they grow, reproduce, and their relationships to the physical and biological environment.

FOR 220 SCWE in Forestry 0-32-8
Prerequisites: FOR 154, FOR 156 and FOR 130, or Instructor Permission
This course is a study of the problems of day to day natural resource operations. Employment in an approved forest or natural resource related industry or agency is required.

FOR 230 Forest Products 2-0-2
Prerequisite: FOR 130
This course is a study of the various forest industries, including the manufacturing process and material produced. Grading specifications, raw materials, by-products, labor and markets for specific products are included. A component of the course is a series on wood identification.

FOR 240 Mapping & Photo Interpretation 2-3-3
Prerequisite: CPT 101
This course is a study of the mechanics of mapping forest lands with emphasis on the use of aerial photographs. It includes calculation of land area by transit, dot grid and polar planimeter methods as well as taking measurement and identifying objects from aerial photographs. The course also covers use of Computer Aid Design (CAD) of maps, digitizing, Global Positioning Systems, and Geographic Information Systems.

FOR 257 Forest Ecology 2-0-2
Prerequisite: FOR 130
This course is the study of scientific foundations on which cultural practices are based. Includes the effects of environment up tree growth and distribution and the inter-relationship between and individual tree, the forest stand and the environment.

FOR 258 Forest Surveying & Engineering 3-3-4
Corequisite: MAT 168 or Instructor’s permission
Course covers use of surveying and engineering as adapted to forest management. The use of the hand compass, transit, and level in locating old boundary lines as well as procedures for recording and looking up deeds are included.

FOR 263 Forest Management 2-6-4
Prerequisites: FOR 154, FOR 156 and FOR 271
Corequisite: FOR 240
This course examines the tools and techniques used in constructing formal management plans for forests. Subdivision of the forest for management purposes, regulation, and regeneration are included.

FOR 265 Equipment & Timber Harvesting 3-3-4
Prerequisites: FOR 154 and FOR 156
Corequisites: FOR 269 or MAT 120
This course covers the analysis of logging situations and decision-making regarding timber harvesting. A study of the various equipment and tools used in forestry operations, techniques of operating and maintaining equipment, and harvesting operations and the costs involved are included. Students will prepare a business plan for a timber harvesting company.

FOR 268 Forest Protection Practices 3-3-4
This course covers forest fires and the major insects and diseases which attack southern forests. Methods of prevention and control are explored. Specific topics include prescribed burning, pesticide use and safety, wildfire suppression, insect and disease identification and control measures.

FOR 269 Forest Statistics & Data Processing 2-3-3
Prerequisites: CPT 101, FOR 154 and FOR 156
This course covers measuring, recording, and summarizing various forestry field data and its presentation in technical form. Basic statistical and finance computations, interest, and discount computations are included.

FOR 271 Silviculture 3-3-4
Prerequisites: FOR 154 and FOR 156
This course covers the treatment of forest stands to achieve prescribed objectives. Specific topics include intermediate forest management practices, the four basic harvest methods and regeneration of trees.

FRE

FRE 101 Elementary French I 4-0-4
Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores
This course consists of a study of the four basic language skills: listening, speaking, reading and writing, including an introduction to French culture. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

FRE 102 Elementary French II 4-0-4
Prerequisite: FRE 101 with grade of “C” or better
This course continues the development of basic language skills and includes a study of French culture. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

FRE 201 Intermediate French I 3-0-3
Prerequisite: FRE 102 with grade of “C” or better
This course is a review of French grammar with attention given to complex grammatical structures and reading difficult prose. Students will address various cultural components through the study of literature, current and past events and various socio-cultural aspects of living in a diverse world and the challenges and opportunities therein. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

FRE 202 Intermediate French II 3-0-3
Prerequisite: FRE 201 with grade of “C” or better
This course continues the review of French grammar with attention given to more complex grammatical structures and reading more difficult prose. Students will address various cultural components through the study of literature, current and past events and various socio-cultural aspects of living in a diverse world and the challenges and opportunities therein. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.
**FST**

**FST 106 Building Construction for Fire Protection** 3-0-3

*Prerequisites: FST 101,102, 103, 104*

This course is a study of the components of building construction that relate to fire and life safety, focusing on firefighter safety. The essential elements of construction and design of structures are shown when inspecting buildings, preplanning fire operations, and operating at emergencies.

**FST 108 Fire Protection Systems** 3-0-3

*Prerequisites: FST 101,102, 103, 104*

This course is a study of the features of design and operation of fire alarm systems, water-based and special hazard fire suppression systems, water supply for fire protection, and portable fire extinguishers.

**FST 203 Fire Prevention** 3-0-3

*Prerequisites: FST 101,102, 103, 104*

This course studies several components of fire prevention and safety including the history and philosophy of fire prevention, operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards, built-in fire protection systems, and fire investigation.

**FST 204 Principles of Emergency Services** 3-0-3

*Prerequisites: FST 101,102, 103, 104*

This course provides an overview of the philosophy and history of fire protection, fire loss analysis, and the laws and regulations affecting the fire service. Specific fire protection functions are also studied, in addition to introductory fire strategies and tactics.

**FST 208 Fire Behavior & Combustion** 3-0-3

*Prerequisites: FST 101,102, 103, 104*

This course explores the theories and fundamental principles of how and why fires start, spread, and are controlled.

**GEO**

**GEO 102 World Geography** 3-0-3

*Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores*

This course includes a geographic analysis of the regions of the world, i.e., North and South America, Europe, Australia and Africa. Diversity of each region is emphasized by examining its physical environment, natural resources, social, cultural, economic and political systems. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**GER**

**GER 101 Elementary German I** 4-0-4

*Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores*

This course is a study of the four basic language skills: listening, speaking, reading, and writing. The course includes an introduction to German culture. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**GER 102 Elementary German II** 4-0-4

*Prerequisite: GER 101 with grade of C or better*

This course continues the development of the four basic language skills and the study of German culture. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**GER 201 Intermediate German I** 3-0-3

*Prerequisite: GER 102 with grade of C or better*

This course is a review of German grammar with attention given to more complex grammatical structures and reading more difficult prose. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**GER 202 Intermediate German II** 3-0-3

*Prerequisite: GER 201 with grade of C or better*

This course continues the review of German grammar with attention given to more complex grammatical structures and reading more difficult prose. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**HIM**

**HIM 103 Introduction to Health Information & Coding** 3-0-3

*Prerequisite: ENG 155*

*Corequisite: ENG 155*

This course focuses on the principles of health information management and explores basic concepts in diagnostic and procedural coding and classification systems.

**HIM 105 Medical Office Communication & Practices** 3-0-3

*Prerequisite: HIM 103*

This course is the study of effective medical office communications, with an emphasis on specific job responsibilities and communication skills needed in order to be successful in the health care industry.

**HIM 130 Billing & Reimbursement** 3-0-3

*Prerequisites: HIM 103*

This course provides introduction to medical insurance billing and reimbursement practices with emphasis on the primary players such as Medicare and Medicaid.

**HIM 135 Medical Pathology** 3-0-3

*Prerequisites: AHS 102, BIO 112*

This course studies disease processes, general classification of disease including signs and symptoms, systems affected by disease, diagnostic measures, types of treatment including surgical and/or chemical intervention and terminology.

**HIM 138 Pharmacology for Medical Records Coding** 2-0-2

*Prerequisite: AHS 102 or BIO 112*

This course is a study of therapeutic drug categories appropriate for medical insurance billing and reimbursement practices.

**HIM 140 Current Procedural Terminology I** 2-3-3

*Prerequisites: AHS 102, BIO 112 or HIM 103*

*Corequisite: HIM 216*

This course provides a basic study of the CPT and HCPCS coding and classification systems particular to the physician's office setting. Students will learn how to assign codes to capture the professional component of services provided.
**HIM 141 Current Procedural Terminology II** 2-3-3  
*Prerequisites: HIM 140 and HIM 216*  
*Corequisite: HIM 225*  
This course provides an intermediate study of the CPT and HCPCS coding and classification systems with respect to surgical outpatient facilities and hospitals.

**HIM 150 Coding Practicum** 1-6-3  
*Prerequisites: HIM 266*  
*Corequisites: HIM 266*  
This course provides clinical practice in the application of basic coding and classification system guidelines in selected health care facilities.

**HIM 153 Electronic Health Records** 1-6-3  
*Clinical Experience*  
*Prerequisites: HIM 266*  
*Corequisites: HIM 266*  
This course expands on the application of theoretical principles of the electronic health record. Focus is on the management of patient information in a digital environment.

**HIM 216 Coding & Classification I** 2-3-3  
*Prerequisites: AHS 102, BIO 112, HIM 103*  
*Corequisite: HIM 140*  
Course studies disease, procedural coding and classification systems.

**HIM 225 Coding & Classification II** 2-3-3  
*Prerequisites: HIM 140 and HIM 216*  
*Corequisite: HIM 141*  
This course provides a study of advanced coding and classification systems.

**HIM 266 Computers in Healthcare** 3-0-3  
*Prerequisite: HIM 103*  
This course covers hardware and software components of computers for medical records applications, methods of controlling accuracy and security of data in computer systems, record linkage, and data sharing concepts.

**HIS 101 Western Civilization to 1689** 3-0-3  
*Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores*  
This course is a survey of western civilization from ancient times to 1689, including the major political, social, economic and intellectual factors shaping western cultural tradition. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**HIS 102 Western Civilization Post 1689** 3-0-3  
*Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores*  
This course is a survey of western civilization from 1689 to the present, including major political, social, economic and intellectual factors which shape the modern western world. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**HIS 201 American History: Discovery to 1877** 3-0-3  
*Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores*  
This course is a survey of U.S. history from discovery to 1877. This course includes political, social, economic and intellectual developments during this period. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**HIS 202 American History: 1877 to Present** 3-0-3  
*Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores*  
This course is a survey of U.S. history from 1877 to the present. This course includes political, social, economic and intellectual developments during this period. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**HIS 214 History Study Abroad** 3-0-3  
*Prerequisites: ENG 101 or HIS 101, HIS 102, HIS 201, or HIS 202 with a C or better*  
*Corequisite: ENG 224*  
This course provides a study abroad experience for students studying history. The course includes travel to selected regions outside the United States and provides a field study of historical and contemporary history.

**HOS 105 Survey of Food Management** 3-0-3  
This course is a broad overview of operations in food, sanitation, kitchen equipment, first aid and safety, inventory, cost control, and ordering procedures.

**HOS 140 The Hospitality Industry** 3-0-3  
This course surveys the hospitality industry and the principles of operations of both lodging and food service industries.

**HOS 150 Hotel Management** 3-0-3  
*Prerequisite: HOS 140*  
This course covers the management of the lodging phase of the hospitality industry, including front office, housekeeping, and engineering.

**HOS 157 Hospitality Service** 3-0-3  
This course is a comprehensive study of the principles and techniques required to provide exceptional service in the hospitality industry. Emphasis is placed on the service environment from the customer’s perspective and the behavioral component of service.

**HOS 160 Purchasing for Hospitality** 3-0-3  
This course is a comprehensive study of the principles and techniques required to provide exceptional service in the hospitality industry. Emphasis is placed on the service environment from the customer’s perspective and the behavioral component of service.

**HOS 161 Event Management** 3-0-3  
This course provides an introduction to the event management industry. Topics include planning, implementation and evaluation of special events and festivals.

**HOS 164 Travel and Tourism** 3-0-3  
This course covers the history, development, concepts, and principles of the travel and tourism industry.
HRT 110 Plant Form and Function  3-3-4
This course is a study of morphology, anatomy and physiology of higher plants. Emphasis is on plant structure, functions of plant parts, plant processes, plant growth and development and plant inheritance.

HRT 113 Plant Materials  2-3-3
This course is a study of herbaceous and woody plant materials used in the landscaping and nursery trade.

HRT 121 Commercial Irrigation  3-0-3
This course examines the use of irrigation in the landscape industry, with emphasis on design, equipment suitability, water application procedures and construction. Design projects and job bidding are also included.

HRT 125 Soils  3-3-4
This course is a study of soils and plant nutrition. Emphasis is on physical and chemical properties, water, organic matter, and life of soils. Materials and methods for supplying nutrients to horticulture plants are also included. This course gives an historical and global perspective of soil and its uses with emphasis on current horticulture applications. Concepts are presented primarily through golf course management use.

HRT 143 Insect & Pest Control  3-0-3
This course is the study of insects, diseases, and weeds commonly identified as pests in the landscape industry. Chemical control methods are examined with emphasis on pesticide chemicals, application devices, and safety.

HRT 150 Arboriculture I  2-3-3
Corequisites: FOR 102 and FOR 130
This course is a study of tree maintenance. Topics covered are tree physiology and anatomy, rope-work, tree climbing techniques, pruning, fertilization, planting and watering.

HRT 153 Landscape Construction  3-0-3
Prerequisite: HRT 113
This course covers the requirements and techniques of landscape construction. Emphasis is on construction of wood, concrete, and brick landscape structures.

HRT 154 Grounds Maintenance  2-3-3
Prerequisite: HRT 113
This course covers cost estimation of a landscape design & its maintenance, preparation of contracts, & development & implementation of maintenance schedules.

HRT 205 Computers in Horticulture  2-3-3
This course explores the use of computers in horticultural operations. Various applications are demonstrated. Hands-on learning activities including data management, advertising and marketing, and design projects are utilized.

HRT 252 Advanced Food/Beverage Service  1-6-3
Prerequisites: CUL 101, CUL 104, CUL 110 with grade of “C” or better
This course is an advanced food and beverage management course requiring conception, operation and management of a small quantity food and beverage operation in an applied lab setting.

HRT 255 Food Service Management  3-0-3
Prerequisite: HOS 140
This course studies operational food service management. Topics include food service operations, restaurant layout & design, marketing & sales promotion, food & beverage procedures, & public relations.

HRT 265 Hotel, Restaurant & Travel Law  3-0-3
Prerequisite: HOS 140
This course is a study of legal foresight for hospitality management. Topics include litigation involving innkeepers and legal responsibilities of the innkeeper.

HRT 272 SCWE in Hospitality/Tourism Management  0-12-3
Prerequisites: HOS 140 and HOS 165 or HOS 265 or instructor permission
This course integrates hospitality skills at an approved work site related to the hospitality industry.

HUS 101 Introduction to Human Services  3-0-3
Prerequisite: EN 100 or above or placement scores
This course is an overview of the field of Human Services. Role responsibilities, problems, boundaries, and strategies of human service workers are included.

HUS 115 Geriatric Services & Activities  3-0-3
Prerequisite: HUS 101
This course provides an overview of services, community resources and recreation/therapeutic activities designed for diverse groups in the senior population.

HUS 150 Supervised Field Placement I  0-12-3
Prerequisite: HUS 101
This course includes work experience assignments by students in selected human services agencies.

HUS 202 Life Transitions  3-0-3
Prerequisite: HUS 101, ENG 100 or above or placement scores
This course is a study of the life transitions, the changing roles and the issues faced by the elderly and the effects on these individuals, and their family, friends and/or caregivers. Students will develop skills to provide helpful interventions in an entry level position.
HUS 205 Gerontology  3-0-3
Prerequisite: ENG 100 or above or placement scores
This course is a survey of the physical, social, and mental changes that occur as a person ages. The related problems and current programs designed for people age 55 and over are studied in the course.

HUS 208 Alcohol & Drug Abuse  3-0-3
Prerequisite: HUS 101, ENG 100 or above or placement scores
This course is a study of the etiology of alcohol and drug abuse, various types of addictive substances, physical, mental and social implications, programs in rehabilitation, and preventive education.

HUS 209 Case Management  3-0-3
Prerequisite: HUS 101, ENG 100 or above or placement scores
This course covers accepted methods & strategies for effectively assessing client needs, accessing necessary provider agencies, & monitoring & properly documenting service delivery & client welfare.

HUS 212 Survey of Disabilities & Disorders  3-0-3
Prerequisites: HUS 101, ENG 100 or above or placement scores
This course is a survey of the major categories of disabilities and disorders with which the helping professional is most likely to work. These will include, but not be limited to, developmental and psychological disorders, visual and hearing impairment and physical disabilities resulting from injury or disease.

HUS 214 Health, Wellness & Nutrition for Special Populations  3-0-3
Corequisite: HUS 101
This course discusses theoretical etiologies, current thinking and current trends in the field of health and wellness in gerontology and developmental disabilities.

HUS 216 Behavior Change Techniques  3-0-3
Prerequisites: HUS 101, ENG 100 or above or placement scores
This course is a study of major theories associated with individual and group psychotherapy, family therapy, and alcohol, drug and vocational rehabilitation. Emphasis is placed on the techniques of behavioral change.

HUS 219 Psychopharmacology  3-0-3
Corequisite: HUS 101
This course examines the use and effects of various brain-altering substances (i.e., drugs) Psychological, pharmacological and behavioral effects of drugs are examined with a focus on the brain changes that occur with substance use and abuse. Focus will be on the elderly.

HUS 230 Interviewing Techniques  3-0-3
Prerequisites: HUS 101 and ENG 100 or above or placement scores
This course covers the development of skills necessary for interviews in various organizational settings. Students in human services will use these skills and knowledge later in their supervised field placements.

HUS 231 Counseling Techniques  3-0-3
Prerequisite: HUS 101
This course studies counseling techniques necessary to assist qualified therapists in a variety of therapeutic settings. Students will demonstrate procedures and knowledge of basic counseling theories and techniques related to human services.

HUS 235 Group Dynamics  3-0-3
Prerequisite: ENG 100 or above or placement scores
This course is an examination of the theory and practice of group dynamics. Emphasis is on the application of the value and use of the group process in specialized settings related to human services.

HUS 237 Crisis Intervention  3-0-3
Prerequisite: ENG 100 or above or placement scores
This course is a study of the effects of crisis on people, the methods of intervention, and the use of multiple resources to reestablish individual function. Students are required to demonstrate mock crisis activities.

HUS 240 Crisis Intervention Placement I (SCWE)  0-16-4
Prerequisites: HUS 101 and Approval
This course includes work assignments in selected human services agencies and integration of skills related to the human services profession.

HUS 250 Human Services Special Topics  3-0-3
Prerequisite: ENG 100 or above or placement scores
This course is a study of special topics of interest to particular populations and locations.

IDS

IDS 105 Career Assessment & Exploration  1-0-1
This course focuses provides students opportunities to determine personality types and career interests. Using assessment results, students will explore career opportunities through a variety of media.

IDS 201 Leadership Development  3-0-3
This course focuses on the development of leadership, including philosophy, morals/ethics, and individual ability and style. It is designed to increase student understanding of themselves and the theories and techniques of leadership and group processes by integrating theoretical concepts with the reality of application within a group setting.

IMT

IMT 160 Preventive Maintenance  2-3-3
This course covers preventative maintenance techniques. Emphasis is on equipment used in association with timber harvesting operations.

IST

IST 161 Introduction to Network Administration  2-3-3
Prerequisite: IST 166
This course is an introductory study of networking operating system administration. Techniques on installation and administration of a networking operating system will be included. This course will be conducted using Novell software. Tasks include configuration of routers and switches as well as connecting devices to a LAN.
IST 162 Introduction to Workstation Networking Administration 2-3-3
Prerequisite: IST 166
This course is an introductory study of the administration of single and multiple domain networks. Tasks will include handling user group accounts, resource management, permissions, ownership assignments, printing, security and backup.

IST 164 Implementing Windows Network Infrastructure Services 2-3-3
Prerequisite: IST 161
This course is a study of the fundamentals of installing, configuring and utilizing windows networking services while exploring techniques used to design, create and implement secure communications across the networks, which may consist of multiple vendors. Emphasis is also provided on support of remote users and central management concepts.

IST 165 Implementing & Administering Windows Directory Services 2-3-3
Prerequisite: IST 162
This course is a study of directory services covering the planning, design, installation, configuration and administration of a network directory structure.

IST 166 Network Fundamentals 2-3-3
Prerequisite: CPT 209
This course is a study of local area networking concepts through discussions on connectivity, communications and other networking fundamentals. The course is designed to prepare the student to be successful in completing industry network fundamental certification exams. This course will be focused on material to prepare the student to take the CompTIA Network+ certification exam.

IST 201 CISCO Internet Working Concepts 2-3-3
This course is a study of current and emerging computer networking technology. Topics include safety, networking, network terminology and protocols, network standards, LANS, WANS, OSI models, cabling, cabling tools, CISCO routers, router programming, star topology, IP addressing, and network standards.

IST 202 CISCO Router Configuration 2-3-3
Prerequisite: IST 201
This course is a study of LANS, WANS, OSI models, Ethernet, token ring, fiber distributed data interface TCP/IP addressing protocol, dynamic routing, routing, and the network administrator’s role and function.

IST 203 Advanced CISCO Router Configuration 2-3-3
Prerequisite: IST 202
This course is a study of configuring CISCO routers.

IST 204 CISCO Troubleshooting 2-3-3
Prerequisite: IST 203
This course is a study of troubleshooting network problems.

IST 205 CISCO Advanced Routing 2-3-3
Prerequisite: IST 204
This course is a study of the concepts and technologies of extending IP addresses, routing principles, scalable routing protocols, managing traffic and access, and building and optimizing scalable internetworks.

IST 206 CISCO Remote Access 2-3-3
Prerequisite: IST 205
This course is a study of building a remote access network to interconnect central sites to branch offices and home office/telecommuters, control access to the central site, and maximize bandwidth utilization over the remote links.

IST 207 CISCO Multilayer Switch 2-3-3
Prerequisite: IST 206
This course is the detailed study on how routing and switching technologies work together. Included is an in-depth analysis of combining layer 2 and layer 3 switching technologies.

IST 226 Internet Programming 2-3-3
Prerequisites: CPT 187
This course covers designing internet pages and applications for personal/business use, writing the required program code in languages such as HTML, Java, and VRML, testing and debugging programs, uploading and maintaining internet pages and applications.

IST 236 Mobile and Wireless Appliances 2-3-3
Prerequisite: IST 226
This course is a survey of the protocols and interface standards for mobile and wireless appliances accessing the internet. An introduction to development and deployment of applications is included in this course.

IST 242 Network Architecture II 2-3-3
Prerequisite: IST 161
This course is a study of the internal operations of the packet switching network and their implementation, as well as the numerous international standards applicable to such systems. Several models of packet switching networks and current interfaces are covered.

IST 261 Advanced Network Administration 2-3-3
Prerequisite: IST 165
This course is an advanced study of the networking operating system. Topics include installation upgrades, IP services, internet infrastructure, advanced server management and security, NDS management, and server optimization.

IST 271 Object Oriented Technologies 2-3-3
Prerequisite: CPT 236
This course emphasizes the application of the object model to design well-structured complex systems. A variety of object-based tools and object-oriented programming languages will be used to implement small scale projects.

IST 290 Special Topics in Information Sciences 2-3-3
Prerequisites: IST 242 and IST 291
This course covers special topics in information sciences technologies.

IST 291 Fundamentals of Network Security I 2-3-3
Prerequisite: IST 161
This course is the study of introduction levels of security processes based on a security policy, emphasizing hands-on skills in the areas of secure perimeter, security connectivity, security management, identity services, and intrusion detection. The course prepares students to manage network security.
IST 292 Fundamentals of Network Security II
**Prerequisite:** IST 291
This course is the study of advanced security processes based on a security policy, emphasizing hands-on skills in the areas of secure perimeter, security connectivity, security management, identity services, and intrusion detection. The course prepares students to install/configure secure firewalls.

IST 295 Fundamentals of Voice Over IPS 2-3-3
**Prerequisite:** IST 291
This course is an introduction to features of voice over IP protocols, including VOIP hardware selection and network design consideration. Concepts include analog, digital voice encoding, signaling and quality of service (QOS), troubleshooting, and configuration of VOIP networks.

**LEG**

LEG 120 Torts 3-0-3
This course is a study of the various classifications and functions of tort law, including intentional and negligent torts, causation, proximate cause and defenses.

LEG 121 Business Law I 3-0-3
This course is a study of the basics of commercial law, emphasizing the formation and enforcement of contracts and the rules particular to the Uniform Commercial Code (UCC) and sales of goods.

LEG 132 Legal Bibliography (LS) 3-0-3
**Prerequisite:** ENG 101
This course is a study of the methods of legal research, proper citation of authority, use of legal treatises, texts, reporters and digests.

LEG 135 Introduction to Law & Ethics 3-0-3
This course provides a general introduction to law, including courts, legal terminology, procedures, systems and laws of society. Emphasis is on ethics and the role of the paralegal in the legal system.

LEG 140 Sports Tourism Law 3-0-3
This course provides an investigation of legal aspects of the Sports Tourism industry as it applies to areas such as facilities human resources, liabilities, and transportation.

LEG 201 Civil Litigation I 3-0-3
This course studies principles of litigation & the rules of procedure for each court in the South Carolina system, including pleading, practice & discovery procedures.

LEG 202 Civil Litigation II (LS) 3-0-3
**Prerequisite:** LEG 201
This course includes an in-depth examination of the principles of litigation, focusing on the application of civil techniques and the role of a paralegal using hypothetical cases.

LEG 212 Workers’ Compensation 3-0-3
This course is a study of the history of workers’ compensation, case laws, statutes, regulations and procedures in handling claims.

LEG 213 Family Law (LS) 3-0-3
This course includes an examination of the laws of marriage, divorce, annulment, separation, adoption, custody and the juvenile.

LEG 214 Property Law 3-0-3
This course includes an overview of South Carolina property law, including the mechanics of various commercial and private property transactions and mortgage foreclosures.

LEG 230 Legal Writing (LS) 3-0-3
**Prerequisites:** LEG 132 and ENG 101
This course includes methods, techniques and procedures for the research and preparation of legal memoranda, trial and appellate briefs, and trial notebooks.

LEG 231 Criminal Law 3-0-3
This course includes a study of the definition and classification of criminal offenses, criminal responsibility and legal procedures in a criminal prosecution.

LEG 233 Wills, Trusts, & Probate (LS) 3-0-3
This course includes a detailed study of testacy and intestacy, preparation of wills and codicils, and fundamentals of trust and probate administration.

LEG 242 Law Practice Workshop (LS) 1-6-3
**Prerequisite:** Course taken in final semester with instructor permission.
This course includes the application of substantive knowledge in a practical situation as a paralegal.

LEG 245 Real Estate Law I (LS) 3-0-3
This course includes the examination of residential real estate closing procedures and the preparation of a closing package by utilizing both print and electronic forms.

LEG 252 Business Applications in the Law Office (LS) 3-0-3
This course introduces computer applications in various business transaction settings using general and legal software programs.

MAT

MAT 032 Developmental Mathematics 3-0-3
**Prerequisite:** Appropriate placement scores
This course includes the study of integers, rational numbers, percents, basic statistics, measurement, geometry, and basic algebra concepts. Application skills are emphasized.

MAT 101 Beginning Algebra 3-0-3
**Prerequisite:** MÅT 032 or MAT 155 with grade of “C” or better or appropriate placement scores
This course includes the study of rational numbers and their applications, operations with algebraic expressions, linear equations and applications, linear inequalities, graphs of linear equations, operations with exponents and polynomials, and factoring.

MAT 102 Intermediate Algebra 3-0-3
**Prerequisite:** MAT 101 with grade of “C” or better or appropriate placement scores
This course includes the study of linear systems and applications; quadratic expressions, equations, functions and graphs; and rational and radical expressions and functions.

MAT 110 College Algebra 3-0-3
**Prerequisite:** MAT 102 with grade of “C” or better or appropriate placement scores
This course includes the following topics: polynomial, rational, logarithmic, and exponential functions; inequalities; systems of equations and inequalities; matrices; determinants; and solutions of higher degree polynomials. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.
MAT 111 College Trigonometry 3-0-3
Prerequisite: MAT 110 with grade of “C” or better or appropriate placement scores
This course includes the following topics: trigonometric functions; trigonometric identities; solution of right and oblique triangles; solution of trigonometric equations; polar coordinates; complex numbers, including DeMoivre’s Theorem; vectors; conic sections; and parametric equations. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

MAT 120 Probability and Statistics 3-0-3
Prerequisite: MAT 101 with grade of “C” or better or appropriate placement scores
This course includes the following topics: introductory probability and statistics, including organization of data, sample space concepts, random variables, counting problems, binomial and normal distributions, central limit theorem, confidence intervals, and test hypothesis for large and small samples; types I and II errors; linear regression; and correlation. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

MAT 122 Finite College Mathematics 3-0-3
Prerequisite: MAT 101 with grade of “C” or better or appropriate placement scores
This course is a university parallel transfer course that covers: logic; sets; Venn diagrams; counting problems; probability; matrices; systems of equations; linear programming, including the Simplex method and applications; graphs; and networks. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

MAT 130 Elementary Calculus 3-0-3
Prerequisite: MAT 110 or MAT 176 with grade of “C” or better or appropriate placement scores
This course includes the following topics: differentiation and integration of polynomials; rational, logarithmic, and exponential functions; and interpretation and application of these processes. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

MAT 140 Analytical Geometry & Calculus I 4-0-4
Prerequisite: MAT 111 with grade of “C” or better or appropriate placement scores
This course includes the following topics: derivatives & integrals of polynomials; rational, logarithmic, exponential, trigonometric and inverse trigonometric functions; curve sketching; maxima and minima of functions; related rates; work; and analytic geometry. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

MAT 141 Analytical Geometry & Calculus II 4-0-4
Prerequisite: MAT 140 with grade of “C” or better or appropriate placement scores
This course includes the following topics: continuation of calculus of one variable, including analytic geometry, techniques of integration, volumes by integration, and other applications; infinite series, including Taylor series and improper integrals. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

MAT 155 Contemporary Mathematics 3-0-3
Prerequisite: MAT 032 with grade of “C” or better or appropriate placement scores
This course includes techniques and applications of the following topics: properties of and operations with real numbers, elementary algebra, consumer mathematics, applied geometry, measurement, graph sketching and interpretations, and descriptive statistics.

MAT 168 Geometry & Trigonometry 3-0-3
Prerequisite: MAT 101 with grade of “C” or better or appropriate placement scores
This course includes the following topics: points, lines, angles, and angle measure; triangles; polygons; circles; geometric solids; trigonometric solution of triangles; graph of the sine function; and vectors.

MAT 170 Algebra, Geometry, & Trigonometry I 3-0-3
Prerequisite: MAT 032 or MAT 155 with grade of “C” or better or appropriate placement scores
This course includes the following topics: elementary algebra, geometry, trigonometry and applications.

MAT 175 Algebra & Trigonometry I 3-0-3
Prerequisite: MAT 101 with grade of “C” or better or appropriate placement scores
This course includes the following topics: basic laws and operations of algebra, linear and quadratic equations, systems of equations, introduction to trigonometry and vectors, concepts of functions, and graphs of functions.

MAT 176 Algebra & Trigonometry II 3-0-3
Prerequisite: MAT 175 with grade of “C” or better or appropriate placement scores
This course includes the following topics: advanced algebra, exponential and logarithmic functions, complex numbers, trigonometric identities, and graphs of trigonometric functions. Additional topics may include statistics and discrete mathematics.

MAT 240 Analytical Geometry & Calculus III 4-0-4
Prerequisite: MAT 141 with grade of “C” or better
This course includes the following topics: multivariable calculus, including vectors; partial derivatives and their applications to maximum and minimum problems with and without constraints; line integrals; multiple integrals in rectangular and other coordinates; and stokes’ and green’s theorems.

MAT 242 Differential Equations 4-0-4
Prerequisite: MAT 141 with grade of “C” or better
This course includes the following topics: solution of linear and elementary non-linear differential equations by standard methods with sufficient linear algebra to solve systems; applications; series; Laplace transform; and numerical methods.

MAT 250 Elementary Mathematics I 3-0-3
Prerequisite: MAT 102 with grade of “C” or better or appropriate placement scores
This course provides students with an understanding of the meaning of numbers, fundamental operations of arithmetic, structure of the real number system & its subsystems, & elementary numbers theory. Within the parameters of an approved articulation agreement, this course may transfer to an accredited Education program at a comprehensive four-year college or university. For HGTC students will transfer to CCU for certain Education majors.
MAT 251 Elementary Mathematics II 3-0-3
Prerequisite: MAT 250 with grade of “C” or better or appropriate placement scores
This course provides students with an understanding of informal geometry and basic concepts of algebra. Within the parameters of an approved articulation agreement, this course may transfer to an accredited Education program at a comprehensive four-year college or university. For HGTC students will transfer to CCU for certain Education majors.

MGT 101 Principles of Management 3-0-3
This course is a study of the management theories, emphasizing the management functions of planning, decision making, organizing, leading, and controlling.

MGT 120 Small Business Management 3-0-3
This course is a study of small business management and organization, forms of ownership and the process of starting a new business.

MGT 150 Fundamentals of Supervision 3-0-3
This course is a study of supervisory principles and techniques required to effectively manage human resources in an organization. First-line management is emphasized.

MGT 201 Human Resources Management 3-0-3
Prerequisite: MGT 101
This course is a study of personnel administration functions within a business organization. Major areas of study include job analysis; recruitment, selection and assessment of personnel; and wage, salary and benefit administration.

MGT 240 Management Decision Making 3-0-3
Prerequisite: MGT 101
This course is a study of various structured approaches to managerial decision making.

MKT 101 Marketing 3-0-3
This course covers an introduction to the field of marketing with a detailed study of the marketing concept and the processes of product development, pricing, promotion and marketing distribution.

MKT 110 Retailing 3-0-3
This course is a study of the importance of retailing in American business and covers the concepts of store location, layout, merchandising, display, pricing, inventory control, promotional programs and profit management.

MKT 120 Sales Principles 3-0-3
This course is a study of the personal selling process with special emphasis on determining customer needs and developing effective communications and presentation skills.

MKT 135 Customer Service Techniques 3-0-3
This course is a study of the techniques and skills required for providing customer service excellence, including illustrations to turn customer relations into high standards of customer service, satisfaction and repeat sales.

MKT 240 Advertising 3-0-3
Prerequisite: MKT 101
This course is a study of the role of advertising in the marketing of goods and service, including types of advertising, media, how advertising is created, agency functions and regulatory aspects of advertising.

MKT 250 Consumer Behavior 3-0-3
Prerequisite: MKT 101
This course is a study of the buying behavior process and how individuals make decisions to spend their available resources on consumption related items.

MKT 290 SCWE Marketing 1-8-3
This course is an application of marketing skills at an approved business site.

MTH 113 Essentials of Anatomy & Physiology for Massage Therapy
Corequisites: MTH 120, MTH 121, MTH 122
This course focuses on the pre-massage assessment of each body region including signs and symptoms relating to pathological conditions. Specific emphasis is given to the skeletal, muscular, cardiovascular and nervous systems.

MTH 120 Introduction to Massage 4-0-4
Corequisites: MTH 113, MTH 121, MTH 122
A comprehensive introduction to therapeutic massage including history, theories, benefits, contra indications, ethical considerations and S.C. law for licensure. Swedish techniques are introduced.

MTH 121 Principles of Massage I 3-3-4
Corequisites: MTH 113, MTH 120, MTH 122
This course is an in-depth study of Swedish massage techniques and applications to complete a body massage.

MTH 122 Principles of Massage II 3-3-4
Corequisites: MTH 113, MTH 120, MTH 121
This course introduces basic assessment skills and application of therapeutic techniques to muscles, tendons, ligaments and other structures.

MTH 126 Pathology for Massage Therapy 2-0-2
Prerequisites: MTH 113, MTH 120, MTH 121
This course covers basic pathology for the massage therapy student and includes signs and symptoms of diseases with emphasis on recognition and identification, as prescribed in massage therapy.

MTH 128 Clinical Applications of Massage 2-6-4
Prerequisites: MTH 113, MTH 120, MTH 121
Students will perform massage therapy in a clinical massage setting, closely supervised and evaluated by instructors in all aspects of massage.

MTH 135 Massage Practicum 0-6-2
Prerequisites: MTH 113, MTH 120, MTH 121
Corequisites: MTH 126, MTH 128, MTH 136, MTH 141
This course provides practical experience in all aspects of therapeutic massage application using advanced techniques and specialized modalities in the professional setting. Students will observe facility and business operations under supervision of licensed massage therapists or licensed medical staff.
**MTH 136** Kinesiology for Massage Therapy  
*Prerequisites: MTH 113, MTH 120, MTH 121*  
This course is a study of body movement and the body’s muscular and structural factors, such as posture and gait, in relation to massage therapy. Specific emphasis will be placed on the effect of massage therapy on the way the body reacts during various activities.

**MTH 141** Pharmacology for Massage Therapy  
*Prerequisites: MTH 113, MTH 120, MTH 121*  
This course studies the effects of medications commonly reported on health intake forms by massage clients. Topics include common over-the-counter pain relievers, NSAIDS and medications for cardiovascular disease and diabetes. Emphasis is placed on possible contra-indications for massage therapy.

**MTT**

**MTT 101** Introduction to Machine Tool  
*Prerequisites: MAT 170*  
This course covers the basics in measuring tools, layout tools, bench tools and basic operations of lathes, mills, and drill presses.

**MTT 105** Machine Tool Math Applications  
*Prerequisite: MAT 170*  
This course is a study of shop math relevant to the machine tool trade.

**MTT 111** Machine Tool Theory & Practice I  
*Corequisite: EGT 101*  
This course is an introduction to the basic operation of machine shop equipment.

**MTT 112** Machine Tool Theory and Practice II  
*Prerequisites: MTT 101 and MTT 111*  
This course is a combination of the basic theory and operation of machine shop equipment.

**MTT 113** Machine Tool Theory and Practice II  
*Prerequisites: MTT 101 and MTT 112*  
This course is a combination of the basic theory and operation of machine shop equipment.

**MTT 120** Machine Tool Print Reading  
*Prerequisite: MAT 170*  
This course is designed to develop the basic skills and terminology required for visualization and interpretation of common prints used in the machine tool trades.

**MTT 130** Fundamentals of Geometric Dimensions and Tolerances  
*Prerequisite: MTT 120*  
This course covers the basic uses and interpretation of geometric dimensions and tolerances as specified for machine trade prints.

**MTT 141** Metals & Heat Treatment  
*Prerequisite: MTT 101*  
This course is a study of the properties, characteristics, and heat treatment procedures of metals.

**MTT 171** Industrial Quality Control  
*Prerequisite: MTT 112*  
This course covers the methods and procedures of quality control.

**MTT 241** Jigs & Fixtures I  
*Prerequisite: MTT 111*  
This course includes the theory necessary to design working prints of simple jigs and fixtures.

**MTT 249** Introduction to CAM  
*Prerequisites: CPT 101, MTT 112*  
This course covers the basic commands necessary to create a simple part program for CNC machines using graphics programming software.

**MTT 250** Principles of CNC  
*Prerequisite: MTT 112*  
This course is an introduction to the coding used in CNC programming.

**MTT 253** CNC Programming & Operations  
*Prerequisite: MTT 250*  
This course is a study of the planning, programming, selecting tooling, determining speeds and feeds, setting up, operating, and testing of CNC programs on CNC machines.

**MTT 254** CNC Programming I  
*Prerequisite: MTT 249*  
This course includes CNC programming with simulated production conditions.

**MTT 255** CNC Programming II  
*Prerequisite: MTT 254*  
This course is an introduction to the coding used in CNC programming, including machine language and computer assisted programming.

**MTT 259** EDM Programming Operations  
*Prerequisite: MTT 253*  
This course covers basic programming and operations of the electrical discharge machine.

**MTT 270** Operation/Programming of Coordinate Measuring Machines  
*Prerequisite: MTT 253*  
This course is a study of the operation, application and programming of coordinate measuring machines (CMM).

**MUS**

**MUS 105** Music Appreciation  
*Prerequisite: ENG 100 with Grade of “C” or better or appropriate placement scores*  
This course will focus on the elements of music and their relationships, the musical characteristics of representative works and composers, common musical forms and genres of various Western and non-Western historical style periods and appropriate listening experiences. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.
MUS 111 Marching Band 0-3-1
Prerequisite: Prior experience on a brass, woodwind, or percussion instrument, or in dance or color guard. Band camp in early August is required of all members for placement auditions, fundamentals training and show preparations. This course includes the study and performance of selected band music. Coastal Carolina University Spirit of the Chanticleer Marching Band is open to students, regardless of major. Regional and other performances may require travel.

MUS 112 Symphonic Band 0-3-1
Prerequisite: Prior experience on a brass, woodwind, or percussion instrument.
This course includes the study and performance of selected band music. Coastal Carolina Symphonic Band is open to students, regardless of major, with interest in concert band ensemble. Regional and other performances may require travel.

NMT

NMT 101 Introduction to Nuclear Medicine 2-0-2
Prerequisite: Acceptance into Nuclear Medicine Technology Program
This course is a study of the overall basics of nuclear medicine technology.

NMT 102 Nuclear Medicine Procedures I 2-0-2
Prerequisite: Acceptance into Nuclear Medicine Technology Program
This course is a study of didactic concepts for the practice of clinical nuclear medicine.

NMT 103 Nuclear Medicine Physics 2-0-2
Prerequisite: Acceptance into Nuclear Medicine Technology Program
This course is a study of the basic math and statistical skills necessary to perform nuclear physics problems.

NMT 104 Nuclear Medicine Procedures II 2-0-2
Prerequisite: NMT 102
This course is a study of background knowledge for application of nuclear medicine procedures.

NMT 105 Quality Assurance Methodologies 2-0-2
Prerequisite: NMT 150
This course covers the information necessary to plan and implement procedures that will satisfy quality assurance standards.

NMT 106 Nuclear Medicine Procedures III 2-0-2
Prerequisite: NMT 104
This course covers theory and principles of non-imaging procedures.

NMT 107 Nuclear Medicine Instrumentation 3-0-3
Prerequisite: NMT 102
This course covers theory and application of radiation detection instruments.

NMT 109 Special Topics in Nuclear Medicine 2-0-2
Prerequisite: NMT 104
This course covers a variety of topics in nuclear medicine.

NMT 150 Applied Nuclear Medicine I 0-24-8
Prerequisite: Acceptance into Nuclear Medicine Technology Program
This course covers the application of nuclear medicine.

NMT 151 Applied Nuclear Medicine II 0-24-8
Prerequisite: NMT 150
This course covers difficult and challenging clinical application of nuclear medicine theory.

NMT 152 Applied Nuclear Medicine III 0-18-6
Prerequisite: NMT 151
This course covers challenging and difficult applications of nuclear medicine.

NRM

NRM 130 Outdoor Recreation Management 2-3-2
This course examines the management of natural resources for outdoor recreation purposes.

NRM 151 Vertebrate Natural History 3-0-3
This course includes the taxonomic classification, identification, geographic range, and biology of fishes, amphibians, reptiles, birds and mammals native to South Carolina and the Southeast.

NRM 201 Soil Fertility & Plant Production 2-3-3
This course is a study of agronomic principles of soil management and plant production, including use and application of chemical fertilizers.

NRM 230 Wildlife Management I 3-0-3
This course is a basic study and application of management practices beneficial to wildlife. Includes: Methods for increasing food production, developing water sources, providing cover requirements and improving wetlands. Addresses forest lands as habitat for wildlife, with emphasis on Southern woodland management.

NRM 231 Habitat Assessment & Applications 3-0-3
Prerequisite: NRM 230 or Instructor Permission
Corequisite: FOR 102 or Instructor Permission
This course examines methods of assessment of existing habitats for enhancement and various practical applications to accomplish that goal, including fertilization, vegetation control, tillage, herbicides and others.

NRM 235 Techniques of Wildlife Management 2-3-3
Prerequisite: NRM 230 or Instructor Permission
This course includes a survey of applied techniques of wildlife management. The course includes "hands on" instruction in the outdoors.
NUR 221  Advanced Nursing Concepts  3-6-5  
**Prerequisites:** NUR 161 and NUR 220  
**Corequisites:** NUR 217 and SPC 205  
This course expands application of the nursing process in the care of persons throughout the life span who are experiencing complex health problems.

**PHI**

PHI 101  Introduction to Philosophy  3-0-3  
**Prerequisite:** ENG 100 with grade of “C” or better or appropriate placement scores  
This course includes a topical survey of the three main branches of philosophy - epistemology, metaphysics and ethics - and the contemporary questions related to these fields. This course is transferrable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

PHI 103  Workplace Ethics  3-0-3  
**Prerequisite:** ENG 100 with grade of “C” or better or appropriate placement scores  
This course is a study of specific ethical issues that arise in a workplace setting. The course includes the utilization of problem scenarios, case studies, and codes of ethics used in industry and the professions.

PHI 110  Ethics  3-0-3  
**Prerequisite:** ENG 100 with grade of “C” or better or appropriate placement scores  
This course is a study of the moral principles of conduct emphasizing ethical problems and modes of ethical reasoning. This course is transferrable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

PHI 201  History of Philosophy  3-0-3  
**Prerequisite:** ENG 100 with grade of “C” or better or appropriate placement scores  
This course is a survey of the history of philosophical thinking. This course is transferrable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

**PHM**

PHM 101  Introduction to Pharmacy  3-0-3  
**Prerequisite:** ENG 100 with grade of “C” or better or appropriate placement scores  
Corequisites: PHM 103, PHM 111, PHM 112 and PHM 114  
This course provides a study of and introduction to pharmacy and the role in providing patient care services.

PHM 103  Pharmacy Law & Ethics  2-0-2  
**Prerequisite:** ENG 100 with grade of “C” or better or appropriate placement scores  
Corequisites: PHM 101, PHM 111, PHM 112 and PHM 114  
This course is a study of the current laws and ethical practices appropriate to pharmacy and the role of patient services.

PHM 110  Pharmacy Practice  3-3-4  
**Prerequisite:** PHM 101, PHM 103, PHM 111, PHM 112 and PHM 114  
Corequisites: PHM 113, PHM 152 and PHM 164  
This course provides a study of the theory and practice in procuring, manipulating and preparing drugs for dispensing.

---

NUR 220  Family Centered Nursing  4-9-7  
**Prerequisites:** BIO 225, NUR 150 and NUR 162  
**Corequisite:** NUR 161  
This course facilitates the application of the nursing process in the care of persons during the childbearing years and from birth through adolescence to promote optimal individual health and development at any stage of the health care continuum.
PHY 118 Medical Imaging Sciences 3-0-3
Prerequisites: MAT 101 or higher
This course is the study of the fundamental physics associated with the field of medical imaging sciences. The areas include concepts of radiation production as it relates to x-rays, and nuclear medicine studies and acoustical properties related to sonographic exams.

PHY 201 Physics I 3-3-4
Prerequisites: MAT 110, MAT 111, MAT 175 or MAT 176 and appropriate placement scores
This is the first in a sequence of physics courses. Topics include mechanics, wave motion, sound, heat, electromagnetism, optics and modern physics. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

PHY 202 Physics II 3-3-4
Prerequisites: PHY 201 and appropriate placement scores
This course covers physics topics, including mechanics, wave motion, sound, heat, electromagnetism, optics and modern physics. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

PHY 222 University Physics II 3-3-4
Prerequisite: PHY 221
This course is a continuation of calculus-based treatment of the following topics: thermodynamics, kinetic theory of gases, electricity and magnetism, including electrostatics, dielectrics, electric circuits, magnetic fields and induction phenomena. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

PNR

PNR 110 Fundamentals of Nursing 3-6-5
Prerequisite: Acceptance into the PN program
Corequisites: AHS 126, BIO 210 and MAT 155
This course introduces basic principles and beginning skills necessary to the nursing process. Concepts are integrated relating to physiological and psychosocial needs of the individual. Legal and ethical roles of the practical nurse are emphasized.

PNR 120 Medical/Surgical Nursing I 3-6-5
Prerequisite: PNR 110
Corequisites: BIO 210, MAT 155 and AHS 126
This course is a beginning study utilizing the nursing process. Concepts include physiological, psychosocial, nutritional, and health and safety needs of the adult. Clinical experiences address selected commonly occurring health problems having predictable outcomes.

PNR 130 Medical/Surgical Nursing II 3-6-5
Prerequisites: PNR 110, PNR 120, BIO 210, MAT 155 and AHS 126
Corequisites: BIO 211 and PNR 112
This course is a continuation of the study of the nursing process. Concepts include physiological, psychosocial, nutritional and health and safety needs of the adult. Clinical experiences address selected commonly occurring health problems having predictable outcomes.
PNR 140 Medical/Surgical Nursing III 3-6-5  
Prerequisites: PNR 110, PNR 112, PNR 120, PNR 130, PNR 154 and BIO 211  
Corequisites: PNR 183, ENG 101 and PSY 201  
This course is a continuation of the study of the nursing process. Concepts include physiological, psychosocial, nutritional, and health and safety needs of the adult. Clinical experiences address selected commonly occurring health problems having predictable outcomes.

PNR 154 Maternal/Infant/Child Nursing 3-6-5  
Prerequisites: PNR 110, PNR 120, PNR 130, BIO 210, MAT 155, AHS 126 with grade of “C” or better  
Corequisites: PNR 112 and BIO 211 with grade of “C” or better  
This course is a study utilizing the nursing process to meet the needs of the childbearing family. Clinical experiences address the care of the mother, newborn, and the care of the child with commonly occurring diseases.

PNR 183 Special Topics in Practical Nursing 3-0-3  
Prerequisites: PNR 110, PNR 112, PNR 120, PNR 130, PNR 154, and BIO 211 with grade of “C” or better  
Corequisites: ENG 101 and PSY 201, PNR 140 and PNR 154  
This course covers special topics in practical nursing.

PSY 203 Human Growth & Development 3-0-3  
Prerequisite: PSY 201  
This course is a study of the physical, cognitive and social factors affecting human growth, development and potential. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

PSY 212 Abnormal Psychology 3-0-3  
Prerequisite: PSY 201  
This course is a study of the nature and development of behavioral disorders, including the investigation of contemporary treatment procedures. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

PTH

PTH 101 Physical Therapy Professional Preparation 1-3-2  
Prerequisite: Acceptance to PTA 3 Program  
This course introduces the purpose, philosophy and history of physical therapy and medical/legal documentation. Principles and techniques of physical therapy for patient care are introduced.

PTH 202 Physical Therapy Modalities 3-3-4  
Prerequisites: PTH 101, PTH 205, PTH 221 with grade of “C” or better; BIO 211, CPT 101, ENG 102, SPC 205  
This course introduces patient care techniques, including patient preparation and therapeutic hot/cold modalities, and the use of ultrasound, diathermy, electrotherapeutic devices, laser, traction and manual techniques.

PTH 205 Physical Therapy Functional Anatomy 3-3-4  
Prerequisite: Enrollment limited to students with major code of PTA 3  
This course introduces the basic concepts and principles of muscles, joints, and motion, including traditional testing procedures. Physical Therapy functional anatomy involves the principles of physics, anatomy and physiology as applied to the human body for the study of normal and abnormal movements.

PTH 221 Pathology I 2-0-2  
Prerequisite: Enrollment limited to students with major code of PTA 3  
This course is an introduction to basic pathophysiology of the body, with the emphasis on the body’s reaction to disease and injury.

PTH 222 Pathology II 2-0-2  
Prerequisites: PTH 101, PTH 205 and PTH 221 with grade of “C” or better  
This course is a continuation of basic pathophysiology of the body, with the emphasis on the body’s reaction to disease and injury. It describes etiology, signs and symptoms, common diagnostic procedures, and treatment, prognosis and prevention strategies.

PTH 228 Manual Therapy Techniques 1-3-2  
Prerequisites: PTH 202, PTH 222, PTH 234, PTH 240  
This course introduces principles and basic techniques of manual therapy and wound care.

PTH 234 Clinical Education I 0-9-3  
Prerequisites: BIO 211, CPT 101, ENG 102, PTH 101, PTH 205, PTH 221, SPC 205 with grade of “C” or better  
This course provides basic clinical experiences for the physical therapist assistant student within a physical therapy setting.
PTH 235 Interpersonal Dynamics 2-0-2
Prerequisites: PTH 228, PTH 242 and PTH 253 with grade of “C” or better
This course introduces the dynamics of the health professional/patient relationship and includes communication and the principles of the respectful interaction throughout the life cycle.

PTH 240 Therapeutic Exercises/ Applications 3-6-5
Prerequisites: BIO 211, CPT 101, ENG 102, PTH 101, PTH 205, PTH 221, SPC 205 with grade of “C” or better
This course provides the practical application of therapeutic exercise as a treatment intervention for a variety of pathologies and body segments.

PTH 242 Orthopedic Management 3-3-4
Prerequisites: PTH 202, PTH 222, PTH 234 and PTH 240 with grade of “C” or better
This course provides the practical application of basic orthopedic assessment skills and application of treatment techniques for the trunk and extremities.

PTH 244 Rehabilitation 3-3-4
Prerequisites: PHT 228, PTH 242 and PTH 253 with grade of “C” or better
This course introduces neurological principles, pathology, and specialized rehabilitation techniques for pediatric and adult care.

PTH 253 Clinical Practice II 0-9-3
Prerequisites: PHT 202, PTH 222, PTH 234 and PTH 240 with grade of “C” or better
Corequisites: PTH 228 and PTH 242 with grade of “C” or better to proceed to clinical
This course involves the student’s participation in the basic treatment techniques of physical therapy, intensified in both the clinic and classroom setting.

PTH 275 Advanced Professional Preparation 1-0-1
Prerequisites: PTH 228, PTH 242 and PTH 253 with grade of “C” or better
This course is the study of the skills needed to enter the professional arena, including resume writing, interviewing, professional decision making and preparation for the PTA National Board Examination.

PTH 276 Physical Therapy Practicum II 0-18-6
Prerequisites: PTH 228, PTH 242 and PTH 253 with grade of “C” or better
Corequisites: PTH 244 and PTH 235 with a grade of “C” or better to proceed to clinical
This course includes a practicum experience in a clinical setting using advanced skills under the supervision of a licensed physical therapist and/or a licensed physical therapist assistant.

RAD 101 Introduction to Radiography 1-3-2
Prerequisite: Acceptance to Radiologic Technology Program
This course provides an introduction to radiologic technology with emphasis on orientation to the radiology department, ethics and basic radiation protection.

RAD 102 Radiology Patient Care Practice
Prerequisite: Acceptance to Radiologic Technology Program
This course provides a study of the procedures and techniques used in the care of the diagnostic imaging patient.

RAD 103 Introduction to Computed Tomography
Prerequisite: Acceptance to Radiologic Technology Program
This course is a study of the technological developments behind computed tomography, an overview of scanner components, terminology, data acquisition, digital imaging, image reconstruction, display and manipulations. Current applications will be explored, including patient screening, contract utilization and administration, contract reactions and treatment, pediatrics, conscious sedation and monitoring, and radiation protection.

RAD 110 Radiographic Imaging I 2-3-3
Prerequisite: RAD 101
This course provides a detailed study of the parameters controlling radiation quality and quantity for radiographic tube operation and image production.

RAD 115 Radiographic Imaging II 3-0-3
Prerequisite: RAD 110
This course is a detailed study of primary and secondary influencing factors and accessory equipment related to imaging.

RAD 130 Radiographic Procedures I 2-3-3
Prerequisite: Acceptance into Radiologic Technology Program
This course provides an introduction to radiographic procedures. Positioning of the chest, abdomen and extremities are included.

RAD 136 Radiographic Procedures II 2-3-3
Prerequisite: RAD 130
This course is a study of radiographic procedures for visualization of the structures of the body. Also study of the vertebral column and bony thorax.

RAD 153 Applied Radiography I 0-9-3
Prerequisite: Acceptance to Radiologic Technology Program
This course introduces the clinical environment of the hospital by providing basic use of radiographic equipment and routine radiographic procedures.

RAD 165 Applied Radiography II 0-15-5
Prerequisite: RAD 153
The course includes the use of radiographic equipment and performance of radiographic procedures within the clinical environment of the hospital.

RAD 175 Applied Radiography III 0-15-5
Prerequisite: RAD 165
This course includes clinical education needed for building competence in performing radiographic procedures within the clinical environment.

RAD 201 Radiation Biology 2-0-2
Prerequisite: Acceptance to Radiologic Technology Program
This course is a study of the principles of radiobiology and protection. It emphasizes procedures that keep radiation exposure to patients, personnel and the population at large to a minimum.

RAD 205 Radiographic Pathology 2-0-2
Prerequisite: RAD 136
This course is a survey of disease processes significant to the radiographer, including etiology, diagnosis, prognosis and treatment.
RDT 210 Radiographic Imaging III  3-0-3  
Prerequisite: RDT 115  
This course provides a detailed study of advanced methods and concepts of imaging. Included is the study of radiology and the law, radiology management and venipuncture.

RDT 220 Selected Imaging Topics  3-0-3  
Prerequisites: RDT 201, RDT 210 or RDT 230  
This course is a study of advanced topics unique to the radiological sciences.

RDT 230 Radiographic Procedures III  3-0-3  
Prerequisite: RDT 136  
This course is a study of special radiographic procedures.

RDT 256 Advanced Radiography I  0-18-6  
Prerequisite: RDT 175  
This course includes independently performing routine procedures in a radiology department, including involvement in advanced radiographic procedures.

RDT 268 Advanced Radiography II  0-24-8  
Prerequisite: RDT 256  
This course includes routine radiographic examinations, as well as advanced procedures, while continuing to build self-confidence in the clinical atmosphere.

RDT 278 Advanced Radiography III  0-24-8  
Prerequisite: RDT 268  
This course includes routine and advanced radiographic procedures in the clinical environment.

RDT 101 Radiography Orientation  3-0-3  
Prerequisite: Acceptance into Limited General Radiologic Technology  
This course provides an introduction to general radiography with emphasis on ethics, medical issues, legal issues and radiation protection practices.

RDT 102 Patient Care Practices  1-0-1  
Prerequisite: Acceptance into Limited General Radiologic Technology  
This course provides the techniques of proper patient care such as communication, patient assessment, body mechanics, infection control and other medical office responsibilities.

RDT 103 Radiographic Exposure I  1-3-2  
Prerequisite: Acceptance into Limited General Radiologic Technology  
This course includes the principles of equipment operation and maintenance with x-ray production and imaging technique.

RDT 104 General Positioning I  2-3-3  
Prerequisite: Acceptance into Limited General Radiologic Technology  
This course provides the anatomy, pathology and positioning methods for routine chest, abdomen and extremity radiography.

RDT 105 Radiographic Exposure II  2-0-2  
Prerequisite: RDT 103  
This course is a continuation of equipment operation and maintenance with emphasis on imaging technique.

RDT 106 General Positioning II  2-3-3  
Prerequisites: RDT 104 and RDT 151  
This course provides the anatomy, pathology and routine positioning for extremities and spines.

RDT 108 Radiographic Exposure III  2-0-2  
Prerequisite: RDT 105  
This course covers the principles of radiographic imaging necessary for the general radiographer.

RDT 109 General Positioning III  1-3-2  
Prerequisite: RDT 106  
This course provides the necessary positioning methods for the general radiographer.

RDT 110 Selected Topics  3-0-3  
Prerequisite: RDT 106  
This course covers specific areas of office procedures and the necessary topics to prepare for certification. Specialized areas of study such as podiatry and specialized orthopedic views are included. Preparation for the registry is also covered.

RDT 150 Clinical Practicum I  0-15-5  
Prerequisite: Acceptance into Limited General Radiologic Technology  
This course includes the use of radiographic equipment and performance of routine radiographic procedures within the clinical office or hospital environment.

RDT 151 Clinical Practicum II  0-18-6  
Prerequisite: RDT 150  
This course is a continuation of the use of radiographic equipment and performance of routine radiographic procedures.

RDT 152 Clinical Practicum III  0-15-5  
Prerequisite: RDT 151  
This course is a continuation of the use of radiographic equipment and performance of routine radiographic procedures.

REL 103 Comparative Religion  3-0-3  
Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores  
This course is an analysis of the religious experience of various persons and groups, east and west, in traditional and contemporary settings. It includes tribal religions, Hinduism, Buddhism, Confucianism, Taoism, Judaism, Christianity and Islam. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

SOC 101 Introduction to Sociology  3-0-3  
Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores  
This course emphasizes the fundamental concepts and principles of sociology, including culture, socialization, interaction, social groups and stratification, effects of population growth and technology in society and social institutions. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

SOC 102 Marriage & the Family  3-0-3  
Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores  
This course introduces the institution of marriage and the family from the sociological perspective. Significant forms and structures of family groups are studied in relation to current trends and social change. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.
SPT 101 Sports Tourism 3-0-3
This course introduces the development and organizational structure in the sports tourism industry. Emphasis is placed on the various aspects of game operations and sports tourism and inter-relationships between tourist, resident, business, and government.

SPT 102 Customer Service in Sports Tourism 3-0-3
This course focuses on the fundamentals of effective, interpersonal communication, awareness of the diverse needs of sports tourism audiences.

SPT 103 Sports Event Planning & Marketing 3-0-3
Prerequisites: SPT 101 and SPT 102
This course emphasizes strategic planning and marketing of sport tourism destinations, with focus on planning, development and positioning. Topics include consideration of community relations, environmental considerations, resource requirements, social and cultural considerations. Emphasis will be placed on planning and implementation.

SPT 105 Sports Tourism Facilities & Operations 3-0-3
Prerequisites: SPT 101 and SPT 102
This course provides an overview of managing indoor and outdoor facilities used for sports, conventions, and entertainment events. Topics may include conducting feasibility studies, market research, facility design and layout, event bidding, quality assurance, risk management, and event staffing.

SPT 107 Leadership in Sports Tourism 3-0-3
Prerequisites: SPT 106 and SPT 272
This course explores all aspects of the sports tourism industry including public and employee relations, community relations, and governmental regulations. Case studies and decision-making activities will be emphasized. Students will apply concepts required in leadership and developing a personal leadership philosophy.

SPT 108 The Business of Sports Tourism 3-0-3
Prerequisites: SPT 106 and SPT 272
This course will prepare students to utilize sports tourism knowledge of both participatory sports tourism and event-based sports tourism to determine for each the economic impact, appropriate marketing, and risk management processes.

SPT 270 SCWE in Sports Tourism I 0-12-3
Prerequisites: SPT 103, SPT 105 and CWE
This course includes the application of skills within an approved work site related to sports tourism.

SPT 272 SCWE in Sports Tourism II 0-12-3
Prerequisites: SPT 104 and SPT 270
This course includes the application of skills within an approved work site related to sports tourism.

SPT 273 SCWE in Sports Tourism III 0-12-3
Prerequisites: SPT 104 and SPT 270
This course includes the application of skills within an approved work site related to sports tourism.
SUR

SUR 101 Introduction to Surgical Technology 3-6-5
Prerequisites: BIO 210, BIO 211, BIO 225
Corequisites: AHS 102, AHS 126, SUR 103
This course includes a study of the surgical environment, team concepts, aseptic technique, hospital organization, basic instrumentation and supplies, sterilization, principles of infection control, and wound healing.

SUR 102 Applied Surgical Technology 4-3-5
Prerequisites: AHS 120, AHS 126, SUR 101, SUR 103
Corequisites: SUR 104, SUR 111
This course covers the principles and application of aseptic techniques, the perioperative role, supplies and instrumentation. Patient safety, medical legal aspects of the operating room, specialty equipment, and pharmacology are included.

SUR 103 Surgical Procedures I 4-0-4
Prerequisites: BIO 210, BIO 211, BIO 225
Corequisites: AHS 102, AHS 126, SUR 101
This course is a study of a system to system approach to surgical procedures and relates regional anatomy, pathology, specialty equipment and team responsibility. Patient safety, medical/legal aspects, and drugs used in surgery are emphasized.

SUR 104 Surgical Procedures II 4-0-4
Prerequisites: AHS 120, AHS 126, SUR 101, SUR 103
Corequisites: SUR 102, SUR 111
This course is a study of the various specialties of surgical procedures.

SUR 111 Basic Surgical Practicum 1-18-7
Prerequisites: SUR 101, SUR 103 and SUR 115
This course includes the application of theory under supervision in the perioperative role in various clinical affiliations.

SUR 113 Advanced Surgical Practicum 0-18-6
Prerequisites: SUR 102, SUR 104, SUR 111
Corequisite: SUR 120
This course includes a supervised progression of surgical team responsibilities and duties of the preoperative role in various clinical affiliations.

SUR 120 Surgical Seminar 2-0-2
Prerequisites: SUR 102, SUR 104 and SUR 111
Corequisite: SUR 113
This course includes the comprehensive correlation of theory and practice in the perioperative role.

THE

THE 101 Introduction to Theatre 3-0-3
Prerequisite: ENG 100 with grade of “C” or better or appropriate placement scores
This course includes the appreciation and analysis of theatrical literature, history and production. This course is transferable to public senior institutions as part of the South Carolina Commission on Higher Education Statewide Articulation Agreement.

TUF

TUF 102 Turf Equipment 3-3-4
This is a practical course which examines turf machinery used on golf courses. A comprehensive study of small two- and four-cycle engines used in turf and game play is included, as well as practical instruction in proper operation, preventive maintenance and safety procedures.

TUF 171 Introduction to Turf Management 3-0-3
This course introduces principles of turf grass management and golf course operations to non-golf course management majors. Topics include turf grass selection, mowing, commonly used golf course terminology, supplementary cultural practices, different types of golf courses and golf course management principles. The history and function of golf related organizations are also discussed in the course. Also included are fertility, irrigation and pest control.

TUF 172 Turf Management I 2-3-3
This course covers the principles and practices involved in turf grass management. Topics include establishment, maintenance, and management of turf grass areas. The student is exposed to the history of golf and the management of its playing areas through awareness and sound application of selected cultural practices, presented as the means to produce and maintain a quality golf course for player use. They include mowing, fertilization and irrigation. Identification of grasses normally managed is included. This is an introductory course in Golf Course Management.

TUF 173 Sports Field Surveying & Layout 1-3-2
This course teaches basic surveying techniques often required for building or renovating sports fields. Basic measuring, the use of levels and transits and the preparations of topographic maps are emphasized. GPS applications will also be discussed.

TUF 174 Turfgrass Pests I 2-3-3
This course is a study of turf insects and diseases with emphasis placed on identification and control. Weed identification is also included.

TUF 175 Turfgrass Pests II 2-3-3
Prerequisite: TUF 174
This course is an in-depth analysis of turf grass pests, emphasizing scientific resources.

TUF 190 SCWE in Turfgrass Management 0-20-5
Prerequisite: TUF 172
This course provides for practical work experience and integration of turf grass skills at an approved turf grass facility or golf course.

TUF 201 SCWE in Golf Course Management 0-32-8
Prerequisite: TUF 172
This course provides practical work experience at an approved golf course. Record keeping, experience in supervision and objective reporting of golf course problems, corrections and cost analysis are included.
TUF 203 SCWE in Sports Turf Management
Prerequisite: TUF 172
This course provides practical work experience at an approved sports turf facility. All aspects of the business are covered while working under the supervision of an industry professional. Course progress is monitored by our faculty and students are required to file reports on a regular basis.

TUF 204 Sports Turf Seminar
1-3-2
This course has been designed to give the student an overview of the sports turf profession. Guest speakers from the industry will discuss topics pertinent to today’s highly specialized athletic field managers.

Career development and certification will be emphasized, as well as discussion on the various liabilities and regulations faced by the industry.

TUF 215 Turf Business Practices
3-0-3
Prerequisites: TUF 175 and TUF 252
This course is a study of business practices and personnel management needed to operate a turf enterprise. Topics include budget management, business and economics, communication skills, interpersonal relations, government requirements, and problem solving.

TUF 220 Special Topics in Turf Management
Prerequisite: TUF 172
This course will include special topics in the area of turf management.

TUF 225 Golf Course Design
3-0-3
This course introduces fundamentals of golf course design. Topics include golf course architectural history, site selection and routing techniques. Environmental considerations, principles and maintenance factors pertaining to the construction of golf courses are presented.

TUF 252 Turf Management II
2-3-3
Prerequisite: TUF 172
This course is an in-depth analysis of common management practices on turf with emphasis on scientific resources. Emphasis is on development of golf course management programs. Topics include plant growth regulators, overseeding, fertilizer programs and environmental issues.

TUF 262 Pesticides
2-3-3
Prerequisite: TUF 174 or permission of instructor
This course covers modern methods of applying herbicides, fungicides, insecticides and nematocides. Special emphasis is placed on calibration of equipment, dilution techniques, and accurate application of minute quantities of pesticides over large areas. As a course requirement, the student must pass the S.C. Certified Pesticide Applicator’s licensing exam.

TUF 270 Techniques of Sports Field Maintenance
Prerequisites: HRT 125 and TUF 172
This course covers the overall maintenance of sports fields. Topics include aeration, fertilization, weed control, mowing, and turf growth regulation on grass fields. Synthetic surfaces and all other non-turf maintenance items will be covered in depth.

TUF 272 Turf Irrigation & Drainage
4-3-5
This course is a study of the principles and practices of irrigation design, installation and maintenance as it applies to golf courses. Practical application is included.

TUF 274 Turf Records & Budgets
2-0-2
Prerequisites: TUF 175 and TUF 252
This course is a study of all aspects of record keeping involving golf course maintenance and warranties. Purchasing materials and the preparation of a projected budget for an 18-hole course are emphasized.

TUF 276 Golf Course Construction
2-3-3
Prerequisites: TUF 172 and TUF 252
This course examines the general problems of golf course construction from the architect, owner and superintendent’s points of view. Advantages and disadvantages, costs and scientific factors of various types of greens construction are explored.

TUF 278 Sports Field Construction & Drainage
Prerequisite: TUF 172
This course has been designed to give the student an overview of the sports turf profession. Guest speakers from the industry will discuss topics pertinent to today’s highly specialized athletic field managers.

WLD

WLD 103 Print Reading I
1-0-1
Corequisite: MAT 032 or appropriate placement scores
This is a basic course which includes the fundamentals of print reading, the meaning of lines, views, dimensions, notes, specifications, and structural shapes. Welding symbols and assembly drawings as used in fabrication work are also covered.

WLD 106 Gas & Arc Welding
2-6-4
Corequisite: MAT 032 or appropriate placement scores
This course covers the basic principles and practices of oxyacetylene welding, cutting, and electric arc welding. Emphasis is placed on practice in fundamental position welding and safety procedures.

WLD 110 Welding Safety & Health
1-0-1
Corequisite: MAT 032 or appropriate placement scores
This course is an introduction to safety and health hazards associated with welding and related processes.

WLD 111 Arc Welding I
2-6-4
Corequisite: MAT 032 or appropriate placement scores
This course covers the safety, equipment, and skills used in the shielded metal arc welding process. Fillet welds are made to visual criteria in several positions.

WLD 132 Inert Gas Welding Ferrous
2-6-4
This course covers set up and adjustment of equipment and fundamental techniques for welding ferrous metals.
WLD 134  Inert Gas Welding  1-6-3
Non-Ferrous
Prerequisite: WLD 111
This course covers fundamental techniques for welding non-ferrous metals.

WLD 140  Weld Testing  1-0-1
Prerequisite: WLD 111
This is an introductory course in destructive and non-destructive testing of welded joints.

WLD 154  Pipe Fitting & Welding  2-6-4
Prerequisite:  WLD 111
This is a basic course in fitting and welding pipe joints, either ferrous or non-ferrous, using standard processes.

WLD 201  Welding Metallurgy  2-0-2
Corequisite:  MAT 032 or appropriate placement scores
This course covers the weldability of metals, weld failure, and the effects of heat on chemical, physical, and mechanical properties.

WLD 228  Inert Gas Welding Pipe I  2-6-4
Prerequisite: WLD 132 and WLD 154
Corequisite: WLD 229
This course covers the techniques used in gas tungsten arc welding of groove welds on ferrous pipe.

WLD 229  Inert Gas Welding Pipe II  1-3-2
Corequisite: WLD 228
This course covers the techniques used in gas tungsten arc welding of groove welds on alloyed steel and non-ferrous pipe.
HORRY GEORGETOWN TECHNICAL COLLEGE
COMMISSION

Joe T. Branyon, Jr., Chair
Orrie E. West, Vice Chair
Herman C. Jones, Chair Emeritus

Brent D. Groome • Donald W. Helms • Y. Melvin Nobles • William Ken Richardson • Jon David McMillan

PRESIDENT AND CABINET

H. Neyle Wilson, College President
B.S., Forestry Management, Clemson University • M.Ed., Educational Administration, University of South Carolina
ABD, Curriculum, Higher Education Leadership, University of South Carolina

Donna Burrows, Administrative Assistant to the President
Cathy Myers, Administrative Assistant to the President

Marilyn J. Fore, Senior Vice President
B.A., Social Sciences, Fairmont State College • M.A., Educational Administration, University of South Carolina M.A., Economics, University of South Carolina • Ed. D., Curriculum and Instruction, University of South Carolina

Kathryn Dudley, Administrative Assistant to Senior Vice President

Mary Eaddy, Director of Marketing and Public Relations
APR, Public Relations Society of America • B.A., Journalism, University of South Carolina
M.A., Journalism, University of South Carolina

Jackie Barrett, Assistant Vice President for Human Resources and Employee Relations
B.S., Business Administration, University of South Carolina
M.S., Human Resource Management, University of South Carolina

Nancy Roloff, Administrative Assistant to Associate Vice President for Student Affairs

Harold N. Hawley, Vice President for Business Affairs
B.S., Business Administration-Accounting, Radford University • M.B.A, Business Administration, University of Richmond

Maritza Lea, Administrative Assistant to Vice President for Business Affairs

Gregory L. Mitchell, Vice President for Workforce Development, Provost for Georgetown and Grand Strand Campuses
B.S., Management, University of South Carolina • M.S., Management, Webster University

Pat Kleber, Administrative Assistant to the Vice President for Workforce Development

Eileen Smith, Administrative Assistant to Provost, Georgetown

Ralph L. Selander, Vice President for Technology and Institutional Planning
B.A., Mathematics and Economics, Newberry College • M.S., Computer Software Development, University of South Carolina
Faculty

Abbott, Hyde
Chair, Humanities and Fine Arts; Professor, English
B.A., English, Wofford College
M.A., English, University of South Carolina

Adcock, Marvin
Professor, Economics
B.S., Political Science and Economics, Birmingham-Southern College
M.S., Economics, Alabama Agricultural and Mechanical University

Aldrich, Lorraine
Associate Professor, Nursing
A.S., Nursing, Gwynedd Mercy College;
B.S.N. Catholic University of America, M.S.N., University of Connecticut

Arteaga, Orlando, P.E.,
Professor, Construction Management
B.S., Civil Engineering, New Jersey Institute of Technology
M.S., Engineering Management, New Jersey Institute of Technology, M.B.A., Webster University

Atkins, Caryn
Assistant Chair, Associate Professor, Diagnostic Medical Sonography
A.A.S., College of St. Catherine
B.S., Biology, Ball State University

Ball, Jeffrey
Associate Professor, Welding
A.A.S., General Technology-Welding and HVAC, Williamsburg Technical College

Barker, Jonathan
Professor, English
B.A., English and Political Science, University of North Carolina
M.A., English, University of North Carolina, Charlotte

Bartholomy, Richard
Professor, Civil Engineering Technology
B.E., Youngstown State University
M.S., Engineering, Youngstown State University

Bauer, Fred
Professor, Accounting
A.S., Accounting, Atlantic Community College
B.S., Business Administration, Rowan College of New Jersey
M.B.A., Winthrop University

Beck, Stephanie Jo
Professor, Nursing
A.S. Nursing, Southeastern Community College
B.S. and M.S. Nursing, University of Phoenix

Beckham, William
Associate Professor, English
M.A., English, University of North Carolina at Wilmington
B.A., English, Coastal Carolina University

Benfield, Philip G.
Professor, Spanish
B.A., Spanish, University of North Carolina
M.A., Spanish, University of Arizona

Bennett, Jeannie
Professor, Human Services
B.A., Social Work, Lock Haven University
M.A., Social Work, Marywood University

Blackwelder, Claire
Chair, Professor, Early Care and Education
B.A., English, University of North Carolina
M.A., Education – Research & Graduate Studies, Western Carolina University

Blount, Geoffrey
Associate Professor, Culinary Arts
B.B.A, Hospitality Tourism, Strayer University
A.A.S, Culinary Hospitality Management, Central Piedmont Community College

Blumberg, Dean
Professor, English
B.A., English, The University of Vermont
M.A., English, Appalachian State University

Bolton, Alicia
Professor, English
B.A., English and B.S. Psychology, University of Montevallo
M.A., English, University of Alabama at Birmingham

Bonaparte, Christine
Associate Professor, Communications
B.A., Communication Arts, Texas Lutheran University;
M.A., Speech Communication, Texas State University/San Marcos;
Ph.D., Communication, Arizona State University

Booth, Terry
Professor, Psychology
B.A., Counselor Education, South Carolina State University
M.A., Vocational Rehabilitation Counseling, South Carolina State University

Britt, Jerry
Professor, HVAC
A.O.T., Energy Conservation and Use Management Technology,
Horry Georgetown Technical College

Brown, Richard
Associate Professor, Machine Tool
Certificate, CNC Technology, Columbus Technical College

Bunal, Al
Assistant Chair, Professor, Digital Arts
A.A.S., Security Management, Community College of the Air Force
B.F.A., Communication Arts/Graphic Design, East Carolina University

Burlyn, Allison
Chair, Professor, Mathematics
B.S., Applied Mathematics, Coastal Carolina University
M.S., Mathematics, University of Tennessee

Butler, Brett
Professor, Mathematics
B.A., Mathematics, Wofford College
M.Div., The Southern Baptist Theological Seminary
Ph.D., Theology, The Southern Baptist Theological Seminary

Cade, Ronald
Associate Professor, Business
M.B.A., Business Administration, Morehead State University
B.B.A., Business Economics, Ohio University

Carman, Jason
Professor, Information Technology
B.S., Computer Science, Coastal Carolina University
M.B.A., Applied Computer Science, Northcentral University

Carpenter, DeAnna
Professor, Forestry
B.S., Forestry, Auburn University
M.S., Forestry, Auburn University

Carraway, Beth B.
Professor, Accounting
A.A.S., Human Services Technology, Delaware Technical & Community College
A.A.S., Criminal Justice Technology, Delaware Technical & Community College
B.S., Accounting, Wesley College
M.A., Accounting, University of North Carolina
Causen, Renee (Robyn)
Assistant Chair, Professor, Human Services
B.A., Psychology and Philosophy, University of South Carolina
M.S.W., Social Work, University of South Carolina

Christian, Georgia H.
Professor, Biological Sciences
B.S., Biology, Winthrop College
M.S., Biology, Winthrop College

Chuska, Minda K.
Chair, Humanities, Fine Arts and Communications
Professor, English
B.A., Liberal Arts, Concordia College
M.A., English, Fordham University
Ph.D., English, Texas Tech University

Clark, Brian J.
Chair, Forestry and Wildlife Management
Professor, Forestry Management
B.S., Forestry and Wildlife, Virginia Polytechnic Institute & State University
M.S., Forestry, University of New Hampshire

Clark, Robert L.
Professor, Limited General Radiologic Technology
Certificate, Radiological Technology, Emmett Memorial Hospital
Certificate, Post-Graduate Medical Sonics, Bowman Gray School of Medicine

Clay, William
Associate Professor, Mathematics
M.A., Applied Mathematics, University of California, Santa Barbara
M.S., Mathematics, Jackson State University
B.S., Mathematics, Mississippi Valley State University
A.S., Mathematics, Bishop State Community College

Cohen, Stuart C.
Professor, Chemistry/Physics
B.S., Chemistry, University of London
Ph.D., Inorganic Chemistry, University of London

Collins, Karen G.
Professor, Accounting
B.A., Fine Arts, College of Charleston
B.S., Business Administration, Coastal Carolina University
M.A., Professional Accounting, Clemson University

Conant, Robin A.
Professor, Information Technology
B.A., Anthropology, University of Connecticut
M.S., Computer and Information Science, University of New Haven
M.A.L.S., Wesleyan University

Cook, Kathryn (Kif)
Associate Professor, Legal Studies
B.S., Business Administration, University of South Carolina
J.D., University of South Carolina Law School

Cox, Mary
Assistant Chair, Cosmetology, Esthetics Technician, Nail Technician
Professor, Cosmetology
Diploma in Cosmetology, Chris Logan Beauty College

Crane, Barbara
Professor, Early Care and Education
B.A. Early Childhood Education, Columbia College
M.Ed., Early Childhood Education, University of South Carolina

Cribb, Ernest
Associate Professor, Welding
Certificate in Welding, HGTC
Over 37 years of related work experience

Crolley, Paul
Associate Professor, Psychology
M.A., Community Counseling, Argosy University
B.A., Spanish, Coastal Carolina University

Cyganiewicz, Scott
Chair, Emergency Medical Technology, Fire Science,
Phlebotomy, Surgical Technician and Pharmacy Technician
Professor, Emergency Medical Technology
A.S., Nursing, Excelsior College
B.S., Biology, Coastal Carolina University
Paramedic Certificate, Horry Georgetown Technical College

Daniels, Ann B.
Chair, Nursing
Professor, Nursing
B.S., Nursing, University of North Carolina
M.S., Nursing, University of Phoenix

Derouen, Alice S.
Chair, Dental Sciences and Dental Clinic
Professor, Dental Sciences
A.S., Dental Hygiene, Indiana University
B.S., Education, Indiana University
M.S., Arts and Sciences, Loyola University

Donnelly, Tina
Professor, Business
A.S. Travel/Tourism Management
B.S., Hospitality Management, Johnson & Wales University, M.B.A.,
Organizational Leadership, Johnson & Wales University

Dudley, Nancy A.
Professor, Information Technology
Certificate, Microsoft Computer Applications,
Horry Georgetown Technical College
B.A., English, Mercer University
M.Ed., Mercer University

Dwyer, Mary
Associate Professor, Sociology
M.S., Criminal Justice, State University of New York Buffalo State College
B.S., Sociology/Criminology, Albright College

Eddings, Martha
Professor, Nursing
A.D., Nursing, Gaston College
B.S., Nursing, University of North Carolina at Charlotte
M.S., Nursing, Gardner Webb University

Ekechukwu, Peter I.
Professor, Biological Sciences
B.S., Biology/Botany, University of Ibadan
M.S., Biology, University of Minnesota
Ph.D., Agronomy/Biology, New Mexico State University

Elliott, Susan
Associate Professor, Nursing
A.S. Nursing, Randolph County School of Nursing
B.S. Nursing, Mountain State University
M.S., Nursing, Walden University

Falbo, Valerie
Associate Professor, Spanish
M.S., Spanish, West Virginia University
B.S., Humanistic Studies, St. Mary’s College

Fandel, Mark
Professor, Biological Sciences
D.C., Life University

Farinella, Chris C.
Professor, Mathematics
B.S., Mathematics, Sam Houston State University
M.S., Mathematics, Sam Houston State University
M.S., Social Work, University of Texas

Farrior, Christine
Associate Professor, Phlebotomy
Certificate, Phlebotomy Technician, Horry Georgetown Technical College

Fiebiger, Christina
Professor, Biological Sciences
B.S., Biology and Chemistry, Coastal Carolina University
M.S., Biomedical Science, Medical University of South Carolina
Flood, Michael  
Professor, English  
B.A., English, Notre Dame College  
M.A., English, Slippery Rock University  

Floyd, James (Austin)  
Assistant Chair, Communications, Developmental Studies, College Skills  
Professor, English  
B.A., English, Coastal Carolina University  
M.F.A., Writing, Savannah College of Art and Design  

Fowler, Rachel C.  
Professor, Biological Sciences  
B.S., Biology, Erskine College  
M.S., Coastal Marine and Wetland Studies, Coastal Carolina University  

Galloway, Cynthia  
Professor, Early Care and Education  
B.A., Early Care and Education, University of South Carolina-Coastal Carolina College  
M.A., Early Childhood Education, University of South Carolina  

Glassberg, Sean J  
Professor, English; Director, Faculty Development; Assistant Provost, Georgetown Campus  
B.A., English, Clemson University  
M.A., English, Clemson University  
M.S., Special Education, Long Island University  

Gleasman, Douglas  
Chair, Associate Professor, Medical Imaging Sciences  
Radiologic Technology (ARRT) Certification, St. Luke’s Memorial Hospital Center School of Medical Radiography;  
A.A.S., Mohawk Valley Community College;  
B.S., Excelsior College (State University of New York);  
D.C., New York Chiropractic College  

Godwin, Norman  
Associate Professor, Economics  
M.S., Economics, Murray State University  
M.B.A, Business Administration, Murray State University  

Golden, Julie A.  
Professor, Psychology  
B.A., Psychology, Coastal Carolina University  
M.S., Clinical/Community Psychology, Francis Marion University  

Graham, Tracey  
Professor, Speech, Anthropology and Theatre  
B.A., Telecommunications, Morgan State University  
M.A., Theatre Arts, Bowling Green State University  
A.B.D., Anthropology, University of Florida  

Granger, Charles  
Associate Professor, Golf and Sports Turf Management  
A.S., Golf Course Management, Horry Georgetown Technical College  
B.S., Nursery/Landscape Management, Tennessee Technological University;  
M.S., Agriculture, Iowa State University  

Gross, Richard  
Professor, Electronics Engineering Technology  
B.S., Physics, College of the Holy Cross  
M.S., Electrical Engineering, University of Rhode Island  
Ph.D., Electrical Engineering, University of Rhode Island  

Guenther, Courtney  
Chair, Natural and Physical Sciences  
Professor, Biological Sciences  
B.S., Biochemistry, Clemson University  
Ph.D., Neuroscience, University of Wisconsin  

Haselden, Brandon  
Chair, Machine Tool Technology and Welding  
Associate Professor, Machine Tool Technology  
A.A.S., Machine Tool Technology, Horry Georgetown Technical College  

Hassett, Kathleen M.  
Assistant Chair, Culinary Arts  
A.S., Culinary Arts, Johnson and Wales University  
B.S., Business Education and Food Service, Johnson and Wales University  

Hawk, Richard  
Professor, Accounting  
B.S., Business Administration, Clarion State College  
M.S., Taxation, Washington School of Law  
Ph.D., Taxation, Washington School of Law  
Ph.D., Business Administration, University of Pittsburgh  

Heafner, Chris  
Professor, English  
B.A., English and Philosophy, University of North Carolina-Charlotte  
M.A., English, Indiana University of Pennsylvania  
Ph.D., English, University of South Carolina  

Heath, Jonathan G.  
Assistant Chair, Physical Sciences  
Professor, Chemistry  
B.S., Chemistry, Georgia Institute of Technology  
Ph.D., Chemistry, Duke University  

Heddes, Michael  
Professor, English  
B.A., Communication/Media Studies, Georgetown College  
M.A., Professional Communication, Clemson University  

Holland, B. Lawson  
Chair, Associate Professor, Sports Tourism  
B.A., Secondary Education, English, Clemson University  

Hope, Kevin  
Associate Professor, Pharmacy Technology  
B.S., Pharmacy, Medical University of South Carolina  

Howell, Candace  
Chair, Business Technology and Personal Care  
Professor, Business  
B.A., Broadcasting, State University of New York, Brockport  
M.B.A., Marketing and Management, University of Phoenix  

Hubbard, Rebecca  
Assistant Chair, Education  
Professor, English  
B.A., Secondary Education, University of South Carolina  
M.Ed., English, Coastal Carolina University  

Huggins, Betty  
Professor, Mathematics  
A.A., Coast Carolina University  
B.A., Education, Coastal Carolina University  
M.Ed., Coastal Carolina University  

Ivey, Erin  
Assistant Chair, Professor, Surgical Techniciian  
Certificate, Surgical Technology, Florence-Darlington Technical College  
Certified Surgical Technologist  

James, Sherry B.  
Professor, Nursing  
B.S., Nursing, University of South Carolina  
M.S., Nursing, University of Phoenix  

Johnson, Alyssa  
Professor, English  
B.S., Liberal Arts and Technical Communications, Clarkson University  
M.A., English, State University of New York  

Kane, Dianne  
Associate Professor, Nursing  
B.S., Nursing, Plattsburg State University  
M.S., Nursing, Chamberlain College of Nursing
Keenan, Joyce A.  
Professor, Mathematics  
B.S., Mathematics, Minnesota State University  
M.S., Mathematics, Western Washington University

Keith, Ann L.  
Professor, Information Technology  
B.S., Mathematics, Allen University  
M.A., Computer Resources & Information Management, Webster University

Kemp, Norene  
Professor, Information Technology  
B.S., Information Systems, Johns Hopkins University  
M.S., Information and Telecommunication Systems, Johns Hopkins University

Kennedy, Coleen  
Professor, Nursing  
B.S., Nursing, University of South Carolina  
M.S., Nursing, Medical University of South Carolina

King, Dustin  
Professor, Mathematics  
B.S., Mathematics/Secondary Education, Appalachian State University  
M.A., Mathematics Education, Appalachian State University

King, Walter T. (Casey)  
Professor, Physics, Astronomy  
B.S., Physics, Marshall University  
M.E., Nuclear Engineering, University of Virginia

Klein, Samuel  
Professor, History  
B.S., History, Southern Illinois University  
M.A., History, Southern Illinois University

Knowlen, Matthew  
Professor, Mathematics  
B.S., Mathematics, Coastal Carolina University  
M.S., Mathematics, College of Charleston

Knowles, Lyndsay  
Associate Professor, English  
B.A., English, Coastal Carolina University  
M.A., English, Simmons College  
M.A. Teaching - Secondary English Education, Coastal Carolina University

Koontz, Lauren  
Associate Professor, Biological Sciences  
B.S., Biology and Psychology, West Liberty University  
M.S., Microbiology and Immunology, Wright State University

Kouns, Erica  
Professor, Nursing  
B.S., Nursing, University of Phoenix  
M.S., Nursing, University of Phoenix

Kunkle, Charles W., P.E.  
Professor, Electronics Engineering Technology  
B.S., Electrical Engineering, University of Pittsburgh  
M.E., Electrical and Computer Engineering, University of South Carolina

Lanza, Brett  
Professor, Mathematics  
B.A., Political Science, Muhlenberg College  
M.S., Mathematics, College of Charleston

Lee, Connie  
Professor, Communications  
B.S., Speech Communication, Radford University  
M.S., Corporate and Professional Communications, Radford University

Lewis, David  
Associate Professor, Civil Engineering  
M.S., Civil Engineering, North Carolina State University  
B.S., Civil Engineering, Louisiana State University
McCoy, Barbara
Professor, Mathematics
B.S., Secondary Education, Coastal Carolina College
M.A., Curriculum and Instruction, University of Phoenix

McGuinnes, Richard
Chair, Golf and Sports Turf Management, HVAC, Aeronautics
Professor, Golf and Sports Turf Management
A.A.S. Ornamental Horticulture, Farmingdale State University

McNelis, Paula
Professor, Nursing
B.S., Nursing, Linfield College

McQueen, Donna W.
Professor, Legal Studies
B.A., Political Science, University of South Carolina, Coastal Carolina University
J.D., Law, University of Richmond

Medina, Amy
Associate Professor, Nursing
A.S., Nursing, Southeastern Community College, B.S.N., University of North Carolina-Pembroke
M.S.N., East Carolina University

Miller, John
Associate Professor, Emergency Medical Technology
A.H.S., Greenville Technical College

Morgan, Jean
Associate Professor, Sociology
M.S.W, Social Work, Temple University
B.A., Elementary Education, Rowan University

Moser, Randy
Professor, Mathematics
B.S., Mathematics, Pennsylvania State University
M.S., Mathematics, Temple University

Moyers, Pamela L.
Professor, Expanded Duty Dental Assisting
Associate in Applied Science, Trident Technical College
B.H.S., Medical University of South Carolina

Mullally, Tom
Professor, Culinary Arts
A.S., Culinary Arts, Johnson and Wales College

Nguyen, Aglaia
Associate Professor, English
M.A., English, Clemson University
B.A., English, University of South Carolina Upstate

Nagwasky, Barbara
Associate Professor, Nursing
B.S. Nursing, Waynesburg College
M.S., Nursing, Waynesburg College
M.B.A., Waynesburg College

Ofendo Reyes, Nancy L.
Professor, Nursing
B.S., Nursing, Western Mindanao State University
M.S., Nursing, Western Mindanao State University

Penn, Lisa
Associate Professor, Nursing
B.S.N., Waynesburg University;
M.S.N., Liberty University

Pirozzi, Melissa
Professor, Digital Arts
B.A., Visual Arts, Francis Marion University
M.A., Graphic Design, Savannah College of Art and Design

Plunket, John
Professor, Biological Sciences
B.S. Marine Science, Eckerd College
M.S., Oceanography and Coastal Sciences, Louisiana State University

Priester, Jay
Professor, Mathematics
B.A., Mathematics, University of North Carolina
M.A., Math Education, University of North Carolina

Qintana, David
Associate Professor, Culinary Arts
A.S., Culinary Arts, Johnson and Wales University

Reece, Dana
Professor, Nursing
A.S., University of South Carolina
B.S., Nursing, University of South Carolina
M.S., Nursing, University of Phoenix

Rogers, Kimberly
Associate Professor, Biology
DC, Chiropractic, Life University
M.S., Sport Health Science, Life University
B.S., Communications, Norfolk State University

Rogers, Leila
Professor, Sociology
B.A., Sociology, University of Virginia
M.A., Sociology, University of Virginia

Rotaru, Ilenea
Associate Professor, Chemistry
B.A., Italian Language and Literature and English as Foreign Language and Literature, Universitatea Babes-Bolyai, Cluj-Napoca
B.S., Chemistry and Physics, Universitatea Babes-Bolyai, Cluj Napoca
M.S., Organo-Metallic Chemistry, Universitatea Babes-Bolyai, Cluj-Napoca

Rovetto, Roseann
Professor, Information Technology
A.A.S., Computer Data Processing, Butler County Community College
B.S., Business Administration, Slippery Rock University
M.S., Business Education, Robert Morris College

Ruth, Deanna
Professor, Forestry
B.S., Wildlife Science and Forestry, Purdue University
M.S., Aquaculture, Fisheries and Wildlife, Clemson University

Ryan, Meredith
Associate Professor, Psychology
B.A., Psychology, Coastal Carolina University
M.A., Psychology, The Citadel

Saltzstein, Peter A.
Professor, Philosophy
B.A., Government, Lawrence University
M.A., Philosophy, University of Wisconsin
M.A., Art History, Indiana University
Ph.D., Philosophy, Brown University

Sawyer, Jamie A.
Professor, Dental Hygiene
Certificate, Dental Assisting, Florida Community College
A.S., Dental Hygiene, Florence/Darlington Technical College
B.S., Dental Hygiene, Medical University of South Carolina
M.Ed., Counseling Education, The Citadel

Servedio, Matthew
Professor, Information Technology
B.S., Finance, Coastal Carolina University
M.B.A., Webster University
M.A., Information Technology Management, Webster University
Walker, Roland N.
Professor, Information Technology
B.S., Music Education, Auburn University
A.A.S., Computer Technology, Horry Georgetown Technical College

Wagner, Eric
Professor, Culinary Arts
A.A.S., Culinary Arts, New Hampshire Technical College

Waters, Candace
Assistant Chair, Nursing
Professor, Nursing
A.S., Mississippi University for Women
B.S., Nursing, Indiana Wesleyan University
M.S., Nursing, Ball State University

Watkins, James P.
Professor, Heating, Ventilation and Air Conditioning
A.O.T., Heating, Air Conditioning, Horry Georgetown Technical College

Webb, Heidi
Professor, Mathematics
B.S., Financial Mathematics/Applied Statistics, University of West Florida
M.S., Applied Statistics/Research Methods, University of Northern Colorado

Wehrung, LouAnn
Chair, Information Technology and Digital Arts
Professor, Information Technology
A.A.T., Microcomputer Specialist, Middle Georgia Technical College
B.I.T., Computer Systems, American Intercontinental University
M.I.T., Information Technology, American Intercontinental University

West, Roy
Associate Professor, Mathematics
B.S., Education, North Carolina State University
M.A., Mathematics Education, University of North Carolina at Pembroke

Westerhold, James
Professor, Wildlife Management
B.S., Environmental Biology, Eastern Illinois University
M.S., Aquaculture, Fisheries and Wildlife Biology, Clemson University

Whitfield, John
Associate Professor, Biological Sciences
B.S., Biology, Coastal Carolina University
M.A., Biology, The Citadel

Wilkinson, Ashley
Professor, Golf and Sports Turf Management
A.A.S., Golf Course Management, Horry Georgetown Technical College
B.S., Horticulture, Tennessee Technological University

Williams, Michael E.
Assistant Chair, English
Professor, English
B.A., Communication, University of Alabama
M.A., English, University of South Carolina

Williams, Tiffany
Professor, Mathematics
A. A., Mayland Community College
B.S., Organizational Management and Development, Lees-McRae College
M.A., Mathematics Education, Appalachian State University

Wysong, Daniel C.
Chair, Legal Studies, Public Service and Social Behavioral Sciences
A.A.S., Law Enforcement, Mississippi Gulf Coast Junior College
B.A., Administration of Justice, William Carey College
M.S., Criminal Justice, University of Southern Mississippi
Ed.S., Adult Education-Criminal Justice, University of Southern Mississippi
Ph.D., Educational Administration, University of Southern California;
Ph.D., Human Services - Criminal Justice, Capella University

Zup, Ramona
Professor, Mathematics
B.S., M.S., Computer Engineering, Al I Cuza University, Iasi, Romania
M.A.T., Mathematics, Al I Cuza University, Iasi, Romania

Scott, Jeffrey
Professor, Criminal Justice
A.A.S., Criminal Justice Technology, Florence-Darlington Technical College
B.S., Liberal Studies, Limestone College
M.S., Criminal Justice, Troy University

Shoeemaker, Stephen (Scott)
Associate Professor, Electrical Lineman
A.A.S., Computer Technology, Horry Georgetown Technical College

Smith, Richard (Terry)
Associate Professor, HVAC
Certificate, Residential Heating, Ventilation, and Air Conditioning (HVAC), Horry Georgetown Technical College
A.I.T., Electrical Technology, Horry Georgetown Technical College

Snow, Mary H.
Professor, Developmental Studies
B.S., Elementary Education, South Carolina State College
M.Ed., South Carolina State University

Spain, Dina
Professor, Mathematics
B.A., Mathematics, Hampton University
M.A., Mathematics, The Ohio State University

Stenger, Mary E.
Professor, Radiologic Technology
B.S., Adult and Professional Education, St. Josephs College

Strong, Theresa
Associate Professor, Business
MBA, Business Administration, University of Massachusetts
B.S., Business Administration, Westfield State University

Tesseneer, Brian H.
Professor, Information Technology
A.S., General Education, Bladen Community College
B.S., Business Administration, University of North Carolina - Pembroke
M.S., Industrial Technology, East Carolina University

Thompson, Chris
Professor, Biological Sciences
B.A., Biology, University of Richmond
D.C., Life College

Thompson, William (Greg)
Associate Professor, Communications
B.A., English, University of South Carolina, Coastal Carolina College
M.S. Human Relations and Business, Amberton University

Tisdale, Lydia
Assistant Chair, Professor, Administrative Office Technology, Medical Administrative Assistant
B.S., Business Administration, University of South Carolina
M.A., Computer Resources and Information Management, Webster University

Tomchek, Ryan
Professor, Mathematics
B.S., Mathematics, Eastern Connecticut State University
M.S., Mathematics, University of Connecticut

Wagner, Eric
Professor, Culinary Arts
A.A.S., Culinary Arts, New Hampshire Technical College

Walker, Roland N.
Professor, Information Technology
B.S., Music Education, Auburn University
M.S. Instructional Technology, Auburn University
A.B.D., Computer Technology in Education, Nova Southeastern University

Wallace, Ashley
Associate Professor, Spanish
Ph.D, Higher Education Administration, Saint Louis University
M.Ed, Curriculum and Instruction, UNC Greensboro
B.A., Spanish, UNC Chapel Hill

Waters, Candace
Assistant Chair, Nursing
Professor, Nursing
A.S., Mississippi University for Women
B.S., Nursing, Indiana Wesleyan University
M.S., Nursing, Ball State University
