This application is a request for a review of special circumstances that you feel may change your financial aid eligibility. The Financial Aid Office (FAO) requires that you provide certain documents to support your claims of special circumstances. The review process begins with an evaluation of the accuracy of the information you submitted on your Free Application for Federal Student Aid (FAFSA). The FAO will evaluate the documents you submit along with your FAFSA information to determine if you are eligible for any financial aid adjustments.

The U.S. Department of education provides in the “Higher Education Amendments of 1998” a reaffirmation of the use of professional judgment in determining eligibility for federal financial aid. This provision allows for consideration of projected year income, rather than prior year income, to calculate a student’s eligibility. If you meet a special circumstance requirement in the 2014-2015 award year, your eligibility may be recalculated using expected income for 2014.

THINGS TO REMEMBER:

- You must submit a copy of your 2013 federal tax transcript, including all schedules. The transcripts can be ordered from www.irs.gov or 800-908-9946. If you and your spouse filed separately, please provide transcripts of both returns.
- You must submit 2013 W-2s and/or 1099 forms with this form.
- Complete and submit the 2014-2015 Verification Worksheet.
- Your request will not be considered if the required information is not provided.
- Please allow 4 – 6 weeks for processing of this request.
- We recommend you complete your current award requirements & accept any current financial aid that you wish to use to satisfy your bill. Due to the nature of the Professional Judgment process your request may not be completed before the payment deadline. You must satisfy your semester bill even if your Professional Judgment application has not been reviewed or finalized. Your registration will be cancelled if your bill is not satisfied by the payment deadline.
- Applications submitted after January 1, 2015 must include copies of 2014 W-2's and or 1099 forms.
- Applications submitted after March 1, 2015 must include complete signed copies of 2014 federal tax returns with all schedules, 2014 W2-s and or 1099 forms.
