Re: H59-N875-MJ - HGTC - Misc. Landscaping Conway Campus Project

ADDENDUM #2
The following items shall take precedence over the drawings and specifications for the above named project and shall become part of the Contract Documents. Where any item called for in the specifications, or indicated on the drawings is not supplemented hereby, the original requirements shall remain in effect. Where any original item is amended, voided, or suspended hereby, the provisions of such item not specifically amended, voided or superseded, shall remain in effect.

Pre-Bid Meeting (Not Mandatory)

The Following contractors were in attendance.

1. Low Country Landscaping
2. Seed Slingers

Drawings:

Sheet L103

The plant list for HWY 501 Frontage has been edited. Please take note of plant quantities in the plant list.

Sheet L105

There is 3 total concrete light pole pedestals to be addressed. After reviewing existing as built plans for the, the light pole pedestals could go as deep as 20’. Instead of the footers to be removed, we are asking that they be driven 1'-0" below existing grade and covered with top soil.

Also on sheet L105, the disturbed area of sod to be replaced after the removal of trees will extend approximately 20’ from the back of pond line/retaining wall or to the edge of the concrete sidewalks. All contractors to price 20’ of new sod from that pond line/retaining wall or to the edge of concrete where the sidewalk falls within the 20’.

Specifications

There is a specification for the Belgard Belair Retaining Wall (02834). There is a cut sheet for the wall that is attached as well.
