Chairperson

The primary purpose of the intercollegiate athletics program at Horry-Georgetown Technical College is to provide an opportunity for students to participate in intercollegiate competition. Additionally, intercollegiate athletics embraces the concept that athletics contributes to student success by providing the knowledge, skills, and experiences that assist the student in achieving his/her career and educational goals. Athletics enhances the student's physical and emotional wellbeing, as well as, provides an opportunity for social and ethical development.

The Commission will approve all intercollegiate athletic programs. The ultimate responsibility for the athletic program rests with the President of the College. Horry-Georgetown Technical College, with appropriate oversight by the Commission, and the President, with input from faculty and staff, establishes the purpose and goals of the intercollegiate athletic program, approves all financial activity, oversees the recruitment and admissions, and systematically evaluates the athletic program. The athletic program is required to adhere to the College's regular planning, budgeting, accounting and auditing procedures.
