If you answered "NO" on one of the above questions, you do not meet the requirements. You may not submit the Radiologic Technology Admission Application at this time.

Completed Radiologic Technology Applications must be printed, completed, and turned in to the Admissions Office at any of the three College Campuses by the completed application deadline (January 15). Applicants will be made aware of their status approximately 4 weeks after the application due date.

If applicants have the same points awarded, the decision to admit will be based on the date the student was admitted to the College as a Health Science or Associate in Science major. No Radiologic Technology applications will be kept on file. If you are not admitted and wish to be considered for a future Summer Semester, you must reapply by the completed application deadline.

I am aware that due to specific contract requirements by the clinical agencies used for clinical by the Radiologic Technology program, background checks and drug screenings are part of the admission and retention process. The background check and urine drug screening will be completed once I am admitted into the Program. Applications with specific conviction histories or positive drug screenings may ultimately not be accepted into the Radiologic Technology program.
