Step 1 Complete the PACE Online Application at hgtc.edu/pace/apply

*Create an account, saving your username and password, and complete the application. It is strongly recommended to have your parent/guardian present when you complete your application due to the parent/guardian information required. It is important you complete all information especially residency questions to ensure quick processing of your application. There is no fee for applying. If you received a fee notification, you have mistakenly accessed the College's application for high school graduates. Do not proceed.

Step 2 Sign and submit the following supplemental forms below online:

- Verification of Citizenship & Upload your ID (If your DMV issued ID says “Not for Federal Identification,” you will need to submit a copy of your Social Security card or passport instead.)
- Dual Enrollment Parent Agreement
- FAFSA Waiver

Step 3 Submit your ACT or SAT test scores to your Guidance Counselor for approval and course selections. If you have not taken either of these or your scores do not meet the minimum requirements, your counselor will submit your high school transcript for review.

Step 4 High School approval is required. Your Guidance Counselor will provide approval and submit your course selections for Fall and/or Spring Semester allowing HGTC to process your application for enrollment.

Priority deadlines for Fall and Spring semester are May 1 and November 1. Afterwards, applications will continue to be processed but availability of preferred course selections may have limited seating.

If you have any questions or technical issues with your online application, please call 843-477-2097.
