The Authority shall evaluate each of the persons or firms based on their (a) past performance; (b) ability of professional personnel; (c) ability to meet time & budget requirements; (d) location; (e) nature, current & projected work loads of the firm; (f) experience in similar projects; (g) volume of work awarded by MUHA; (h) other special qualifications required, in accordance with the Construction Procurement Policies for Medical University Hospital Authority (MUHA).

Project Name: INDEFINITE DELIVERY CONTRACT FOR ARCHITECTURAL DESIGN SERVICES
Project Number: H59-D767-CA
Project Location: Horry-Georgetown Technical College
Applicable SCBO Notes: 1, 4, & 5
Public Notice: All notices (Notice of Meetings, Notice for Selection for Interviews SE-212, & Notification for Selection for Contract Negotiation SE-219) will be posted at Click Here.
Description of Project: Provide architectural design services on an as-needed basis for various size & scope projects. Fees for services shall not exceed $200,000 per delivery order & $500,000 total fees. The contract period for an IDC is limited to two years. Two firms will be selected. The firms will be chosen via a selection committee as defined in the Manual for Planning Execution of State Permanent Improvements, Part I. The professional may be subject to performance appraisal at close of project. Any questions concerning the terms & conditions of the proposed contract must be addressed to the Agency Coordinator listed in this notice.
Anticipated Construction Cost Range: Varies by project
Description of Professional Services: Anticipated for Project: Full scope of architectural design services, including feasibility studies, design documentation through construction documents & specification preparation, bidding & construction administration as required.
Information to Be Submitted in Addition to the Current Standard Federal Form 330: Provide current contact information for at least three referees directly relevant to this IDC & any additional information that fully inform the selection committee of the strength, abilities, & characteristics of the firm. Also provide a list of your firm's credentials & current licenses as pertains to architectural design. In accordance with the State of South Carolina Preferred Purchasing Policy, submittals cannot exceed 25 pages, front & back, including covers, which must be soft – no hard notebooks. The Standard Federal Form 330 is not included in this page count. In addition to basic architectural design proficiency, firms also will be evaluated in the following areas as sustainable design, building renovations & upfits, campus planning & exterior spaces.
Note: Interested parties should submit the name & contact information, including E-mail address, of a primary contact as part of their submittal, but written communication with a party submitting information will not be done via E-mail
Resume Deadline: 3/18/14 – 2:00pm
Number of Copies: 5
Agency/Owner: Horry-Georgetown Technical College
Name & Title of Agency Coordinator: Dianna Cecala, Procurement Manager
Agency Address: 2050 Hwy. 501 East, Conway, SC 29526

ON CALL CIVIL ENGINEERING CONSULTANTS

REQUEST FOR QUALIFICATIONS

Notice is hereby given that the City of Spartanburg seeks to qualify firms for various Drainage & Engineering assignments over the next three (3) years.
The Consultant Can Expect To Provide Services including, but not limited to, tasks as listed below:
- Provide technical advice regarding design, construction, or program modifications & structural repairs for City Projects.
- Estimate quantities & cost of materials, equipment, or labor to determine project feasibility.
- Compute load & grade requirements, water flow rates, & material stress factors to determine design specifications. Plan & design transportation or hydraulic systems & structures, following construction & government standards, using design software & drawing tools.
- Analyze survey reports, maps, drawings, blueprints, aerial photography, & other topographical or geologic data to plan projects.
- Assist Engineering staff with review of private development plans as assigned.
- Assist Engineering staff in the development of plans & specifications for City projects.
- Prepare or present public reports on topics such as bid proposals, environmental impact statements, or necessity & right-of-way descriptions.
- Assist the City with other projects as assigned.

For Future City Projects, selected firms will submit pricing proposals.
The City Of Spartanburg Will Act Affirmatively to ensure that all disadvantaged & women's business enterprises will be afforded full opportunity to participate in this request & that it will not discriminate on the
