**Summer Financial Aid**

Students may be able to qualify for financial aid for the summer semester depending upon their eligibility, the availability of funds, and the following criteria:

- You are in an eligible program;
- You meet SAP requirements;
- You complete an application for summer aid.

You have aid leftover from the fall or spring term; and/or some students may be eligible for Year-Round Pell (YRP). If you attended full time for the fall and spring semesters, you may be awarded up to 150 percent of your scheduled Federal Pell Grant award during a single award year.

**Satisfactory Academic Progress (SAP)**

When you receive financial aid funding from Federal or State sources, you must meet conditions to maintain eligibility. To remain in compliance with SAP guidelines, you must:

- Complete 67% of the course hours for which you have enrolled;
- Maintain a minimum 2.0 cumulative grade point average; and
- Complete your degree within 150% of the published length of the program.

You must satisfy all three conditions to continue receiving Federal and/or State financial aid. Failure to meet these goals can result in your financial aid being suspended, regardless of your eligibility in prior semesters.

Students will be notified of their financial aid SAP status at the end of each semester via their myHGTC account. It is the student’s responsibility to check their financial aid SAP status. If you fail to meet SAP requirements due to extenuating circumstances and your aid was suspended, you have the right to appeal this decision. Please contact our Financial Aid Office and/or visit our website for details about SAP and the appeals process.

**Suspected Misuse of Financial Aid**

HGTC’s Financial Aid Office will report any potential fraud or falsified information (on the part of the student, the parent, preparer of financial aid applications, or related parties) to the USDOE and all other related agencies for immediate action.

Anyone suspecting fraud or abuse may make a confidential report by contacting the Office of Inspector General at 1-800-MIS-USED (1-800-647-8733).

What happens after I apply for financial aid?

Once you have applied and been admitted to HGTC, the College will provide you with a "myHGTC" login ID. This login ID will enable you to sign in from any computer and review your financial aid application status.

After submitting your FAFSA, additional information may be requested and must be received by the College to continue processing your application. It is essential to monitor your myHGTC account at least twice weekly for additional requests for information from the College.

How long does it take to get financial aid?

It DEPENDS ON YOU, the student. The financial aid process generally takes six weeks, so it is important to APPLY EARLY and routinely monitor your myHGTC account for updates.

Please note that applying after April 1 or getting selected for verification may delay processing time. Therefore, make every effort to submit your FAFSA before April 1.

If you get selected for verification, the College cannot continue processing your application until all documents are received. Respond to all requests for additional documents as soon as possible to ensure timely processing of your aid.
