

# Intent to Sole Source

**Solicitation #SS-0109  
07/22/2019**

Horry-Georgetown Technical College intends to purchase an annual subscription, implementation and project management services for an Intelligent Learning Platform (ILP) from:

Ellucian Company L.P.  
62578 Collections Center Drive  
Chicago, IL 60693

HGTC operated Ellucian Banner as its Enterprise Resource Planning System. A key component of the Banner system is its role in serving as the Student Information System. All student academic/enrollment records and related processes occur in Banner.

Ellucian's ILP will provide additional functionality needed for the current SIS in that it will seamlessly integrate and push grades from D2L to the Banner ERP. This integration ensures that grading within the D2L system seamlessly pushes to Banner occurring without any interruption or human error.

This ILP will provide integrated data import and data export to Ellucian Banner and also deliver reporting features that support Ellucian Banner Self-Service processes supported by Degree Works and viewable on the student web front end. Ellucian is the only provider that has developed and maintains out-of-the-box, real time web services between d2L, Degree Works and the Banner Student Information System solution.

Should you have concerns with this intent, please send your responses via e-mail to HGTC Procurement Director, Dianna Cecala at [dianna.cecala@hgtc.edu](mailto:dianna.cecala@hgtc.edu) for this Intent to Sole Source no later than 10:00 a.m. on August 1, 2019.
