Written Determination

Agency Identification: Horry-Georgetown Technical College #H59 , SS-0247

Description of the agency need that this procurement fulfills: *(See instructions on last page for guidance)*

Healthcare Corporation of America (HCA) and McLeod Health require HGTC students to utilize myClinicalExchange for student documentation including health documents, CBC, UDS, and evidence of compliance training to participate in clinical education experiences at their facilities. HGTC uses over 20 sites and places over 750 students to participate in clinical education for program curriculum requirements.

Describe the Market Based on Research Performed: *(See instructions on last page for guidance)*

Use of MyClinicalExchange is standard practice among several clinical partners for student placement and documentation management and meets clinical partner requirements. Participation in the platform is required to maintain access to clinical sites at those facilities and meet program curriculum requirements.

Sole Source Vendor Name: HealthStream

Based upon the following determination, Agency proposes to acquire the supplies, construction, information technology, and/or services described herein from the vendor named above per SC Code Ann § 11-35-1560 and SC Regulation 19-445.2105, Sole Source Procurement.

Description of supplies, construction, information technology, and/or services vendor will provide under the contract: *(See instructions on last page for guidance.)*

Myclinical Exchange is a platform specifically geared for centralizing clinical placement by leveraging web-based cloud technologies. This platform can be adopted by individual Hospitals, Educational Institutions, Consortiums, Workforce Development, and other organizations healthcare students' Clinical placement.
The system allows students enrolled in clinical programs to securely enter personal information and upload required documentation in one centralized location. Participation in MyClinicalExchange is a program and clinical site requirement, ensuring compliance with onboarding, credentialing, and clinical placement requirements while providing an efficient and secure process for students, academic programs, and clinical partners.

Explain why the described solution is the only solution that meets the agency's need and how no other identified solutions were sufficient. *(See instructions on last page for guidance)*

See explanation above.

Re: HealthStream, Inc. ("HealthStream") with Horry Georgetown Technical College ("HGTC")
Order Form: ORD-0833666(the "Contract")

Dear Ms. Oldroyd:

This letter will confirm that the MyClinicalExchange product ("the Product") proposed under the above-referenced Contract is a Sole Source product.

For the purposes of this letter, "Sole Source" is defined as a product which can only be obtained from a single vendor, and no substitute exists with all of the unique features and capabilities of such product or item.

This Product meets the requirements for Sole Source because HealthStream is the sole owner and distributor of the Product. As such, the Product may only be purchased directly from HealthStream. There are no agents or dealers authorized to represent or sell the Product to HGTC.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Deborah B. Shapiro
