If you answered "NO" to one of the above questions, you do not meet the requirements. You may not submit the Application at this time.

Applications for the Respiratory Care Technician program may be completed and turned in to the Admissions Office at any of the three College Campuses during one of the application periods for August classes. Applicants will be made aware of their acceptance or alternate status approximately 2 weeks after the application due date.

The application period is:

May 1 – May 31 August Class (Fall Semester at Grand Strand)

If applications have the same points awarded, the decision to admit will be based on the date the student was admitted to the College as a Health Science Certificate or Associate in Science major. No Associate Degree Respiratory Care Applications will be kept on file. If you are not admitted and wish to be considered for a future class you must reapply during the application period.

I am aware that due to specific contract requirements by the clinical agencies used for clinical by the Respiratory Care program, background checks and drug screenings are part of the admission and retention process. The background check and urine drug screening will be completed once I am admitted into the Program. Applications with specific conviction histories or positive drug screenings may ultimately not be accepted into the Respiratory Care Technician Program.
