INSTRUCTIONS

Every Allied Health Program has Clinical Requirements with different cover pages. Please find your program below and see what is required so you can print the correct forms. Once you find your program below, please print off the required forms.

PLEASE MAKE SURE YOU MAKE COPIES OF ALL FORMS OR DOCUMENTS BEFORE SUBMITTING TO THE CLINICAL ADMISSIONS COORDINATOR

<th>FORM</th>
<th>REQUIREMENT</th>
<th>CRITERIA</th>
<th>EXPIRES:</th>
</tr>
</thead>
</table>
| 1.   | GENERAL HOSPITAL ORIENTATION (GHO) | Online Competency Certificate  
- See program website for instructions  
- Please print and remit Transcript to the Clinical Admissions Specialist | 1 Year |
| 2.   | CPR | Basic Life Support For Healthcare Providers Certification  
- Accept only American Heart Association (AHA) or American Red Cross (ARC)  
- Must provide CPR form as INITIAL proof of certification  
- Copy of BLS Card is REQUIRED | 2 Years |
| 3.   | HEALTH SCIENCE DIVISION STUDENT HEALTH RECORD | Physical (Pages 1-4)  
- Page 1 to be completed by the student  
- Page 2 to be completed and signed by the student  
- Page 2 must also be completed by your healthcare provider  
- Page 3 must be completed and signed by your healthcare provider  
- Page 4 must be completed and signed by the student | 1 Year |
| 4a.  | TUBERCULIN SKIN TEST / PURIFIED PROTEIN DERIVATIVE | Initial PPD/TST x 2 (required even if student had BCG without documentation of 2 step)  
Step 1. Initial (Must be Read within 48-72 hours)  
Step 2. 1 week after reading of Step 1 (Must be Read within 48-72 hours)  
Semester PPD x 1  
- To be completed 30-days prior to the start of EVERY semester | Each Semester |
| 4b.  | CXR | Chest x-ray (with documentation from physician stating any further treatment required)  
- Only to be done if you have a positive PPD/TST result  
- CXR are valid for two years unless symptomatic |  |
| 4c.  | SYMPTOM ASSESSMENT | Symptom Assessment  
- Complete form each semester if you have history of a positive PPD/TST with a negative CXR |  |
| 5.   | FLU VACCINE | Flu Vaccine x 1  
- Based on prevalent strains each new season  
- Complete for Fall and Spring Semester Clinicals only | End of Flu Season |
| 6.   | TDAP (ADULT) | TDAP Vaccine x 1  
- Td booster every 10 years after single adult TDAP dose | 10 Years |
| 7.   | HEPATITIS B | Hepatitis B x 3 (recommended schedule below)  
Dose 1:  Now  
Dose 2: 30 days after dose 1  
Dose 3:  5 months after dose 2  
Or  
POSITIVE Hep B titer  
Or  Declination/Waiver Form (Page 4 of Health Record) | N/A |
| 8.   | MEASLES MUMPS RUBELLA (MMR) | MMR  
- POSITIVE MMR Titer Lab Results Are Required  
- If Titers are NEGATIVE or EQUIVOCAL, student must provide immunization records documenting receipt of 2-dose series plus receive a new 1-dose booster vaccine immediately. If 2-dose series documentation cannot be provided, student must receive the following doses.  
  - Dose # 2 must be administered 30 days after dose # 1.  
  - Measles (Rubeola)  
    - If NEG or EQUIVOCAL = MMR X 2  
  - Mumps  
    - If NEG or EQUIVOCAL = MMR X 2  
  - Rubella (German Measles)  
    - If NEG or EQUIVOCAL = MMR X 1 | N/A |
| 9.   | VARICELLA | Varicella (Chickenpox)  
- POSITIVE Varicella Titer Lab Results Are Required  
- If Titers are NEGATIVE or EQUIVOCAL, student must provide immunization records documenting receipt of 2-dose series plus receive a new 1-dose booster vaccine immediately. If 2-dose series documentation cannot be provided, student must begin 2-dose series immediately.  
  - Dose # 2 must be administered 30 days after dose # 1. | N/A |

- Titers must be provided on actual laboratory report with values & reference ranges clearly defined
- Healthcare Provider (HCP) documentation of “immune” or “positive” not accepted
- WAIVER /DECLINATION accepted only for HCP documented allergy to immunization/component of immunization; certain exclusions may apply to pregnant individuals.
- If renewal/expiration falls within a semester, the renewal must be completed prior to beginning of that semester

Revised 10/02/2017 \ www.hgtc.edu
South Carolina Passport Project

You will use careLearning to complete your required training before reporting to a hospital to begin clinical rotation. You can create a new account or re-use your existing account at: http://passport.carelearning.com.

Here is some supplementary information:

1. **When you begin this process, it will be easiest if you have access you to your email account (Wavenet Email), as the program will require you to verify your account during the process.**

2. You will purchase courses and have access to them for 365 days. The total cost is $10.00.

3. Your classroom will automatically be populated with the courses that are common to all students. However, in most cases you will be required to also complete education specific to the hospital that you are reporting to for clinical rotation. You will be able to add those to your classroom as you need them.

**Below are the 15 modules that need to be completed for Horry Georgetown Technical College:**

<table>
<thead>
<tr>
<th>Abuse &amp; Neglect</th>
<th>Hazard Communications</th>
</tr>
</thead>
<tbody>
<tr>
<td>AIDET</td>
<td>HIPAA</td>
</tr>
<tr>
<td>Bloodborne Pathogens</td>
<td>Isolation ad Standard Precautions</td>
</tr>
<tr>
<td>Culturally Competent Care</td>
<td>Lewis Blackman Patient Safety Act</td>
</tr>
<tr>
<td>Disaster Preparedness</td>
<td>Moving, Lifting and Repetitive Motion</td>
</tr>
<tr>
<td>Electrical Safety</td>
<td>• You will need to manually add these two modules:</td>
</tr>
<tr>
<td>Fire Safety</td>
<td>• Tidelands, Conway, Grand Strand, Waccamaw (GHO)</td>
</tr>
<tr>
<td>Hand Hygiene</td>
<td>• Tidelands Health – Ebola Preparness</td>
</tr>
</tbody>
</table>

4. To be considered compliant in your state you must complete the courses each year no more than 365 days apart.

5. The school or hospital you report to may request that you re-purchase earlier than when your classroom expires so that you are compliant in your training for the full semester.

   (Example: If you completed the courses in October of last year, you may be required to take them again upon your return to school in August so that you will not expire mid-semester.)

6. Should you experience difficulty, please contact us at 866-617-3904 or email support@carelearning.com Monday-Friday 8am-6pm.

7. You are required to remit a copy of your completed Transcript to Dana.Gasque@hgtc.edu.

Form 1 - Revised 10/02/2017 \ www.hgtc.edu
CPR: BASIC LIFE SUPPORT FOR HEALTHCARE PROVIDERS FORM

CPR REQUIREMENT:

- Basic Life Support Certification for the Healthcare Provider by American Heart Association (AHA) or American Red Cross (ARC) only
- Requires successful completion of cognitive and skills demonstration for healthcare provider (Adult, Child, Infant, and Choking Skills)
- Must renew CPR certification every 2 years

<table>

Title (RN, NP, MD)

______________________________
CPR Instructor Affiliation

NOTE: This form serves as temporary documentation for CPR. The student is responsible for remitting a copy of the BLS Card to the Clinical Admissions Specialist. Cards typically take 30 days to receive. If it has been more than 30 days, the student is responsible for following up with their BLS Instructor regarding the BLS Card.
CPR Information
(Prices and Information Subject To Change)

Class Must Be:
CPR/BLS (Basic Life Support) for Healthcare Provider

Horry Georgetown Technical College - Continuing Education – Betty Turner, Program Manager
Cost: $69.00
743 Hemlock Avenue, Bldg. 200 Suite 108, Myrtle Beach, SC 29577 - 843-477-2020 or 843-477-2079
Betty.Turner@hgtc.edu

Dates of CPR classes can be found at www.hgtc.edu/jobtraining. Students must bring their own book and mask.

Advance Medical Transport, LLC - Richard “Ricky” Brock, BSHS, NRP/Training Officer
Cost: $45.00
875 Nicholas Street, Suite B, Murrells Inlet, SC 29576 - 843-903-4268 or 843-299-2279 or 843-340-0109
They teach full classes as well as individual skills assessments. To register, please visit: www.ambulancemyrtlebeach.com

Students must register at least 1-week prior to the scheduled class and bring their own book.

Andy Brown
843-957-0124
ambrownl2345@gmail.com

Charles “Chuck” Crabbe - Cost $50.00 (Materials Included)
270-498-2745
Contact: chuckcrabbe@yahoo.com or crabbecpr@yahoo.com

Dwayne Wright
843-251-7752 (Preferred)
Dwright8871@yahoo.com

Jacquelyn “Lee” Smith - Cost $75.00 (Materials Included)
843-274-0128
Contact: JacquelynLeeSmith@gmail.com

Joanne Clarey
843-545-3400 Ext. 3407
Contact: jclarey@georgetowncountysc.org

Tina Bussa - Cost - $40.00
Contact: bussatina@gmail.com
Students can also complete the online written portion of the BLS course through the American Heart Association at [www.onlineaha.org](http://www.onlineaha.org) (Heart Code BLS). Print your Part 1 Certificate once complete and contact an approved vendor to schedule your Part 2 Skills Assessment (see above and below for assistance). Remember to take the HGTC CPR/BLS Form with you so your instructor can complete it on your behalf. In addition to remitting a copy of your form immediately following class, you will also need to remit a copy of your BLS Card to Dana.Gasque@htgc.edu. Cards can take up to 30 days to receive, so make sure your instructor completes your form on the day of class.

Revised 10/02/2017 [www.hgtc.edu](http://www.hgtc.edu)
DIRECTIONS:

Please print in ink or type Section I before going to your physician for examination. Be sure to answer all questions fully and include your name at the top of each page. Health information, including immunization records will be released to authorized clinical agencies with your consent (as designated by your signature on page 2). Students will not receive clearance for clinical without a complete record. Students must submit the completed “Student Health Record” prior to program matriculation. If you have questions concerning a disability, or if requesting reasonable accommodations contact Student Counseling Services at 349-5302. If requesting accommodations, you must provide appropriate medical, psychological and/or psychiatric documentation to support this request. A copy of immunizations/titer lab results must accompany this form.

ESSENTIAL FUNCTIONS REQUIRED OF STUDENTS FOR ADMISSION AND PROGRESSION IN THE

(PROGRAM NAME)

The following standards are considered essential criteria for participation in the Allied Health Programs. Students selected for Allied Health programs must be able to independently engage in educational activities and clinical training activities in a manner that will not endanger clients/patients, other students, staff members, themselves, or the public. These criteria are necessary for the successful implementation of the clinical objectives of the Allied Health Programs. In order to be admitted, or to be retained in the Allied Health Programs after admission, all applicants with or without accommodations must (by initialing the items you agree the student will be able to perform the function):

• Possess sufficient visual acuity to independently read and interpret the writing of all size.

• Independently be able to provide verbal communication to and receive communication from clients/patients, members of the health care team, and be able to assess care needs through the use of monitoring devices, stethoscopes, infusion pumps, fire alarms, and audible exposure indicators, etc.

• Possess sufficient gross and fine motor skills to independently position and assist in lifting client/patients, manipulate equipment, and perform other skills required in meeting the needs of nursing care.

• The student (Observer) is free of communicable illnesses

<table>

NOTE: Some allied health programs may have additional requirements. Individual students assume responsibility for ensuring all requirements have been met according to the designated curriculum for the program of which he/she is seeking entry.
MANDATORY HEPATITIS B VACCINE/DECLINATION

Instructions:

Check the appropriate box(es) to indicate your compliance with the Hepatitis B requirement (if you have not completed the entire series, please check the first two boxes).

DECLINATION

☐ I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been informed of the opportunity to be vaccinated with Hepatitis B Vaccine. However, I decline Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I will make arrangements at that time.

SERIES IN PROGRESS

☐ * I am in the process of receiving the Hepatitis B Vaccine and will provide documentation of all three vaccinations as they are completed.

SERIES COMPLETED

☐ I have completed the series of three vaccinations (submit via immunization record or form 7)

Student Signature   H#   Date
DIRECTIONS:

Please print in ink or type Section I before going to your physician for examination. Be sure to answer all questions fully and include your name at the top of each page. Health information, including immunization records will be released to authorized clinical agencies with your consent (as designated by your signature on page 2). Students will not receive clearance for clinical without a complete record. Students must submit the completed “Student Health Record” prior to program matriculation. If you have questions concerning a disability, or if requesting reasonable accommodations contact Student Counseling Services at 349-5302. If requesting accommodations, you must provide appropriate medical, psychological and/or psychiatric documentation to support this request. A copy of immunizations/titer lab results must accompany this form.

ESSENTIAL FUNCTIONS REQUIRED OF STUDENTS FOR ADMISSION AND PROGRESSION IN THE

(PARTIAL PROGRAM NAME)

TECHNICAL STANDARDS OF THE DENTAL SCIENCES DEPARTMENT

The Dental Sciences Department is comprised of the Dental Hygiene and Expanded Duty Dental Assisting programs that require specific technical standards. These standards refer to all non-academic admissions criteria essential to participate in the program. In order to be considered, admitted, or retained in the program after admission, all applicants with or without accommodations must possess the following abilities:

ESSENTIAL FUNCTIONS REQUIRED OF STUDENTS

FOR ADMISSION AND PROGRESSION IN THE DENTAL SCIENCES DEPARTMENT

Applicants/students MUST be able to perform these essential functions. For those applicants requesting reasonable accommodations such as compensatory techniques and/or assistive devices, you MUST also be able to demonstrate the ability to become proficient in these essential functions.

If your ability to perform these essential functions depends on accommodations being provided, be advised that requests for accommodations must be presented to “Disability Services”, and must be accompanied by appropriate medical, psychological and/or psychiatric documentation to support this request. You may contact “Disability Services” at (843) 349-5249.
<table>
<thead>
<tr>
<th>ESSENTIAL FUNCTION</th>
<th>TECHNICAL STANDARD</th>
<th>SOME EXAMPLES OF NECESSARY ACTIVITIES</th>
</tr>
</thead>
<tbody>
<tr>
<td>Physical Requirements</td>
<td>Must have use of both hands and dexterity in the fingers; body build must fit into dental operator’s stool; use of feet</td>
<td>Proper manipulation of dental instruments, materials, and dental handpieces; proper manipulation of foot pedals to activate handpieces and other dental equipment</td>
</tr>
<tr>
<td>Data Conception</td>
<td>Must have the ability to gather, classify, and interpret information regarding patients or things, must be able to carry out appropriate actions in relation to the data received.</td>
<td>Proper interpretation of data given in the medical history and coordination of patient treatment with regards to the data.</td>
</tr>
<tr>
<td>Color Discrimination</td>
<td>Must be able to differentiate various shades of color in a limited environment and space in the oral cavity.</td>
<td>Recognition of changes in the oral cavity from normal to abnormal with regards to tissue color</td>
</tr>
<tr>
<td>Manual Dexterity/Motor Coordination</td>
<td>Must have excellent eye-hand coordination and manual dexterity</td>
<td>Manipulating dental instruments in a small area to discern changes in surface texture without causing tissue trauma, controlling pressure exerted by dental handpieces on dental tissue, dexterity required for instrument exchange</td>
</tr>
<tr>
<td>Physical Communication</td>
<td>Must be able to perceive sound</td>
<td>Talking to patients on the telephone, hearing commands through operator’s face mask, discerning blood pressure sounds through a stethoscope</td>
</tr>
<tr>
<td>Reasoning Development</td>
<td>Must be able to apply principles of logical or scientific thinking to define problems, collect data, establish facts, and draw valid conclusions</td>
<td>Interpreting knowledge that has been learned in the classroom towards patient treatment</td>
</tr>
<tr>
<td>Visual Acuity</td>
<td>Must be able to see minute, detailed shapes from a 2 foot distance</td>
<td>Identification of working ends of dental instruments and other dental implements</td>
</tr>
<tr>
<td>Language Development</td>
<td>Must be able to read and comprehend complex information; able to communicate the same type of information through speech and in writing</td>
<td>Communication to patients of technical information in a clear concise manner at an understandable level</td>
</tr>
<tr>
<td>Numerical Ability</td>
<td>Must be able to determine percentages, convert fractions, ratio, and proportions as well as basic mathematical skills</td>
<td>Calculation of percentages with regards to plaque indices, counting of teeth, calculation of fees and percentages of those fees</td>
</tr>
</tbody>
</table>
Student Name: ________________________________
Student H# __________________________________
Program: ____________________________________

Form/Spatial Ability | Must be able to view in 3-dimensional relationships, distinguish subtle changes from one form or shape to another, discriminate intricate measurements | Visualize tooth morphology during cavity preparation, documentation of probe readings during oral examination and periodontal charting
---|---|---
Personal Temperament | Must be able to maintain a professional attitude and appearance, deal with stress, adapt to change, and function and focus in an environment with multiple extraneous stimuli. | Progress through a rigorous, challenging curriculum that is stressful, while maintaining a professional attitude and appearance when treating patients in an open-bay clinic or dental office setting that will have some noise and interruption.

NOTE: Students with documented disabilities through “Disability Services” of HGTC should inform their Course Professor at the beginning of each course to allow for accommodations for testing, note taking, etc.

NOTE: Some allied health programs may have additional requirements. Individual students assume responsibility for ensuring all requirements have been met according to the designated curriculum for the program of which he/she is seeking entry.
MANDATORY HEPATITIS B VACCINE/DECLINATION

Instructions:

Check the appropriate box(es) to indicate your compliance with the Hepatitis B requirement (if you have not completed the entire series, please check the first two boxes).

DECLINATION

☐ I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been informed of the opportunity to be vaccinated with Hepatitis B Vaccine. However, I decline Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I will make arrangements at that time.

SERIES IN PROGRESS

☐ * I am in the process of receiving the Hepatitis B Vaccine and will provide documentation of all three vaccinations as they are completed.

SERIES COMPLETED

☐ I have completed the series of three vaccinations (submit via immunization record or form 7)

Student Signature    H#    Date
WAIVER OF REPEAT PHYSICAL EXAMINATION / NOTIFICATION OF CHANGE IN HEALTH STATUS

(Your initial Health Science Division – Student Health Record (form 3a) is valid for one semester. If you have had no changes in your medical history, you are eligible to complete this Waiver/Notification Form. If you have had any changes in your medical status, including new medications or any other additional change, continue reading below but do not sign this form. You are required to complete a new Health Science Division – Student Health Record (form 3a).

I, _________________________________________________, as a student enrolled in a Health Science Division Program at Horry Georgetown Technical College, do hereby declare that I have sustained no changes in my physical health condition from my most recent student health examination required for the program.

- It is my understanding that in the event a physical health change occurs, it is my responsibility to immediately notify the following individuals of such change(s):

  1. Primary Course instructor and Clinical Instructor
  2. Clinical Admissions Specialist

- Following notification of health physical change(s), it is my responsibility to:

  1. Make an appointment with a healthcare provider for physical examination and completion of a new Health Science Division – Student Health Record (form 3a).
  2. Provide completed form 3a to the Clinical Admissions Specialist for verification of current eligibility for clinical without restrictions (specifically page 3 of health record).
  3. Contact Student Affairs at (843) 349-5249 if you would like to request accommodations.

- If restrictions are indicated on the Health Record Form, the Clinical Admissions Specialist will notify the student’s designated Program Coordinator for guidance regarding further clinical continuation.

- In the event I fail to notify the appropriate individuals of such health changes, Horry Georgetown Technical College is released from all liability relevant to my physical health status, and such failed actions on my behalf may result in dismissal from the program of study and/or constitute legal action thereof.

- An initial 2-Step PPD and Semester PPDs are required for all Allied Health programs.
- Step 2 should be administered 7 days after Step 1 has been read.
- Semester PPD should be administered and read within 60-days prior to the start of each semester.
- If PPD result is **POSITIVE** (>10 mm induration), student must provide proof of negative CXR.
- If **Positive** PPD – documentation from physician stating any further care is required.

INSTRUCTIONS FOR PHARMACY TECHNICIAN REGISTRATION

IMPORTANT: KEEP THIS PAGE FOR YOUR RECORDS

To become a Pharmacy Technician, you must complete the Pharmacy Technician Registration Application, Affidavit of Eligibility Form and submit a copy of your driver’s license or DMV picture ID.

**Examination**

A person applying to become a registered Pharmacy Technician is *not required* to take an examination to become a registered Pharmacy Technician.

**Employment**

After you have received your registration and begin employment, you **must** notify the Board in writing of your employment or submit the Change of Employment form whenever you begin or change employment. The form is available on the Board of Pharmacy website: www.llr.sc.gov/pol/pharmacy.

**Continuing Education  SECTION 40-43-130-(G)(1)(4)**

In order to renew your registration each year, you must complete ten hours of continuing education. Four (4) of those hours must be live. All CE hours must be completed before you actually renew the registration.

**List of available web sites for CE (Continuing Education) credits**

- [www.rxschool.com](http://www.rxschool.com)
- [www.scrx.org](http://www.scrx.org)
- [www.techlectures.com](http://www.techlectures.com)

IMPORTANT

South Carolina Law requires that every individual who applies for an occupational or professional license provide a social security number for use in the establishment, enforcement and collection of child support obligations and for reporting to certain databanks established by law. Failure to provide your social security number for these mandatory purposes will result in the denial of your licensure application. Social security numbers may also be disclosed to other governmental regulatory agencies and for identification purposes to testing providers and organizations involved in professional regulation. Your social security number will not be released for any other purpose not provided for by law.

Other personal information collected by the Department for the licensing boards it administers is limited to such personal information as is necessary to fulfill a legitimate public purpose. The South Carolina Freedom of Information Act ensures that the public has a right to access appropriate records and information possessed by a government agency. Therefore, some personal information on the application may be subject to public scrutiny or release. The Department collects and disseminates personal information in compliance with The South Carolina Freedom of Information Act, the South Carolina Family Privacy Protection Act, and other applicable privacy laws and regulations. Additionally, the Department shares certain information on the application with other governmental agencies for various governmental purposes, including research and statistical services.

If you are completing this registration form before April 1st, you are required to renew your registration by June 30th. Be advised that you must complete the 10 (4 live and 6 home) continuing education hours before renewing your pharmacy technician registration.

I hereby certify that I have answered all questions truthfully, accurately and completely, and acknowledge that failure to do so shall constitute cause for denial of registration. I understand that I must complete 10 hours of continuing education courses (4 live, 6 home study or all live) Before renewing my registration each year.

*PLEASE DO NOT RETURN THIS PAGE WITH YOUR APPLICATION. THIS IS FOR YOUR RECORDS.*
Horry Georgetown Technical College
Respiratory Care Program
Disclosure of Exposure to Potential Health Risks/Radiation Waiver of Liability

During the course of clinical or laboratory components of educational programs at Horry Georgetown Technical College, students may come into contact with diseases, medicines, treatments, and equipment which are potentially hazardous to the student's health, or to the health of an unborn fetus, in the case of pregnant students.

Exposures of potential hazards to which exposure may occur include, but are not limited to bacterial diseases (staphylococcal, streptococcal); mycotic disease (Coccidiodomycosis); tuberculosis; viral diseases (AIDS, Hepatitis); radioactive materials and radiation; It is possible that exposure to other hazards may occur, as well. Although reasonable efforts are made to avoid and minimize these risks, the exact probability of exposure to these potential hazards is not known.

Respiratory Therapy Students may be required to enter areas where access is restricted due to the storage, transfer, or use of radiation sources. Prior to extended work in these areas, students will be given appropriate instruction in precautions, protective devices, and educated about problems which may be encountered in these areas.

Students will be given instruction in infection control procedures, and other techniques for minimizing the risks of exposure to potential hazards. Once this instruction is provided, students will be expected to care for infected clients.

Because of potential health risks to both parent and unborn child, Horry Georgetown Technical College recommends that pregnancy be disclosed as soon as possible by notifying the Program Director for information and assistance to lessen the risk to both mother and unborn child. Areas of concern are infectious/communicable disease, noxious fumes such as nitrous oxide, radiation and antineoplastic agents.

There is a higher risk of danger to students who have compromised immune systems. Immunosuppression occurs when the body’s ability to fight infections and other diseases is impaired due to inhibition of the body’s normal immune responses. Typical conditions which result in immunosuppression include HIV infection/AIDS, chemotherapy, steroid therapy, and anti-rejection drug therapy for organ transplantation. Students who suffer immunosuppression may consider withdrawing from the clinical program for so long as the immunosuppressive condition continues.

Each student enrolling in the Respiratory Care Program must read this disclosure and waiver before clinical instruction begins. Each student must complete the Waiver of Liability form and remit it to the Clinical Admissions Specialist.
WAIVER OF LIABILITY

RESPIRATORY CARE PROGRAM

I have received and read the attached Disclosure of Potential Health Risks. By participating in the clinical and laboratory program, I waive any and all claims and causes of action, present, and future, against the South Carolina Technical College System and their respective officers, agents, and employees out of my participation in clinical or laboratory program and resulting injury, physical or mental illnesses, disability, or death.

I acknowledge that this waiver is made freely, voluntarily and under no compulsion.
