

## OCCUPATIONAL THERAPY ASSISTANT, AAS DEGREE

ACOTE® accredited occupational therapy assistant educational programs satisfy educational requirements for all states, the District of Columbia, and Puerto Rico. Graduates of an ACOTE® accredited occupational therapy assistant educational program are eligible to take the National Board for Certification in Occupational Therapy (NBCOT) certification exam for occupational therapy assistants and apply for licensure in all states, the District of Columbia, and Puerto Rico.

For more information regarding state qualifications and licensure requirements, please refer to State Licensure Reuirements page of the American Occupational Therapy Association website.

*This Disclosure does not guarantee any particular State licensing or certifying agency will approve your application for certification or professional licensure. The disclosure may not account for changes in state law or regulations made after the date of this Disclosure. If your plans include pursuing professional licensure or certification in your chosen field, in any state other than South Carolina, you should reach out to the state for more information on the credentialing requirements of the state.*
