Chairperson

To assure compliance with all statutory financial and educational accountability requirements, all technical colleges under the jurisdiction of the State Board for Technical and Comprehensive Education are required to report specific data elements to the State Board. The data elements mandated by this policy are to be reported uniformly and on a timely basis as identified by State Board Procedure 3-3-101.1. Accordingly, all required data elements are to be reported in prescribed formats consistent with the database structure and the Data Element Dictionary.
