_____
President

Students who plan to repeat a course should register during the designated registration period(s). It is the student's responsibility to verify eligibility for financial aid, Veteran's Administration assistance, and other funding for repeated courses. Students need to contact Financial Aid for standards relating to aid dispersed for repeated courses. All grades earned for the course will appear on the student's record. The highest grade earned will be the grade used to calculate the student's cumulative GPA.
