VIP TREATMENT TRAINING CENTER

Grand Strand Campus

We use professional products exclusively for customized face mapping for each client.

The VIP Training Center in Myrtle Beach offers services by appointment only. Please understand that messages may go unreturned when the center is closed, as practice centers are for technical training, not private businesses. Thank you!

Treatment times will vary, depending upon the condition of your skin, stress level, discovery of additional service needs, or other factors.

All services are performed by cosmetology students under the supervision of a licensed instructor.
