

How to Register for Next Generation Accuplacer Testing

PACE students must first complete the online application in order to receive a student H# which is required to register for testing. Please see your Guidance Counselor for a PACE Dual Enrollment Application Packet. Homeschool students can contact the PACE Program Coordinator at pace@hgtc.edu.

Test Score Requirements for the PACE Program can be found at www.hgtc.edu/pace.

Before registering for the Accuplacer exam you must go to www.hgtc.edu/startright and view the videos on Steps 1, 2, and 3. You do not have to complete Step 4. This will help you prepare to take the test.

- Step 1:** Go to the Horry-Georgetown Technical College website – www.hgtc.edu/testing
- Step 2:** At the top-middle of the page you will see the “Register for a Test” box. Click on this blue box and then select the campus at which you would like to test.
- Step 3:** On the registration screen, under #1 “Choose a Group”, you will select “Accuplacer - HGTC.” On #2, “Choose an Exam”, again select “Accuplacer - HGTC.”
- Step 4:** “Choose a Date”: Click on the Calendar icon to open the testing calendar. Times available for testing are underlined. Click on the date you would like to test and then go to “Choose a Time” from the available drop down list.
- Step 5:** Please continue through the registration screen entering in all requested information. **If you do not yet have a student H#, please be sure you have completed the online PACE application first.** Please click the box agreeing to follow the Exam Guidelines. Once everything is complete, click on “Add to Cart” and then select “Complete Registration”. Your confirmation page will appear for printing and one will be emailed to you to the email account you provided. **Note: Students are reminded that a photo ID is required at the time of testing at the HGTC Testing Center.**

Please note: High school students are permitted to take the Accuplacer twice. Students who do not achieve qualifying test scores by the second attempt must complete tutoring sessions before testing again. For Tutoring assistance prior to testing visit
