Last Revision: 01-31-2018

President

The adoption of an athletic program is of local option and the total cost of such activities shall be from funds budgeted specifically for student athletic activities and accounted for separately. Direct or indirect financial aid, including "grants-in-aid," shall not be given to students for athletic participation.

Institutional athletic programs and budgets are subject to periodic review by the President of the State Board and the State Board.

Each institution shall establish a procedure that will ensure active participation of students and faculty in the planning for athletic programs and activities. This plan must have the approval of the Area Commission prior to implementation.
