Last Revision: 10-14-2020

---

Chairperson

It is the policy of Horry-Georgetown Technical College to encourage members of its faculty to join and actively participate in professional organizations. The faculty are particularly encouraged to join organizations directly related to their employment positions. This professional participation will allow the faculty to always be aware of current trends, developments, and accomplishments in their field.

The faculty will be reimbursed for the cost of membership in a professional organization through departmental budgets and/or Faculty/Staff Development based upon available funds.
