Last Revision: 11-07-2007

---

Chairperson

Horry-Georgetown Technical College seeks to provide a safe, secure learning environment.

As a nonresidential college, infirmary facilities are not provided. First aid kits are available in most departments. Major illness or injury will be referred to professionals.

Horry-Georgetown Technical College provides students with limited accident insurance. This insurance, included in costs of attendance, covers all students while on the premises when the College is in session and during college sponsored supervised activities. For specific coverage information, contact the Office of the Vice President of Student Affairs at the Conway Campus.
