Procedures followed in the awarding of International Baccalaureate Organization (IBO) credits include the following:

1. The student is required to submit an official transcript from IBO.
2. The official document containing the results of the IBO exam are reviewed by the Registrar's Office, along with faculty, to identify courses to be exempted at the College.
3. The IBO credit is entered on the student's record in the database if a grade of four (4) or higher has been achieved on the IBO examination.
