SCHOOL OF PUBLIC SERVICE, TEACHER EDUCATION, AND COMPUTER TECHNOLOGY

Dr. Daniel C. Wysong, Sr., Assistant Vice President for Academic Affairs

DISTINGUISHED PATRON AWARD RECIPIENT

MICHAEL TAFT BENSON, D. PHIL.

PRESIDENT, COASTAL CAROLINA UNIVERSITY

Michael T. Benson, a veteran of higher education administration, became the third president of Coastal Carolina University on Jan. 1, 2021. He also holds the title of professor of history at the University.

Since his arrival, Benson has secured the largest donation in school history: a \$10 million gift from Conway Medical Center. The endowed fund supports the University's newest college – the Conway Medical Center College of Health and Human Performance – that opened on July 1, 2022. In May 2022, he led the groundbreaking ceremony for the Thompson Library, a \$29.8 million, two-story, 64,000-square-foot facility. Benson established the President's Council for Sustainability and Coastal Resilience, which is charged with transforming CCU into a more sustainable campus, centering sustainability in the University's curriculum and student services, and serving the surrounding communities to build toward a sustainable future.

This fall, Benson will teach a graduate seminar on World War I. In Spring 2022, he taught an upper-level course: History of the American University. Actively involved in community service, Benson is a member of the Myrtle Beach Chamber of Commerce board of trustees. He also serves as the FBS presidential representative on the NCAA Board of Governors Committee to Promote Cultural Diversity and Equity.

Benson is president emeritus at Eastern Kentucky University, where he served as the 13th president from 2013 to 2020. Prior to ECU, Benson was the 15th president of Southern Utah University. He helped secure SUU's designation as the state's public liberal arts and sciences university; established the Hispanic Center for Academic Excellence; gained admission into the Big Sky Conference for all athletic teams; and directed the development and implementation of SUU's largest comprehensive fundraising effort, which raised a record \$105 million.

Benson also served for five years as the 14th president of Snow College in Ephraim, Utah, where he helped raise more private money for the institution during his tenure than had been secured in the previous 115 years of the college's history combined. Appointed at age 36, Benson was the youngest college president in the history of the Utah System of Higher Education.

His scholarly work has focused on the development of the research university and its impact on society. Benson's latest book, *Daniel Coit Gilman and the Birth of the American Research University*, was released by Johns Hopkins University (JHU) Press in October 2022. He was a visiting professor in the Department of the History of Science and Technology at JHU in 2020.

Benson is regularly sought after for public speeches and appearances. He was a featured contributor to the Huffington Post for five years; has written articles for The Jerusalem Post, Lexington Herald-Leader, Louisville Courier Journal, The Kansas City Star, Deseret News, and The Salt Lake Tribune, among others; and appeared on ESPN's The Paul Finebaum Show.

Born in Utah and raised in Texas and Indiana, Benson has worked and studied abroad for nearly seven years in Italy, England, and Israel. He graduated cum laude with a bachelor's degree in political science and double minors in English and history from Brigham Young University in 1990. He completed his doctorate in modern history from the University of Oxford (St. Antony's College) in 1995, where he was a Rotary Foundation Scholar and recipient of the Oxford Graduate Overseas Fellowship. He also earned a master's degree cum laude in nonprofit administration in 2011 from the University of Notre Dame Mendoza College of Business, where he was the recipient of the prestigious Father Theodore Hesburgh Founder's Award. Benson graduated with a Master of Liberal Arts from Johns Hopkins University in August 2021.

An accomplished athlete, Benson played basketball at both BYU and Oxford, and his best marathon time – 2 hours and 41 minutes – won his age division in the St. George (Utah) Marathon, one of the largest marathons in the U.S. He also finished among the top 15% of all runners in the 1984 Boston Marathon.

Benson and his wife, Debi, are the parents of three children – Truman, Tatum, and Talmage. He also has two older children from a previous marriage. Emma is a TV anchor in Idaho Falls, Idaho; and Samuel recently graduated with a degree in sociology and Spanish from BYU.

ACADEMIC HONORS

Horry-Georgetown Technical College recognizes students who attain academic honors. There are three designations for recognition: summa cum laude, requiring an overall grade point average of 4.00; magna cum laude, requiring an overall grade point average of 3.75 - 3.99; and cum laude, requiring an average of 3.50 - 3.74. Honors for candidates are based on the cumulative grade point average on file at the time of printing.

SUMMA CUM LAUDE

HONORS PROGRAM

Students must be enrolled in the HGTC Honors Program and complete the minimum curriculum requirements of five university transferable courses in specified areas while maintaining a minimum college GPA of 3.5 and completing a minimum of one honors course per semester until program requirements are fulfilled. Students are exposed to rigorous in-class and out-of-class learning opportunities, mentoring in learning opportunities to raise community and global awareness, and a milieu that creates students who are intellectual and diverse leaders. Honors Program Graduates are provided a medallion worn at commencement.
