POLICIES FOR PREPARING THE ANNUAL SECURITY REPORT

I. Overview

The Horry Georgetown Technical College Division of Student Affairs prepares the Annual Security Report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and the Violence Against Women Act (VAWA). The full text of this report can be located online at www.hgtc.edu/righttoknow. This report is prepared in cooperation with the local law enforcement agencies surrounding our campuses. Campus crime, arrest and referral statistics include those reported to Public Safety and local law enforcement agencies per Clery Act procedures. Each year, notification is distributed to all applicants, enrolled students, faculty, and staff providing the web address to access this report. Printed copies will be made available upon request from the Office of Student Affairs.

II. Introduction

Horry Georgetown Technical College is committed to providing a safe and secure environment for all members of the college community. The Vice President for Finance and Administration shall be primarily responsible for accomplishment of this objective, but may work with other divisions within the college to ensure attainment of this goal. The College will employ a Public Safety Department to provide services or assistance, within guidelines established by the College and pursuant to state and federal regulations, to maintain a safe and secure environment for faculty, staff, students and the general community. The College will also establish programs, procedures, rules, regulations and guidelines designed to provide a safe and secure environment, and to otherwise ensure compliance with state, federal and other requirements.
III. **Security and Access to Campus Facilities**

During business hours, the College will be open to students, employees, contractors, guests, and invitees. During non-business hours there is no access to College facilities, except as previously approved by contractual agreement or express College permission. CCU Public Safety Dispatch is available 24 hours at (843) 349-2177. The College has no residential facilities.

Emergencies may necessitate changes or alterations to any posted schedules. Local media outlets will be notified and other notification made pursuant to the guidelines of the *Safety and Emergency Response Manual*.

IV. **Law Enforcement and Jurisdiction – Authority to Arrest and Relationships**

HGTC is partnered through contractual agreement with Coastal Carolina University to provide Public Safety, including licensed law enforcement officers and security officers, across all three campuses. Police officers are sworn and certified officers with comprehensive arrest powers in the state of South Carolina. These officers have graduated from the South Carolina Criminal Justice Academy and are tasked with law enforcement activities including patrolling campus and monitoring activity, responding to calls for service and investigating criminal activity. Within their jurisdiction, which includes all College-owned, leased or controlled property as well as the adjacent streets and sidewalks, Public Safety officers have the authority to enforce all applicable federal laws, state laws, county and city ordinances, and College regulations. These law enforcement powers are granted to the officers who are appointed by the Governor and commissioned by the South Carolina Law Enforcement Division (SLED) as state constables under Title 23, Chapter 1, Article 60, Code of Laws of South Carolina, 1976, as amended. Public Safety officers work closely with the Conway, Myrtle Beach and Georgetown police departments, the Horry County and Georgetown County Police Department, and the local contingent of the State Law Enforcement Division to handle any incidents that occur off campus. The Department of Public Safety and the College ensure that safety and security policies and procedures are uniformly executed and conveyed in a clear and consistent manner to the student body.

V. **Crime Log**

A daily crime log for the most recent 60-day period is available for public inspection, upon request, during normal business hours by contacting Public Safety. The daily crime log includes the nature of the alleged crime, the date the incident was reported, the date and time the incident occurred, the general location of the incident, and the disposition of the complaint if known.

V. **Monitoring and Reporting of Criminal Activity**

Public Safety maintains a cooperative relationship with all law enforcement agencies with jurisdiction for all areas adjacent to our campuses. Should Public Safety become aware of
activity that may impact the College, the incident may be investigated and/or, when appropriate, the campus community notified. The College has no residential facilities or off-campus student organizations.

Coastal Carolina University to provide Public Safety on the three campuses. Information about the Silent Witness program, including the telephone number and web address for making a report, is provided in New Student Orientation, is published in academic planners distributed to students by advisors and support services areas, and is posted on campus through printed flyers. In addition, counselors inform students of the Silent Witness program, as appropriate.

Public Safety will respond to the scene and determine the kind, severity, and appropriate response to the situation. If an immediate threat to health or safety exists, Public Safety will respond accordingly and will initiate communication with the Emergency Management Team, which will communicate with the college community to provide information.
Here are those notification steps:

- Determine which community segment(s) will receive the notification
- Determine the content of the notification
- Initiate the notification

The Emergency Management Team, guided by the provisions of the *Safety and Emergency Response Manual* is responsible for initiating the emergency notification. The notification will be instituted without delay but taking into account their professional judgment if the notification would compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The Emergency Management Team reports to the President, Dr. Marilyn Fore, through the Vice President of Finance and Administration, Harold Hawley. Other members of the Emergency Management Team include the Vice President of Academic Affairs, Dr. Jennifer Wilbanks; the Vice President for Information Technology, John Dove; the Vice President for Workforce Development, Provost – Grand Strand and Georgetown campuses, Greg Mitchell; the Vice President for Human Resources, Jackie Snyder; the Vice President for Student Affairs, Dr. Melissa Batten; and the Public Relations Director, Nicole Hyman.

Each event will be evaluated to determine the notification method. They may include:

- Email
- Text Messaging
- Social Media
- Campus Safety Alert (VoIP phone system notification)
- Live Paging (VoIP phone system notification)

The College routinely tests emergency response systems throughout the year.

**Evacuation Procedures**

During an emergency, an evacuation of campus buildings may be necessary. Horry Georgetown Technical College does not inform students in advance about the designated evacuation staging locations because they are dependent on multiple factors such as the time of day and nature of the threat or emergency. The Department of Public Safety and Fire Safety Officers at the scene will provide directions for community members. Horry Georgetown Technical College’s fire alarm systems are governed by the State Fire Marshal. The activation of any fire alarm only notifies the fire department and does not notify HGTC Public Safety. HGTC Public safety can be contacted via phone or the “Campus Safety Alert” button to initiate their response and/or to solicit their help. The following are action steps when evacuation of campus buildings are necessary:
• All building evacuations will occur when an alarm sounds and/or upon notification by Public Safety or other appropriate officials.
• When the building evacuation (Fire) alarm is activated during an emergency, leave by the nearest “SAFE EXIT” or by the Building Evacuation Plan and alert others to do the same.
• Emergency (fire) exit routes are clearly marked in each building and classroom.
• Assist the disabled in existing the building.
• Keep streets, fire lanes, hydrant areas, and walkways clear for emergency vehicles and personnel.
• Do NOT return to an evacuated building unless told to do so by authorized persons.

GENERAL PREVENTION AND AWARENESS PROGRAMS

Security Awareness Programs
Crime Prevention Programs

During orientation, and through special programs and events, students and employees are informed of services offered by Public Safety. Flyers are posted throughout campus providing safety tips and the Public Safety web site provides additional crime prevention suggestions. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. Information is also presented to students and employees through security alert posters, emergency response plans, training sessions and email notices.

The College offers an online training program, called S.A.F.E. related to Active Shooter situations. This program was developed in partnership with the Department of Public Safety and can be accessed online at www.hgtc.edu/safe. In addition, the program is embedded in New Student Orientation and embedded in all courses via the Learning Management System, Desire2Learn. Since the creation of this online training, the College sends a direct mail to all students notifying them of the training program each semester.

While the college makes considerable effort to ensure the safety and security of all students, employees and visitors, an individual should take precautions to protect himself/herself. In addition, Public Safety is available to speak to concerned students or other groups upon request. Safety information is also distributed via WaveNet announcements, email, and during all new student orientation sessions.

Campus Safety Tips

1. Walk with friends (especially at night). There is safety in numbers!
2. Do not carry large amounts of cash.
3. Don’t leave your belongings (books, coat, purse) unattended.
4. Keep your car doors locked.
5. Have your keys in hand, as you leave the building and check the back seat before getting into your car.
6. Park in well-lighted areas.
7. Lock valuables in your trunk. Valuable items in plain view in your car encourage theft and vandalism.
8. Be aware and concerned about the use and abuse of alcohol and other drugs. HGTC complies fully with the Drug Free Schools and Communities Act in specifically discouraging violations of alcohol and drug laws.
9. Always seek effective, nonviolent ways to resolve disagreements.

DRUG, ALCOHOL, AND SUBSTANCE ABUSE

Drug, Alcohol, and Substance Abuse

HGTC enforces a zero-tolerance practice concerning the possession, sale or use of illegal drugs and alcohol by any individual participating in on-campus student events and/or at off-campus College-sponsored student events illegal drugs and alcohol.

Policy 9.3.3, Alcohol and Drugs, affirms the College's commitment to enforce discipline for any student violation, and to cooperate fully with law enforcement in the detection, prevention and punishment of individuals who violate laws governing illegal drug and/or alcohol use.

The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by HGTC’s Public Safety Department. Violators are subject to College disciplinary action and criminal prosecution.

The possession, sale and/or furnishing of alcohol is governed by state and local laws. It is unlawful to sell, furnish, or provide alcohol to anyone under 21 years of age. Only under certain circumstances is the consumption of alcohol permitted, as outlined in Policy 4.1.11, Alcohol Use by External Groups.

View more information about alcohol and drug effects and abuse prevention at www.hgtc.edu/righttoknow.

Drug or Alcohol Abuse Education Programs

The College complies with the Drug Free Schools and Communities Act. The College provides information and notification to students and employees as required by law.

The HGTC Office of Student Engagement provides educational programming pertaining to drug and alcohol use through guest speakers and lecture series, among other means. The College offers an employee assistance program for covered individuals affected by drug or alcohol abuse.
Skateboarding, Skating and Bicycling

Horry-Georgetown Technical College (HGTC) recognizes that students use a variety of means of transportation on campus. Although personal choice of transportation is important, HGTC is obligated to consider the safety and well-being of the campus community, our visitors, and College property. To balance our concern for community safety and the ability to use various means of transportation, the College is providing the following guidelines regarding the use of bicycles, skates, skateboards, hover boards and similar equipment on campus.

All individuals using bicycles, skates, skateboards, hover boards and similar vehicles are expected to use the equipment in a manner which is appropriate, considerate of others, and respectful of College property. Individuals who use the equipment recklessly or without care of others and College property will be confronted, documented, and addressed through the College’s Student Code of Conduct.

Individuals are prohibited from cycling, skating or skateboarding on steps, railings, benches, loading docks, disability ramps, parking curbs, raised surfaces, and at building entrances. The use of bicycles, skates, skateboards, and hover boards inside of campus buildings is strictly prohibited. Bicycles should be stored in bicycle racks and are not allowed in College buildings. Skateboards must be picked up and carried when inside campus buildings. Skates must be removed before entering campus buildings.

The College’s goal is to ensure campuses are maintained as a safe and inviting environment for everyone. Reckless behavior which endangers individuals and property should not be undertaken. It should be noted that the use of the various transportation items above, in themselves, involves an assumption of personal risk. Under South Carolina Law, persons who use such items are personally liable for their own actions.

Enforcement

Individuals who use bicycles, skateboards, skates or hover boards may be subject to disciplinary action for failure to stop at the scene of an accident in which they have been involved that result in property damage and/or injury. Should an accident occur, identification must be presented to the other party and the accident reported to the Campus Public Safety Office.

The College will seek restitution if HGTC property is damaged or destroyed. Public Safety officers are authorized to take possession of transportation equipment from users who act without caution or do not comply with these guidelines. Students who violate this procedure may be referred to the Office of Student Services for disciplinary action in accordance with the College’s Student Code of Conduct.
