

Horry-Georgetown Technical College’s Office of Admissions is required to follow the residency requirements established by the South Carolina Commission on Higher Education when determining residency classification. The completion of this application in its entirety is required to determine the eligibility of students requesting a change in residency classification for tuition and fee purposes. Residency requirements may be found online at www.che.sc.gov. Typically, establishing domicile in South Carolina for tuition and fee purposes takes a minimum of 12 months (see exemptions). Certain steps must be taken by the resident to formally establish permanent domicile in order to qualify for in-state or in-county tuition and fee rates as an eligible South Carolina resident. The following checklists outline a general list of documents required to complete a Dependent South Carolina Residency Application.

A “dependent person” is defined as one whose predominant source of income or support is from payments from a parent/spouse/guardian who claims the dependent person on his/her Federal income tax returns. Your residency claim will be based upon that person’s information.

IMPORTANT: Residency status will NOT be reviewed until all required documents are received. Additional documentation may be requested as needed.

To qualify, ALL items listed on the following checklists should reflect 12 months immediately preceding the last day for add/drop for the term in which you are requesting South Carolina resident classification for tuition and fee purposes.

APPLICANT CERTIFICATION

Regulations regarding the establishment of legal residency in South Carolina for tuition and fee purposes at Horry-Georgetown Technical College are governed by the Code of Laws of South Carolina, Section 59-112-10 to 59-112-150 and are not governed by the college. Regulations regarding the establishment of in-county (Horry or Georgetown County) residency for tuition and fee purposes are governed by college policy and procedures, which closely mirrors the code of laws of South Carolina.

Failure to complete all required parts of this application or to submit required documentation with the application will stop the review of your residency status. After submission of the Application for Review of Residency Classification to the Admissions Office, an applicant will be notified of the decision regarding his/her residency classification within five business days. The deadline for submission of this application is the last day of drop/add for the full term for which residency reclassification is requested. There is no provision for retroactive-non-resident fee adjustment except in instances of error by the college. An applicant may appeal a residency decision to the Residency Review Committee.

IMPORTANT: Persons who are found to have made or presented willful misrepresentation of facts to improperly gain in-state or in-county residency classification will be charged tuition and fees past due and unpaid at the out-of-state or out-of-county rate. Until these charges are paid, such persons will not be allowed to receive transcripts or graduate from Horry-Georgetown Technical College.

I hereby certify that the information I have provided is accurate and that I am making this application in good faith, based on the belief that I am eligible to pay tuition and fees at the rate afforded South Carolina/Horry County/Georgetown.
