Clinical Requirements Checklist .................................................................................. 3  

Section 1  
**Care Learning Modules** .................................................................................. 5  
Remit transcript showing all completed modules with your name & dates 

Section 2  
**CPR Certification** .......................................................................................... 6  
Must be BLS (Basic Life Support) Certificate through the AHA or ARC ONLY 

Section 3  
**HGTC Student Health Record – Physical (3 pages)** ........................................... 8  
All boxes must be checked on page 1 and 2. Be sure you sign and date the page 2. 
Your physician needs to complete the bottom of page 2 and page 3.  
**Physical Waiver** – For students with no medical changes since completing the HGTC physical within the past year ................................................................. 11 

Section 4  
**PPD or QFT Gold Blood Assay** ......................................................................... 12  
2 Step PPD is 4 visits. After the initial 2-step or QFT, a 1-step (2 visits) or QFT is required yearly. 

Section 5  
**Seasonal Flu Vaccine** ..................................................................................... 13 

Section 6  
**TDAP Vaccination** .......................................................................................... 14 

Section 7  
**Hepatitis B** ....................................................................................................... 15 

Section 8  
**MMR Titers** ....................................................................................................... 17  
MMR Titers must be accompanied with actual lab results with scores and reference ranges 

Section 9  
**Varicella Titers** ............................................................................................... 18  
Varicella Titers must be accompanied with actual lab results with scores and reference ranges 

Section 10  
**Professional Liability Insurance - Certificate of Liability** ............................... 19 

Section 11  
**Required Clinical Forms & Disclosures** – to be completed online ................. 20 

Section 12  
**As needed documents** ..................................................................................... 21  
Immunization Cost Estimate Sheet  
Positive PPD – Chest Xray Form  
Positive PPD – Symptom Assessment Form  
Vaccine Allergy Waiver 

Section 13  
**Covid Exemption Forms** ................................................................................... 25
Clinical Requirements Checklist*

- Criminal Background Check – see CBC/UDS/HT Instructional Packet
- Urine Drug Screening – see CBC/UDS/HT Instructional Packet
- Castle Branch Compliance Tracker – see CBC/UDS/HT Instructional Packet
- GHO Care Learning Modules Transcript
- BLS CPR Certification
- Health Physical completed on HGTC 3-page forms
- 2 Step PPD or QFT Gold Blood Assay
- Seasonal Flu Vaccine (not required for the summer semester)
- COVID Vaccine Card or Medical Exemption or Religious Exemption
- Tdap Vaccine
- Hepatitis B 3- or 2-dose series or + Titer or Declination Waiver
- MMR Titer Lab Results showing your scores with the reference ranges
- Varicella Titer Lab Results showing your score with the reference range
- Liability Insurance Certificate
- Clinical Forms and Disclosures
- Photo to be taken in the Clinical Admissions Office, Speir Bldg., room 1209

*This checklist is for all Nursing and Health Science Students except Dental Hygiene, Dental Assisting, EMT Basic and Massage Therapy.
IMPORTANT NOTES

➢ Any requirement that will expire mid semester must be completed before the semester begins. Example, your CPR certificate expires in March or your QFT expires in April, you must renew these before classes start in January.

➢ CPR Certification – there are many different types of CPR Certification. **BLS (Basic Life Support) for HealthCare Providers through AHA or ARC ONLY is the certification that is required.**

➢ One year from the date of your physical, a physical waiver may be submitted annually ONLY if there has been no change in your health status.

➢ 2 Step PPD or QFT Gold Blood Assay
  • A 2 Step PPD is two (2) Tuberculin skin tests. You will visit the physicians/clinics office four (4) times. You have step one administered and then read 48-72 hours later. Seven (7) days later after step one is read, you then have step two administered. Step two is then read 48-72 hours later. There is a max timeframe of 21 days (3 weeks) between Step 1 and Step 2.
  • You may have a QFT Gold Blood Assay in lieu of the traditional skin tests (2 Step PPD). This is a blood draw to test for tuberculosis.
  • After the initial 2 Step PPD or QFT, you will be required to receive a 1 step PPD or QFT Gold Blood Assay yearly. Do not let time lapse or you will need to complete the 2 Step PPD again. Example: If your 2 Step PPD was completed May 1, your annual 1 Step PPD MUST be completed no later than May 1 the following year.

➢ If your PPD/QFT is positive, you must have a chest xray immediately following the result. A chest xray is then required every 2 years.

➢ If your PPD/QFT is positive, a PPD symptom assessment form must be completed yearly.

➢ The Seasonal Flu vaccine is not required for the Summer Semester. It is required for Fall and Spring semesters.

➢ The COVID vaccine is not mandatory to attend HGTC. In order to attend clinicals, though, our affiliates require that you be fully vaccinated (2 Pfizer vaccines 21 days apart, 2 Moderna vaccines 28 days apart or 1 Johnson & Johnson) OR complete ALL the Medical Exemption forms OR complete ALL the Religious Exemption forms.

➢ Hepatitis B - There are 3 options to choose from:
  • Receive the 3-dose series now, 2nd dose in one month, 3rd dose in six months. or 2-dose (Heplisav-B) 4 weeks apart. Please check the first box of the Hep B Waiver (page 16), sign, date and upload it along with current dose that states you are in process of receiving the series. *If you received 3 doses in the past, we will accept those as your 3 doses (childhood immunizations).
  • You may have a Hep B Surface Antibody titer to check your immunity. If negative/non-reactive (non-immune), you will need to sign the waiver or begin the 3 series dose. You may use 2 Hep B vaccines from a prior record (childhood, military, etc.) and then just receive a booster to count as the 3rd dose.
  • You may opt out. Please see the Hepatitis Declination Waiver on page 16. Check the second box, sign & date.

➢ MMR and Varicella titers are required. DO NOT go for vaccinations until you have your titers completed. **LAB RESULTS WITH YOUR SCORE AND REFERENCE RANGES ARE REQUIRED FOR MMR AND VARICELLA.** If the titers are positive (immune), you are complete. Simply upload a copy of the positive titer lab results. If negative (non-immune) for the Mumps, Measles or Varicella, 2 boosters/vaccinations are required. Only 1 booster is needed for Rubella. For the 2 boosters, a prior vaccination (childhood, military, etc.) can count as the 1st dose and you will only need to receive the one booster/vaccination. You will need to remit a copy of your immunization record.

➢ Liability insurance – We need the Certificate of Liability, not a copy of the application or proof of payment. If you change programs, your specialty must be changed on your policy. Example, if you are a Phlebotomy student in the spring and then go into the Radiology program for summer, the specialty on your policy must be changed from Phlebotomist to Radiology Technologist.
Completing the below Care Learning modules expedites the orientation process and facilitates the completion of basic regulatory training requirements prior to entering a healthcare facility. To get started, create a new account or re-use your existing account at: [http://passport.carelearning.com](http://passport.carelearning.com).

- Use your school issued HGTC email account when creating your Care Learning account. The program will require you to verify your account during the process.
- You will purchase courses and have access to them for 365 days. The total cost is $15.00. The modules must be completed yearly unless they expire during the semester. If so, you will click on Repurchase to complete the updated modules again prior to the start of the semester.

- Below are the 28 modules that must be completed for HorryGeorgetown Technical College.
  - When you Enter the Classroom, you MUST manually ADD these 3 modules by clicking Add Courses:
    - MUSC Health Florence, Marion, Black River Orientation
    - Tidelands Health – Ebola
    - Tidelands, Conway, Grand Strand, Waccamaw (GHO)

- When all modules are complete, please upload a copy of your transcript to your Castle Branch tracker.

- If you need technical support, call 866-617-3904 or email support@carelearning.com Monday-Friday 8am-6pm.
CPR: BASIC LIFE SUPPORT FOR HEALTHCARE PROVIDERS FORM

CPR REQUIREMENT:

- Basic Life Support Certification for the Healthcare Provider by American Heart Association (AHA) or American Red Cross (ARC) only
- Must renew CPR certification every 2 years

<table>

All students must be Basic Life Support (BLS) CPR Certified through the American Heart Association (AHA) or American Red Cross (ARC). Certification is offered in two (2) formats, Blended Learning and an all In Person Classroom Training. For the blended learning, the first portion is completed online. Then the second portion, the hands-on skills assessment, MUST be completed in person. If you select one of the vendors above, their class may be the all In Person Classroom Training. Therefore, check with the instructor FIRST before purchasing the online portion.

**NOTE:** If you are not receiving your CPR card/certificate the day of your class, please take the HGTC CPR/BLS Form with you so your instructor can complete it on your behalf. The form is valid for 30 days. You will need to remit a copy of your BLS CPR card/certificate within 30 days after your class.
Please print in ink or type Section I before going to your physician for examination. Be sure to answer all questions fully and include your name at the top of each page. Health information, including immunization records will be released to authorized clinical agencies with your consent (as designated by your signature on page 2). Students will not receive clearance for clinical without a complete record. Students must submit the completed “Student Health Record” prior to program matriculation. If you have questions concerning a disability, or if requesting reasonable accommodations contact Student Counseling Services at 349-5302. If requesting accommodations, you must provide appropriate medical, psychological and/or psychiatric documentation to support this request.

ESSENTIAL FUNCTIONS REQUIRED OF STUDENTS FOR ADMISSION AND PROGRESSION IN THE NURSING AND HEALTH CARE SCIENCE PROGRAMS

The following standards are considered essential criteria for participation in the Nursing and Health Science Programs. Students selected for Nursing or one of the Health Science programs must be able to independently engage in educational activities and clinical training activities in a manner that will not endanger clients/patients, other students, staff members, themselves, or the public. These criteria are necessary for the successful implementation of the clinical objectives of the Nursing and Health Science Programs. In order to be admitted, or to be retained in the Nursing or one of the Health Science Programs after admission, all applicants with or without accommodations must:

- **Possess sufficient visual acuity to independently read and interpret the writing of all size.**

- **Independently be able to provide verbal communication to and receive communication from clients/patients, members of the health care team, and be able to assess care needs through the use of monitoring devices, stethoscopes, infusion pumps, fire alarms, and audible exposure indicators, etc.**

- **Possess sufficient gross and fine motor skills to independently position and assist in lifting client/patients, manipulate equipment, and perform other skills required in meeting the needs of nursing care.**

- **The student (Observer) is free of communicable illnesses.**

</tr>
</tbody>
</table>

I hereby certify to the best of my knowledge that the preceding information is complete and accurate.

**Print Name** of Physician, Physician Assistant, or Nurse Practitioner

**Signature** of Physician, Physician Assistant, or Nurse Practitioner

**Office if Applicable**

**Date**

NOTE: Some NURSING AND HEALTH SCIENCE programs may have additional requirements. Individual students assume responsibility for ensuring all requirements have been met according to the designated curriculum for the program of which he/she is seeking entry.
WAIVER OF REPEAT PHYSICAL EXAMINATION / NOTIFICATION OF CHANGE IN HEALTH STATUS

Your initial Health Science Division – Student Health Physical Record is valid for one year. If you have had no changes in your medical history, you are eligible to complete this Waiver/Notification Form. If you have had any changes in your medical status, you are required to complete a new Health Science Division – Student Health Physical Record.

I, ________________________________________, as a student enrolled in a Nursing or Health Science Program at Horry-Georgetown Technical College, do hereby declare that I have sustained no changes in my physical health condition from my most recent student health examination required for the program.

- It is my understanding that in the event a physical health change occurs, it is my responsibility to immediately notify the following individuals of such change(s):
  1. Primary Course instructor and Clinical Instructor
  2. Clinical Admissions Office

- Following notification of health physical change(s), it is my responsibility to:
  1. Make an appointment with a healthcare provider for physical examination and completion of a new Health Science Division – Student Health Physical Record.
  2. Provide the completed Student Health Physical Record to the Clinical Admissions Office for verification of current eligibility for clinical without restrictions (specifically page 3 of health physical).
  3. Contact Student Affairs at (843) 349-5249 if you would like to request accommodations.

- If restrictions are indicated on the Student Health Physical Record, the Clinical Admissions Office will notify the student’s designated Program Department Chair and/or Dean for guidance regarding further clinical continuation.

- In the event I fail to notify the appropriate individuals of such health changes, Horry-Georgetown Technical College is released from all liability relevant to my physical health status, and such failed actions on my behalf may result in dismissal from the program of study and/or constitute legal action thereof.

MANDATORY HEPATITIS B VACCINE SERIES IN PROGRESS OR DECLINATION

Instructions:

Check the appropriate box(es) to indicate your compliance with the Hepatitis B requirement.

**SERIES IN PROGRESS**

- I am in the process of receiving the Hepatitis B Vaccine and will provide documentation of all vaccinations as they are completed. Until I am fully vaccinated, I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B virus (HBV) infection.

**DECLINATION**

- I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been informed of the opportunity to be vaccinated with Hepatitis B Vaccine. However, I decline Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B. If in the future, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I will decide at that time.

- If you previously completed the 2-dose vaccine and any of your current titer results are **NEGATIVE** or **EQUIVOCAL**, you are required to receive a 1-dose booster vaccine immediately. Documentation for the initial 2-dose vaccine and negative titers results must also be submitted.

- If you did not previously complete the 2-dose vaccine and your current titers are **NEGATIVE** or **EQUIVOCAL**, you are required to receive the following immunizations:
  - If Measles and/or Mumps are **NEGATIVE** or **EQUIVOCAL**: Two (2) doses of MMR are required.
  - If Rubella is **NEGATIVE** or **EQUIVOCAL**: One (1) dose of MMR is required.

</tbody>
</table>

If you change programs, your specialty must be changed on your policy.

Example, if you are a Phlebotomy student during the spring semester and then go into the Radiology program for the summer semester, your policy must be changed from Phlebotomist to Radiology Technologist.

Students may choose a vendor of their choice; however, coverage amounts must be as stated as below.

One 3rd party vendor is Healthcare Providers Service Organization (HPSO)
www.hpso.com – 1-800-982-9491

On the HPSO website, click “Get a Quote” > Select “Students” and “Get Started” > Follow the prompts as a “Student”

Minimum Coverage: $1,000,000 each claim and $3,000,000 aggregate

You will receive an email confirming your application was submitted.

Within 24-48 hours, you will receive an email containing your actual Policy.
We will need the Certificate of Liability for proof, not a copy of the application or proof of payment.

As of 09/29/2022, the Annual Premium was $44.10. Prices are subject to change.
Clinical Forms & Disclosures

Click on your program below to access the required clinical forms and disclosures.
Be sure to enter your full name and use your @hgtc.edu email account only.

The system will automatically send us a copy of your completed forms.
You do not need to email us stating they are complete.
You will have the option to download or print the completed forms for your records.

**When entering your birthdate on the forms, you may manually enter your DOB by entering MM/DD/YEAR or you may click on the year to select your birth year, then the month and day.

SYMPTOM ASSESSMENT FORM
(Required Yearly)

Instructions:
Complete this form ONLY if you had a Positive (+) Tuberculin Skin Test with a Negative (-) CXR.

Date: _______________ Date of Positive PPD: _______________ Date of Negative CXR: _______________

Have you been treated with tuberculosis medication? □ Yes □ No
Have you ever received a BCG (tuberculosis vaccine)? □ Yes □ No
Have you been exposed to an isolated case of TB this year? □ Yes □ No

Do you have any of the following?
- Productive cough (≥ 3 weeks) □ Yes □ No
- Persistent weight loss without dieting □ Yes □ No
- Persistent low-grade fever □ Yes □ No
- Night sweats □ Yes □ No
- Loss of appetite □ Yes □ No
- Swollen glands in the neck □ Yes □ No
- Recurrent kidney or bladder infections □ Yes □ No
- Coughing up blood □ Yes □ No
- Shortness of breath □ Yes □ No
- Chest pain □ Yes □ No

If you answered “YES” to any of the above questions, please explain:
________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

(Note: Clearance from a primary care provider, which may include repeat CXR, is required prior to clinical attendance if you answered “YES” to any of the above questions).

COVID MEDICAL EXEMPTION FORMS

PLEASE COMPLETE THE MEDICAL EXEMPTION FORMS FOR EACH FACILITY

Please note the COVID requirement is not mandated by Horry-Georgetown Technical College. It is a requirement set forth by the clinical affiliates in order to attend clinical(s).

Upload all forms into the Castle Branch Compliance Tracker under the COVID requirement.
Medical Exemption Request

Covid-19 Vaccination – States outside of California

Colleague Information – To be completed by employee

Printed Name: ___________________________  3-4 ID: ______

Date: ___________________________  Date of Birth: ___________________________

If you wish to request a medical exemption from mandatory vaccination, please sign the attestation below:

I have a medical condition or disability that prevents me from taking any of the COVID-19 vaccines authorized by the FDA. To be eligible for this exemption, I understand that I must provide to my employer (or to the facility where I volunteer or otherwise work) a written statement signed by my licensed healthcare provider, that I qualify for the exemption and indicating the probable duration of my inability to receive the vaccine (or indicating that the duration is unknown).

Employee Signature: ___________________________  Date: ___________________________

Please note, as a part of the exemption quality process, there may be follow-up review of this exemption. You will receive an email notifying you of approval/declination of your request. If you have questions regarding your request, reach out to your human resources representative. If this request is approved, you will be required to practice universal masking in the workplace unless actively eating or drinking. Please follow local or state and/or facility guidance for testing as part of this exemption. If your request is denied, you will either need to receive the COVID-19 vaccination or employment will be terminated.

Healthcare Provider Information – To be completed by healthcare provider

Printed Name: ___________________________  Provider Specialty: ___________________________

NPI: ___________________________  Phone Number: ___________________________

Licensed Healthcare Provider: Please mark the contraindications / precautions or other medical condition / disability that apply to this patient and sign and date this form. Licensed Healthcare Provider must include either a treating physician (M.D. or D.O.) or treating advanced practice professional (nurse practitioner or physician assistant). Note: Healthcare Providers cannot sign their own exemption / certification request.

Vaccine Contraindication Certification (list all that apply) – Requires healthcare provider signature

HCAhealthcare.com
**Note – Contraindication to one vaccine does not preclude receipt of another vaccine type**

| Johnson & Johnson |  □ Known history of severe allergic reaction (anaphylaxis) to any component of the vaccine or immediate allergic reaction  
|                  |  □ Previous history of heparin-induced thrombocytopenia (HIT)  
|                  |  □ History of Guillain-Barre Syndrome post-vaccine  
|                  |  □ Contraindication to MRNA vaccines (must specify below) AND female under age of 50  
|                  |  □ My patient has a physical or mental impairment that substantially limits one or more major life activities and prevents the patient from safely receiving the vaccine. (More detail regarding the medical condition and how it prevents the patient from receiving the vaccine must be attached).  
|                  | Additional Information: |

| mRNA Pfizer or Moderna |  □ Known history of severe allergic reaction (anaphylaxis) to any component of the vaccine or immediate allergic reaction  
|                        |  □ Known history of severe reaction (anaphylaxis) to the first dose of either mRNA vaccine  
|                        |  □ Previous history of Multisystem Inflammatory Syndrome (MIS) of adults or children  
|                        |  □ Documented Myocarditis after first dose of mRNA vaccine  
|                        |  □ My patient has a physical or mental impairment that substantially limits one or more major life activities and prevents the patient from safely receiving the vaccine. (More detail regarding the medical condition and how it prevents the patient from receiving the vaccine must be attached).  
|                        | Additional information: |

**Deferral Certification – **Requires healthcare provider signature
| General (Request for Deferral) | □ Acute COVID-19 infection documented in the past 90 days  
|                             | □ Receipt of monoclonal/polyclonal COVID-19 antibody treatment within the past 90 days  
|                             | □ Receipt of high titer COVID-19 antibody treatment (Convalescent Plasma) within the past 90 days  
|                             | *Deferral timeframe needed from provider for when employee can receive vaccination.*

McLeod Health Request for Medical Exemption from COVID Vaccine (2021)

Please print information below:

Employee Name: ___________________ Date of Birth ___________ Employee ID# ___________

Employee e-mail: ___________________ Employee Cell# ___________________

Department: __________________________ Director/Manager: ___________________

Healthcare Provider Name: _____________________ Provider Phone #: ___________________

To be completed by Healthcare Provider:

Pursuant to a federal mandate issued by the federal government for providers of healthcare, McLeod Health employees must be fully vaccinated against COVID-19. The individual named above is seeking a medical exception to the requirement for COVID-19 vaccination or a delay because of a temporary condition or medical circumstance. Please complete this form to assist McLeod Health in its reasonable accommodation process. If you have questions completing this form, please contact McLeod Employee/Occupational Health Services at 843-777-5146.

Please provide at least the following information, where applicable:

1. The applicable contraindication or precaution for COVID-19 vaccination, and for each contraindication or precaution indicate: (a) whether it recognized by the CDC pursuant to its guidance; and (b) whether it is listed in the package insert or Emergency Use Authorization fact sheet for each of the COVID-19 vaccines authorized for use in the United States;

2. A statement that the individual’s condition and medical circumstances relating to the individual are such that COVID-19 vaccination is not considered safe, indicating the specific nature of the medical condition or circumstances that contraindicate immunization with a COVID-19 vaccine or might increase the risk for a serious adverse reaction; and

Description the medical condition for which the employee listed above should be exempted from complying with a COVID-19 vaccination requirement:

<table>
<thead>
<tr>
<th>The condition described above is:</th>
<th>☐ Permanent</th>
<th>☐ Temporary – expected date to end or expire _____________________ (allowing for COVID-19 vaccination to begin after the date provided)</th>
</tr>
</thead>
</table>

3. Any other medical condition that would limit the employee from receiving any COVID-19 vaccine

Medical Exemption from COVID-19 Vaccine Requirement
Request Form

Part I. Employee Section: Complete the following information

Name (last, first): _______________________________ Employee ID Number: _______________________________
Work Email Address: _______________________________ Phone Number: _______________________________

After you and your provider complete this form, upload it to the MUSC Vaccine Tracker at [https://www.musc.edu/medcenter/covid-19/vaccine/policy.html](https://www.musc.edu/medcenter/covid-19/vaccine/policy.html). This form and any received supporting information will be kept in your employee health record. After review of the information, and upon its acceptance, your compliance record will be updated to reflect your policy compliance status.

Part II. Provider Section: A licensed physician, PA, or NP must complete Section II and sign attesting to their medical opinion below. Forms that have Part II completed by the employee will NOT be accepted.

Physician/Provider Instructions: By completing this form, you certify that different methods of vaccinating against COVID-19 have been considered, and that the below identified medical contraindication precludes the individual from receiving any/all vaccinations for COVID-19.

Guidance for medical exemptions for COVID-19 vaccination can be obtained from the Advisory Committee on Immunization Practices (ACIP) available at [https://www.cdc.gov/vaccines/covid-19/info-by-product/clinical-considerations.html](https://www.cdc.gov/vaccines/covid-19/info-by-product/clinical-considerations.html).

The following are NOT considered contraindications to COVID-19 vaccination:

- Local injection site reactions after (days to weeks) previous COVID-19 vaccines (erythema, induration, pruritus, pain, etc.)
- Expected systemic vaccine side effects in previous COVID-19 vaccines (fever, chills, fatigue, headache, lymphadenopathy, vomiting, diarrhea, myalgia, arthralgia)
- Vasovagal reaction after receiving a dose of any vaccination
- Being an immunocompromised individual or receiving immunosuppressive medications
- Autoimmune conditions, including Guillain-Barre Syndrome
- Allergic reactions to anything not contained in the COVID-19 vaccines, including injectable therapies, food, pets, venom, environmental allergens, oral medication, latex, etc.
- Breastfeeding
- Immunosuppressed person in the employee’s household
- Alpha-gal Syndrome
- The COVID vaccines do not contain Egg or gelatin, allergies to these substances are not contraindication

If a contraindication is applicable, please select the applicable medically indicated contraindication below:

☐ Severe allergic reaction (anaphylaxis) after a previous dose of or to a component of the COVID-19 Vaccine, including Polyethylene Glycol (PEG) (Please describe response in detail below and contraindication to alternatives, such as the Johnson & Johnson vaccine, which does not contain PEG)

☐ Immediate allergic reaction to a previous dose or known (diagnosed) allergy to a component of the vaccine (Please describe response in detail below and contraindication to alternative vaccines.)

☐ Natural immunity attained through prior infection. As long as our epidemiological monitoring of natural immunity vs. vaccine immunity shows these to be equivalent, natural immunity may count as a valid medical exemption and may be evaluated periodically (Be specific, please provide dates and describe in detail below)

☐ Other medical circumstance/condition making vaccination unsafe with any available COVID-19 vaccine (Be specific & describe in detail below, and state whether the medical circumstance/condition is temporary or long term)

Signature of Healthcare Provider: _______________________________ Date: _______________________________

Printed name: _______________________________ Practice name: _______________________________
Practice telephone number: _______________________________ Practice email: _______________________________
REQUEST FOR A MEDICAL EXCEPTION

As part of our “Safe in Our Care” commitment, all Tidelands Health employee, provider, volunteer, learner and contract partners are required to receive the COVID-19 vaccination, with exceptions only as required by law. Team members may seek a legal exception to the vaccination requirement due to a CDC-recognized clinical contraindication or precaution to COVID-19 vaccination by submitting this form. Tidelands Health may also ask for other information, as needed.

You MUST submit this form, along with a signed medical certification form from a licensed medical provider involved in your care, to request a medical exception. Per CMS Medicare Conditions of Participation, this form supersedes and replaces any previous COVID-19 vaccine declination form.

Per CMS Medicare Conditions of Participation, previous COVID-19 infection (natural immunity) is not a valid reason for a medical exception. Requests for “medical accommodation” or “medical exception” will be treated as requests for a disability accommodation and evaluated and decided under applicable Rehabilitation Act standards for reasonable accommodation absent undue hardship to Tidelands Health. Tidelands Health will be required to keep confidential any medical information provided, subject to the applicable Rehabilitation Act standards. Team members who receive an exception from the vaccination requirement will instead comply with alternative health and safety protocols.

Submitting this form constitutes a declaration that the information you provide is, to the best of your knowledge and ability, true and correct. Any intentional misrepresentation may result in disciplinary action, up to and including termination.

First name: ____________________________________________

Last name: ____________________________________________

Employee ID number: ____________________________ Social security number: ____________________________

CDC-recognized contraindication to COVID-19 vaccination:

☐ Severe allergic reaction after a previous dose

☐ Diagnosed allergy to COVID-19 vaccine component

☐ Multi-System Inflammatory Syndrome

I am requesting a medical exception to the requirement for COVID-19 vaccination. I declare that the information I have provided is true and correct to the best of my knowledge and ability.

To be considered for a medical exception, you must submit a medical certification form completed by a licensed medical provider involved in your care. Once your provider has completed the form, please provide the form to Employee Health.

I declare to the best of my knowledge and ability that the foregoing is true and correct.

Request for Medical Exemption from COVID-19 Vaccine Requirement

Employee Section: Complete the following information

Name (last, first) ________________________________ CMC Badge # ____________

Email Address: ________________________________ Best Phone Number: ________________________________

After you and your provider complete this form, scan it and submit it to ________________. Information will be kept only in your confidential Employee Health record. After review and acceptance of this information, your OESO compliance record will be updated within one week.

Provider Section: A licensed physician, PA, or NP must complete and sign this section. Forms completed by the employee will not be accepted.

Physician/Provider Instructions: By completing this form, you certify that different methods of vaccinating against COVID-19 have been considered, and that the following medical contraindication precludes any/all vaccinations for COVID-19.

Guidance for medical exemptions for COVID-19 vaccination can be obtained from the Advisory Committee on Immunization Practices (ACIP) available at https://www.cdc.gov/vaccines/covid-19/info-by-product/clinical-considerations.html.

The following are NOT considered contraindications to COVID-19 vaccination:

- Local injection site reactions after (days to weeks) previous COVID-19 vaccines (erythema, induration, pruritus, pain, etc.)
- Expected systemic vaccine side effects in previous COVID-19 vaccines (fever, chills, fatigue, headache, lymphadenopathy, vomiting, diarrhea, myalgia, arthralgia)
- Vasovagal reaction after receiving a dose of any vaccination
- Being an immunocompromised individual or receiving immunosuppressive medications
- Autoimmune conditions, including Guillain-Barre Syndrome
- Allergic reactions to anything not contained in the COVID-19 vaccines, including injectable therapies, food, pets, venom, environmental allergens, oral medication, latex, etc.
- Breastfeeding
- Immunosuppressed person in the employee's household
- Alpha-gal Syndrome
- The COVID vaccines do not contain Egg or gelatin, therefore allergies to these substances are not contraindications.

Please select medically indicated contraindication below:

- Severe allergic reaction (anaphylaxis) after a previous dose of or to a component of the COVID-19 Vaccine, including Polyethylene Glycol (PEG) (Please describe response in detail below and contraindication to alternatives, such as the Johnson & Johnson vaccine, which does not contain PEG)

COVID RELIGIOUS EXEMPTION FORMS

PLEASE COMPLETE THE RELIGIOUS EXEMPTION FORMS FOR EACH FACILITY

Please note the COVID requirement is not mandated by Horry-Georgetown Technical College.
It is a requirement set forth by the clinical affiliates in order to attend clinical(s).

Upload all forms into the Castle Branch Compliance Tracker under the COVID requirement.
Religious Exemption Request
Covid-19 Vaccination – States outside California

Colleague Name

Colleague 3-4 ID

Date

Date of Birth

A religious exemption to COVID-19 immunization may be granted based on an individual's sincerely held religious belief, practice or observance that prohibits COVID-19 vaccination. A "religious belief, practice, or observance" includes moral or ethical beliefs as to what is right and wrong which are sincerely held with the strength of traditional religious views. Social, political, or economic philosophies, as well as personal preferences, do not constitute sincerely held religious beliefs.

☐ I attest that my religious belief is sincerely held and receiving the COVID-19 vaccination conflicts with my religious belief.

Identify in the box below, your sincerely held religious belief. You may attach any documents that support your statement:

Explain how this religious belief prevents you from receiving the COVID-19 vaccination.

By signing this document, I attest that my statement above is true and accurate and that I hold a sincere religious belief that prohibits COVID-19 vaccination.

Colleague Signature: ___________________________ Date: ________________

Please note, as a part of the exemption quality process, there may be follow-up review of this exemption. If this request is approved, you will be required to practice universal masking in the
workplace unless actively eating or drinking. Please follow local or state and/or facility guidance for testing as part of this exemption. If your request is denied, you will either need to receive the COVID-19 vaccination or employment will be terminated.

For internal use only:
(Post-Initial Review)

McLeod Health Request for Religious Exemption from COVID Vaccine (2021)

Please print information below:

Employee Name: _________________________ Date of Birth _________ Employee ID#_______
Employee e-mail: _________________________ Employee Cell#_________________________
Department: _____________________________ Director/Manager:________________________
Religion: ______________________________________________________________________
How long have you practiced this religion? _____________________
Please describe your religious/faith belief and how it affects your ability to receive the COVID vaccine:
________________________________________________________________________________
________________________________________________________________________________
Please describe common examples of your practice of this religion in other aspects of your life:
________________________________________________________________________________
________________________________________________________________________________
Are you requesting an accommodation? __________ Yes __________ No
What accommodation are you requesting? _____________________________________________
________________________________________________________________________________

Please note that if your exception request is approved, you may be required by your employer or other responsible party to take additional steps to protect you and others from contracting and spreading COVID-19 or other diseases. Workplaces are not required to provide this accommodation if doing so would pose a direct threat to patients, the excepted individual or others in the workplace or would create an undue hardship.

The above information is true and accurate. I understand that I can change my mind at any time and accept the vaccination if it is still available.

Revised Date: 09/17; 10/18, 06/20; 06/21; 11/21
COVID Religious Declination

Description of your religious beliefs that are contrary to the Covid-19 vaccine?

Please describe the nature of your objection to the Covid-19 vaccine requirement.

Would complying with the COVID-19 vaccination requirement substantially burden your religious exercise? If so, please explain how:

How long have you held the religious belief underlying your objection?

Please describe whether, as an adult, you have received any vaccines against any other diseases (such as flu vaccine or a tetanus vaccine) and, if so, what vaccine you most recently received and when, to the best of your recollection:

If you do not have a religious objection to the use of all vaccines, please explain why your objection is limited to particular vaccines:

If there are any other medicines or products that you do not use because of the religious belief underlying your objection, please identify them:

Please provide any additional information that you think may be helpful in reviewing your request:
REQUEST FOR A RELIGIOUS EXCEPTION

As part of our “Safe in Our Care” commitment, all Tidelands Health employee, provider, volunteer, learner and contract partners are required to receive the COVID-19 vaccination, with exceptions only as required by law. In certain circumstances, federal law may entitle a team member who has a religious objection to the COVID-19 vaccination requirement to an exception from that requirement, in which case the team member would instead comply with alternative health and safety protocols. Tidelands Health is committed to respecting the important legal protections for religious liberty.

To request a religious exception, please fill out and submit this form. You MUST submit this form to request a religious exception. Per CMS Medicare Conditions of Participation, this form supersedes and replaces any previous COVID-19 vaccine declination form.

The purpose of this form is to start the accommodation process and help determine whether you may be eligible for a religious exception. We encourage you to provide as much information as possible to enable Tidelands Health to evaluate your request, and we may ask you for additional information as needed to determine if you are legally entitled to an exception. Objections to COVID-19 vaccinations that are based on non-religious reasons, including personal preferences or non-religious concerns about the vaccine, do not qualify for a religious exception.

An individual’s beliefs—or degree of adherence—may change over time and, therefore, a team member’s newly adopted or inconsistently observed practices may be based on a sincerely held religious belief. All requests for a religious exception will be evaluated on an individual basis.

Submitting this form constitutes a declaration that the information you provide is, to the best of your knowledge and ability, true and correct. Any intentional misrepresentation may result in disciplinary action, up to and including termination.

First name: ___________________________ Last name: ___________________________

Employee ID number: ________________ Social security number: ___________ - ______

Please describe the nature of your objection to the COVID-19 vaccination requirement. ____________________________________________________________

__________________________________________________________

__________________________________________________________

__________________________________________________________

__________________________________________________________

Would complying with the COVID-19 vaccination requirement conflict with your sincerely held religious beliefs, practices or observances? If so, please explain how. ____________________________________________________________

__________________________________________________________

__________________________________________________________

__________________________________________________________

__________________________________________________________
Please provide any additional information that you think may be helpful in reviewing your request. For example:
• How long you have held the religious belief underlying your objection
• Whether your religious objection is to the use of all vaccines, COVID-19 vaccines, a specific type of COVID-19 vaccine or some other subset of vaccines
• Whether you have received vaccines as an adult against any other diseases (such as a flu vaccine or a tetanus vaccine)

I declare to the best of my knowledge and ability that the foregoing is true and correct.
