

CLINICAL MEDICAL ASSISTING CERTIFICATE PROGRAM

Graduates of the Clinical Medical Assisting Certificate for credit and non-credit (workforce development) programs are eligible to sit for the Certified Medical Assistant (CMA) exam. Graduates who pass the CMA exam will be qualified to apply for certification in most other states.

For more information on CMA Certification please visit: <https://www.aama-ntl.org/medical-assisting/what-is-a-cma>

This Disclosure does not guarantee any particular State licensing or certifying agency will approve your application for certification or professional licensure. The disclosure may not account for changes in state law or regulations made after the date of this Disclosure. If your plans include pursuing professional licensure or certification in your chosen field, in any state other than South Carolina, you should reach out to the state for more information on the credentialing requirements of the state.
