**STUDENT BACKGROUND CHECK, DRUG SCREENING & IMMUNIZATION/HEALTH INFORMATION PACKET**

**Criminal Background Checks:** To comply with the requirements of accrediting organizations, clinical/field placement partners, and State and Federal laws governing licensing, HGTC students are required to have acceptable criminal background checks (CBC) and/or urine drug screening (UDS) and/or appropriate health information/immunizations to participate in placement(s) at clinical and field facilities. Typically, these checks and proof of health information/immunizations must be provided prior to the start of the first semester requiring clinical/field placement. **NOTE: Should your enrollment be interrupted (i.e. you miss a semester), new results for background checks, urine drug screening and/or health/immunization will be required. All fees and costs associated with any checks, screenings or immunization are the responsibility of the student.**

Admission to any of the programs listed below is conditional. Unsatisfactory results on the criminal background check or urine drug screening, or failure to complete any required health/immunization standards WILL prevent enrollment or result in removal from enrollment in the program of study. **The following Programs require a criminal background check (CBC) and/or urine drug screen (UDS) along with Health Tracker Immunization Documentation:**

**FAILURE TO READ ALL INSTRUCTIONS MAY RESULT IN A DOUBLE FEE AT YOUR EXPENSE!**

**PACKAGE CODE CHART**

In addition to Health Tracker Immunization Documents, a Criminal Background Check and Urine Drug Screen MUST BE COMPLETED WITHIN 30 DAYS PRIOR TO THE START of clinical rotation EACH SEMESTER or upon request by the clinical site. After initial order, Recheck Package Codes are available for subsequent semesters for $81. Add “re” to your Package Code (For Example: HG13re):

**MAJOR**

*IF YOU ARE REGISTERING FOR ECD 101 ONLY WITH NO OTHER COURSES IN THE ECD MAJOR, NO BACKGROUND CHECK IS REQUIRED*
FEES: There will be a non-refundable $75 criminal background check fee and $37 urine drug screening fee (in addition to any HGTC application fee). **All Nursing/Allied Health/Limited Access Students:** *A criminal background check and urine drug screen must be completed no greater than 30 days prior to the start of clinical rotation each semester or upon request by the clinical site.* All fees are paid to a third-party provider and, therefore, cannot be “billed” to the student.

**STUDENT RESPONSIBILITY:** Conviction of certain crimes may make a student ineligible to apply for licensure, ineligible to take certification examinations or ineligible for employment in certain fields. As such, HGTC reserves the right to disallow admission into certain programs of study if students are ineligible as defined by the guidelines listed here or others that may come into existence.

A Criminal Records Check (CRC), a check of the Sex Offender Registry, a check of the Office of Inspector General and a check of the General Services Administration (GSA) list of debarred contractors are required for admission and/or progression into a Health Sciences clinical course in designated programs.

**The student MUST:**

- Sign an Additional Admission/Placement Requirements Affidavit (Item #1). Return to admission office at one of the three campuses.
- Go online to [www.castlebranch.com](http://www.castlebranch.com) and order a criminal background check/urine drug screening. (Process outlined in detail in Step #2)
- Notify the College of any arrests or criminal charges filed against the student subsequent to completing this form; and any situations or incidents that occur after the background check/drug test has been purchased (including taking any illegal drugs). Failure to notify the College may result in dismissal from the program.
- Notify the College of any arrests or criminal charges filed against the student that are not appearing on the background check. Failure to notify the College may result in dismissal from the program.

Criminal Background Check Findings: Completed criminal background checks will be reviewed and indicated by a “Negative” or “Positive” result. If a negative criminal background check is returned by the vendor, the student will be considered to have satisfied that portion of the eligibility requirement for progression into clinical/field placement. (A clear urinary drug screening and completion of all required health forms and immunizations are necessary to establish full progression/placement eligibility).

Positive Result: If a “positive” background check is returned, the student will be notified to discuss the problem and will be required to provide additional information as part of the application, such as the terms or conditions of any plea, penalty, punishment, sentence, probation or parole; details regarding the offense; and the applicant’s reflections on the experience. If the student believes that the background check is in error and can provide documentation of records expunged or pardoned, then the background check will be reviewed by the department chairs and clinical partners to determine eligibility for clinical placement. If the student is unable to refute the background check finding(s), the student will be ineligible for progression into clinical/field placement.

Conviction of, plea of guilty, plea of nolo contendere (no contest), or pending criminal charges involving the following **WILL bar admission to and WILL be grounds for dismissal from a clinical/field course of study:**

- Crimes involving violence against the person, including, but not limited to: murder, manslaughter, use of deadly force, assault and battery of a high and aggravated nature, assault and battery with intent to kill, sex crimes, abuse of children or the elderly, abduction, robbery;
- Crimes occurring involving the distribution of drugs;
- Crimes occurring involving illegal use or possession of weapons, including, but not limited to: guns, knives, explosives or other dangerous objects;
- Crimes occurring involving dishonesty or moral turpitude, including, but not limited to: fraud, deception, embezzlement, financial exploitation, shoplifting, petit larceny, bad check; and
- Any other crime(s) or pattern of recurrent criminal or illegal behavior(s) will be reviewed on an individual basis.

Please note that Driving under the Influence (DUI) and Driving under Suspension (DUS) are NOT considered minor traffic violations. These patterns of behavior may result in withdrawal from the program of study.

Student must report to College any arrests and/or criminal charges or convictions filed subsequent to completion of the criminal background check as soon as possible but not later than seven (7) calendar days of such charge or conviction. Failure to do so may result in dismissal from the Program.
Additional Admission/Placement Requirements Affidavit
(Affidavits are required every semester for all Nursing, Allied Health and Limited Access Students)

STOP

BEFORE PROCEEDING: THIS DOCUMENT IS REQUIRED BEFORE STUDENT CAN BE ADMITTED TO AN APPLICABLE PROGRAM OF STUDY.

Certain programs of study at Horry Georgetown Technical College carry additional requirements beyond regular admission and academic requirements before a student may either be placed into the program and/or be placed into a class that occurs in a clinical environment (hospital, office, public clinic, etc.).

Those additional requirements may include satisfactory completion of: Criminal Background Check (CBC), Urine Drug Screening (UDS), and health exam/physical/immunization requirements. All costs associated with additional requirements are the sole responsibility of the student and in no way are the responsibility of Horry Georgetown Technical College.

All students will be required to purchase the correct background check package as noted in the “Student Background Check, Drug Screening and Immunization/Health Information Process” packet. Failure to comply with the additional requirement(s) for your identified program of study, or failure to comply with requirements to complete a CBC, UDS and/or health exam/physical/immunization, or failure to complete or provide proof of completion of additional requirements by the stated deadline (varies by program, but usually within 30 days prior to the beginning semester of clinical/field experience), and/or unsatisfactory results on additional requirements (positive drug test, unacceptable criminal background, etc.) WILL make you ineligible for admission for placement or to continue in the program of study and/or clinical class(es) as appropriate.

*Note: Students who have not previously been enrolled in a clinical for more than one semester and/or should your enrollment be interrupted (you miss a semester), new results for background checks, urine drug screening and/or health/immunization will be required. All Allied Health Students: A criminal background check and urine drug screen have to be completed no greater than 30 days prior to the start of clinical rotation each semester or upon request by the clinical site. All fees and costs associated with any checks, screenings or immunization are the sole responsibility of the student. Failure to read and comply with all instructions may result in a double fee at your own expense.

Certification of Understanding

I, ___________________________________, certify that I have read this statement and understand its implication on my current and future enrollment as a student at Horry Georgetown Technical College, up to and including removal from any appropriate class and/or program(s) of study for failure to comply with outlined additional requirements. In addition, I also certify that I will notify the College of any arrests or criminal charges filed against me (the student) subsequent to completing this form; and any situations or incidents that occur after the background check/drug test has been purchased (including taking any illegal drugs). I will also notify the College of any arrests or criminal charges filed against me that are not appearing on the background check. Failure to notify the College may result in disciplinary charges and dismissal from the program. In addition, I freely and voluntarily consent to the release of my health tracker immunization records, criminal background check, and urine drug screen to clinical partners as it relates to my mandatory clinical rotation and/or field class.
