Note:

I = HGTC is investigating the state requirements and cannot confirm its program meets the minimum requirements for Professional Licensure in this state. Students wishing to pursue licensure outside of South Carolina should contact the program for information on professional licensure and discuss how HGTC's program curriculum may impact their participation in academic courses (distance learning) and clinical practicum opportunities in a different state.

A = HGTC's program meets the requirements for state licensure or certification for this state.

HGTC makes a concerted effort to regularly update the state requirements, but list is subject to change without notice.
