

HORRY-GEORGETOWN TECHNICAL COLLEGE
DENTAL HYGIENE and EXPANDED DUTY DENTAL
ASSISTING PROGRAMS
DENTAL OFFICE OBSERVATION
DOCUMENTATION

Dear Doctor and Staff:

Thank you for allowing this candidate for the Dental Hygiene/Expanded Duty Dental Assisting Programs to observe in your dental office. The faculty and staff of the Dental Sciences Department want our students to go into the dental profession fully aware of all that is involved when making a career choice. By observing a dental office in action, they are given the opportunity to not only see what skills and requirements are needed to be a Dental Hygienist or Expanded Duty Dental Assistant, but also sees the team work involved with an efficient running dental office.

A total of fifteen hours of observation is required to meet one of the criteria for admittance into the Dental Hygiene/Expanded Duty Dental Assisting Programs. The dental sciences candidate is not required to obtain all 15 hours of observation from one office. In fact, it is preferred that she/he observe dental procedures in more than one dental office. If you will please document the amount of time the candidate spent in your office and sign as verification, we can be assured that the required amount of observation time has been met.

Thank you again for your support of the Dental Hygiene/Expanded Duty Dental Assisting Programs and the Dental Sciences Department of Horry Georgetown Technical College.

Sincerely,

Michelle Meeker, RDH, MS, CDA
Program Director/Assistant Chair
Dental Sciences

OBSERVATION REQUIREMENTS for DENTAL HYGIENE/EXPANDED DUTY DENTAL ASSISTING (EDDA) PROGRAMS

1. Call the dental office(s) of your choice to arrange a time convenient for them for you to observe.
2. In advance of your observations, ask the office if they would like for you to wear scrubs for your observations. It is your responsibility to provide your own clean, unwrinkled scrub uniforms. Wear clean tennis shoes, have your hair up and away from your face.
3. Professional, respectful behavior is expected, and no cell phones should be used during observation hours.
4. You are not required to obtain all fifteen of the required hours at the same dental office; however, you are free to do so. The dental office(s) where you observe must be a General Dental Practice; this will provide you with observation of a variety of procedures.
5. Be sure to observe the dentist and dental assistant, as well as the front office staff and the dental hygienist. The majority of your hours are best spent observing the dentist and assistant.
6. On the page where you document your observations, have the person monitoring your hours place the date and amount of time observed, including the dentist's signature below.
7. After you have met your 15 hour requirements and completed the online Dental Hygiene or EDDA Information Sessions, send your documentation to the Admissions office located at: Horry Georgetown Technical College, ATTN: Admissions Office, 2050 Hwy. 501 East, Conway, SC 29528.
8. If you have any questions, please call the Dental Sciences, Program Director, Michelle Meeker at 843-839-1091 or contact via email at Michelle.meeker@hgtc.edu.
9. Applicants who are not selected and wish to be considered for the following year must submit a request to the admission office no later than the program application deadline date.
